STOCKHOLDERS ENTITLED TO VOTE

Stockholders as recorded in the Company’s stock register on September 9, 2011 will be entitled to notice of and may vote at the Annual Meeting or any adjournments or postponements thereof. On such date, the Company had outstanding 43,435,166 shares of Common Stock, par value \$0.00001 per share (“Common Stock”), entitled to one vote per share. The list of stockholders entitled to vote at the meeting will be open to the examination of any stockholder for any purpose relevant to the meeting during normal business hours for 10 days before the meeting at the Company’s registered office in our statutory registered agent's office at 6100 Neil Road, Suite 500, Reno, Nevada 89511. The list will also be available during the meeting for inspection by stockholders.

QUORUM

The Company’s bylaws provide that at all meetings of stockholders, the holders of record, present in person or by proxy, of shares of Common Stock having a majority of the voting power entitled to vote thereat, is necessary and sufficient to constitute a quorum for the transaction of business. Abstentions, withheld votes and shares held of record by a broker or its nominee that are voted on any matter are included in determining the number of votes present. Broker shares that are not voted on any matter at the Annual Meeting will not be included in determining whether a quorum is present.

Your vote is important — we urge you to vote by proxy even if you plan to attend the Annual Meeting.

HOW TO VOTE; SUBMITTING YOUR PROXY; REVOKING YOUR PROXY

You may vote your shares either by voting in person at the Annual Meeting or by submitting a completed proxy. By submitting a proxy, you are legally authorizing another person to vote your shares. The enclosed proxy card designates Messrs. John Cecil or Vince Leitao to vote your shares in accordance with the voting instructions you indicate on your proxy card.

If you submit your executed proxy card designating Messrs. Cecil or Leitao as the individuals authorized to vote your shares, but you do not indicate how your shares are to be voted, then your shares will be voted by these individuals in accordance with the Board's recommendations, which are described in this Proxy Statement. In addition, if any other matters are properly brought up at the Annual Meeting (other than the proposals contained in this Proxy Statement), then each of these individuals will have the authority to vote your shares on those other matters in accordance with his discretion and judgment. The Board currently does not know of any matters to be raised at the Annual Meeting other than the proposals contained in this Proxy Statement.

We urge you to vote by doing one of the following:

- **Vote by Mail:** You can vote your shares by mail by completing, signing, dating and returning your proxy card in the postage-paid envelope provided. In order for your proxy to be validly submitted and for your shares to be voted in accordance with your instructions, we must receive your mailed proxy card by 11:59 p.m. Eastern Time on September 21, 2011.
- **Vote by Fax:** You can also vote your shares by calling the number indicated on your proxy card at any time and following the recorded instructions. If you submit your proxy by telephone, then you may submit your voting instructions up until 11:59 p.m. Eastern Time on September 21, 2011. If you are a beneficial owner, or you hold your shares in "street name" as described below, please contact your bank, broker or other holder of record to determine whether you will be able to vote by Fax.
- **Vote via the Internet (email):** You can vote your shares via the Internet by email to proxy@kalloinc.com attaching your proxy card to the email. If you submit your proxy via the Internet (email), then you may submit your voting instructions up until 11:59 p.m. Eastern Time on September 21, 2011. If you are a beneficial owner, or you hold your shares in "street name", please contact your bank, broker or other holder of record to determine whether you will be able to vote via the Internet (email).

Please let us know whether you plan to attend the Annual Meeting by marking the appropriate box on your proxy card or by following the instructions provided when you submit your proxy by fax or via the Internet (email).

If your shares are not registered in your name but in the “street name” of a bank, broker or other holder of record (a “nominee”), then your name will not appear in the Company’s register of stockholders. Those shares are held in your nominee’s name, on your behalf, and your nominee will be entitled to vote your shares. Your nominee is required to vote your shares in accordance with your instructions. If you do not give instructions to your nominee, your nominee will be entitled to vote your shares with respect to “discretionary” items but will not be permitted to vote your shares with respect to “non-discretionary” items (your shares are treated as “broker non-votes”).

Your proxy is revocable. If you are a stockholder of record, after you have submitted your proxy card, you may revoke it by mail by sending a written notice to be delivered before the Annual Meeting to the Company’s Secretary Samuel Baker at 15 Allstate Parkway, Suite 600, Markham, Ontario, Canada L3R 5B4. If you wish to revoke your submitted proxy card and submit new voting instructions by mail, then you must sign, date and mail a new proxy card with your new voting instructions, which we must receive by 11:59 p.m. Eastern Time on September 21, 2011. If you are a stockholder of record and you voted your proxy card by Fax or via the Internet (email), you may revoke your submitted proxy and/or submit new voting instructions by that same method, which must be received by 11:59 p.m. Eastern Time on September 21, 2011. You also may revoke your proxy card by attending the Annual Meeting and voting your shares in person. Attending the Annual Meeting without taking one of the actions above will not revoke your proxy. If you are a beneficial owner, or you hold your shares in “street name” as described above, please contact your bank, broker or other holder of record for instructions on how to change or revoke your vote.

Your vote is very important to the Company. If you do not plan to attend the Annual Meeting, we encourage you to read this Proxy Statement and submit your completed proxy card prior to the Annual Meeting in accordance with the above instructions so that your shares will be represented and voted in accordance with your instructions.

Even if you plan to attend the Annual Meeting in person, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

You are entitled to attend the Annual Meeting only if you are a stockholder of record or a beneficial owner as of the close of business on March 31, 2011, or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admission.

If your shares are held in “street name”, in order for you to attend the Annual Meeting, you must bring a letter or account statement showing that you beneficially own the shares held by your nominee, as well as proper photo identification. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your nominee unless you have a proxy from your nominee.

If you have questions or require any assistance with voting your shares, please contact the Company’s Secretary, Samuel Baker at 15 Allstate Parkway, Suite 600, Markham, Ontario, Canada L3R 5B4. Mr. Baker is also the Company's general counsel.

Option/SAR Grants

There are no stock option, retirement, pension, or profit sharing plans for the benefit of our officers and directors

Long-Term Incentive Plan Awards

We do not have any long-term incentive plans that provide compensation intended to serve as incentive for performance.

Compensation of Directors

We do not have employment contracts with our directors (who are also officers), except for Leonard Steinmetz, whose employment agreement as an officer (CFO) has been terminated for cause as of March 25, 2011.

We have no Compensation Committee. The Board of Directors determines the compensation to be paid to each board member and to each officer. As of today we have not generated any revenues. In order to maintain our operations we retained Jarr Capital to raise funds for to maintain operations until we generated revenues. As part of our agreement with Jarr Capital, Jarr Capital recommended that we terminate our employment agreements with all of our officers and directors. Each officer and director, with the exception of Leonard Steinmetz did this. Mr. Steinmetz elected to file suit on his agreement. To date we have incurred legal expenses in excess of \$100,000 to defend the lawsuit.

Currently we do not have funds to pay salaries to our officers and directors. Unless we generate revenues in the next six (6) months, we anticipate ceasing operations.

Indemnification

Under our Bylaws, we may indemnify an officer or director who is made a party to any proceeding, including a lawsuit, because of his position, if he acted in good faith and in a manner he reasonably believed to be in our best interest. We may advance expenses incurred in defending a proceeding. To the extent that the officer or director is successful on the merits in a proceeding as to which he is to be indemnified, we must indemnify him against all expenses incurred, including attorney's fees. With respect to a derivative action, indemnity may be made only for expenses actually and reasonably incurred in defending the proceeding, and if the officer or director is judged liable, only by a court order. The indemnification is intended to be to the fullest extent permitted by the laws of the State of Nevada.

Regarding indemnification for liabilities arising under the Securities Act of 1933, which may be permitted to directors or officers under Nevada law, we are informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy, as expressed in the Act and is, therefore, unenforceable.

The Board unanimously recommends that you vote FOR the election of each of the above-named nominees.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are having dire financial difficulties at the present time. Accordingly we do not anticipate paying any compensation to our executive officers in the near future.

When we do start generating revenues, we will begin paying our officers compensation for their services. We plan to implement an executive compensation program that is intended to achieve the objective of aligning executives’ interests with those of stockholders. The plan is to reward executives for long-term growth in the value of Common Stock through encouraging them to hold a significant amount of the Company’s equity; paying for performance through both cash and equity-based incentives that, in turn, provide greater rewards for stronger performance of the Company as a whole and the Company’s business units; paying competitively in order to attract and retain senior executives; and creating incentives to maximize the long-term growth of the Company’s business. The weighting of incentive compensation toward long-term awards discourages short term risk taking. Rolling performance targets also discourage such behavior.

The elements of our compensation program will include base salary, annual cash incentive compensation and long-term incentive compensation in the forms of stock option awards, restricted stock awards. Each salary, annual cash incentive compensation and pension and welfare benefits plan amount will be established by the board of directors.

The Board endorses the Company’s executive compensation program and recommends stockholders vote in favor of the following resolution:

“RESOLVED, that compensation paid to the Company’s executive officers as disclosed pursuant to Item 402 of Regulation S-K described in this proxy statement under “Executive Compensation”, including the Compensation Discussion and Analysis, Compensation tables and narrative discussion contained in this proxy statement, is hereby APPROVED.”

Because the vote is advisory, it will not be binding upon the Board of Directors, Board of Directors will not be required to take any action as a result of the outcome of the vote on this proposal.

The Board of Directors unanimously recommends a vote FOR the approval of the Company's executive compensation.

VOTE ON FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

You may vote at least every six years to advise on whether the vote on executive compensation should occur every one, two or three years. You have the option to vote for any one of the three options, or to abstain on the matter.

We believe that an advisory vote on executive compensation every year is the best approach for the Company based on the current financial condition of the Company and the following considerations:

- Our dire financial condition will require a constant, close review of our compensation program until such time as we begin generating revenues;
- A one year review process requires the Board to thoughtfully consider the results of the advisory vote and to implement any desired changes to our executive compensation policies and procedures; and,
- A one year review process will provide stockholders information to evaluate the effectiveness of our compensation strategies and the related business outcomes of the Company.

Although the vote is non-binding, our Board of Directors will take into account the outcome of the vote when making future decisions about the Company's executive compensation policies and procedures. The Company's stockholders also have the opportunity to provide additional feedback on important matters involving executive compensation at any time.

The Board of Directors unanimously recommends a vote to conduct an advisory vote on executive compensation every year.
