PROXY STATEMENT

This Proxy Statement (this “Proxy Statement”) is being furnished to you by the Board of Directors (our “Board”) of Carriage Services, Inc. (“Carriage”, “we”, “us” or “our”) for use at our 2013 Annual Meeting of Stockholders (our “Annual Meeting”).

2013 Annual Meeting Date and Location

Our Annual Meeting will be held at the Lakes on Post Oak Conference Center, 3050 Post Oak Boulevard, 2nd Floor, Houston, Texas, 77056, on Wednesday, May 22, 2013, at 9:00 a.m., Central Daylight Time.

About Our Annual Meeting

Why am I receiving these proxy materials?

Our Board is soliciting your proxy to vote at our Annual Meeting because you owned shares of our common stock (“Common Stock”) at the close of business on March 25, 2013, the record date for our Annual Meeting (the “Record Date”), and are therefore entitled to vote at our Annual Meeting.

This Proxy Statement, along with a proxy card, is being mailed to our stockholders on or about April 15, 2013. We have also made these materials available to you free of charge on the Internet. This Proxy Statement summarizes the information that you need to know in order to cast your vote at our Annual Meeting. As a stockholder, your vote is very important and our Board strongly encourages you to exercise your right to vote. You do not need to attend our Annual Meeting in person to vote your shares. Whether or not you plan to attend our Annual Meeting, we encourage you to vote your shares by completing, signing, dating and returning the enclosed proxy card in the envelope provided. See “About Our Annual Meeting—How do I vote my shares?” below.

What is the purpose of our Annual Meeting?

At our Annual Meeting, as a stockholder, you will be asked:

- to re-elect L. William Heiligbrodt and elect Barry K. Fingerhut to our Board as Class II directors;
- to approve our 2013 Long-Term Incentive Plan;
- to approve, on an advisory basis, our named executive officer compensation;
- to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013; and
- to transact such other business as may properly come before the Annual Meeting or any adjournments of postponements thereof.

In addition, you will have the opportunity to hear what has happened in Carriage's business during the past year and our executive officers will respond to appropriate questions.

Who is entitled to vote at the meeting?

Only our stockholders as of the close of business on the Record Date are entitled to receive notice of our Annual Meeting and to vote at our Annual Meeting. On March 25, 2013, we had 18,109,986 shares of Common Stock issued and outstanding and entitled to vote at our Annual Meeting.

How many votes can I cast?

You are entitled to one vote for each share of Common Stock you owned on the Record Date on all matters presented at our Annual Meeting.

Is my vote important?

Your vote is important regardless of how many shares of Common Stock you own. Please take the time to vote. Please read the instructions below, choose the way to vote that is easiest and most convenient to you and cast your vote as soon as possible.

What is the difference between a stockholder of record and a “street name” holder?

Most stockholders hold their shares through a bank, broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned in street name.

Stockholder of Record. If your shares are registered directly in your name with the American Stock Transfer & Trust Company, our transfer agent, you are considered, with respect to those shares, to be the stockholder of record, and you have the right to grant your voting proxy directly or to vote in person at our Annual Meeting.

Street Name Stockholder. If your shares are held by a bank, broker or other nominee, you are considered the beneficial owner of shares held in “street name.” As the beneficial owner, you have the right to direct your bank, broker or other nominee how to vote your shares and are also invited to attend our Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at our Annual Meeting unless you obtain a legal proxy from the record holder prior to attending our Annual Meeting giving you the right to vote the shares. In order to vote your shares, you will need to follow the directions your bank, broker or other nominee provides to you.

How do I vote my shares?

Stockholders of Record. Stockholders of record may vote their shares or submit a proxy to have their shares voted by one of the following methods:

By Mail. To vote by proxy by mail, you should mark, sign, date and mail the enclosed proxy card in the prepaid envelope provided. The shares you own will be voted according to the instructions on the proxy card that you provide. If you return your proxy card but do not mark your voting preference, the individuals named as proxies will vote your shares FOR the election of each of the Class II director nominees and FOR the other proposals described in this Proxy Statement.

In Person. If you attend our Annual Meeting, you may vote by delivering your completed proxy card in person or by completing a ballot, which will be available at our Annual Meeting. Attending our Annual Meeting without delivering your completed proxy card or completing a ballot will not count as a vote. Submitting a proxy prior to our Annual Meeting will not prevent you from attending our Annual Meeting and voting in person.

Street Name Stockholder. Street name stockholders may generally vote their shares or submit a proxy to have their shares voted by one of the following methods:

By Mail. You may indicate your vote by completing, signing and dating your voting instruction card or other information forwarded by your bank, broker or other nominee and returning it to such party in the manner specified in such materials.

By Methods Listed on Voting Instruction Form. Please refer to your voting instruction form or other information forwarded by your bank, broker or other nominee to determine whether you may submit a proxy by telephone or electronically on the Internet, following the instructions on the voting instruction form or other information provided by the record holder.

In Person with a Proxy from the Record Holder. You may vote in person at our Annual Meeting if you obtain a legal proxy from your bank, broker or other nominee. Please consult the voting instruction form or other information sent to you by the record holder to determine how to obtain a legal proxy in order to vote in person at our Annual Meeting.

Can I revoke my proxy?

Yes, if you are a stockholder of record, you can revoke your proxy at any time before it is exercised by: submitting written notice of revocation to our principal executive offices, which are located at 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056, Attn: Corporate Secretary no later than May 21, 2013; submitting a later dated proxy with new voting instructions by mail; or attending our Annual Meeting and voting your shares in person.

If you are a street name stockholder and you vote by proxy, you may change your vote by submitting new voting instructions to your bank, broker or other nominee in accordance with such entity’s procedures.

What is the effect of broker non-votes and what vote is required to approve each proposal?

If you hold your shares in “street name,” you will receive instructions from your bank, broker or other nominee describing how to vote your shares. If you do not instruct your bank, broker or other nominee how to vote your shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the rules of the New York Stock Exchange (the “NYSE”).

There are also non-discretionary matters for which banks, brokers and other nominees do not have discretionary authority to vote unless they receive timely instructions from you. When a bank, broker or other nominee does not have discretion to vote on a particular matter and you have not given timely instructions on how the bank, broker or other nominee should vote your shares, a “broker non-vote” results. Although any broker non-vote would be counted as present at the meeting for purposes of determining a quorum, it would be treated as not entitled to vote with respect to non-discretionary matters.

Abstentions occur when stockholders are present at our Annual Meeting but fail to vote or voluntarily withhold their vote for any of the matters upon which the stockholders are voting. Abstentions will have no effect on the election of directors but will have the effect of a vote against the other proposals being considered at the meeting.

If your shares are held in street name and you do not give voting instructions, pursuant to NYSE Rule 452, the record holder will not be permitted to vote your shares with respect to Proposal 1 (Election of Class II Directors), Proposal 2 (Approval of 2013 Long-Term Incentive Plan) or Proposal 3 (Advisory Vote to Approve Named Executive Officer Compensation), and your shares will be considered “broker non-votes” with respect to these proposals. If your shares are held in street name and you do not give voting instructions, the record holder will nevertheless be entitled to vote your shares with respect to Proposal 4 (Ratification of the Appointment of KPMG LLP) in the discretion of the record holder.

Proposal 1 (Election of Class II Directors): To be elected, each director nominee must receive the affirmative vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at our Annual Meeting and entitled to vote on the proposal. This means that the director nominees with the most votes will be elected. Votes may be cast in favor of or withheld from the election of each nominee. Votes that are withheld from a director’s election will be counted toward a quorum, but will not affect the outcome of the vote on the election of a director.

Broker non-votes will have no effect on the outcome of the vote for directors.

Proposal 2 (Approval of 2013 Long-Term Incentive Plan): Approval of this proposal requires the affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock present in person or represented by proxy at our Annual Meeting and entitled to vote on the proposal. In addition, NYSE rules require that (i) the proposal be approved by a majority of votes cast on the proposal and (ii) the total votes cast on the proposal represent over 50% in interest of all the shares entitled to vote on the proposal. Abstentions will be counted in determining the total number of shares “entitled to vote” on this proposal and are treated as votes cast for purposes of the NYSE rules. Therefore, abstentions will have the same effect as a vote “Against” this proposal. Broker non-votes will not be counted in determining the total number of shares “entitled to vote” on this proposal and are not treated as votes cast for purposes of the NYSE rules. Therefore, for purposes of prong (ii) of the NYSE rules, broker non-votes are not counted for purposes of determining whether over 50% in interest of all the shares entitled to vote on the proposal has been achieved.

Proposal 3 (Advisory Vote to Approve Named Officer Executive Compensation): Approval of this proposal requires the affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock present in person or represented by proxy at our Annual Meeting and entitled to vote on the proposal. Abstentions will be counted in determining the total number of shares “entitled to vote” on this proposal and will have the same effect as a vote “Against” this proposal. Broker non-votes will have no effect on the outcome of the vote on this proposal. While this vote is required by law, it will neither be binding on us, our Board or our Compensation Committee, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, us, our Board or our Compensation Committee. However, our Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions.

Proposal 4 (Ratification of the Appointment of KPMG LLP): Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 requires the affirmative

vote of the holders of at least a majority of the outstanding shares of Common Stock present in person or represented by proxy at our Annual Meeting and entitled to vote on the proposal. Abstentions will be counted in determining the total number of shares “entitled to vote” on this proposal and will have the same effect as a vote “Against” this proposal.

3

Our Board has appointed Melvin C. Payne, our Chairman of the Board and Chief Executive Officer, and L. William Heiligbrodt, our Vice Chairman, Executive Vice President and Secretary as the management proxy holders for our Annual Meeting. For stockholders who have their shares voted by duly submitting a proxy by mail, or in person at our Annual Meeting, the management proxy holders will vote all shares represented by such valid proxies as our Board recommends, unless a stockholder appropriately specifies otherwise.

Our Board recommends that you vote:

FOR the election of the two Class II director nominees;

FOR the approval of our 2013 Long-Term Incentive Plan;

FOR the approval, on an advisory basis, of our named executive officer compensation; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

What is a quorum?

A quorum is the presence at our Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of our Common Stock entitled to vote on a matter at our Annual Meeting. There must be a quorum for our Annual Meeting to be held. If a quorum is not present, our Annual Meeting may be adjourned or postponed from time to time until a quorum is reached. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of votes considered to be present at our Annual Meeting.

Who will bear the cost of soliciting votes for our Annual Meeting?

We will bear the entire cost of soliciting proxies, including the cost of the preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to our stockholders in connection with our Annual Meeting. In addition to this solicitation by mail, certain directors, officers and employees may also solicit proxies on our behalf by use of mail, telephone, facsimile, electronic means, in person or otherwise. These persons will not receive any additional compensation for assisting in the solicitation but may be reimbursed for reasonable out-of-pocket expenses in connection with the solicitation. We have retained Georgeson, Inc. ("Georgeson") to aid in the distribution of proxy materials, and in the solicitation of proxies, and to provide voting and tabulation services for our Annual Meeting. For these services, we will pay Georgeson a fee of approximately \$7,500 and reimburse it for certain expenses. We will also reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses to forward our proxy materials to the beneficial owners of our Common Stock.

Where can I find the voting results?

We will report the voting results in a current report on Form 8-K with the U.S. Securities and Exchange Commission (the "SEC") within four business days of our Annual Meeting.

May I propose actions for consideration at next year's annual meeting or nominate individuals to serve as directors?

You may submit proposals for consideration at future annual meetings. See "Stockholder Proposals for the 2014 Annual Meeting" for information regarding the submission of stockholder proposals at next year's annual meeting.

How do I get directions to the Annual Meeting?

For directions to the Annual Meeting, please contact our Corporate Secretary at (713) 332-8400.

CORPORATE GOVERNANCE

General

We are committed to integrity, reliability and transparency in our disclosures to the public. To evidence this commitment, our Board has adopted charters for its committees, Corporate Governance Guidelines and a Code of Business Conduct and Ethics. These documents provide the framework for our corporate governance. A complete copy of the current version of each of these documents is accessible through our website at www.carriageservices.com or you may receive copies free of charge by writing to us at Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056, Attn: Investor Relations. Our Board regularly reviews corporate governance developments and modifies our governance documents as appropriate.

Independence

Our Corporate Governance Guidelines require that our Board composition comply with the NYSE listing standards, including the requirement that a majority of our Board consist of independent directors. Our Board has affirmatively determined that Messrs. DeCarlo, Fingerhut, Patteson and Scott do not have a material relationship with Carriage and, therefore, are “independent” as defined under the NYSE’s listing standards.

Mr. Payne is not independent because he is an employee of the Company and currently serves as the Chairman of our Board and Chief Executive Officer. Mr. Heiligbrodt is not independent because he is an employee of the Company and currently serves as our Vice Chairman, Executive Vice President and Secretary.

Board Leadership Structure and Executive Sessions

Our Board adheres to a flexible approach on the question of whether to separate or combine the roles of Chairman and Chief Executive Officer. Our Board believes that these are matters that should be discussed and determined by our Board from time to time and that they depend upon the current performance of Carriage and the experience, knowledge and temperament of our Chief Executive Officer. Currently, our Board has combined the roles of Chairman and Chief Executive Officer in Mr. Payne. Our Board currently is of the view that it is in the best interest of Carriage and its stockholders for our Chief Executive Officer also to serve as the Chairman of our Board. Our Board believes this arrangement permits a clear, unified strategic vision for Carriage that ensures alignment between our Board and management, provides clear leadership for Carriage and helps ensure accountability for our performance. Our Board’s goal is to achieve the optimal model for effective oversight of our management. It believes that there is no single, generally accepted approach to providing Board leadership, and that each of the possible leadership structures for a board must be considered in the context of the individuals involved and the specific circumstances facing a company. Accordingly, given the dynamic and competitive environment in which Carriage operates, the right Board leadership structure may vary as circumstances warrant.

Our Board believes that its current leadership structure provides independent Board leadership and engagement while deriving the benefit of having our Chief Executive Officer also serve as Chairman of our Board. As the individual with primary responsibility for managing our day-to-day operations and with in-depth knowledge and understanding of Carriage, our Board believes that Mr. Payne is best positioned to lead our Board through reviews of key business and strategic issues. Having an independent Lead Director (as discussed in more detail below) provides independent oversight of management, including risk oversight, while avoiding the risk of confusion regarding our Board’s oversight responsibilities and the day-to-day management of business operations.

Our corporate governance practices have provided balance and accountability to the unified role of Chairman and Chief Executive Officer. This is evidenced by a majority of experienced, independent directors, including a Lead Director with responsibilities on behalf of the independent directors, key Board committees comprised entirely of independent directors, and strong and effective governance principles.

In accordance with our Corporate Governance Guidelines, our independent directors meet in executive session at least quarterly, outside of the presence of management directors or other members of management, both with the independent auditors and then without anyone else present. In connection with our Corporate Governance Guidelines, our Board established the position of Lead Director, who is required to be qualified as independent and appointed by a majority of the independent directors. The Lead Director’s role is to facilitate the functioning of our Board independently of management and to enhance the quality of our Board’s governance. The Lead Director presides at the executive sessions of the independent directors. David J. DeCarlo currently serves as our Lead Director.

Board's Oversight of Risk

Our Board is responsible for overseeing our company's management of risk. Our Board strives to effectively oversee our company's enterprise-wide risk management in a way that balances managing risks while enhancing the long-term value of our company for the benefit of our stockholders. Our Board understands that its focus on effective risk oversight is critical to setting Carriage's tone and culture towards effective risk management. To administer its oversight function, our Board seeks to understand Carriage's risk philosophy by having discussions with management to establish a mutual understanding of Carriage's overall appetite for risk. Our Board maintains an active dialogue with management about existing risk management processes and how management identifies, assesses and manages our most significant risk exposures. Our Board expects frequent updates from management about Carriage's most significant risks so as to enable it to evaluate whether management is responding appropriately.

Our Board relies on each of its committees to help oversee the risk management responsibilities relating to the functions performed by such committees. Our Audit Committee periodically discusses with management Carriage's major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. Our Compensation Committee helps our Board to identify our exposure to any risks potentially created by our compensation programs and practices. (For additional information about the relationship of our compensation policies and practices to risk management, please see "Compensation Policies and Practices as they Relate to Our Risk Management.") Our Corporate Governance Committee oversees risks relating to our corporate compliance programs and assists our Board and management in promoting an organizational culture that encourages commitment to ethical conduct and a commitment to compliance with the law. Each of these committees is required to make regular reports of its actions and any recommendations to our Board, including recommendations to assist our Board with its overall risk oversight function. During each regularly scheduled Board meeting each year, the full Board also reviews our company's long-term strategic plans for a particular division and the principal issues, including foreseeable risks that division expects to face in the future.

We believe that the oversight function of our Board and its committees combined with its active dialogue with management about effective risk management provides our company with the appropriate framework to help ensure effective risk oversight.

Director Nomination Process

Our Corporate Governance Committee is responsible for reviewing the requisite skills and characteristics of new Board members as well as the composition of our Board as a whole. Nominees for directorship are selected by our Corporate Governance Committee in accordance with the policies and principles in the charter of our Corporate Governance Committee, a copy of which is available free of charge on our website at www.carriageservices.com. Our Corporate Governance Committee believes that the minimum qualifications for serving as a director are that a nominee demonstrates an ability to make a meaningful contribution to our Board's oversight of our business and affairs and has a reputation for ethical conduct. Nominees for director will include individuals who, taking into account their diversity, age, skills, and experience in the context of the needs of our Board, as well as other relevant factors such as conflicts of interest and other commitments, would enhance our Board's ability to manage and direct our affairs and business. No director may serve on more than five other public company boards or on the audit committee for more than two other public companies. We have not established term limits as we do not wish to risk losing the contribution of directors who have been able to develop, over a period of time, increasing insight into our business and operations. However, we have determined that no director may be nominated to a new term if he or she would be age 75 or older at the time of the election. Although we do not have a formal policy on board diversity, when considering board candidates, our Corporate Governance Committee strives to achieve a balance of knowledge, experience, and perspective such that our Board reflects a diversity of backgrounds and experiences.

Our Corporate Governance Committee identifies candidates by asking our current directors and executive officers to notify our Corporate Governance Committee if they become aware of individuals who meet the criteria described above. Our Corporate Governance Committee also has the authority to engage firms that specialize in identifying director candidates. Our Corporate Governance Committee will also consider candidates recommended by stockholders in the same manner in which our Corporate Governance Committee considers candidates identified by the committee. A stockholder may recommend nominees for director by giving our Corporate Secretary a written

notice not less than 90 days prior to the anniversary date of the immediately preceding annual meeting. For our 2014 Annual Meeting of Stockholders, the deadline will be February 21, 2014, based upon this year's meeting occurring on May 22nd. The notice must include the name and address of the stockholder giving notice and the number of shares of Common Stock beneficially owned by the stockholder. The notice must also include the full name, age, business address, principal occupation or employment of the nominee, the number of shares of Common Stock that the nominee beneficially owns, any other information about the nominee that must be disclosed in proxy solicitations

Once our Corporate Governance Committee has identified a potential candidate, it collects and reviews available information regarding the individual, and if our Corporate Governance Committee determines that the candidate warrants further consideration, our Corporate Governance Committee Chair or another Committee member will contact the person. Generally, if the individual expresses a willingness to be considered for election to our Board, our Corporate Governance Committee will request information from the candidate, review the individual’s qualifications, and conduct one or more interviews with the candidate. When our Corporate Governance Committee has completed this process, it tenders its recommendation to our full Board for consideration.

No third party search firm was engaged in 2012. Mr. Fingerhut, who is a Class II director nominee, was recommended by the Chairman of the Board.

Board’s Interaction with Stockholders

Our Chief Executive Officer and other corporate officers are responsible for establishing effective communication with our stockholders. It is our policy that management speaks for Carriage. This policy does not preclude independent directors from meeting with stockholders, but where appropriate, management should be present at such meetings.

Stockholders and other interested parties may contact any member of our Board or any of its committees via U.S. mail, by addressing any correspondence to our Board, the applicable committee, the independent directors as a group or any individual director by either name or title, in care of Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056; Attn: Corporate Secretary. In the case of communications addressed to the independent directors, our Corporate Secretary will send appropriate stockholder communications to the Lead Director. In the case of communications addressed to a committee of our Board, our Corporate Secretary will send appropriate stockholder communications to the Chairman of such committee.

Annual Evaluations; Succession Planning

We have an annual process for our Board and each committee to perform self-evaluations. These are conducted through written questionnaires compiled on a confidential basis by the Chairman of our Corporate Governance Committee with summary results presented to our full Board annually. In addition, our Compensation Committee performs an annual evaluation of our Chief Executive Officer’s performance.

As part of our long-range planning, our Corporate Governance Committee is charged with evaluating the succession of our Chief Executive Officer, both in the event of an emergency and upon retirement.

Business Conduct and Ethics

Our Code of Business Conduct and Ethics requires all of our directors, officers and employees to adhere to certain basic principles to uphold our mission to be the most professional, ethical and highest quality service organization in the death care industry. Our code requires them to comply with the law, avoid conflicts of interest, compete fairly and honestly, maintain a safe and healthy work environment, and preserve our assets. We do not presently believe that there will be any occasion requiring any changes in or waivers under the code, for the benefit of our senior financial officers, but in the event of exceptional circumstances in which such a change or waiver becomes necessary, it would require Board approval and, where appropriate, prompt public disclosure. Our code includes specific compliance procedures and a mechanism for reporting violations through our Human Resources Department. A copy of our Code of Business Conduct and Ethics is available free of charge on our website at www.carriageservices.com.

Our Audit Committee also meets with our management and external registered public accounting firm regarding the adequacy of our financial controls and our compliance with legal, tax and regulatory matters and significant internal policies. Our management is responsible for the preparation of our financial statements in accordance with accounting principles

generally accepted in the United States and our internal controls. Our independent registered public accounting firm is responsible for the audit work on our financial statements. It is also not the duty of our Audit Committee to conduct investigations or to assure compliance with laws and regulations and our policies and procedures. Chairman of the Board in the overall management of the business and affairs of Carriage. Our Executive Committee

met four times in 2012 and all committee members were present at each meeting.

Attendance at Annual Stockholder Meetings

Each of our directors is expected to devote sufficient time and attention to his duties and to attend all Board,

committee and stockholders' meetings. Although we do not have a formal policy requiring them to do so, we

encourage our directors to attend the annual meeting of stockholders and expect that they will do so. All of our then

current directors attended the 2012 Annual Meeting of Stockholders.

DIRECTOR COMPENSATION

General

We compensate our directors through cash payments, including retainers and meeting attendance fees, and through stock-based awards. Our Director Compensation Policy provides that any new director will receive, upon appointment to our Board, a grant of \$100,000 in shares of our Common Stock. Common Stock grants are issued under our Second Amended and Restated 2006 Long-Term Incentive Plan.

Our Director Compensation Policy provides for the following cash payments, including retainers and meeting attendance fees, and stock-based awards: (a) the chairman of our Audit Committee is entitled to a retainer of \$17,500 and the chairman of each of the Compensation, Corporate Governance and Executive Committees is entitled to an annual cash retainer of \$15,000; (b) the Lead Director of our Board is entitled to an annual cash retainer of \$115,000; and (c) each independent director of our Board is entitled to an annual cash retainer of \$40,000 paid on a quarterly basis and an annual equity retainer of \$75,000 payable in shares of Common Stock. Additionally, each independent director is entitled to \$2,000 for each regular or special meeting of the full Board, our Audit Committee and the Executive Committee attended in person or by phone. Members of the other committees and their chairmen receive \$1,600 for each committee meeting held in person or by phone that such director attends.

In addition to the annual compensation paid to our Directors, as described above, in August 2012, when the price of our Common Stock was \$7.76, the Compensation Committee granted special performance-based stock awards (“PBS Awards”) to each of our outside directors. The PBS Awards are intended to further align the interests of these directors with the interests of our stockholders by rewarding them for their contributions toward transforming Carriage from a “good” death care operating and consolidation company to a “great” high-performance service and sales company. To the extent vested, each PBS Award represents the right to receive a specified number of shares of our Common Stock, subject to the grantee's payment, with respect to each share of Common Stock subject to such PBS Award, of an amount equal to the greater of (a) the then-current market price per share of our Common Stock on the date such PBS Award was granted plus \$0.50 or (b) \$9.00. Each PBS Award will become vested if on or before the fifth anniversary of the applicable grant date, the closing price of our Common Stock is greater than or equal to \$21.50 on any three days, whether or not consecutive, within a period of 30 consecutive calendar days, subject to the grantee's continuous employment or service relationship with us through such date (the “Price Vesting Date”). However, if the Price Vesting Date occurs prior to the first anniversary of the grant date, then each PBS Award will not become vested until the first anniversary of such grant date, subject to the grantee's continued employment or service relationship with us through the first anniversary of the applicable grant date.

Under our Director Compensation Policy, the annual cash retainers for each committee chairman and the annual equity retainer are paid on the date of our annual meeting of stockholders.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

We currently have six directors on our Board who each serve staggered three-year terms. At our Annual Meeting, the stockholders will elect two individuals to serve as Class II directors for a new three-year term expiring on the date of the 2016 annual meeting and until the successors are duly elected and qualified.

Our Corporate Governance Committee has recommended that we nominate L. William Heiligbrodt for re-election and Barry K. There are no family relationships among any of our directors or executive officers.

L. William Heiligbrodt has been our Vice Chairman, Executive Vice President and Secretary since September 2011. From February 2009 to September 2011, Mr. Heiligbrodt was an independent director of Carriage. From February

Mr. Heiligbrodt was selected to serve on our Board because of his significant experience in banking, corporate finance and death care industry operations and growth strategies. Our Board believes that this experience makes Mr. Heiligbrodt uniquely qualified to serve as our Vice Chairman, Executive Vice President and Secretary.

Barry K. Fingerhut was elected to our Board in March 2012. Mr. Fingerhut has been the Chief Executive Officer and majority equity owner of Certification Partners, LLC, a developer and global distributor of IT certification programs, since the fall of 2010. Prior to 2010, he focused much of his career in investing in small capitalization companies in the for-profit education and training, publishing, media, consumer services, hydrocarbon, investment and financial services industries. He served as President of GeoCapital, LLC from 1981 to 2004, following two years at First Manhattan Co. and four years as a Limited Partner, then as General Partner of Weiss, Peck & Greer. In 1992, he co-founded Wheatley Partners, a venture capital partnership, specializing in investments in new technologies and services. In 2004, he formed Fingerhut Management, a family and friends investment office in New York City. In 2009, he co-founded The Caregiver Institute, LLC, formed to address the enormous challenges of aiding the work of home caregivers in the United States. Mr. Fingerhut also served on our Board for the period from 1995 through 1999. Mr. Fingerhut was selected to serve on our Board due to his past experience with Carriage and his extensive investment knowledge. Our Board believes that this experience and knowledge makes him a highly qualified member of our Board.

David J. DeCarlo was elected to our Board in May 2011. He has had more than 24 years of experience in the death care industry, having served as an executive officer in various roles for Matthews International (“Matthews”), a leading worldwide supplier of death care products, including serving as President of the Bronze Division and Group President of the Memorialization Group. Mr. DeCarlo also served as a director of Matthews for 22 years. He retired from Matthews as Vice Chairman of the Board of Directors in 2008. Before joining Matthews in 1985, Mr. DeCarlo held diverse management and executive roles in finance, manufacturing, operations, sales, marketing and management and information systems at several Fortune 500 companies. Mr. DeCarlo has an MBA in Finance, a Masters of Arts in Economics and Statistics, and a Ph.D. in Applied Economics and Finance (all but dissertation) from the Wharton School of Finance and University of Pennsylvania, as well as a Bachelor of Science degree in Industrial Management from West Virginia University. Mr. DeCarlo was selected to serve on our Board as a result of his long history in the death care industry and experience in a multitude of executive roles in other industries, which make him highly qualified to be a member of our Board.

Donald D. Patteson, Jr. was elected to our Board in August 2011. He is the founder and Chairman of the Board of Directors of Sovereign Business Forms, Inc. (“Sovereign”), a consolidator in the wholesale manufacturing of custom business forms and related products segment of the printing industry. Mr. Patteson was selected to serve on our Board based on his experience with executive and financial management roles as well as his experience in the consolidation industry.

Melvin C. Payne, a management founder of Carriage, has been our Chairman of the Board and Chief Executive Officer since December 1996. Mr. Payne has been a director and Chief Executive Officer of Carriage since our inception in 1991. Prior to co-founding Carriage, Mr. Payne spent 10 years in the private company turnaround business involving numerous industries. Prior to his turnaround career, Mr. Payne worked 10 years in the corporate

lending business, initially with Prudential Insurance Company and later with Texas Commerce Bank in Houston. Mr. Payne was selected to serve on our Board because he is our Chief Executive Officer and our founder and has proven management skills. Mr. Payne's diverse industry and financial experience coupled with his personal leadership and founder's vision for Carriage make him highly qualified to serve as Chairman of the Board.

Richard W. Scott was elected to our Board in 2009. Mr. Scott is a seasoned financial services executive with over 30 years of capital markets experience. PROPOSAL NO. 2:

APPROVAL OF THE CARRIAGE SERVICES, INC. 2013 LONG-TERM INCENTIVE PLAN

General

Our Board is requesting that stockholders vote in favor of adoption of our 2013 Long-Term Incentive Plan (the “LTIP”). Our Board has approved the LTIP, subject to stockholder approval. If approved by stockholders, the LTIP will replace our Second Amended and Restated 2006 Long-Term Incentive Plan (the “Current Plan”). We are seeking approval of the LTIP to enable our Compensation Committee to continue its equity grant practices during 2014 and beyond. As of April 15, 2013, 1,102,707 shares of our Common Stock (“Shares”) remained available for future issuance under the Current Plan. In addition, as of April 15, 2013, approximately 360,908 Shares remained outstanding with respect to unvested restricted stock awards, 1,705,000 shares remained outstanding with respect to outstanding performance-based stock awards and options to purchase approximately 110,124 Shares remained unvested. As of April 15, 2013, options to purchase 283,258 shares remained outstanding (inclusive of the unvested options described in the preceding sentence) and had a weighted average exercise price of \$5.48 and a weighted average remaining exercisable life of 7.9 years, each as of April 15, 2013.

Approval of this proposal requires the affirmative vote of a majority of the outstanding Shares present or represented by proxy at the Annual Meeting and entitled to vote on this proposal. Abstentions will be counted in determining the total number of Shares “entitled to vote” on this proposal and will have the same effect as a vote “Against” this proposal. Broker non-votes will have no effect on the outcome of the vote on this proposal.

The following description of the LTIP is a summary of the material features of the LTIP. This summary, however, does not purport to be a complete description of all the provisions of the LTIP. The summary is qualified in its entirety by reference to the LTIP, a copy of which is attached hereto as Exhibit A and incorporated herein by reference.

Our Board unanimously recommends that you vote “FOR” the approval of the 2013 Long-Term Incentive Plan.

Purpose

The purpose of the LTIP is to provide a means for us and our affiliates to attract and retain highly qualified individuals to perform services for us and our affiliates or to serve on our Board, to further align the interests of those individuals with the interests of our stockholders, and closely link compensation with our performance. We are committed to creating long-term stockholder value. Our compensation philosophy is based on a belief that we can best create stockholder value if employees, consultants and directors act and are rewarded as business owners. We believe equity compensation programs effectively align service provider and stockholder interests by motivating and rewarding performance that will enhance stockholder value. Our Board believes that equity grants have contributed substantially our success and that the future granting of equity awards will continue to contribute to our success.

Administration

The LTIP will be administered by our Compensation Committee, which consists solely of persons who qualify as (i) “independent” under NYSE guidelines, (ii) “outside directors” (within the meaning of Section 162(m) of the Internal Revenue Code (the “Code”)) and (iii) “non-employee directors” (within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended). Subject to the terms of the LTIP, our Compensation Committee shall have total and exclusive responsibility to control, operate, manage and administer the LTIP in accordance with its terms. The LTIP continues to give our Compensation Committee broad authority, subject to the terms of the LTIP, to enable it to discharge its responsibilities with respect to the LTIP and, subject to certain limitations, delegate such authority to certain of our officers.

Eligibility

Our Compensation Committee selects participants from those employees, consultants and outside directors (collectively, “Participants”) who, in the opinion of our Compensation Committee, are in a position to make a significant contribution to our success and the success of our affiliates. Only Participants who are employed by us or by our affiliates are eligible to receive incentive stock options. Our Compensation Committee determines in its discretion which Participants will receive awards under the LTIP. As of April 10, 2012, approximately 250 individuals, including six executive officers, four outside directors and 240 other employees, were eligible to receive awards under the LTIP.

Stock Subject to the LTIP

The maximum number of Shares that may be subject to future Awards granted under the LTIP will be 2,500,000 Shares plus the number of Shares that remain available for issuance pursuant to the Current Plan, subject, in both cases to adjustment for corporate events such as recapitalizations, stock splits, stock dividends and other corporate events. See “-Equitable Adjustments” below.

If an award granted under the LTIP or the Current Plan is cancelled, forfeited, expires, or lapses for any reason, the undelivered Shares that were subject to the award will be available for the grant of future awards under the LTIP. The number of Shares available for grant of awards under the LTIP will also be increased by (a) the number of Shares delivered or withheld to pay the exercise price of any award and (b) the number of Shares delivered or withheld to pay withholding taxes payable upon exercise, vesting or payment of any award.

Awards under the LTIP

The LTIP allows our Compensation Committee to grant (each of the following, an “Award”) (a) options to purchase Common Stock, (b) restricted stock, (c) stock appreciation rights (“SARs”), (d) performance awards (“Performance Awards”), (e) stock awards, (f) other incentive awards, or (g) any combination of the foregoing, in such amounts and at such times as established by our Compensation Committee, subject to the terms of the LTIP. The maximum number of Shares that may be subject to all Awards (other than options or SARs) granted to a Participant in a single fiscal year is 200,000. The maximum number of Shares that may be subject to all stock options granted to a Participant in a single fiscal year is 400,000. The maximum number of Shares that may be subject to all SARs granted to a Participant in a single fiscal year is 400,000. The maximum amount that may be paid in cash to an individual in a single fiscal year with respect to all Performance Awards intended to satisfy the requirements under Section 162(m) of the Code is \$3,000,000.

Stock Options. A stock option is the right to acquire Shares at a fixed exercise price for a fixed period of time. Stock options may be granted by our Compensation Committee in the form of incentive stock options or nonqualified stock options or a combination of both. Stock options are subject to the terms and conditions, including vesting conditions, set by our Compensation Committee and incentive stock options are subject to further statutory restrictions that are set forth in the LTIP. No stock option is exercisable later than ten years after the grant date. The maximum number of shares that may be subject to incentive stock options granted under the LTIP is 2,500,000.

The exercise price at which a share of Common Stock may be purchased upon exercise of a stock option is determined by our Compensation Committee, but the exercise price is generally not permitted to be less than 100% of the fair market value per Share on the date the stock option is granted unless (a) the stock option was granted through the assumption of, or in substitution for, an outstanding award previously granted to an individual who becomes an employee of us or one of our affiliates as a result of a merger, consolidation, acquisition, or other corporate transaction involving us and/or one of our affiliates and (b) the stock option complies with the requirements of Section 409A of the Code. In addition, if the recipient of an incentive stock option is a 10% or greater stockholder, the exercise price for the incentive stock option may not be less than 110% of the fair market value on the date of grant.

Restricted Stock. Restricted stock awards are Shares that vest in accordance with terms established by our Compensation Committee in its discretion. Our Compensation Committee has the authority to determine the terms, conditions and restrictions, including, without limitation, the vesting schedule (or specified performance goals, in the case of a Performance Award) applicable to each restricted stock award. Under the terms of the LTIP, no award of restricted stock (other than a restricted stock award granted in the form of a Performance Award) granted to a Participant (other than an outside director) may have a vesting period of less than three years.

Stock Appreciation Rights. SARs are awards that give a Participant a right to receive payment from us in an amount equal to (a) the excess of the fair market value of a Share on the date of exercise over the exercise price, multiplied by (b) the number of shares with respect to which the SAR is exercised. Our Compensation Committee may grant SARs in such numbers and at such times as it shall determine. SARs vest and become exercisable in whole or in such installments and at such times as determined by our Compensation Committee. The price at which SARs may be exercised is determined by our Compensation Committee but shall not be less than 100% of the fair market value per Share on the grant date unless (i) the SARs were granted through the assumption of, or in substitution for, an outstanding award previously granted to an individual who becomes an employee of us or one of its affiliates as a

result of a merger, consolidation, acquisition, or other corporate transaction involving us and/or one of our affiliates and (ii) the SARs comply with the requirements of Section 409A of the Code. Proceeds from the exercise of a SAR may be paid in cash, Shares, or a combination of both, as determined by our Compensation Committee. The term of each SAR is specified by our Compensation Committee, but will not exceed ten years.

Stock and Other Incentive Awards. Our Compensation Committee may grant Awards in the form of stock awards or other incentive awards in such quantities, at such times, and subject to such conditions as it determines. Under the terms of the LTIP, no stock award or other incentive award (other than a stock award or other incentive award granted in the form of a Performance Award) granted to a Participant (other than an outside director) may have a vesting period of less than three years.

Performance Awards. Performance Awards may be payable in the form of cash, Shares, or a combination of both. Performance Awards are conditioned upon the level of achievement of one or more stated performance goals over a specified performance period that is shorter than one year. Performance Awards may be combined with other Awards to impose performance criteria as part of the terms of such other Awards. Each Award Agreement embodying a Performance Award will set forth (a) the amount, including a target and maximum amount if applicable, a Participant may earn in the form of cash or Shares or a formula for determining such amount, (b) the performance criteria and level of achievement versus such criteria that will determine the amount payable or number of Shares to be granted, issued, retained and/or vested, (c) the performance period over which performance is to be measured, (d) the timing of any payments to be made, (e) restrictions on the transferability of the Award, and (f) such other terms and conditions as our Compensation Committee may determine that are not inconsistent with the LTIP. Under the terms of the LTIP, no Performance Award that is an award of restricted stock may have a Restricted Period (as defined in the LTIP) of less than one year.

Performance Goals. The performance measure(s) to be used for purposes of Performance Awards under the LTIP may consist of one or more or any combination of the following criteria: (a) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis), (b) return on equity, (c) return on assets or net assets, (d) return on capital or invested capital and other related financial measures, (e) cash flow, (f) revenues, (g) income or operating income, (h) expenses or expense levels, (i) one or more operating ratios, (j) stock price, (k) total stockholder return, (l) market share, (m) operating profit, (n) profit margin, (o) capital expenditures, (p) net borrowing, debt leverage levels, credit quality or debt ratings, (q) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions, (r) net asset value per share, (s) economic value added, and (t) individual business objectives. Performance goals based on these performance measures may be made relative to the performance of other business entities.

Deductibility. Under Section 162(m) of the Code, income tax deductions of publicly-traded companies may be limited to the extent total compensation for certain executive officers exceeds \$1 million in any one year. The Section 162(m) deduction limit does not apply to qualified “performance-based” compensation that is established by an independent compensation committee and adequately disclosed to, and approved by, stockholders. In particular, stock options and SARs satisfy the performance-based requirement only if the maximum number of Shares subject to such Awards that can be granted to any particular Participant within a specified period is limited under the LTIP, and the compensation is based solely on an increase in the stock price after the grant date (i.e., the option exercise price is equal to or greater than the fair market value of the stock subject to the award on the grant date).

Our Compensation Committee will determine in its sole discretion whether all or any portion of a Performance Award is intended to satisfy the requirements for “performance-based” compensation under Section 162(m) of the Code (“162(m) Requirements”). The performance criteria for any Performance Award that is intended to satisfy such requirements are required to be established in writing by our Compensation Committee based on the performance goals set forth in the LTIP within 90 days after the commencement of the performance period with respect to such Award (provided that the outcome of the applicable performance goals remains substantially uncertain as of such time), but not later than the date that 25% of the applicable performance period has elapsed. At the time of the grant of a Performance Award and to the extent permitted under Section 162(m) of the Code and regulations thereunder for a Performance Award intended to satisfy the 162(m) Requirements, our Compensation Committee may provide for the manner in which the performance goals will be measured in light of specified corporate transactions, extraordinary events, accounting changes and other similar occurrences.

Equitable Adjustments

If there is any change in the number or kind of Shares outstanding, by reason of a stock dividend, spin-off, recapitalization, stock split, combination, exchange of Shares, merger, reorganization, consolidation, reclassification,

or other change in our capital structure, our Compensation Committee will make appropriate adjustments to reflect any increase or decrease in the number of, or change in the kind or value of, issued Shares to preclude, to the extent practicable, the enlargement or dilution of rights under such Awards. Our Compensation Committee shall also have the sole discretion to determine the manner in which Shares available for grant of Awards under the Restated LTIP are counted.

Corporate Changes

Except as otherwise provided in an Award Agreement, if a Participant's employment with us is terminated for any reason other than death, for cause, inability to perform or due to such Participant's termination of his or her employment for good reason within the one-year period following a Corporate Change (as defined in the LTIP), then any time periods, conditions or

contingencies (including vesting conditions) relating to the exercise or realization of, or lapse of restrictions under, any Award will be automatically accelerated or waived so that the Award may be realized in full (if no exercise of the Award is required) or exercised in full (if exercise of the Award is required) upon the termination of such Participant's employment.

In the event of a Corporate Change, our Compensation Committee may, on or prior to the date of such Corporate Change, take any of the following actions (which may vary among Participants and Awards) without the consent of any Participant or other holder of an Award: (a) require that Participants surrender Awards in exchange for payment in cash, Shares, the securities of another company, or a combination thereof, as determined by our Compensation Committee, of an amount equal to the amount, if any, that would have been attained upon the exercise of such Award or realization of the Participant's rights under such Award (and if, as of the date of the occurrence of such transaction or event, our Compensation Committee determines in good faith that no such amount would have been attained, then such Award may be surrendered without payment); (b) provide that an Award be assumed by a successor or survivor entity, or a parent or subsidiary thereof, or be exchanged for similar options, rights or awards covering the equity of the successor or survivor, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of equity interests and prices; (c) make adjustments in the number and type of shares (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Awards or in the terms and conditions of (including, if applicable, the exercise price), and the vesting and performance criteria included in, outstanding Awards, or both; or (d) provide that an Award shall vest or become exercisable or payable.

Transferability

Except as otherwise set forth in the LTIP or provided by our Compensation Committee, no Award shall be subject to execution, attachment or similar process, and no Award may be sold, transferred, pledged, exchanged, hypothecated or otherwise disposed of, other than by will or pursuant to the applicable laws of descent and distribution. In the event of legal incapacity or death, an Award may be exercised by the incapacitated Participant's guardian or legal representative, or the person so entitled to succeed to receive the deceased Participant's rights under the Award, respectively.

Expiration; Amendment; Termination

Unless terminated earlier by our Board, the LTIP will expire on the day prior to the tenth anniversary of its effective date. If approved by our stockholders, the effective date of the LTIP will be May 23, 2013.

Our Board may at any time suspend, terminate, amend or modify the LTIP, in whole or in part; provided, however, under certain circumstances described more fully in the LTIP, no amendment or modification of the LTIP shall become effective without the approval by the holders of at least a majority of the Shares if (a) such amendment or modification increases the maximum number of Shares subject to the LTIP (except for adjustments contemplated by Article IV of the LTIP) or changes the designation or class of persons eligible to receive Awards under the LTIP, or (b) our counsel determines that such approval is otherwise required by or necessary to comply with applicable law or the listing requirements of the NYSE or such other exchange or association on which the Common Stock is then listed or quoted. An amendment to the LTIP shall not require stockholder approval if it curtails rather than expands the scope of the LTIP, nor if it is made to conform the LTIP to new statutory or regulatory requirements that arise after submission of the LTIP to stockholders for their approval. Upon termination of the LTIP, the terms and provisions of the LTIP will continue to apply to Awards granted prior to such termination.

S-8 Registration

We intend to file a registration statement on Form S-8 with the SEC covering the additional Shares issuable under the LTIP following approval of this proposal (assuming this proposal is approved).

Certain Federal Income Tax Consequences

The following discussion is a brief summary of the principal U.S. federal income tax consequences of the LTIP under the provisions of the Code and the guidance issued thereunder as currently in effect. These rules are subject to change (possibly on a retroactive basis) or different interpretation. This summary is not intended to be exhaustive and does not describe, among other things, state, local, or foreign income and other tax consequences. The specific tax consequences to a participant will depend upon a participant's individual circumstances.

Incentive Stock Options (“ISOs”). A participant will not recognize any ordinary income (and we will not be permitted any deduction) upon the grant or timely exercise of an ISO. However, the amount by which the fair market value of Common Stock on the exercise date of an ISO exceeds the exercise price generally will constitute an item that increases the participant’s “alternative minimum taxable income.” The federal alternative minimum tax may produce significant tax repercussions depending upon the participant’s particular tax status. In addition, to the extent that the fair market value (determined as of the date of grant) of the Common Stock with respect to which the participant’s ISOs are exercisable for the first time during any

year exceeds \$100,000, the ISOs for the Common Stock over \$100,000 will be treated as nonqualified stock options, and not ISOs, for federal tax purposes.

Exercise of an ISO will be timely if made during its term and if the optionee remains employed by us or employed by a 50%-or-more owned subsidiary at all times during the period beginning on the date of grant of the ISO and ending on the date three months before the date of exercise (or one year before the date of exercise in the case of a disabled participant, and without limit in the case of death). The tax consequences of an untimely exercise of an ISO will be determined in accordance with rules applicable to nonqualified stock options, discussed below.

If the Common Stock acquired pursuant to the timely exercise of an ISO is later disposed of, and if the Common Stock is a capital asset of the participant, the participant generally will recognize short-term or long-term capital gain or loss (depending upon the length of time such shares were held by the participant) equal to the difference between the amount realized upon such sale and the exercise price. We, under these circumstances, will not be entitled to any income tax deduction in connection with either the exercise of the ISO or the sale of the Common Stock by the participant.

If, however, the Common Stock acquired pursuant to the timely exercise of an ISO is disposed of by the participant prior to the expiration of two years from the date of grant of the ISO or within one year from the date the Common Stock is transferred to him or her upon exercise (a “disqualifying disposition”), any gain realized by the participant generally will be taxable at the time of the disqualifying disposition as follows: (a) at ordinary income rates to the extent of the difference between the exercise price and the lesser of the fair market value of the Common Stock on the date the ISO is exercised or the amount realized on the disqualifying disposition and (b) if the Common Stock is a capital asset of the participant, as short-term or long-term capital gain (depending upon the length of time the shares were held by the participant) to the extent of any excess of the amount realized on the disqualifying disposition over the sum of the exercise price and any ordinary income recognized by the participant. The participant’s basis in the Common Stock will be increased by an amount equal to the amount treated as ordinary income due to such disqualifying disposition. In this case, we may claim an income tax deduction at the time of the disqualifying disposition for the amount taxable to the participant as ordinary income.

Nonqualified Stock Options and Stock Appreciation Rights. The grant of nonqualified stock options and SARs will not result in income taxable to the participant or provide a deduction to us. However, the exercise of a nonqualified stock option or SAR results in taxable income to the holder, and we generally are entitled to a corresponding deduction. At the time of the exercise of a nonqualified stock option, the participant will be taxed at ordinary income tax rates on the excess of the fair market value of the shares purchased over the stock option’s exercise price. The participant’s tax basis for the Common Stock acquired under a nonqualified stock option will be equal to the exercise price paid for such Common Stock, plus any amounts included in the participant’s income as compensation. When a participant disposes of the Common Stock acquired by exercise of a nonqualified stock option, any amount received in excess of the participant’s tax basis for such shares will be treated as short-term or long-term capital gain, depending upon how long the participant has held the Common Stock. If the amount received is less than the participant’s tax basis for such shares, the loss will be treated as short-term or long-term capital loss, depending upon how long the participant has held the shares. At the time of the exercise of a SAR, the participant will be taxed at ordinary income tax rates on the amount of the cash, or the fair market value of the shares, received by the participant upon exercise.

Payment of Exercise Price in Shares. If a stock option is exercised through the use of Common Stock previously owned by the participant, such exercise generally will not be considered a taxable disposition of the previously owned shares and, thus, no gain or loss will be recognized with respect to such previously owned shares upon such exercise. The amount of any built-in gain on the previously owned shares generally will not be recognized until the new shares acquired on the option exercise are disposed of in a sale or other taxable transaction. However, if the previously owned shares were acquired on the exercise of an ISO and the holding period requirement for those shares was not satisfied at the time they were used to exercise a stock option, such use would constitute a disqualifying disposition of such previously owned shares resulting in the recognition of ordinary income in the amount described above.

Restricted Stock. A participant who is granted a restricted stock award will not be taxed upon the acquisition of these shares so long as the participant’s interest in such shares is subject to a “substantial risk of forfeiture” within the meaning of Section 83 of the Code. Upon lapse or release of the restrictions, the participant will be taxed at ordinary income

tax rates on an amount equal to the then current fair market value of the vested shares. Any restricted stock awards that are not subject to a substantial risk of forfeiture will be taxed at the time of grant. We generally will be entitled to a corresponding deduction when the value of the award is included in the participant's taxable income. The basis of the restricted shares held after lapse or termination of restrictions will be equal to their fair market value on the date of lapse or termination of restrictions, and upon subsequent disposition any further gain or loss will be long-term or short-term capital gain or loss, depending upon the length of time the shares are held.

A recipient of a restricted stock award may elect under Section 83(b) of the Code within 30 days of the date of transfer of the restricted shares to be taxed at ordinary income tax rates on the full fair market value of the restricted shares over the purchase price, if any, of such shares. If the election is made, the basis of the shares so acquired will be equal to the fair market value at the time of grant plus the purchase price (if any) paid by the participant. No tax will be payable upon the subsequent lapse or release of the restrictions, and any gain or loss upon disposition will be a capital gain or loss.

Performance Awards. A recipient of a performance award will generally realize ordinary income at the time shares are transferred or cash is paid to the participant with respect to that award, and we generally will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

Other Types of Awards. With respect to other awards under the LTIP, generally when the participant receives payment with respect to the award, the amount of cash and the fair market value of any other property received will be ordinary income to the participant, and we generally will be entitled to a tax deduction in the same amount.

Employment Tax. In general, the amount that a participant recognizes as ordinary income under an award also is treated as “wages” for purposes of the Federal Insurance Contributions Act (“FICA”). The participant and Carriage must pay equal amounts of federal employment tax under FICA with respect to the participant’s wages. Such amounts are subject to tax withholding by us.

Tax Withholding. We shall be entitled to deduct from any payment made under the LTIP, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment. We may require the participant to pay us such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Common Stock, and shall be entitled to deduct from any other compensation payable to the participant any withholding obligations. We may allow a participant to pay the amount of taxes required by law to be withheld from or with respect to an award by (a) withholding shares of Common Stock from any payment of Common Stock due as a result of such award, or (b) permitting the participant to deliver to Carriage previously acquired shares of Common Stock, in each case having an aggregate fair market value equal to the amount of such required withholding taxes. However, with respect to awards granted to a participant who is subject to Section 16 of the Exchange Act, unless the participant directs otherwise, our tax withholding obligation will be satisfied by withholding shares from any payment of Common Stock due as a result of such award. No payment shall be made and no shares of Common Stock shall be issued pursuant to any award unless and until the applicable tax withholding obligations have been satisfied.

Withholding does not represent an increase in the participant’s total income tax obligation, since it is fully credited toward his or her tax liability for the year. Additionally, withholding does not affect the participant’s tax basis in the Common Stock. Compensation income realized and tax withheld will be reflected on Forms W-2 supplied by Carriage to employees by January 31 of the succeeding year. Deferred compensation that is subject to Section 409A of the Code will be subject to certain federal income tax withholding and reporting requirements.

Tax Consequences to Carriage. To the extent that a participant recognizes ordinary income in the circumstances described above, we will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an “excess parachute payment” within the meaning of Section 280G of the Code and is not disallowed by the \$1,000,000 limitation on certain executive compensation under Section 162(m) of the Code.

Million Dollar Deduction Limit and Other Tax Matters. As discussed above, we may not deduct compensation of more than \$1,000,000 that is paid to an individual who, on the last day of the taxable year, is either our principal executive officer or an individual who is among the three highest compensated officers for the taxable year (other than the principal executive officer or the principal financial officer). The limitation on deductions does not apply to certain types of compensation, including qualified performance-based compensation, and only applies to compensation paid by a publicly-traded corporation (and not compensation paid by non-corporate entities).

If an individual’s rights under the LTIP are accelerated as a result of a change in control and the individual is a “disqualified individual” under Section 280G of the Code, the value of any such accelerated rights received by such individual may be included in determining whether or not such individual has received an “excess parachute payment” under Section 280G of the Code, which could result in (a) the imposition of a 20% federal excise tax (in addition to

federal income tax) payable by the individual on the value of such accelerated rights, and (b) the loss by Carriage of a compensation deduction.

Section 409A of the Code. Certain awards under the LTIP may be considered “nonqualified deferred compensation” subject to Section 409A of the Code, which imposes additional requirements on the payment of deferred compensation. Generally, options and SARs with an exercise price at least equal to the fair market value of the underlying Common Stock on the date of grant and restricted stock will not be considered deferred compensation if such awards do not include any other

feature providing for the deferral of compensation. Failure to follow the provisions of Section 409A of the Code can result in taxation to the grantee of a 20% additional tax and interest on the taxable amount and, depending on the state, additional state taxes. Awards under the LTIP are generally intended to comply with or be exempt from Section 409A of the Code.

New LTIP Benefits and Previous Awards

The Awards, if any, that will be granted to eligible persons under the LTIP are subject to the discretion of our Compensation Committee, and, therefore, we cannot currently determine the benefits or number of Shares subject to Awards that may be granted in the future to our executive officers, employees and directors under the LTIP.

Therefore, a New Plan Benefits Table is not provided.

We granted Awards under the Current Plan in 2012 to our named executive officers, outside directors and to other eligible employees. The 2012 grants to the named executive officers are reflected in “Executive Compensation—Grants of Plan-Based Awards for Year Ended December 31, 2012” above. The 2012 grants to outside directors are reflected in “Director Compensation—2012 Director Compensation Table” above.

The following table sets forth, for the named executive officers and certain other groups, all Shares underlying outstanding stock options and performance awards awarded before December 31, 2012 under the Current Plan. No associate of any of the directors, named executive officers or nominees set forth below holds or has held options to purchase our Common Stock.

PROPOSAL NO. 3:

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act require that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

At our 2012 Annual Meeting of Stockholders, which was held on May 23, 2012, our stockholders expressed their approval of our named executive officer compensation programs with 96% of all votes cast being in favor of approval of such programs. Our Compensation Committee and our Board were very appreciative of the positive vote. The strong stockholder support has reaffirmed our Compensation Committee's approach to executive compensation philosophy and programs. Accordingly, for 2013, our Compensation Committee has continued to administer similar reward programs and to demonstrate the same consistent pay philosophies that have been in place historically. Our Compensation Committee and Board have determined to give stockholders the opportunity to approve our named executive officer compensation on an annual basis. As such, the next such vote will occur in 2014.

As described in "Compensation Discussion and Analysis," our Compensation Committee has structured our named executive officer compensation programs to achieve the following key objectives:

• Pay competitive levels of salary and total compensation;

• Reward management for our strong performance and successful execution of our strategic operating models; and

• Align incentives with the long-term interests of our stockholders.

We urge our stockholders to read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail how our named executive officer compensation policies and programs operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative, appearing under "Executive Compensation," which provide detailed information on the compensation of our named executive officers. Our Compensation Committee believes that the policies and programs articulated in the "Compensation Discussion and Analysis" section are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement has contributed to our recent and long-term success.

Accordingly, we are asking our stockholders to indicate their support for our named executive officer compensation as described in this Proxy Statement by voting "FOR" the following resolution:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation of Carriage's named executive officers, as disclosed in the Proxy Statement for the 2013 Annual Meeting of Stockholders of Carriage pursuant to the compensation disclosure rules of the Securities and Exchange Commission (including, but not limited to, the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables, notes and narrative)."

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. This vote is advisory, and therefore not binding on us, our Board or our Compensation Committee. Although the resolution is non-binding, our Board and our Compensation Committee value the opinions of our stockholders and will carefully consider the outcome of the advisory vote on named executive officer compensation when making future compensation decisions.

Our Board unanimously recommends that you vote "FOR" the advisory vote to approve named executive officer compensation, as disclosed in this Proxy Statement.

PROPOSAL NO. 4:

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Our Audit Committee has selected KPMG LLP (“KPMG”) to audit our consolidated financial statements. KPMG has served as our independent registered public accounting firm since 2002.

Representatives of KPMG are expected to be present at our Annual Meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions from stockholders.

Although ratification is not required by Delaware law, our bylaws or otherwise, our Board is submitting our Audit Committee’s appointment of KPMG to our stockholders for ratification as a matter of good corporate practice. Even if the appointment is ratified, our Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders. If the appointment of KPMG is not ratified, our Audit Committee will evaluate the basis for the stockholders’ vote when determining whether to continue the firm’s engagement.

Our Board unanimously recommends that you vote “FOR” the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

Audit and Other Fees

Fees billed to us by KPMG during 2012 and 2011 were as follows:

	Year Ended December 31,	
	2012	2011
Audit fees	\$898,200	\$604,000
Audit-related fees ⁽¹⁾	\$10,782	\$83,300
Tax fees	—	—
All other fees	—	—
Total	\$908,982	\$687,300

During 2012, services were performed by KPMG in relation to a proposed accounting policy change. During 2011, (1) services were performed by KPMG in relation to a proposed high yield bond offering and to a proposed accounting method change.

Pre-Approval Policy for Services of Independent Registered Public Accounting Firm

As part of its duties, our Audit Committee is required to annually pre-approve audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the audit firm’s independence. If a type of service to be provided by the independent registered public accounting firm has not received pre-approval during this annual process, it will require specific pre-approval by our Audit Committee. Our Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the independent auditors. All audit fees and audit-related fees for 2012 and 2011 were pre-approved by our Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Audit Committee") of the Board of Directors of Carriage Services, Inc. ("Carriage") has reviewed and discussed the audited financial statements of Carriage for the fiscal year ended December 31, 2012 with Carriage management. The Audit Committee has discussed with KPMG LLP, Carriage's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Additionally, the Audit Committee has received the written disclosures and the letter from KPMG LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP's communications with the Audit Committee concerning independence, and has discussed with KPMG LLP their independence.

Based on the Audit Committee's review and discussions with management and KPMG LLP referred to above, the Audit Committee recommended to the Board of Directors of Carriage that the audited consolidated financial statements be included in Carriage's Annual Report on Form 10-K for the fiscal year ended December 31, 2012 for filing with the Securities and Exchange Commission.

SECURITY OWNERSHIP OF DIRECTORS, EXECUTIVE OFFICERS
AND CERTAIN BENEFICIAL OWNERS

Stock Ownership of Management

The following table sets forth, as of March 25, 2013, the number of shares beneficially owned and the percentage of the Common Stock held by: (1) each of our directors and director nominees, (2) our Principal Executive Officer and Principal Financial Officer, (3) our other executive officers named in the Summary Compensation Table set forth under “Executive Compensation,” and (4) all our current executive officers and directors as a group. Under the rules of the SEC, on any day, a person is deemed to own beneficially all securities as to which that person owns or shares voting or investment power, as well as all securities which such person may acquire within 60 days of such date through the exercise of currently available conversion rights or options. Except as otherwise stated in the notes to the table, each person named in the table below has sole voting and investment power with respect to the shares indicated.

Beneficial Owner	Common Stock	Stock Options ⁽¹⁾	Number of Shares Beneficially Owned	Percent of Common Stock

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis provides information regarding the executive compensation program for our principal executive officer, each individual who served as our principal financial officer during 2012, and our three other most highly-compensated executive officers (other than our principal executive officer and each individual who served as our principal financial officer during 2012) for our last completed fiscal year (together, our “Named Executive Officers”), and is intended to place in perspective the information contained in the executive compensation tables that follow this discussion.

The following individuals were our Named Executive Officers for the fiscal year ended December 31, 2012:

Name	Position
Melvin C. Payne	Chairman of our Board and our Chief Executive Officer
L. William Heiligbrodt	Vice Chairman of our Board, Executive Vice President and Secretary
Viki K. Blinderman	Corporate Controller, Chief Accounting Officer and Interim Principal Financial Officer
Mark R. Bruce	Regional Partner - East
George J. Klug	Senior Vice President and Chief Information Officer
Shawn R. Phillips	Regional Partner - Central

Terry E. Sanford Former Executive Vice President and our Chief Financial and Accounting Officer
 Terry E. Sanford (our former Executive Vice President and Chief Financial and Accounting Officer), who served as the Company's principal financial officer through his resignation effective as of August 2, 2012, and Viki K. Blinderman, who served as the Company's principal financial officer from August 2, 2012 to September 26, 2012 were each included as Named Executive Officers for 2012 because they each served as the Company's principal financial officer for part of 2012.

Our executive compensation program is designed to attract, motivate and retain talented executives so that we can produce long-term superior results and maximize long-term returns to our stockholders. Our Compensation Committee consists entirely of independent Board members and is responsible for the approval and oversight of compensation and benefit plans and employment agreements affecting executive management.

To achieve our compensation objectives, our Compensation Committee has structured our annual incentive-based cash and long-term non-cash executive compensation programs to motivate our executive officers to achieve the business goals set by us and reward those executives for achieving such goals.

Executive Summary

2012 Performance

Our fiscal year 2012 financial and operational results were outstanding, as we achieved record performance in terms of both revenue and adjusted earnings per share. Our record performance was driven by substantially higher revenue growth and margin expansion in each of our four major profit segments relative to our fiscal year 2011 performance. Highlights of our financial performance are shown below:

Measure	2012 Result	Change Versus FY 2011
Total Revenue	\$204.1 Million	8.8%
Adjusted EPS ⁽¹⁾	\$0.85/share	30.8%
GAAP Diluted EPS	\$0.64/share	73%

Adjusted EPS is a non-GAAP financial measure that management believes is an important measure for understanding the Company's overall operational and financial results. For a reconciliation of Adjusted EPS to the (1) GAAP measure of Diluted EPS from continuing operations, see “Executive Compensation- Annual Cash Incentive Bonuses”.

Our record performance was the result of rapid and transformative change throughout 2012, starting with a major management reorganization and an updated Funeral Standards Operating Model in the fourth quarter of 2011. As the year progressed, we positioned Carriage in four other major fundamental areas to have a strong 2012 fourth quarter

finish and to enter 2013 with a higher capacity of sustainable earnings power:

First, we completed and rolled out an updated Cemetery Standards Operating Model effective January 1, 2013, and recruited the organizational leadership both at the corporate and field level to take our Cemetery Portfolio performance to a much higher and sustainable level over time.

Second, we made substantial structural changes in how we manage and receive compensation from our trust funds, which should result in higher sustainable financial revenue over time.

Third, we completed the refinancing of our \$130 million of 7.875% senior notes due in 2015 with a \$235 million syndicated bank financing comprised of a \$130 million five year term loan and a \$105 million five year revolving credit facility, with interest savings of over 400 basis points on the refinanced term loan.

Finally, we increased our acquisition activity by closing three transactions in December.

Alignment of Company Performance and Executive Pay

To achieve our compensation objectives, our Compensation Committee has structured our annual incentive-based cash and long-term equity compensation programs to motivate our executive officers to achieve the business goals set by management and reward our executive officers for achieving such goals.

Over the past several years there has been a strong alignment between the Company's total shareholder return ("TSR") and our CEO's compensation, as shown in the following graph:

As the graph displays, \$100 invested in our Common Stock on December 31, 2009 grew to over \$300 by the end of fiscal year end 2012. Mr. Payne's Reported Compensation has grown over this time as well, reflecting strong alignment between his compensation and the Company's total shareholder return performance.

Executive Compensation Practices

Our executive compensation program is designed to attract, motivate and retain talented executives so that we can produce long-term superior results and maximize long-term returns to our stockholders. Overall, we believe our executive compensation programs support our short- and long-term business objectives and align our executive pay with Company performance.

Our Compensation Committee consists entirely of independent Board members and is responsible for the approval and oversight of compensation and benefit plans and employment agreements affecting Carriage's executive officers.

Compensation Program Objectives

We compete for executive talent in a highly competitive industry. We believe that our executive compensation program, which is a key component in our ability to attract and retain talented, qualified executives, should be designed to provide a meaningful level of total compensation that is aligned with organizational and individual performance.

The principal objectives of our executive compensation program are to:

- pay competitive levels of salary and total compensation;
- reward named executive officers for our strong performance and successful execution of our strategic operating models; and
- align incentives with the long-term interests of our stockholders.

Executive Compensation Philosophy and Elements of Compensation

Best Practices

What We Do

• **Pay for Performance Philosophy:** A significant portion of executive compensation is performance-based and is tied to our financial performance and/or the performance of our stock price.

• **Mitigation of Undue Risk:** Our compensation plans have provisions to mitigate undue risk, including caps on the maximum level of payouts and Board and management processes to identify risk. We do not believe any of our compensation programs create risks that are reasonably likely to have a material adverse impact on the Company.

• **Regular Review of Share Utilization:** We regularly evaluate share utilization levels by reviewing overhang levels and run rates to ensure the dilutive impact of stock-based compensation remains at appropriate levels.

What We Don't Do

• **No Excise Tax Gross-Ups Upon Change in Control.**

• **No Excessive Executive Perquisites:** We provide only standard benefits and nominal perquisites that are consistent with or below competitive practices.

• **No Tax Gross-Ups on Perquisites or Benefits.**

• **No Repricing of Underwater Stock Options; No Grants Below 100% of Fair Market Value.**

• **No Inclusion of Long-term Incentive Awards in Cash Severance Calculations.**

Executive Compensation Philosophy

In 2012, the Compensation Committee continued to implement our executive compensation philosophy (the "Philosophy"), which was developed to formalize the strategy behind our executive compensation practices and to serve as an ongoing reference point for executive compensation decisions. The Philosophy specifies compensation elements, defines the purpose of each element and expresses the target positioning of compensation levels that we desire to achieve over time.

Each year we consider our executive compensation in light of the Philosophy and the fact that we compete for executive talent in a highly competitive industry. We believe that our executive compensation program, which is a key component in our ability to attract and retain talented, qualified executives, should be designed to provide a meaningful level of total

compensation that is aligned with organizational and individual performance. The Philosophy is summarized in the table below and has been developed based on the following guiding principles.

- to create a clear link between pay and our annual and long-term performance;
- to attract, retain and motivate exceptional talent to drive our revenue, growth, profitability, and total stockholder return;
- to focus executives on a common set of critical corporate-wide business objectives;
- to provide competitive pay opportunities; and
- to align executive interests with those of our stockholders.

Pay Element	Purpose	Target Positioning to Market
Base Salary	Provide competitive base pay to hire and retain key talent with the desired leadership qualities.	Market median
Short-Term Incentives	Provide market competitive award opportunities that will motivate our executives to achieve and exceed corporate financial goals that support our overall strategy.	Market median for target company performance level adjusted for responsibilities
Long-Term Incentives	Provide market competitive award opportunities that will align executive interests with our stockholders and allow executives to build share ownership.	Market median for target company performance level
Ownership Guidelines	Encourage long-term ownership of company stock and alignment of executive interests with our stockholders.	Mirror typical market practices

Peer Group Companies and Benchmarking

In 2009, our Compensation Committee, with the assistance of compensation consultants, developed a peer group consisting of 16 companies across the broader services industries to reflect a holistic view of our markets and services in which we operate. The peer group has subsequently been adjusted to reflect certain members being acquired, ceasing operations or otherwise ceasing to operate as a public company and, during 2012, consisted of the 14 companies set forth below. The peer group is used as one component in evaluating the competitiveness of the compensation levels of certain of our Named Executive Officers (which, in 2012, were Messrs. Payne, Heiligbrodt, Klug and Sanford).

Almost Family, Inc.
 Assisted Living Concepts, Inc.
 Capital Senior Living Corporation
 CPI Corporation
 Diversicare Healthcare Services, Inc.

Hillenbrand, Inc.
 Mac-Gray Corporation
 Stewart Enterprises
 Stonemor Partners, LP.
 Sunlink Health Systems, Inc.

Ensign Group, Inc.
 Healthcare Services Group

Town Sports International Holdings
 US Physical Therapy, Inc.

In addition to reviewing compensation data for the peer group detailed above, our Compensation Committee also reviews compensation data from published compensation surveys of other similarly-sized organizations across the general industry. It is the Committee's desire to not only analyze compensation trends within our industry, but more broadly as well.

It has been our practice to review market compensation data annually and to combine the results of the market analysis with our review of the roles and responsibilities of each of our executive positions in order to determine the appropriate pay levels for each Named Executive Officer of the company. We frequently review, revise and amend our compensation policies, practices and programs to ensure they remain both appropriate and responsive to our business needs.

The compensation decisions for Messrs. Bruce and Phillips and Ms. Blinderman were made taking into account the Philosophy, but without a direct comparison against the peer group set forth above.

Elements of the 2012 Compensation Program

Our executive compensation program consists of the following basic elements:

- Base salaries;
- Annual cash incentive bonuses;
- Long-term, share-based incentives; and
- Other benefits.

Allocation of compensation among these elements is designed to provide the appropriate mix of short-term incentives and long-term incentives, and cash and equity-based compensation. The pay mix for Mr. Payne's 2012 reported compensation is shown below:

Base Salaries

The base salary for each of our executive officers is determined on an individual basis, taking into account such factors as the duties, experience and levels of responsibility of the executive as well as the compensation levels within companies in the peer group. Base salaries for our Named Executive Officers, are evaluated annually and adjustments are approved by our Compensation Committee based on its evaluation of individual performance and the market. Our Compensation Committee made the following changes to the base salaries of our Named Executive Officers during 2012: an increase from \$500,000 to \$575,000 for Mr. Payne, an increase from \$425,000 to \$500,000 for Mr. Heiligbrodt, an increase from \$220,000 to \$240,000 for Mr. Bruce, an increase from \$220,000 to \$230,000 for Mr. Phillips and an increase from \$160,750 to \$200,000 for Ms. Blinderman.

Annual Cash Incentive Bonuses

The 2012 annual cash bonus for Messrs. Payne and Heiligbrodt was based upon achievement of specific performance targets, with our Board and our Compensation Committee retaining discretion to increase or decrease the payout. Mr. Klug's bonus was discretionary based upon individual and company-wide performance during 2012. For such individuals, the 2012 annual cash bonus was based upon attainment of the objective and quantitative goal of diluted earnings per share from continuing operations ("EPS"), with such adjustments as described below ("Adjusted EPS"). Adjusted EPS is a non-GAAP financial measure that is calculated by adjusting EPS to exclude special items, including withdrawable trust income, acquisition expenses, severance costs and other non-recurring expenses. EPS is used as a supplemental financial measurement by management and investors to compare our current financial performance with our previous results and with the performance of other death care companies. The adjustment of special items in Adjusted EPS allows management to focus on the evaluation of operating performance as it primarily relates to our operating expenses. We do not intend for this information to be considered in isolation or as a substitute for other measures of performance prepared in accordance with GAAP.

We are providing below a reconciliation of EPS (a GAAP measure) to Adjusted EPS (a non-GAAP measure):

	December 31, 2012
Diluted EPS from continuing operations	\$0.64
Effect of special items	\$0.21
Adjusted EPS from continuing operations	\$0.85

For Messrs. Bruce and Phillips and Ms. Blinderman, the 2012 cash incentive bonuses were determined by their supervisor on a discretionary basis based upon individual and company-wide performance during 2012. Mr. Sanford was not eligible to receive a 2012 annual cash bonus as he resigned effective August 2, 2012.

The table below sets forth the 2012 base salary for each of our Named Executive Officers, the target, threshold and maximum and actual incentive bonus payments for each of Messrs. Payne, Klug and Heiligbrodt during 2012 and the 2012 bonus payout for each of our other Named Executive Officers.

2012 Annual Cash Incentive Bonuses

Earnings per share achievement		\$0.50	\$0.59	\$0.66	
Named Executive Officers	Annual Base Salary	Threshold ⁽¹⁾	Target ⁽¹⁾	Maximum ⁽¹⁾	Individual 2012 Bonus ⁽²⁾
Melvin C. Payne	\$575,000	\$258,750	\$517,500	\$1,035,000	\$ 1,000,000
L. William Heiligbrodt	\$500,000	\$200,000	\$400,000	\$800,000	\$ 794,363
George J. Klug	\$240,000	n/a	n/a	n/a	\$ 29,789
Mark R. Bruce	\$240,000	n/a	n/a	n/a	\$ 120,000 ⁽³⁾
Shawn R. Phillips	\$230,000	n/a	n/a	n/a	\$ 40,000 ⁽³⁾
Viki K. Blinderman	\$200,000	n/a	n/a	n/a	\$ 40,000 ⁽³⁾
Terry E. Sanford	\$240,000	—	—	—	—

Refer to "Employment Agreements" section within the Compensation Discussion and Analysis above for respective percentages of base salary payable to Mr. Payne and Mr. Heiligbrodt under their Employment Agreements at threshold, target and maximum performance levels. Maximum is subject to a maximum payout of \$1,000,000 pursuant to the terms of our Second Amended and Restated 2006 Long-Term Incentive Plan.

Our adjusted diluted earnings per share for 2012 was \$0.85, which resulted in a payout equal to the maximum amount. However, our Compensation Committee exercised their discretion to adjust the bonus payment downward to reflect (a) the fact that payments were made earlier than in prior years and (b) in the case of Mr. Klug, to reflect a discretionary bonus.

As described above, bonus payments for Messrs Bruce and Phillips and Ms. Blinderman were discretionary and determined by their supervisors based on individual and company-wide performance for 2012.

Our Compensation Committee established an Adjusted EPS (weighted 100%) as the performance of measure for purposes of 2013 annual cash incentive bonuses with the Threshold at \$0.89 per share, Target at \$1.01 per share and Maximum at \$1.13 per share. Adjustments to EPS to determine Adjusted EPS for 2013 will be similar to the adjustments used during 2012.

Long-Term Equity-Based Incentives

Long-Term Incentive Plan

We maintain the Carriage Services, Inc. Second Amended and Restated 2006 Long-Term Incentive Plan (the “2006 LTIP”), pursuant to which we have granted our Named Executive Officers restricted stock, stock options and cash-based performance units.

In addition, on April 15, 2013, our Board approved the 2013 Long-Term Incentive Plan, subject to the approval of our stockholders, which will replace the 2006 LTIP and will be used for future grants.

Annual Long-Term Incentive Grants

Restricted stock and stock options are awarded by our Compensation Committee after consideration of each individual's performance toward our recent goals, as well as expected contributions to our long-term success.

Outstanding restricted stock awards vest at either 33 1/3% or 25% annually beginning one year after the date the award is granted. The fair value of each stock option grant is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted-average assumptions: risk-free interest rates; expected dividend yield for each year; expected termination rate; expected lives; and expected volatility. Outstanding stock options vest in 33 1/3% increments over a three year period and expire after ten years. Our Compensation Committee believes that these forms of equity ownership help align the executive's interests closely with those of our stockholders and incentivize our executives to contribute to the long-term growth and success of Carriage as a whole.

On March 5, 2012, certain of our Named Executive Officers were granted awards under the 2006 LTIP. The size of these awards was determined using a specified percentage of their base salary, as provided for under their respective employment agreements. For Messrs. Payne and Heiligbrodt and Ms. Blinderman, these awards were granted solely in the form of restricted stock. For Messrs. Klug, Bruce, Phillips and Sanford, these awards were granted 50% in restricted stock and 50% in stock options. Both the restricted shares and stock options vest 33 1/3% over three years on March 5, 2013, March 5, 2014 and March 5, 2015. The exercise price of the options was the closing price on March 5, 2012, which was \$5.94. The option value used was \$2.25. The assumptions made in the valuation of the stock option award are set forth in Note 17, Stockholder's Equity, to the Consolidated Financial Statements in our 2012 Annual Report on Form 10-K. The stock options have a ten-year term.

The following table sets forth information regarding the long-term incentive grant to our Named Executive Officers in 2012:

Name	Base	Grant Value		Grant Allocation	
		%	\$	Restricted Stock	Stock Options
Melvin C. Payne	\$575,000	100	% \$575,000	96,801	—
L. William Heiligbrodt	\$500,000	90	% \$450,000	75,757	—
George J. Klug	\$240,000	45	% \$108,000	9,090	24,024
Mark R. Bruce	\$240,000	50	% \$120,000	10,101	26,694

(1) Named Executive Officer resigned effective August 2, 2012.

Performance-based Stock Awards

In August 2012, when the price of our Common Stock was \$7.76, the Compensation Committee of our Board granted performance-based stock awards (the “PBS Awards”) pursuant to the 2006 LTIP to certain of our employees and outside directors, including certain of our Named Executive Officers.

The PBS Awards are intended to further align the interests of these employees and directors with the interests of our stockholders by rewarding them for their contributions toward transforming Carriage from a “good” death care operating and consolidation company to a “great” high-performance service and sales company. To the extent vested, each PBS Award represents the right to receive a specified number of shares of our Common Stock, subject to the grantee's

payment, with respect to each share of Common Stock subject to such PBS Award, of an amount equal to the greater of (a) the then-current market price per share of our Common Stock on the date such PBS Award was granted plus \$0.50 or (b) \$9.00. Each PBS

35

Award will become vested if on or before the fifth anniversary of the applicable grant date, the closing price of our Common Stock is greater than or equal to \$21.50 on any three days, whether or not consecutive, within a period of 30 consecutive calendar days, subject to the applicable grantee's continuous employment or service relationship with us through such date (the "Price Vesting Date"). However, if the Price Vesting Date occurs prior to the first anniversary of the grant date, then each PBS Award will not become vested until the first anniversary of such grant date, subject to the applicable grantee's continued employment or service relationship with us through the first anniversary of the grant date.

During 2012, our Named Executive Officers received the following grants of PBS Awards:

Name	PBS Award Size (in shares)
Melvin C. Payne	400,000
L. William Heiligbrodt	320,000
Mark R. Bruce	80,000
Shawn R. Phillips	50,000
Viki K. Blinderman	25,000

Severance Benefits.

Each of our Named Executive Officers (other than Ms. Blinderman) is party to an employment agreement with us pursuant to which he will be entitled to severance payments upon his termination without cause during the term of the agreement (or his resignation for "good reason" during the twenty-four month period following a "corporate change", as defined in their respective employment agreements). For a further description of the severance benefits payable under these agreements, see "Executive Compensation-Potential Payments Upon Termination or Change-in-Control" below.

Other Benefits and Perquisites

We sponsor a defined contribution 401(k) plan under which we match 100% of elective deferrals with respect to the first one percent of the participant's eligible compensation and 50% with respect to next five percent of the participant's eligible compensation. Additionally, we sponsor an employee stock purchase plan that provides the participants the ability to purchase Common Stock at the lower of the grant date fair value or the purchase date fair value with a discount of 15%. Our health and related plans include medical, dental, life and disability coverage. The benefits provided to our executive officers are offered through broad-based plans applicable to all employees, except that our Chief Executive Officer may not participate in the employee stock purchase plan because of restrictions in the applicable federal income tax regulations and Mr. Heiligbrodt, Mr. Klug and Mr. Sanford were prohibited by these regulations from participating in the employee stock purchase plan in 2012. Our Chief Executive Officer is reimbursed annually for life insurance premiums of up to \$25,000 and club dues, the combined cost of which totaled \$35,876 in 2012. Otherwise, we provide no other perquisites to any of our Named Executive Officers.

Management's Role in Determining Executive Compensation

Our Compensation Committee makes all final decisions regarding executive officer compensation. Mr. Payne's role as our Chairman of the Board and Chief Executive Officer in determining executive compensation is to make recommendations on compensation decisions for those other than himself based on the individual performance of each executive officer and our overall performance. Management's role in determining executive compensation includes:

- developing, summarizing and presenting information and analyses to enable our Compensation Committee to execute its responsibilities, as well as addressing specific requests for information from our Compensation Committee;
- attending our Compensation Committee's meetings as requested in order to provide information, respond to questions and otherwise assist our Compensation Committee;
- developing individual executive officer bonus plans for consideration by our Compensation Committee and reporting to our Compensation Committee regarding achievement against the bonus plans; and
- preparing stock award recommendations for our Compensation Committee's approval.

Consultant's Role in Determining Executive Compensation

In 2012 the Compensation Committee retained Mercer (US) Inc. as its executive compensation consultant. The Compensation Consultant reports directly to the Committee and the Committee may replace the Compensation Consultant or hire additional consultants at any time. A representative of the Compensation Consultant attends meetings of the Committee, as requested, and communicates with the Committee Chair between meetings; however, the Committee makes all decisions regarding the compensation of our executive officers.

The Compensation Consultant provides various executive compensation services to the Committee pursuant to a written consulting agreement with the Committee. Generally, these services include advising the Committee on the principal aspects of our executive compensation program and evolving industry practices and providing market information and analysis regarding the competitiveness of our program design and our award values in relationship to its performance.

During 2012, the Compensation Consultant performed the following specific services:

Completed a market analysis of compensation levels for our Named Executive Officers; and

Determined the accounting value of the performance-based stock awards granted in the third quarter of 2012.

The Committee retains sole authority to hire the Compensation Consultant, approve its compensation, determine the nature and scope of its services, evaluate its performance, and terminate its engagement.

Consideration of Previous Shareholder Advisory Vote

Our 2012 Annual Meeting of Stockholders was held on May 23, 2012. Our stockholders expressed their approval of our Named Executive Officer compensation programs with 96% of all votes cast being in favor of approval of such programs. Our Compensation Committee and our Board were very appreciative of the positive vote. The strong stockholder support has reaffirmed our Compensation Committee's approach to executive compensation philosophy and programs. Accordingly, for 2013, our Compensation Committee has continued to administer similar reward programs and to demonstrate the same pay philosophies that have been in place historically.

Executive Compensation Policies and Practices as they relate to our Risk Management

Our Compensation Committee considers, among other things, in establishing and reviewing our executive compensation program, whether the program pays the executives for performance and whether the program encourages unnecessary or excessive risk taking. Our Compensation Committee reviews annually the principal components of executive compensation. Base salaries are reviewed annually and fixed in amount. Annual incentive pay is focused on achievement of certain specific overall financial goals and may be determined using singular or multiple performance criteria. Our Compensation Committee believes that these cash incentive plans appropriately balance risk, payment for performance and the desire to focus executives on specific financial and leadership measures and that they do not encourage unnecessary or excessive risk taking. We believe that our compensation policies and practices for all employees, including non-executive officers, are reasonable and do not create any risk or adverse effect on Carriage.

Tax and Accounting Considerations

For compensation in excess of \$1 million, Section 162(m) of the Code generally limits our ability to take a federal income tax deduction for compensation paid to our Chief Executive Officer and the next three most highly compensated executive officers other than our principal financial officer, except for qualified performance-based compensation. While our Compensation Committee considers the deductibility of compensation when making compensation decisions, it does not believe that compensation decisions should be made solely to maintain the deductibility of compensation for federal income tax purposes.

We recognize compensation expense in an amount equal to the fair value of the share-based awards over the period of vesting. Fair value is determined on the date of the grant. The fair value of options or awards containing options is determined using the Black-Scholes valuation model. The fair value of performance-based stock awards is determined using the Monte-Carlo pricing method.

Employment Agreements

On March 14, 2012, we entered into Second Amended and Restated Employment Agreements with Messrs. Payne, Sanford and Klug, as well as a First Amended and Restated Employment Agreement with Mr. Heiligbrodt (which, in each case, replaced and superseded their existing employment agreements) for terms expiring on March 14, 2015 for Mr. Sanford and Mr. Klug and on March 14, 2016 for Mr. Payne and Mr. Heiligbrodt (subject, in each instance, to earlier termination or extension). These agreements (together, the “2012 Employment Agreements”) will automatically be renewed on an annual basis thereafter, unless terminated by either party thereto upon 60 days written notice prior to the end of the term then in effect.

The 2012 Employment Agreements generally establish, among other things, (a) a minimum base salary, (b) target bonus payouts (expressed as a percentage of base salary), and (c) post-termination payments in certain scenarios. The 2012 Employment Agreements provided for the following minimum base salaries to be payable to each of our Named Executive Officers: \$575,000 for Mr. Payne, \$500,000 for Mr. Heiligbrodt, \$240,000 for Mr. Sanford, and \$240,000 for Mr. Klug. In

In connection with his resignation on effective August 2, 2012, Mr. Sanford was entitled to receive, among other things, consulting fees, a nominal cash severance payment and accelerated vesting of certain stock options and restricted shares. For a detailed description of this agreement, see “Executive Compensation-Potential Payments Upon Termination or Change-in-Control” below.

Long-Term Incentive Plan

We maintain the 2006 LTIP, pursuant to which during 2012 we granted our Named Executive Officers shares of restricted stock, stock options and performance-based stock awards. In addition, on April 15, 2013, our Board approved the 2013 Long-Term Incentive Plan, subject to the approval of our stockholders, which will replace the 2006 LTIP for future grants.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members who served on our Compensation Committee during 2012 has at any time been an officer or employee of our company nor had any substantial business dealings with our company. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board or our Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Review and Approval of Related Party Transactions

We have established procedures to identify, review, approve, and ratify transactions with related persons and bring them to the attention of our Board for consideration. These procedures include formal written questionnaires to our directors and executive officers. Each year, we require our directors and executive officers to complete a questionnaire that requires them to identify and describe any transactions with Carriage that they or their respective related parties may have been involved in, whether or not material.

Our Corporate Governance Committee has the responsibility to review and discuss with management and approve any transactions or courses of dealing with related parties. During this process, related party transactions are disclosed to all Board members. To the extent such transactions are ongoing business relationships, the transactions are reviewed annually and such relationships will be on terms not materially less favorable than what would be usual and customary in similar transactions between unrelated persons dealing at arms' length. Our Corporate Governance Committee intends to approve only those related party transactions that are in the best interest of us and our stockholders. The policies and procedures for related party transactions are documented in our Code of Business Conduct and Ethics, a copy of which is available free of charge on our website at www.carriageservices.com.

Related Party Transactions

Other than as described below, since January 1, 2012, there were no reportable transactions between Carriage and related persons and there are no such currently proposed transactions. All transactions described below were reviewed and approved as required by our policies and procedures for the review and approval of related party transactions described above.

Robert Prescott, Manager of Corporate Finance, who is the brother-in-law to our Chairman of the Board and Chief Executive Officer, received approximately \$146,000 in total compensation during 2012.

OTHER BUSINESS

Management does not intend to bring any other business before our Annual Meeting and has not been informed that any other matters are to be presented at our Annual Meeting by others. If other matters properly come before our Annual Meeting or any adjournment or postponement thereof, the persons named in the accompanying proxy and acting thereunder will vote in accordance with their best judgment.

STOCKHOLDER PROPOSALS FOR THE 2014 ANNUAL MEETING

Pursuant to rules promulgated by the SEC, stockholders interested in submitting a proposal for inclusion in our proxy materials and for presentation at our 2014 Annual Meeting of Stockholders may do so by following the procedures set forth under Rule 14a-8 of the Exchange Act. In general, to be eligible for inclusion in our proxy materials, stockholder proposals must be received by our Corporate Secretary at 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056 no later than December 23, 2013. However, if the date of our 2014 Annual Meeting of Stockholders is changed by more than 30 days from May 22, 2013, the deadline is a reasonable time prior to our printing and mailing of the proxy materials, which deadline will be communicated to our stockholders in our public filings.

In addition, pursuant to our bylaws, a stockholder may recommend nominees for director not for inclusion in our proxy materials by giving our Corporate Secretary a written notice not less than 90 days prior to the anniversary date of the immediately preceding annual meeting. For our 2014 Annual Meeting of Stockholders, the deadline will be February 21, 2014, based upon this year's meeting occurring on May 22nd. The notice must include the name and address of the stockholder giving notice and the number of shares of Common Stock beneficially owned by the stockholder. The notice must also include the full name, age, business address, principal occupation or employment of the nominee, the number of shares of Common Stock that the nominee beneficially owns, any other information about the nominee that must be disclosed in proxy solicitations under Regulation 14A of the Exchange Act, and the nominee's written consent to the nomination and to serve, if elected. Any such nomination when submitted must be in full compliance with applicable law and our bylaws.

Under Rule 14a-4(c) of the Exchange Act, our Board may exercise discretionary voting authority under proxies solicited by it with respect to any matter properly presented by a stockholder at our 2014 Annual Meeting of Stockholders that the stockholder does not seek to have included in our proxy statement if (except as described in the following sentence) the proxy statement discloses the nature of the matter and how our Board intends to exercise its

discretion to vote on the matter, unless we are notified of the proposal on or before March 8, 2014 and the shareholder satisfies the other requirements of Rule 14a-4(c)(2).

If we first receive notice of the matter after March 8, 2014, and the matter nonetheless is permitted to be presented at our 2014 Annual Meeting of Stockholders, our Board may exercise discretionary voting authority with respect to the matter without including any discussion of the matter in the proxy statement for the meeting. We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with the requirements described above and other applicable requirements.

APPENDIX A
CARRIAGE SERVICES, INC.
2013 LONG-TERM INCENTIVE PLAN

ARTICLE I

PURPOSE

1.1 Purpose. The Carriage Services, Inc. 2013 Long-Term Incentive Plan (the “Plan”) is intended to provide a means through which Carriage Services, Inc., a Delaware corporation (“Carriage”), and its Affiliates may attract and retain highly qualified individuals to perform services for Carriage and its Affiliates and to serve on Carriage’s Board of Directors, to further align the interests of those individuals with those of the stockholders of Carriage, and closely link compensation with Company performance. Carriage is committed to creating long-term stockholder value. Carriage’s compensation philosophy is based on a belief that Carriage can best create stockholder value if employees and directors act and are rewarded as business owners. Carriage believes that an equity stake through equity compensation programs effectively aligns employee and stockholder interests by motivating and rewarding performance that will enhance stockholder value.

1.2 Effective Date and Term. The Plan shall be effective as of May 22, 2013, provided that the Plan is adopted by the Board on or before such date and approved by the holders of a majority of the outstanding shares of Common Stock at the 2013 annual meeting of the Company’s stockholders. Unless terminated earlier by the Board pursuant to Section 13.1, the Plan shall terminate on the day prior to the tenth anniversary of the Effective Date. Without limiting the foregoing, the Committee, in its sole discretion, subject to the terms of any applicable Award Agreement, may determine that a termination of Service has not occurred under an Award granted under the Plan in the event of (a) a termination where there is simultaneous commencement by the Participant of a relationship with the Company as an Employee, Consultant or Outside Director or (b) a termination that results in a temporary severance of an employment or service relationship.

ARTICLE III

PLAN ADMINISTRATION

3.1 Plan Administrator and Discretionary Authority. The Plan shall be administered by the Committee. The Committee shall have total and exclusive responsibility to control, operate, manage and administer the Plan in accordance with its terms. The Committee shall have all the authority that may be necessary or helpful to enable it to discharge its responsibilities with respect to the Plan. Without limiting the generality of the preceding sentence, subject to the express provisions of the Plan, the Committee shall have the exclusive right to: (a) interpret the Plan and the Award Agreements executed hereunder; (b) decide all questions concerning eligibility for, and the amount of, Awards granted under the Plan; (c) construe any ambiguous provision of the Plan or any Award Agreement; (d) prescribe the forms of Award Agreements; (v) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award Agreement; (e) issue administrative guidelines as an aid to administering the Plan and make changes in such guidelines as the Committee from time to time deems proper; (f) make regulations for carrying out the Plan and make changes in such regulations as the Committee from time to time deems proper; (g) determine whether Awards should be granted singly or in combination; (h) grant waivers of Plan terms, conditions, restrictions and limitations; (i) accelerate the exercise, vesting or payment of an Award when such action or actions would be in the best interests of the Company; (j) require Participants to hold a stated number or percentage of shares of Common Stock acquired pursuant to an Award for a stated period; and (k) take any and all other actions the Committee deems necessary or advisable from time to time for the proper operation or administration of the Plan. The Committee shall have authority in its sole discretion with respect to all matters related to the discharge of its responsibilities and the exercise of its authority under the Plan, including, without limitation, its construction of the terms of the Plan and its determination of eligibility for participation in, and the terms of Awards granted under, the Plan. The decisions of the Committee and its actions with respect to the Plan shall be final, conclusive and binding on all persons having or claiming to have any right or interest in or under the Plan, including, without limitation, Participants and their respective Permitted Transferees, estates, beneficiaries and legal representatives.

3.2 Liability; Indemnification. No member of the Committee, nor any person to whom it has delegated authority, shall be personally liable for any action, interpretation or determination made or taken in good faith with respect to the Plan or Awards granted hereunder, and each member of the Committee (or delegatee of the Committee) shall be fully indemnified and protected by Carriage with respect to any liability he may incur with respect to any such action, interpretation or determination, to the maximum extent permitted by applicable law.

3.3 Delegation. To the extent permitted by applicable law and the rules of any securities exchange on which the Common Stock is listed, quoted or traded, the Committee may from time to time delegate to a committee

of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards or to take other administrative actions pursuant to Section 3.1; provided, however, that in no event shall an officer of the Company be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (i) Section 16 Participants, or (ii) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to such restrictions and limitations as the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, each delegatee appointed under this Section 3.3 shall serve in such capacity at the pleasure of the Committee.

ARTICLE IV

SHARES SUBJECT TO THE PLAN

4.1 Available Shares.

(a) Subject to adjustment as provided in Section 4.2, the aggregate number of shares of Common Stock issued under the Plan shall not exceed 2,500,000, plus (i) any shares of Common Stock that, as of the Effective Date, are available for issuance under the Prior Plan (and that are not subject to outstanding awards under the Prior Plan as of the Effective Date) and (ii) any shares of Common Stock subject to outstanding awards under the Prior Plan as of the Effective Date that are subsequently canceled or forfeited, or terminate, expire or lapse for any reason.

Notwithstanding the foregoing, all outstanding awards under the Prior Plan as of the Effective Date shall remain subject to the terms of the Prior Plan.

(b) The maximum number of shares of Common Stock that may be subject to Incentive Stock Options granted under the Plan is 2,500,000. Except as otherwise provided in Sections 7.1 and 8.1 with respect to Options and SARs, the maximum number of shares of Common Stock that may be subject to Awards denominated in shares of Common Stock granted under the Plan to any one Participant during a single fiscal year of Carriage is 200,000 shares. The limitations set forth in the preceding sentence and in Sections 7.1, 8.1 and 10.3 shall be applied in a manner that will permit Awards that are intended to satisfy the Section 162(m) Requirements (as defined in Section 10.3) to satisfy such requirements. The limitations provided in this Section 4.1(b) shall be subject to adjustment from time to time as provided in Section 4.2.

(c) Shares of Common Stock issued pursuant to the Plan may be original issue or treasury shares or a combination of the foregoing, as the Committee, in its sole discretion, shall from time to time determine. During the term of the Plan, Carriage will at all times reserve and keep available such number of shares of Common Stock as shall be sufficient to satisfy the requirements of the Plan.

(d) There shall not be any limitation on the number of Awards that may be granted and paid in cash.

4.2 Adjustments for Recapitalizations and Reorganizations. Subject to Article XII, if there is any change in the number or kind of shares of Common Stock outstanding (a) by reason of a stock dividend, spin-off, recapitalization, stock split, or combination or exchange of shares, (b) by reason of a merger, reorganization, or consolidation, (c) by reason of a reclassification or change in par value, or (d) by reason of any other extraordinary or unusual event affecting the outstanding Common Stock as a class without Carriage's receipt of consideration, or if the value of outstanding shares of Common Stock is reduced as a result of a spin-off or Carriage's payment of an extraordinary cash dividend, or distribution or dividend or distribution consisting of any assets of Carriage other than cash, the maximum number and kind of shares of Common Stock available for issuance under the Plan, the maximum number and kind of shares of Common Stock for which any individual may receive Awards in any fiscal year or under the Plan, the number and kind of shares of Common Stock covered by outstanding Awards, and the price per share or the applicable market value or performance target of such Awards shall be appropriately adjusted by the Committee to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of Common Stock to preclude, to the extent practicable, the enlargement or dilution of rights under such Awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

4.3 Adjustments for Awards. The Committee shall have sole discretion to determine the manner in which shares of Common Stock available for grant of Awards under the Plan are counted. Without limiting the discretion of the Committee under this Section 4.3, unless otherwise determined by the Committee, the following rules shall apply for the purpose of determining the number of shares of Common Stock available for grant of Awards under the Plan:

(a) Options, Restricted Stock Awards and Stock Awards. The grant of Options, Restricted Stock Awards or Stock Awards shall reduce the number of shares of Common Stock available for grant of Awards under the Plan by the number of shares of Common Stock subject to such an Award.

(b) SARs. The grant of SARs that may be paid or settled (i) only in Common Stock or (ii) in either cash or Common Stock shall reduce the number of shares available for grant of Awards under the Plan by the number of shares subject to such an Award; provided, however, that upon the exercise of SARs, the excess of the number of shares of Common Stock with respect to which the Award is exercised over the number of shares of Common Stock issued upon exercise of the Award shall again be available for issuance under the Plan.

(c) Performance Awards and Other Incentive Awards. The grant of a Performance Award or Other Incentive Award denominated in shares of Common Stock and that may be paid or settled (i) only in Common Stock or (ii) in either Common Stock or cash or a combination thereof shall reduce the number of shares available for grant of Awards under the Plan by the number of shares subject to such an Award; provided, however, that upon settlement of the Award, the excess, if any, of the number of shares of Common Stock that had been subject to such Award over the number of shares of Common Stock issued upon its settlement shall again be available for grant of Awards under the Plan. The grant of a Performance Award or Other Incentive Award denominated in cash and that may be paid or settled (x) only in cash or (y) in either Common Stock or cash or a combination thereof shall reduce the number of shares available for grant of Awards under the Plan by the number of shares of Common Stock, if any, that are actually issued with respect to such Award. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting and make adjustments if the number of shares of Common Stock actually delivered differs from the number of shares previously counted in connection with an Award.

(d) Cancellation, Forfeiture and Termination. If any Award referred to in Sections 4.3(a), (b), or (c) (other than an Award that may be paid or settled only in cash) is canceled or forfeited, or terminates, expires or lapses for any reason, the shares then subject to such Award shall again be available for grant of Awards under the Plan.

(e) Payment of Exercise Price and Withholding Taxes. If previously acquired shares of Common Stock are used to pay the exercise price of an Award (or the exercise price of an award under the Prior Plan), the number of shares available for issuance under the Plan shall be increased by the number of shares delivered as payment of such exercise price. If previously acquired shares of Common Stock are used to pay withholding taxes payable upon exercise, vesting or payment of an Award (or an award granted under the Prior Plan), or shares of Common Stock that would be acquired upon exercise, vesting or payment of an Award (or an award granted under the Prior Plan) are withheld to pay withholding taxes payable upon exercise, vesting or payment of such Award (or such award granted under the Prior Plan), the number of shares available for issuance under the Plan shall be increased by the number of shares delivered or withheld as payment of such withholding taxes.

ARTICLE V

ELIGIBILITY

The Committee shall select Participants from those Employees, Consultants and Outside Directors who, in the opinion of the Committee, are in a position to make a significant contribution to the success of the Company. Once a Participant has been selected for an Award by the Committee, the Committee shall determine the type and size of Award to be granted to the Participant and shall establish in the related Award Agreement the terms, conditions, restrictions and limitations applicable to the Award, in addition to those set forth in the Plan and the administrative guidelines and regulations, if any, established by the Committee.

ARTICLE VI
FORM OF AWARDS

6.1 Form of Awards. Awards may be granted under the Plan, in the Committee's sole discretion, in the form of Options pursuant to Article VII, SARs pursuant to Article VIII, Restricted Stock Awards pursuant to Article IX, Performance Awards pursuant to Article X, and Stock Awards and Other Incentive Awards pursuant to Article XI, or any combination thereof. All Awards shall be subject to the terms, conditions, restrictions and limitations of the Plan. The Committee may, in its sole discretion, subject any Award to such other terms, conditions, restrictions and/or limitations (including, without limitation, the time and conditions of exercise, vesting or payment of an Award and restrictions on transferability of any shares of Common Stock issued or delivered pursuant to an Award), provided they are not inconsistent with the terms of the Plan. The Committee may, but is not required to, subject an Award to such conditions as it determines are necessary or appropriate to ensure that an Award constitutes "qualified performance based compensation" within the meaning of Section 162(m) of the Code and the applicable interpretive authority thereunder. Awards under a particular Article of the Plan need not be uniform, and Awards under more than one Article of the Plan may be combined in a single Award Agreement. Any combination of Awards may be granted at one time and on more than one occasion to the same Participant.

6.2 No Repricing or Reload Rights. Except for adjustments made pursuant to Section 4.2, no Award may be repriced, replaced, regranted through cancellation or otherwise modified without stockholder approval, if the effect would be to reduce the exercise price for the shares underlying such Award. The Committee may not cancel an outstanding Option or SAR that is underwater for the purpose of granting a replacement Award of a different type.

6.3 Loans. The Committee may, in its sole discretion, approve the extension of a loan by the Company to a Participant who is an Employee to assist the Participant in paying the exercise price or purchase price of an Award; provided, however, that no loan shall be permitted if the extension of such loan would violate any provision of applicable law (including, without limitation, Section 402 of the Sarbanes-Oxley Act of 2002). Any loan will be made upon such terms and conditions as the Committee shall determine in its sole discretion.

ARTICLE VII
OPTIONS

7.1 General. Awards may be granted in the form of Options that may be Incentive Stock Options or Nonqualified Stock Options, or a combination of both; provided, however, that Incentive Stock Options may be granted only to Employees. The maximum number of shares of Common Stock that may be subject to all Options granted under the Plan to any one Participant during any single fiscal year of Carriage is 400,000 shares.

7.2 Terms and Conditions of Options. An Option shall be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee, but, subject to the restrictions on Incentive Stock Options set forth in Section 7.3 and to adjustment as provided in Section 4.2, such exercise price shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date unless the Option was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company and complies with Section 409A. Except as otherwise provided in Section 7.3, the term of each Option shall be as specified by the Committee; provided, however, that no Options shall be exercisable later than ten years after the Grant Date. Options may be granted with respect to Restricted Stock Awards or shares of Common Stock that are not subject to Restricted Stock Awards, as determined by the Committee in its sole discretion.

7.3 Restrictions Relating to Incentive Stock Options.

(a) Options granted in the form of Incentive Stock Options shall, in addition to being subject to the terms and conditions of Section 7.2, comply with Section 422(b) of the Code. To the extent the aggregate Fair Market Value (determined as of the times the respective Incentive Stock Options are granted) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an individual during any calendar year

under all incentive stock option plans of the Company exceeds \$100,000 or such other amount as may be prescribed under Section 422 of the Code or applicable interpretive authority from time to time, such excess Incentive Stock Options shall be treated as Options that do not constitute Incentive Stock Options. The Committee shall determine, in accordance with the applicable provisions of the Code, Treasury regulations and other administrative pronouncements and based on information available to it, which of a Participant's Incentive Stock Options will not constitute Incentive Stock Options because of such limitation and will notify the Participant of such determination as soon as practicable after such determination (but without liability for any failure or delay in providing such notification). The price at which a share of Common Stock may be purchased upon exercise of an Incentive Stock Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Grant Date. No Incentive Stock Option shall be granted to an Employee under the Plan if, at the time such Option is granted, such Employee owns stock possessing more than 10% of the total combined voting power of all classes of stock of Carriage or an Affiliate, within the meaning of Section 422(b)(6) of the Code, unless (i) on the Grant Date of such Option, the exercise price of such Option is at least 110% of the Fair Market Value of the Common Stock subject to the Option and (ii) such Option by its terms is not exercisable after the expiration of five years from the Grant Date of the Option. Except as otherwise provided in Sections 421 or 422 of the Code, an Incentive Stock Option shall not be transferable other than by will or the laws of descent and distribution and shall be exercisable during the Participant's lifetime only by such Participant or the Participant's guardian or legal representative.

(b) Each Participant awarded an Incentive Stock Option shall notify Carriage in writing immediately after the date the Participant makes a disqualifying disposition of any shares of Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including any sale) of such Common Stock before the later of (i) two years after the Grant Date of the Incentive Stock Option or (ii) one year after the date of exercise of the Incentive Stock Option.

7.4 Exercise of Options.

(a) Subject to the terms and conditions of the Plan, Options shall be exercised by the delivery of an irrevocable written notice of exercise to Carriage, setting forth the number of whole shares of Common Stock with respect to which the Option is to be exercised, accompanied by full payment for such shares.

(b) Upon exercise of an Option, the exercise price of the Option shall be payable to Carriage in full either: (i) in cash or an equivalent acceptable to the Committee, or (ii) in the sole discretion of the Committee and in accordance with any applicable administrative guidelines established by the Committee, by tendering one or more previously acquired nonforfeitable, unrestricted shares of Common Stock that have been held by the Participant for at least six months having an aggregate Fair Market Value at the time of exercise equal to the total exercise price, or (iii) in a combination of the forms of payment specified in clauses (i) and (ii) above.

(c) During such time as the Common Stock is registered under Section 12 of the Exchange Act, to the extent permissible under applicable law, payment of the exercise price of an Option may also be made, in the absolute discretion of the Committee, by delivery to Carriage or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the shares of Common Stock with respect to which the Option is exercised and deliver the sale or margin loan proceeds directly to Carriage to pay the exercise price and any required withholding taxes.

(d) As soon as reasonably practicable after receipt of written notification of exercise of an Option and full payment of the exercise price and any required withholding taxes, Carriage shall (i) deliver to the Participant, in the Participant's name or the name of the Participant's designee, a stock certificate or certificates in an appropriate aggregate amount based upon the number of shares of Common Stock purchased under the Option, or (ii) cause to be issued in the Participant's name or the name of the Participant's designee, in book-entry form, an appropriate number of shares of Common Stock based upon the number of shares purchased under the Option.

7.5 Termination of Service. Each Award Agreement embodying the Award of an Option shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's Service. Such provisions shall be determined by the Committee in its sole discretion, need not be uniform among all

Options granted under the Plan and may reflect distinctions based on the reasons for the termination of a Participant's Service. Notwithstanding the foregoing provisions of this Section 7.5, an Option will not be treated as an Incentive Stock Option unless at all times beginning on the Grant Date and ending on the day three months (one year in the case of a Participant who is "disabled" within the meaning of Section 22(e)(3) of the Code) before the date of exercise of the Option, the Participant is an employee of Carriage or an Affiliate (or a corporation or a parent or subsidiary corporation of such corporation issuing or assuming an option in a transaction to which Section 424(a) of the Code applies).

ARTICLE VIII

STOCK APPRECIATION RIGHTS

8.1 General. The Committee may grant Awards in the form of SARs in such numbers and at such times as it shall determine. SARs shall vest and be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which SARs may be exercised shall be determined by the Committee but shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date unless the SARs were granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company and comply with Section 409A. The term of each SAR shall be as specified by the Committee; provided, however, that no SARs shall be exercisable later than ten years after the Grant Date. At the time of an Award of SARs, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the SARs, including, without limitation, rules pertaining to the termination of a Participant's Service prior to exercise of the SARs, as it determines are necessary or appropriate, provided they are not inconsistent with the Plan. The maximum number of shares of Common Stock that may be subject to all SARs granted under the Plan to any one Participant during any single fiscal year of Carriage is 400,000 shares; provided, however that if a SAR is to be paid solely in cash, the number of shares of Common Stock subject to such SAR shall not count toward the individual share limit set forth in this sentence.

8.2 Exercise of SARs. SARs shall be exercised by the delivery of a written notice of exercise to Carriage, setting forth the number of whole shares of Common Stock with respect to which the Award is being exercised. Upon a Participant's exercise of SARs, the Participant shall be entitled to receive an amount equal to the excess of the aggregate Fair Market Value of the shares of Common Stock with respect to which the Award is exercised (determined as of the date of such exercise) over the aggregate exercise price of such shares. Such amount shall be payable to the Participant in cash, in shares of Common Stock or a combination thereof, as provided in the applicable Award Agreement.

ARTICLE IX

RESTRICTED STOCK

9.1 General. Awards may be granted in the form of Restricted Stock Awards in such numbers and at such times as the Committee shall determine. The Committee shall impose such terms, conditions and restrictions on Restricted Stock Awards as it may deem advisable.

9.2 Payment for Restricted Stock Awards. The Committee may, in its sole discretion, require a Participant to pay a stipulated purchase price for each share of Common Stock received pursuant to a Restricted Stock Award. In the absence of such a determination, a Participant shall not be required to make any payment for Common Stock received pursuant to a Restricted Stock Award, except to the extent otherwise required by applicable law.

9.3 Forfeiture Restrictions. Shares of Common Stock that are the subject of a Restricted Stock Award shall be subject to restrictions on transferability by the Participant and an obligation of the Participant to forfeit and surrender the shares to the Company under certain circumstances (the "Forfeiture Restrictions"). The Forfeiture Restrictions shall be determined by the Committee in its sole discretion, and the Committee may provide that the Forfeiture Restrictions shall lapse upon (a) the attainment of one or more performance measures, (b) the Participant's continued Service with the Company for a specified Restricted Period, (c) the occurrence of any event or the satisfaction of any other condition specified by the Committee in its sole discretion, or (d) a combination of any of the foregoing.

Each Restricted Stock Award may have different Forfeiture Restrictions, as determined in the discretion of the Committee provided, however, that no Restricted Stock Award (other than a Restricted Stock Award granted in the form of a Performance Award or a Restricted Stock Award granted to an Outside Director) shall have a Restricted Period of less than three years.

9.4 Other Terms and Conditions. Shares of Common Stock that are the subject of a Restricted Stock Award shall constitute issued and outstanding shares of Common Stock for all corporate purposes and shall be registered in the name of the Participant or, at the option of Carriage, in the name of a nominee of Carriage, and shall be issued in book-entry form (electronic or otherwise) or represented by a stock certificate. Unless otherwise provided in an Award Agreement, a Participant to whom a Restricted Stock Award has been granted shall have the right to receive dividends thereon, to vote the Common Stock subject thereto and to enjoy all other stockholder rights with respect thereto, except that (a) the Participant shall not be entitled to delivery of the stock certificate, if any, until the Forfeiture Restrictions have expired, (b) Carriage shall retain custody of such Common Stock until the Forfeiture Restrictions have expired, (c) the Participant may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of such Common Stock until the Forfeiture Restrictions have expired, (d) a breach of the terms and conditions established by the Committee pursuant to the applicable Award Agreement shall result in a forfeiture of the Restricted Stock Award, and (e) with respect to the payment of any dividend in respect of shares of Common Stock subject to a Restricted Stock Award directly to the Participant, each such dividend shall be paid no later than the end of the calendar year in which the dividends are paid to stockholders of such class of shares or, if later, the 15th day of the third month following the date the dividends are paid to stockholders of such class of shares. At the time a Restricted Stock Award is granted, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the Restricted Stock Award (which shall be set forth in the Award Agreement with respect to such Restricted Stock Award), including, without limitation, rules pertaining to the termination of Service (by reason of death, permanent and total disability, retirement, cause or otherwise) of a Participant prior to expiration of the Forfeiture Restrictions.

9.5 Miscellaneous. Nothing in this Article shall prohibit the exchange of shares of Common Stock subject to a Restricted Stock Award pursuant to a plan of merger or reorganization for stock or other securities of Carriage or another corporation that is a party to the reorganization, provided that the stock or securities so received in exchange for shares of Common Stock subject to a Restricted Stock Award shall, except as provided in Article XII, become subject to the restrictions applicable to such Common Stock. Any shares of Common Stock received as a result of a stock split or stock dividend with respect to shares of Common Stock subject to a Restricted Stock Award shall also become subject to the restrictions applicable to such Common Stock.

ARTICLE X

PERFORMANCE AWARDS

10.1 General. Awards may be granted in the form of Performance Awards that may be payable in the form of cash, shares of Common Stock, or a combination of both, in such amounts and at such times as the Committee shall determine. Performance Awards shall be conditioned upon the level of achievement of one or more stated performance goals over a specified performance period that shall not be shorter than one year. Without limiting the foregoing, no Performance Award that is a Restricted Stock Award or an Other Incentive Award that may be settled in shares of Common Stock shall have a Restricted Period of less than one year. Performance Awards may be combined with other Awards to impose performance criteria as part of the terms of such other Awards.

10.2 Terms and Conditions. Each Award Agreement embodying a Performance Award shall set forth (a) the amount, including a target and maximum amount if applicable, a Participant may earn in the form of cash or shares of Common Stock or a formula for determining such amount, (b) the performance criteria and level of achievement for such criteria that shall determine the amount payable or number of shares of Common Stock to be granted, issued, retained and/or vested, (c) the performance period over which performance is to be measured, (d) the timing of any payments to be made, (e) restrictions on the transferability of the Award, and (f) such other terms and conditions as the Committee may determine that are not inconsistent with the Plan.

10.3 Code Section 162(m) Requirements. From and after the date on which remuneration paid pursuant to the Plan becomes subject to the deduction limitation of Section 162(m) of the Code, the Committee shall determine

A-11

in its sole discretion whether all or any portion of a Performance Award shall be intended to satisfy the requirements for “performance-based compensation” under Section 162(m) of the Code (the “Section 162(m) Requirements”). The performance criteria for any Performance Award that is intended to satisfy the Section 162(m) requirements shall be established in writing by the Committee based on one or more performance goals as set forth in Section 10.4 either (a) prior to the beginning of the performance period or (b) within 90 days after the commencement of the performance period with respect to such Award, provided that the outcome of the performance in respect of the goals remains substantially uncertain as of such time, but not later than the date that 25% of the performance period has elapsed. The maximum amount of compensation that may be paid in cash pursuant to all Performance Awards that are not denominated in shares of Common Stock (including the Fair Market value of any shares of Common Stock paid in satisfaction of such Performance Awards) granted to a Participant with respect to any single fiscal year of Carriage that are intended to satisfy the Section 162(m) Requirements is \$3,000,000; provided, however, that such maximum amount with respect to a Performance Award that provides for a performance period longer than one fiscal year shall be the foregoing limit multiplied by the number of full fiscal years in the performance period. At the time of the grant of a Performance Award and to the extent permitted under Section 162(m) of the Code and the applicable interpretive authority thereunder for a Performance Award intended to satisfy the Section 162(m) Requirements, the Committee may provide for the manner in which the performance goals will be measured in light of specified corporate transactions, extraordinary events, accounting changes and other similar occurrences.

10.4 Performance Goals. The performance measure(s) to be used for purposes of Performance Awards may be described in terms of objectives that are related to the individual Participant or objectives that are Company-wide or related to a subsidiary, division, department, region, function or business unit of the Company in which the Participant is employed, and may consist of one or more or any combination of the following criteria: (a) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis), (b) return on equity, (c) return on assets or net assets, (d) return on capital or invested capital and other related financial measures, (e) cash flow, (f) revenues, (g) income or operating income, (h) expenses or expense levels, (i) one or more operating ratios, (j) stock price, (k) total stockholder return, (l) market share, (m) operating profit, (n) profit margin, (o) capital expenditures, (p) net borrowing, debt leverage levels, credit quality or debt ratings, (q) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions, (r) net asset value per share, (s) economic value added and (t) individual business objectives. The performance goals based on these performance measures may be made relative to the performance of other business entities.

10.5 Certification and Negative Discretion. Prior to the payment of any compensation pursuant to a Performance Award that is intended to satisfy the Section 162(m) Requirements, the Committee shall certify the extent to which the performance goals and other material terms of the Award have been achieved or satisfied. The Committee in its sole discretion shall have the authority to reduce, but not to increase, the amount payable and the number of shares to be granted, issued, retained or vested pursuant to a Performance Award.

ARTICLE XI

STOCK AWARDS AND OTHER INCENTIVE AWARDS

11.1 Stock Awards. Stock Awards may be granted to Participants upon such terms and conditions as the Committee may determine; provided, however, that no Stock Award (other than a Stock Award granted in the form of a Performance Award or a Stock Award granted to an Outside Director) shall have a Restricted Period of less than three years. Shares of Common Stock issued pursuant to Stock Awards may be issued for cash consideration or for no cash consideration. The Committee shall determine the number of shares of Common Stock to be issued pursuant to a Stock Award.

11.2 Other Incentive Awards. Other Incentive Awards may be granted in such amounts, upon such terms and at such times as the Committee shall determine; provided, however, that no Other Incentive Award (other than an Other Incentive Award granted in the form of a Performance Award or an Other Incentive Award granted to an Outside Director) shall have a Restricted Period of less than three years. Other Incentive Awards may be granted based upon, payable in or otherwise related to, in whole or in part, shares of Common Stock if the Committee, in its sole discretion, determines that such Other Incentive Awards are consistent with the purposes of the Plan. Each grant of an Other Incentive Award shall be evidenced by an Award Agreement that shall specify the amount of the Other

Incentive Award

A-12

and the terms, conditions, restrictions and limitations applicable to such Award. Payment of Other Incentive Awards shall be made at such times and in such form, which may be cash, shares of Common Stock or other property (or a combination thereof), as established by the Committee, subject to the terms of the Plan.

ARTICLE XII

CORPORATE CHANGE

12.1 Vesting of Awards. In the event of a Corporate Change, except as otherwise provided below in this Article or in an Award Agreement, notwithstanding anything to the contrary in the Plan, if a Participant's employment with the Company is terminated for any reason other than death, Cause or Inability to Perform or if a Participant voluntarily terminates employment for Good Reason, in each case, within the one-year period following such Corporate Change, any time periods, conditions or contingencies relating to the exercise or realization of, or lapse of restrictions under, any Award shall be automatically accelerated or waived so that:

(a) if no exercise of the Award is required, the Award may be realized in full at the time of the occurrence of the Participant's termination of employment; or

(b) if exercise of the Award is required, the Award may be exercised in full commencing on the date of the Participant's termination of employment;

provided, however, that with respect to an Award that consists of deferred compensation under Section 409A, in the event of a Corporate Change that does not satisfy the requirements for a change in the ownership or effective control of Carriage or a change in the ownership of a substantial portion of the assets of Carriage within the meaning of Section 409A, then delivery of payment with respect to such Award as provided above shall be delayed until payment may be made to the Participant without negative tax consequences to the Participant under Section 409A.

12.2 Replacement Awards. In the event all outstanding Awards are replaced in connection with a Corporate Change by comparable types of awards of at least substantially equivalent value, as determined by the Committee in its sole discretion, such replacement awards shall provide for automatic acceleration or waiver as provided in Section 12.1 in the event of a Participant's involuntary termination of employment with the Company other than for Cause or voluntary termination of employment for Good Reason, as applicable, within the one-year period following such Corporate Change.

12.3 Actions Respecting Awards. Notwithstanding any other provisions of the Plan or any Award Agreement to the contrary, on or prior to the date of a Corporate Change, any transaction or event described in Section 4.2, any change in applicable laws or regulations affecting the Plan or Awards hereunder, or any change in accounting principles affecting the financial statements of Carriage, the Committee, acting in its sole discretion without the consent or approval of any holder, may take any of the following actions with respect to all outstanding Awards, which may vary among individual holders and which may vary among Awards: (a) require that Participants surrender Awards in exchange for payment by the Company, in cash, Common Stock, the securities of another company, or a combination thereof, as determined by the Committee, of an amount equal to the amount, if any, that would have been attained upon the exercise of such Award or realization of the Participant's rights under such Award (and, for the avoidance of doubt, if, as of the date of the occurrence of such transaction or event, the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be surrendered without payment); (b) provide that such Award be assumed by the successor or survivor entity, or a parent or subsidiary thereof, or be exchanged for similar options, rights or awards covering the equity of the successor or survivor, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of equity interests and prices; (c) make adjustments in the number and type of shares (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Awards or in the terms and conditions of (including, if applicable, the exercise price), and the vesting and performance criteria included in, outstanding Awards, or both; or (d) provide that such Award shall vest or become exercisable or payable, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement. Notwithstanding the foregoing, (A) with respect to a Corporate Change that is an "equity restructuring" event that would be subject to a compensation expense pursuant to ASC Topic 718, or any successor accounting standard, the provisions in Section 4.2 shall control to the extent they are in conflict with the

A-13

discretionary provisions of this Section 12.3; provided, however, that nothing in this Section 12.3 or in Section 4.2 shall be construed as providing any Participant or any beneficiary any rights with respect to the “time value”, “economic opportunity” or “intrinsic value” of an Award or limiting in any manner the Committee’s actions that may be taken with respect to an Award as set forth above or in Section 4.2; and (B) no action shall be taken under this Section 12.3 that shall cause an Award to fail to comply with Section 409A, to the extent Section 409A is applicable to such Award.

ARTICLE XIII

AMENDMENT AND TERMINATION

13.1 Plan Amendment and Termination. The Board may at any time suspend, terminate, amend or modify the Plan, in whole or in part; provided, however, that no amendment or modification of the Plan shall become effective without the approval of such amendment or modification by the holders of at least a majority of the shares of Common Stock if (a) such amendment or modification increases the maximum number of shares subject to the Plan (except as provided in Article IV) or changes the designation or class of persons eligible to receive Awards under the Plan, or (b) counsel for Carriage determines that such approval is otherwise required by or necessary to comply with applicable law or the listing requirements of the New York Stock Exchange or such other exchange or association on which the Common Stock is then listed or quoted. An amendment to the Plan shall not require stockholder approval if it curtails rather than expands the scope of the Plan, nor if it is made to conform the Plan to new statutory or regulatory requirements that arise after submission of the Plan to stockholders for their approval, such as, without limitation, changes to Section 409A. Upon termination of the Plan, the terms and provisions of the Plan shall, notwithstanding such termination, continue to apply to Awards granted prior to such termination. Notwithstanding the foregoing, Carriage may amend any Award Agreement to be exempt from Section 409A or to comply with the requirements of Section 409A or to modify any provision that causes an Award that is intended to be classified as an “equity instrument” under ASC Topic 718 to be classified as a liability on Carriage’s financial statements.

13.2 Award Amendment and Cancellation. The Committee may amend the terms of any outstanding Award granted pursuant to the Plan, but except as otherwise provided herein, no such amendment shall adversely affect in any material way the Participant’s (or a Permitted Transferee’s) rights under an outstanding Award without the consent of the Participant (or the Permitted Transferee) holding such Award.

ARTICLE XIV

MISCELLANEOUS

14.1 Award Agreements. In connection with the grant of an Award to a Participant, Carriage and the Participant shall enter into an Award Agreement setting forth the terms, conditions, restrictions and limitations applicable to such Award and such other matters as the Committee may determine to be appropriate. The Committee may permit or require a Participant to defer receipt of the payment of cash or the delivery of shares of Common Stock that would otherwise be due to the Participant in connection with any Award. Awards that are not paid currently shall be recorded as payable on Carriage’s records for the Plan. The terms and provisions of the respective Award Agreements need not be identical. All Award Agreements shall be subject to the provisions of the Plan, and in the event of any conflict between an Award Agreement and the Plan, the terms of the Plan shall govern.

14.2 Listing; Suspension.

(a) As long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. Carriage shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

(b) If at any time counsel to Carriage or its Affiliates shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on Carriage or any of its Affiliates under the laws of any applicable jurisdiction, Carriage

and its Affiliates shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act, or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of such counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on Carriage or any of its Affiliates.

(c) Upon termination of any period of suspension under this Section, any Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award unless otherwise determined by the Committee in its sole discretion.

14.3 Additional Conditions. Notwithstanding anything in the Plan to the contrary: (a) the Committee may, if it shall determine it necessary or desirable in its sole discretion, at the time of grant of any Award or the issuance of any shares of Common Stock pursuant to any Award, require the recipient of the Award or such shares of Common Stock, as a condition to the receipt thereof, to deliver to Carriage a written representation of present intention to acquire the Award or such shares of Common Stock for his own account for investment and not for distribution, (b) the certificate, if any, for shares of Common Stock issued to a Participant may include any legend that the Committee deems appropriate to reflect any restrictions on transfer, and (c) all certificates, if any, for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange or association upon which the Common Stock is then listed or quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

14.4 Transferability.

(a) All Awards granted to a Participant shall be exercisable during his lifetime only by such Participant, or if applicable, a Permitted Transferee as provided in subsection (c) of this Section; provided, however, that in the event of a Participant's legal incapacity, an Award may be exercised by his guardian or legal representative. When a Participant dies, the personal representative, beneficiary, or other person entitled to succeed to the rights of the Participant may acquire the rights under an Award. Any such successor must furnish proof satisfactory to Carriage of the successor's entitlement to receive the rights under an Award under the Participant's will or under the applicable laws of descent and distribution.

(b) Except as otherwise provided in this Section, no Award shall be subject to execution, attachment or similar process, and no Award may be sold, transferred, pledged, exchanged, hypothecated or otherwise disposed of, other than by will or pursuant to the applicable laws of descent and distribution. Any attempted sale, transfer, pledge, exchange, hypothecation or other disposition of an Award not specifically permitted by the Plan or the Award Agreement shall be null and void and without effect.

(c) If provided in an Award Agreement, Nonqualified Stock Options may be transferred by a Participant to a Permitted Transferee upon written approval by the Committee. For purposes of the Plan, "Permitted Transferee" means (i) a member of a Participant's immediate family, (ii) any person sharing the Participant's household (other than a tenant or employee of the Participant), (iii) trusts in which a person listed in (i) or (ii) above has more than 50% of the beneficial interest, (iv) a foundation in which the Participant or a person listed in (i) or (ii) above controls the management of assets, (v) any other entity in which the Participant or a person listed in (i) or (ii) above owns more than 50% of the voting interests, provided that in the case of the preceding clauses (i) through (v), no cash payment or other consideration is provided for the transfer, and (vi) any transferee permitted under applicable securities and tax laws as determined by counsel to Carriage. In determining whether a person is a Permitted Transferee, immediate family members shall include a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships.

(d) Incident to a Participant's divorce, a Participant may request that Carriage agree to observe the terms of a domestic relations order which may or may not be part of a qualified domestic relations order (as defined in Code Section 414(p)) with respect to all or a part of one or more Awards made to the Participant under the Plan. Carriage's decision regarding such a request shall be made by the Committee, in its sole and absolute discretion, based upon the best interests of Carriage. The Committee's decision need not be uniform among Participants. As a condition of participation, a Participant agrees to hold Carriage harmless from any claim that may arise out of Carriage's observance of the terms of any such domestic relations order.

14.5 Withholding Taxes. The Company shall be entitled to deduct from any payment made under the Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment, may require the Participant to pay to the Company such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Common Stock under the Plan, and shall be entitled to deduct from any other compensation payable to the Participant any withholding obligations with respect to Awards. In accordance with any applicable administrative guidelines it establishes, with respect to a Participant who is not a Section 16 Participant, the Committee may allow such Participant to pay the amount of taxes required by law to be withheld from or with respect to an Award by (i) withholding shares of Common Stock from any payment of Common Stock due as a result of such Award, or (ii) permitting the Participant to deliver to the Company previously acquired shares of Common Stock, in each case having an aggregate Fair Market Value equal to the amount of such required withholding taxes. No payment shall be made and no shares of Common Stock shall be issued pursuant to any Award unless and until the applicable tax withholding obligations have been satisfied. Notwithstanding the foregoing, a Section 16 Participant shall satisfy the tax withholding obligations with respect to an Award by either (x) tendering a cash payment to the Company or (y) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to such Section 16 Participant as a result of the exercise or acquisition of Common Stock under the Award. In the event that shares of Common Stock that would otherwise be issued pursuant to an Award are used to satisfy such withholding obligations, the number of shares of Common Stock which may be withheld or surrendered shall be limited to the number of shares of Common Stock which have a Fair Market Value (which, in the case of a broker-assisted transaction, shall be determined by the Committee, consistent with applicable provisions of the Code), on the date of withholding, equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income. No payment shall be made and no shares of Common Stock shall be issued pursuant to any Award unless and until the applicable tax withholding obligations have been satisfied.

14.6 No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award granted hereunder, provided that the Committee in its sole discretion may round fractional shares down to the nearest whole share or settle fractional shares in cash.

14.7 Notices. All notices required or permitted to be given or made under the Plan or pursuant to any Award Agreement (unless provided otherwise in such Award Agreement) shall be in writing and shall be deemed to have been duly given or made if (a) delivered personally, (b) transmitted by first class registered or certified United States mail, postage prepaid, return receipt requested, (c) sent by prepaid overnight courier service, or (d) sent by telecopy or facsimile transmission, with confirmation receipt, to the person who is to receive it at the address that such person has theretofore specified by written notice delivered in accordance herewith. Such notices shall be effective (i) if delivered personally or sent by courier service, upon actual receipt by the intended recipient, (ii) if mailed, upon the earlier of five days after deposit in the mail or the date of delivery as shown by the return receipt therefor, or (iii) if sent by telecopy or facsimile transmission, when the answer back is received. Carriage or a Participant may change, at any time and from time to time, by written notice to the other, the address that it or such Participant had theretofore specified for receiving notices. Until such address is changed in accordance herewith, notices hereunder or under an Award Agreement shall be delivered or sent (A) to a Participant at his address as set forth in the records of the Company or (B) to Carriage at its principal executive offices.

14.8 Clawback. Notwithstanding any provisions in the Plan to the contrary, to the extent required by (i) applicable law, including, without limitation, the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection

Act of 2010, any SEC rule or any applicable securities exchange listing standards and/or (ii) any policy that

A-16

may be adopted by the Board, Awards and amounts paid or payable pursuant to or with respect to Awards shall be subject to clawback to the extent necessary to comply with such law(s) and/or policy, which clawback may include forfeiture, repurchase and/or recoupment of Awards and amounts paid or payable pursuant to or with respect to Awards.

14.9 Compliance with Law and Stock Exchange or Association Requirements. Carriage intends that Options designated Incentive Stock Options comply with the applicable provisions of Section 422 of the Code, and that Awards intended to satisfy the Section 162(m) Requirements comply with the applicable provisions of Section 162(m) of the Code and that any deferral of the receipt of the payment of cash or the delivery of shares of Common Stock that the Committee may permit or require, and all Awards either be exempt from Section 409A or, if not exempt, comply with the requirements of Section 409A. To the extent that any legal requirement of Section 16 of the Exchange Act or Sections 422, 162(m) or 409A of the Code as set forth in the Plan ceases to be required under Section 16 of the Exchange Act or Sections 422, 162(m) or 409A of the Code, that Plan provision shall cease to apply. Any provision of the Plan to the contrary notwithstanding, the Committee may revoke any Award if it is contrary to law, governmental regulation, or stock exchange or association requirements or modify an Award to bring it into compliance with any government regulation or stock exchange or association requirements. The Committee may agree to limit its authority under this Section.

14.10 California Blue Sky Laws. Prior to the effective registration of the Common Stock under Section 12 of the Exchange Act, (a) Carriage shall deliver a balance sheet and an income statement at least annually to each Participant who performs services in the State of California, unless such Participant is a key employee whose duties in connection with the Company assure such Participant access to equivalent information, (b) the Committee may not impose upon any Award grant made to a Participant who performs services in the State of California a vesting schedule that is more restrictive than 20 percent per year vesting, with the initial vesting to occur not later than one year after the Award's grant date; provided, however, that such vesting limitation shall not be applicable to any Award grants made to individuals who are officers of Carriage, and (c) with respect to California Participants (including any individual whose Award is based in whole or in part on services performed in California), the Plan shall otherwise be administered in accordance with California Corporations Code Section 25102(o) and California Code of Regulations, Title 10, Sections 260.140.41, 260.140.42, 260.140.45, and 260.140.46.

14.11 Binding Effect. The obligations of Carriage under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of Carriage, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of Carriage. The terms and conditions of the Plan shall be binding upon each Participant and his Permitted Transferees, heirs, legatees, distributees and legal representatives.

14.12 Severability. If any provision of the Plan or any Award Agreement is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of the Plan or such agreement, as the case may be, but such provision shall be fully severable and the Plan or such agreement, as the case may be, shall be construed and enforced as if the illegal or invalid provision had never been included herein or therein.

14.13 No Restriction of Corporate Action. Nothing contained in the Plan shall be construed to prevent Carriage or any Affiliate from taking any corporate action (including any corporate action to suspend, terminate, amend or modify the Plan) that is deemed by Carriage or such Affiliate to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Awards made or to be made under the Plan. No Participant or other person shall have any claim against Carriage or any Affiliate as a result of such action.

14.14 Governing Law. The Plan shall be governed by and construed in accordance with the internal laws (and not the principles relating to conflicts of laws) of the State of Texas except as superseded by applicable federal law.

14.15 No Right, Title or Interest in Company Assets. No Participant shall have any rights as a stockholder of Carriage as a result of participation in the Plan until the date of issuance of Common Stock in his name and, in the case of Restricted Stock Awards, unless and until such rights are granted to the Participant pursuant to the Plan. To the extent any person acquires a right to receive payments from the Company under the Plan, such rights shall be no greater

than the rights of an unsecured general creditor of the Company, and such person shall not have any rights in or against any specific assets of the Company. All Awards shall be unfunded.

14.16 Risk of Participation. Nothing contained in the Plan shall be construed either as a guarantee by Carriage or any of its Affiliates, or any of their respective stockholders, directors, officers or employees, of the value of any assets of the Plan or as an agreement by Carriage or any of its Affiliates, or any of their respective stockholders, directors, officers or employees, to indemnify anyone for any losses, damages, costs or expenses resulting from participation in the Plan.

14.17 No Guarantee of Tax Consequences. No person connected with the Plan in any capacity, including without limitation Carriage and the Affiliates and their respective directors, officers, agents and employees, makes any representation, commitment or guarantee that any tax treatment, including without limitation federal, state and local income, estate and gift tax treatment, will be applicable with respect to any Awards or payments thereunder made to or for the benefit of a Participant under the Plan or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

14.18 Continued Employment. Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant the right to continue in the employ of the Company, or interfere in any way with the rights of the Company to terminate a Participant's employment at any time, with or without cause. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of employment for any reason, even if the termination is in violation of an obligation of Carriage or an Affiliate to the Participant.

14.19 Miscellaneous. Headings are given to the articles and sections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction of the Plan or any provisions hereof. The use of the masculine gender shall also include within its meaning the feminine. Wherever the context of the Plan dictates, the use of the singular shall also include within its meaning the plural, and vice versa.
