**EXPLANATORY NOTE**

CVD Equipment Corporation is filing this Amendment No. 1 on Form 10-KSB/A (“Amendment No.1”) to amend our Form 10-KSB for the year ended December 31, 2007 which was originally filed on March 31, 2008.

We are filing this Amendment No.1 to include the disclosures required under Part II, Item 8A(T), Controls and Procedures. We are also revising and re-executing the Principal Executive Officer and Principal Financial Officer certifications filed under Exhibits 31.1 and 31.2 to include the introductory language of paragraph 4 and the language of paragraph 4(b) of Item 601(b)(31) of Regulation S-B. Except as disclosed in this Explanatory Note, we have not updated the disclosure contained in the original Form 10-KSB, as filed on March 31, 2008. Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended, this Amendment No. 1 contains new certifications of our Chief Executive Officer and Chief Financial Officer executed as of the date hereof. All other disclosures and exhibits as filed in our Form 10-KSB filed on March 31, 2008 are hereby incorporated by reference as to such. Accordingly, this Amendment No. 1 should be read in conjunction with our other filings made with the Securities and Exchange Commission (“SEC”).

**ITEM 8A(T). CONTROLS AND PROCEDURES**

Evaluation of Disclosure Controls and Procedures. The Company maintains a system of disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act). As required by Rule 13a-15(b) under the Exchange Act, management of the Company, under the direction of the Company’s Chief Executive Officer and Chief Financial Officer, reviewed and performed an evaluation of the effectiveness of design and operation of the Company’s disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act) as of December 31, 2007. Based on that review and evaluation, the Chief Executive Officer and Chief Financial Officer, along with the management of the Company, have determined that as of December 31, 2007, the disclosure controls and procedures were not effective due to an inadvertent failure to include our Management’s Annual Report On Internal Control Over Financial Reporting in our annual report on Form 10-KSB for the year ended December 31, 2007. As of the date of this amended report, the Company has taken the following steps to address this issue:

- (1) Before each report is filed, management of the Company will review the SEC’s website, [www.sec.gov](http://www.sec.gov), in an effort to determine any recent changes in the rules affecting our disclosure obligations; and
- (2) As each report is prepared, we will discuss with our independent consultants who assist us in the preparation of the reports and financial statements included within the reports whether they are aware of any recent changes in the rules affecting our disclosure obligations.

Management's Annual Report on Internal Control Over Financial Reporting.

Management of the Company is responsible for establishing and maintaining effective internal control over financial reporting (as defined in Rule 13a - 15(f) of the Exchange Act). There are inherent limitations to the effectiveness of any internal control, including the possibility of human error and the circumvention or overriding of controls. Accordingly, even effective internal controls can provide only reasonable assurance with respect to financial statement preparation. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

We have assessed the effectiveness of our internal controls over financial reporting (as defined in Rule 13a -15(f) of the Exchange Act) as of December 31, 2007. In making this assessment, we used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control - Integrated Framework. Management concluded that, as of December 31, 2007, our internal control over financial reporting was effective based on the criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the Company's registered public accounting firm pursuant to the rules of the Securities and Exchange Commission that permit the Company to provide only management's report in this annual report.

Changes in Internal Control Over Financial Reporting. There were no changes in our internal control over financial reporting, identified in connection with the evaluation of such internal control that occurred during our last fiscal quarter, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
