Explanatory Note

The purpose of this Registration Statement is to register 43,841,835 additional shares of common stock, series 1 of Sprint Nextel Corporation issuable pursuant to the 1997 Long-Term Stock Incentive Program. In addition to this registration statement, a separate registration statement was filed registering shares of FON common stock and PCS common stock for issuance pursuant to the 1997 Long-Term Stock Incentive Program (No. 333-111956) and separate registration statements were filed registering FON common stock for issuance pursuant to the 1997 Long-Term Stock Incentive Program (Nos. 333-124189 and 333-115621). In addition, separate registration statements were filed registering shares for issuance pursuant to the 1990 Stock Option Plan (Nos. 333-46491, 333-54108, 333-59124 and 333-103691), for issuance pursuant to the 1990 Restricted Stock Plan (No. 333-103689), for issuance as Outside Directors' Shares under the 1997 Long-Term Stock Incentive Program (No. 333-25449) and for issuance on exercise of Outside Directors' Stock Options under the 1997 Long-Term Stock Incentive Program (No. 33-31802).

In February 2004, Sprint Nextel's board of directors combined the 1990 Stock Option Plan and the 1990 Restricted Stock Plan with and into the 1997 Long-Term Stock Incentive Program to form a single plan. Following the recombination of the plans, shares of common stock registered for issuance in connection with the exercise of stock options granted under the 1990 Stock Option Plan will be issued in connection with the exercise of stock options under the 1997 Long-Term Stock Incentive Program, and shares of common stock registered for issuance under the 1990 Restricted Stock Plan will be issued in connection with the awards of restricted stock granted under the 1997 Long-Term Stock Incentive Program.

Also in February 2004, Sprint Nextel's board of directors approved the recombination of the PCS common stock and the FON common stock, effective on April 23, 2004 (the "Conversion Date"). Each share of PCS common stock outstanding was converted into 0.5 shares of FON common stock. Options to purchase PCS common stock outstanding on the Conversion Date were converted into options to purchase FON common stock and restricted stock units representing the right to receive PCS common stock were converted into restricted stock units representing the right to receive FON common stock. Following the Conversion Date, no shares of PCS common stock may be issued and the remaining shares of PCS common stock have been deregistered.

In connection with the merger of Nextel Communications, Inc. with and into a subsidiary of Sprint Corporation, Sprint Corporation changed its name to Sprint Nextel Corporation and the FON common stock, series 1 was redesignated as common stock, series 1.

Item 5. Interests of Named Experts and Counsel

The validity of the authorized and unissued shares of Sprint Nextel Common Stock and the related Rights to be issued under the 1997 Long-Term Stock Incentive Program was passed upon by Michael T. Hyde, Assistant Secretary of Sprint Nextel. Item 6. Indemnification of Directors and Officers

The following summary is qualified in its entirety by reference to the complete text of the statutes referred to below and the articles of incorporation and bylaws of Sprint Nextel.

Under Section 17-6305 of the Kansas General Corporation Code, which we refer to as the KGCC, a corporation may indemnify a director, officer, employee, or agent of the corporation (or other entity if such person is serving in such capacity at the corporation's request) against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of an action brought by or in the right of a corporation, the corporation may indemnify a director, officer, employee, or agent of the corporation (or other entity if such person is serving in such capacity at the corporation's request) against expenses (including attorneys' fees) actually and reasonably incurred by him if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to the corporation unless a court determines that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses as the court shall deem proper. Expenses (including attorneys' fees) incurred by an officer or director in defending any civil or criminal action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation.

Consistent with Section 17-6305 of the KGCC, Article IV, Section 10 of the bylaws of Sprint Nextel provides that the corporation will indemnify its directors and

II-2

officers against expenses, judgments, fines and amounts paid in settlement in connection with any action, suit, or proceeding if the director or officer acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. With respect to a criminal action or proceeding, the director or officer must also have had no reasonable cause to believe his conduct was unlawful.

In accordance with Section 17-6002(b)(8) of the KGCC, Sprint Nextel's articles of incorporation provide that directors shall not be personally liable for monetary damages for breaches of their fiduciary duty as directors except for (i) breaches of their duty of loyalty to Sprint Nextel or its stockholders,

Edgar Filing: SPRINT NEXTEL CORP - Form S-8

(ii) acts or omissions not in good faith or which involve intentional misconduct or knowing violations of law, (iii) certain transactions under Section 17-6424 of the KGCC (unlawful payment of dividends) or (iv) transactions from which a director derives an improper personal benefit.

Under Article IV, Section 10 of the bylaws of Sprint Nextel, Sprint Nextel may purchase and maintain insurance on behalf of any person who is or was a director, officer or employee of the corporation, or who is or was serving at the request of the corporation as a director, officer or employee of another corporation, partnership, joint venture, trust, or other enterprise, against any liability arising out of his status as such, whether or not the corporation would have the power to indemnify such persons against liability. Sprint Nextel carries standard directors and officers liability coverage for its directors and officers and the directors and officers of its subsidiaries. Subject to certain limitations and exclusions, the policies reimburse the corporation for liabilities indemnified under the bylaws.

Sprint Nextel has entered into indemnification agreements with its directors and officers. These agreements provide for the indemnification, to the full extent permitted by law, of expenses, judgments, fines, penalties and amounts paid in settlement incurred by the director or officer in connection with any threatened, pending or completed action, suit or proceeding on account of service as a director, officer, employee or agent of Sprint Nextel.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales of the securities being registered are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, unless such information is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 and incorporated herein by reference;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the Registration Statement, unless such information is contained in reports filed with or

II-4

furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 and incorporated herein by reference; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on

Edgar Filing: SPRINT NEXTEL CORP - Form S-8

Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a Registration Statement relating to an offering, other than Registration Statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the Registration

II-5

Statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or

Edgar Filing: SPRINT NEXTEL CORP - Form S-8

its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director,

II-6

officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

II-7

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Reston, State of Virginia, on the 26th day of January, 2006.
