Item 8.01 Other Events

As disclosed in item 4 of our Form 10-Q filed on April 26, 2007, the Company postponed voting with respect to two of the matters submitted to a vote of the Company's shareholders at its annual general meeting on April 2, 2007 - the confirmation and adoption the Company's Dutch statutory annual accounts for the fiscal year ended December 31, 2006 (the "Dutch Annual Accounts"), and the ratification of appointment of PricewaterhouseCoopers as the Company's independent public accountants for the year ended December 31, 2006 - and determined to adjourn the annual meeting with respect to these matters until a later date. The Dutch Annual Accounts are the Company's audited consolidated financial statements, which have in the past been prepared in accordance with Dutch generally accepted accounting principles ("Dutch GAAP"), and are used for meeting local accounting and regulatory requirements in The Netherlands; they are not the same accounts which were distributed earlier this year to the shareholders in the Company's annual report filed on Form 10-K with the United States Securities and Exchange Commission ("SEC") which are prepared in accordance with United States generally accepted accounting principles ("US GAAP") or those financial statements otherwise made public from time to time in compliance with SEC requirements. The Company is in the process of completing the 2006 Dutch Annual Accounts in accordance with International Financial Reporting Standards as endorsed by the European Union ("IFRS"). Upon completion of the Dutch Annual Accounts in accordance with IFRS, the Company will re-convene the meeting to record the shareholder vote approving both the adoption of the Dutch Annual Accounts and the ratification of PricewaterhouseCoopers. The meeting is scheduled to re-convene at 10:00 A.M. Amsterdam time on Wednesday, June 27, 2007 at the law offices of Nauta Dutilh in Amsterdam, the same location as the April 2, 2007 meeting. Shareholders are invited to attend the re-convened meeting at that time and any shareholders wishing to change votes already cast may do so by notice to either of the proxy holders or by notice to the Company's transfer agent.
