----- PROXY STATEMENT -----

The following statement is furnished to the holders of the Class A Common Stock, par value \$0.10 per share (the "Class A Common Stock"), of Bel Fuse Inc. ("Bel" or the "Company"), a New Jersey corporation with its principal executive offices at 206 Van Vorst Street, Jersey City, New Jersey 07302, in connection with the solicitation by the Board of Directors of Bel of proxies to be used at Bel's Annual Meeting of Shareholders. The Annual Meeting will be held at the Hyatt Regency Jersey City, 2 Exchange Place, Jersey City, New Jersey 07302, on Thursday, May 27, 2004 at 2:00 p.m. This Proxy Statement is also furnished to the holders of Bel's Class B Common Stock, par value \$0.10 per share (the "Class B Common Stock"), for informational purposes. Holders of Class B Common Stock are not entitled to vote at the Annual Meeting in accordance with Bel's Certificate of Incorporation, as amended. This Proxy Statement and, as to holders of the Class A Common Stock, the enclosed form of proxy are first being sent to shareholders on or about April 21, 2004. As used in the remainder of this Proxy Statement, the term "shareholders" shall refer to the holders of Bel's Class A Common Stock.

VOTING; REVOCATION OF PROXIES

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice to the secretary of the meeting. A subsequently dated proxy will, if properly presented, revoke a prior proxy. Any shareholder may attend the meeting and vote in person whether or not he has previously given a proxy. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If a proxy is signed but no specification is given, the shares will be voted "FOR" the Board's nominees to the Board of Directors.

PROXY SOLICITATION

The entire cost of soliciting these proxies will be borne by Bel. In following up the original solicitation of the proxies by mail, Bel may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock held of record by such persons and may reimburse them for their expenses in so doing. If necessary, Bel may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

VOTE REQUIRED; SHARES ENTITLED TO VOTE; PRINCIPAL SHAREHOLDERS

The presence in person or by proxy of holders of a majority of the outstanding shares of the Company's Class A Common Stock will constitute a quorum for the transaction of business at the Company's Annual Meeting. Assuming that a quorum is present, the election of directors will require the affirmative vote of a plurality of the shares of Class A Common Stock represented and entitled to vote at the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for

Edgar Filing: BEL FUSE INC /NJ - Form DEF 14A

consideration at the Annual Meeting, only those cast "for" or "against" are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Holders of Class A Common Stock are not entitled to cumulative voting in the election of directors.

Holders of record of the Class A Common Stock at the close of business on April 14, 2004 (the record date fixed by the Board of Directors) will be entitled to receive notice of, and to vote at, the Annual Meeting. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and greater than 10 percent beneficial owners to file with the Securities and Exchange Commission certain reports regarding such persons' ownership of the Company's securities. Directors, officers and greater than 10 percent beneficial owners are required by applicable regulations to furnish Bel with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of the forms or information furnished to Bel, the Company believes that during 2003 all filing requirements applicable to its directors, officers and greater than 10 percent beneficial owners were satisfied on a timely basis, except that Daniel Bernstein (President, Chief Executive Officer and a director of the Company) did not file on a timely basis a report disclosing option exercises of Class A Common Stock and Class B Common Stock that occurred on August 19, 2003 and the sale of the shares acquired on exercise that occurred on August 20, 2003, and Howard Bernstein (a director of the Company) did not file on a timely basis a report disclosing sales of Class B Common Stock that occurred on November 11-13, 2003. These late filings were inadvertent, and the required filings were made promptly after noting the failure to file.

THE BOARD OF DIRECTORS; COMMITTEES OF THE BOARD; DIRECTORS' COMPENSATION

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Recently, Nasdaq adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. As noted below, the Board has determined that the members of the Audit Committee satisfy all such definitions of independence. The Board has also determined that the following members of the Board satisfy the Nasdaq definition of independence: Howard Bernstein, Peter Gilbert, John S. Johnson, John F. Tweedy, Robert Simandl and, if elected, Avi Eden.

The Company's Board of Directors holds a regular meeting immediately before the Annual Meeting of Shareholders and meets regularly throughout the year. During 2003, the Board held six meetings.

Bel's Board has an Executive Committee, a Compensation Committee and an Audit Committee. The Executive Committee is composed of Daniel Bernstein, Robert H. Simandl and John F. Tweedy; the Compensation Committee is composed of Peter Gilbert and Robert H. Simandl; and the Audit

Committee is composed of Peter Gilbert, John S. Johnson and John F. Tweedy. The function of the Executive Committee is to act in the place of the Board when the Board cannot be convened. The Nominating Committee, formed on May 22, 2003, is composed of Howard Bernstein, Robert H. Simandl and John F. Tweedy.

The Compensation Committee is charged with the responsibility of administering the Company's Stock Option Plan and also reviews the compensation of Bel's executive officers.

The Audit Committee reviews significant audit and accounting principles, policies and practices, and meets with the Company's independent auditors. The Board of Directors has determined that John S. Johnson constitutes an "audit

Edgar Filing: BEL FUSE INC /NJ - Form DEF 14A

committee financial expert", as such term is defined by the SEC. As noted above, Mr. Johnson -- as well as the other members of the Audit Committee -- has been determined to be "independent" within the meaning of SEC and Nasdaq regulations.

During 2003, the Executive Committee held no meetings, the Audit Committee held six meetings, the Compensation Committee held one meeting and the Nominating Committee held one meeting.

In 2003, non-employee directors of the Company received an annual retainer of \$12,000, plus \$1,000 for each Board meeting they attended and \$500 for each committee meeting they attended. In 2003, directors who were executive officers of the Company did not receive directors' fees. In 2003, directors of the Company's foreign subsidiaries did not receive a retainer.

In 2003, each non-employee director of the Company was granted an option to purchase 8,000 shares of Class B Common Stock in consideration of such person's service as a director. For a description of legal services provided to the Company by Robert H. Simandl during 2003, see "Compensation Committee Interlocks and Insider Participation."

NOMINATING COMMITTEE MATTERS

Nominating Committee Charter. The Board has adopted a Nominating Committee charter to govern its Nominating Committee. A copy of the Nominating Committee's charter is attached hereto as Appendix A.

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be "independent directors" pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace rules.

Procedures for Considering Nominations Made by Shareholders. The Nominating Committee's charter describes procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the

Edgar Filing: BEL FUSE INC /NJ - Form DEF 14A

Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter for director candidates.

9

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

- o must satisfy any legal requirements applicable to members of the Board;
- o must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;
- o must have a reputation for honesty and ethical conduct;
- o must have a working knowledge of the types of responsibilities expected of members of the board of directors of a public company; and
- o must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board will be identified from all available sources, including recommendations made by shareholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

- o a review of the information provided to the Nominating Committee by the proponent;
- o a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and
- o a personal interview of the candidate,

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the 2004 Annual Meeting, the Nominating Committee did not receive any nominations from any shareholder or group of shareholders which owned more than 5% of the Company's Class A Common Stock or Class B Common Stock for at least one year.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of Bel's executive officers generally are made by the Compensation Committee of the Board of Directors (the "Committee"). Pursuant to Securities and Exchange Commission rules designed to enhance disclosure of corporate policies regarding executive compensation, Bel has set forth below a report submitted by the Committee addressing Bel's compensation policies for 2003 as they affected Daniel Bernstein, the Chief Executive Officer, and the other Named Officers.

12

The goals of Bel's compensation policies for executive officers are to provide a competitive level of base salary and other benefits to attract, retain and motivate high caliber personnel.

The Company's compensation program consists primarily of base salary and long-term incentive awards. In making its compensation decisions, the Committee analyzes the Company's performance, the individual's performance in terms of the fulfillment of responsibilities related to the applicable position, and the individual's contribution to the Company.

Executive officers receive performance and salary reviews each year. Salary increases are based on an evaluation of the extent to which a particular executive officer is determined to have assisted the Company in meeting its business objectives and in contributing to the growth and performance of the Company.

Daniel Bernstein's salary and Colin Dunn's salary remained virtually unchanged from 2002 to 2003. Bonuses to the Named Officers were increased in 2003, reflecting the improvement in the Company's performance and the contributions made by various individuals, including Daniel Bernstein and Colin Dunn, to such performance.

The Company's long-term incentive award program includes the grant of stock options. Stock options only produce value to executives if the price of the Company's stock appreciates, thereby directly linking the interests of

Edgar Filing: BEL FUSE INC /NJ - Form DEF 14A

executives with those of stockholders. All of the Company's outstanding stock options have been granted at exercise prices at least equal to the market price on the grant date. None of the Named Officers was granted a stock option during 2003.

Pursuant to the Company's domestic 401(k) Plan and Far East Retirement Plan, the Company makes matching contributions of pre-tax elective deferral contributions made by employees, including executive officers. The Company's matching contributions under the 401(k) Plan are currently made in shares of Bel's Class B Common Stock and under the Far East Retirement Plan are currently made partly in shares of Bel's Class B Common Stock (approximately 10% of the Company's contribution) and partly in cash (approximately 90% of the contribution). Bel believes that these plans are an important element in executive long-term compensation and foster the retention and motivation of qualified executives.

During 1993, the Omnibus Reconciliation Act of 1993 was enacted. This Act includes potential limitations on the deductibility of compensation in excess of \$1 million paid to the Company's five highest paid officers beginning in 1994. Based on regulations issued by the Internal Revenue Service and an analysis by the Company to date, the Company believes that any compensation realized in connection with the exercise of stock options granted by the Company will continue to be deductible as performance-based compensation. The Committee and the entire Board of Directors will continue to evaluate the impact of this legislation on Bel's compensation program and intends to submit appropriate proposals to stockholders at future meetings if necessary in order to maintain the deductibility of executive compensation.

Respectfully submitted,

Robert H. Simandl
Peter Gilbert
