Item 1.01 Entry into Material Definitive Agreement

On August 2, 2011, Core Laboratories N. V. (“Core”) entered into a third amendment (the “Third Warrant Amendment”) to its Warrant Confirmation dated October 31, 2006 and Warrant Confirmation Amendment dated November 15, 2006 (the “Confirmations”), with Citibank, N.A. in order to accelerate the settlement of another portion of the warrants. As a result of the Third Warrant Amendment, another 25% of the warrants outstanding prior to any settlement (including the First Warrant Amendment dated May 4, 2011 and the Second Warrant Amendment dated June 6, 2011) will settle based upon company stock prices during the twenty trading day period beginning on August 2, 2011 and ending August 29, 2011 ahead of the currently scheduled period beginning on December 27, 2011 and ending January 25, 2012 as described in the Confirmations for the balance of the warrants. In addition, the Third Warrant Amendment establishes the strike price for the warrants that will settle on an accelerated basis to take into account the time value of money and is described on a schedule attached to the Third Warrant Amendment. In the Third Warrant Amendment, Core will have the daily option to settle the warrants in cash or by delivering company shares for each of the twenty trading days.

As we did in the First Warrant Amendment and the Second Warrant Amendment, the third settlement of warrants is determined by subtracting the strike price for that day from the daily VWAP and multiplying that number by the daily number of warrants and then dividing by the daily VWAP. Thus, we anticipate at this time that the amount of cash that would be delivered will be approximately \$3.5 million per day or approximately 35,000 shares per day, depending on Core's election. Any shares that are delivered are not included in our basic share count, but they have already been accounted for in our diluted share count. Upon issuance, they will be added to our basic share count. In the event we deliver cash rather than shares, our diluted share count will be reduced by the equivalent number of shares. No consideration other than as described above will be paid in connection with this settlement.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Third Warrant Amendment, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.
