Notes to Consolidated Financial Statements
March 31, 2003
(UNAUDITED)

1. BASIS OF PRESENTATION:

The unaudited financial statements have been prepared by the Company, pursuant to the rules and regulations of the Securities and Exchange Commission. These financial statements and the notes hereto should be read in conjunction with the financial statements and notes thereto included in the Company's Form 10-KSB for the year ended September 30, 2002, which was filed December 31, 2002. In the opinion of the Company, all adjustments, including normal recurring adjustments necessary to present fairly the financial position of Urban Television Network Corporation as of March 31, 2003 and the results of its Operations and cash flows for the six months then ended, have been included. The results of operations for the interim period are not necessarily indicative of the results for the full year.

ACCOUNTING POLICIES:

There have been no changes in accounting policies used by the Company during the six months ended March 31, 2003.

2. Significant Accounting Policies

Organization and Business

Waste Conversion Systems, Inc. was incorporated under the laws of the state of Nevada on October 21, 1986. On June 10, 2002 the company changed its name to Urban Television Network Corporation. The name change coincided the

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form 10QSB/A

company's acquisition of assets from the Urban Television Network Corporation, a Texas corporation. Urban Television Network Corporation ("UTVN") and its subsidiaries, together, the "Company") are engaged in the business of supplying programming to broadcast television stations and cable systems. Formerly the company's business had been the marketing of thermal burner systems that utilize industrial and agricultural waste products as fuel to produce steam, which generates electricity, air-conditioning or heat.

Principles of Consolidation

The consolidated financial statements include the account of the company and those majority-owned subsidiaries in which the company has control. All significant intercompany accounts and transactions are eliminated in consolidation. The accounts and results of operations of controlled subsidiaries where ownership is greater than 50 percent, but less than 100 percent are included in the consolidated results and are offset by a related minority expense and liability recorded for the minority interest ownership. The Company owns 100% of Waste Conversion Systems of Virginia, Inc. which had no assets or liabilities at September 30, 2002 and March 31, 2003 and no revenues or expenses for the year ended September 30, 2002 and the six months ended March 31, 2003. The Company owns 90% of Urban Television Network Corporation, a Texas corporation (See note 5).

Non Goodwill Intangible Assets

Intangible assets other than goodwill consist of network assets acquired by purchase. They are being amortized over their expected lives of 5 years and are reviewed for potential impairment whenever events or circumstances indicate that carrying amounts may not be recoverable. No impairment loss was recognized during the reporting period. On January 1, 2002, the Company adopted Statement of Financial Accounting Standards No. 142, Goodwill and Intangible Assets. This provides that a recognized intangible shall be amortized over its useful life to the reporting entity unless that life is determined to be indefinite. The amount of an intangible asset to be amortized shall be the amount initially assigned to that asset less any residual value.

Income (Loss) Per Share

Income (loss) per common share is computed by dividing net income (loss) by the weighted average number of common shares outstanding. Stock options and warrants are anti-dilutive, and accordingly, are not included in the calculation of income (loss) per share.

Cash

For purposes of the statement of cash flows, the Company considers unrestricted cash and all highly liquid debt instruments purchased with an original maturity of three months or less to be cash.

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form 10QSB/A

(UNAUDITED)

2. Significant Accounting Policies (Continued)

Advertising Costs

The Company expenses non-direct advertising costs as incurred. The Company did not incur any direct response advertising costs for the fiscal year ended September 30, 2002 and the six months ended March 31, 2003.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recent Accounting Standards

The FASB issued SFAS No. 140, "Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities." The Statement provides guidance for determining whether a transfer of financial assets should be accounted for as a sale or a secured borrowing, and whether a liability has been extinguished. The Statement is effective for recognition and reclassification of collateral and for disclosures ending after December 15, The Statement is effective for transfers and servicing of financial assets and extinguishments of liabilities occurring after March 31, 2001. The initial application of SFAS No. 140 will have no impact to the Company's results of operations and financial position.

In June, 2001 the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 141, "Business Combinations" and No. 142 "Goodwill and Other Intangible Assets." These statements prohibit pooling-of-interest accounting for Transactions initiated after June 30, 2001, require the use of the purchase method of accounting for all combinations after June 30, 2001, and establish new standards for accounting for goodwill and other intangibles acquired in business combinations. The Company does not expect these pronouncements to have a material affect on its financial statements.

Stock Options

The Company accounts for non-employee stock options under SFAS 123, whereby option costs are recorded at the fair value of the consideration received or the fair value of the equity instrument issued, whichever is more reliable measurement, in accordance with EITF 96-18 "Accounting for Equity" instruments that are issued to other than employees for acquiring or in conjunction with selling Goods or Services.

The Company adopted in February 1993 an employee stock option plan. There are no options outstanding under this plan. This plan will be accounted for under FAS 123 as described above.

3. Network Assets - Amortization

On May 1, 2002, the Company entered into an agreement with Urban Television Network Corporation, a Texas corporation, (UTVN-Texas) to acquire the

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form 10QSB/A

rights to the UATV Network signal space which included the assignment of the UATV affiliates for 16,000,000 shares of common stock with an estimated fair market value of \$559,000. These assets purchased are referred to as network asset.

Network assets consist of intangibles other than Goodwill. These assets automatically renew every year unless either party terminates the agreement by such notification to the other party. A useful life of five (5) years is estimated for the assets. These agreements are not expected to be terminated by either party prior to its useful life period. Total amortization of these assets has been \$102,484 and the amortization for the period ended September 30, 2002 was \$46,584 and for the six months ended March 31, 2003 was \$255,900.

Future amortization of the Network assets at December 31, 2002 will be \$484,466 and on an annual basis be as follows:

Year ended September 30, 2003	\$ 55,904
Year ended September 30, 2004	\$111,804
Year ended September 30, 2005	\$111,804
Year ended September 30, 2006	\$111,804

4. Property, Plant and Equipment

The Company acquired equipment totaling \$64,795. This was recorded at cost and depreciation on a straight-line basis over five (5) years. Depreciation for fiscal year and accumulated at September 30, 2002 was \$783.00. Depreciation for the six months ended March 31, 2003 was \$3,750 and the accumulated at March 31, 2003 was \$6,883.

5. Acquisition

On February 7, 2003, the Company entered into an Exchange Agreement with the majority shareholders of Urban Television Network Corporation, a Texas corporation (UTNC). The Company acquired 90% of the issued and outstanding capital stock of UTNC in Return for 13,248,000 shares of the Company's common stock valued at \$1,324,800. The valuation of the common stock paid by the Company as consideration was established by the Company at \$.10 per share based on the restricted nature of the stock, the low trading history of the stock at the time of the acquisition. The acquisition was made to complete the acquisition of the balance of the UTNC assets including proprietary broadcast technologies, intellectual property and goodwill. The acquisition was accounted for under the purchase method. The purchase price has been allocated to the assets acquired and liabilities assumed based on their estimated fair market value. Any excess purchase price over the fair market value of the net assets acquired has been recorded as goodwill. In this transaction the allocation of the purchase price resulted in goodwill of \$761,036. The estimated fair values of assets acquired and liabilities

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form 10QSB/A

assumed are summarized in the following table.

14. Going Concern

The Company has suffered recurring losses from operations. In order for the Company to sustain operations and execute its television broadcast and programming business plan, capital will need to be raised to support operations as the company executes its business plan. These conditions raise substantial doubt about the Company's ability to continue as a going concern.

The Company may raise additional capital through the sale of its equity securities, or debt securities.
