Item 1.01. Entry into a Material Definitive Agreement.

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form 8-K

On May 2, 2005, Valley Forge Scientific Corp., a Pennsylvania corporation ("Valley Forge"), Synergetics Acquisition Corporation, a Delaware corporation and a wholly-owned subsidiary of Valley Forge (the "MergerSub"), and Synergetics, Inc., a Missouri corporation ("Synergetics"), entered into a definitive Agreement and Plan of Merger (the "Merger Agreement"). Pursuant to the terms of the Merger Agreement, MergerSub will be merged with and into Synergetics (the "Merger"), and the Synergetics' shareholders will receive, in the aggregate, approximately 16 million fully paid and nonassessable shares of Valley Forge's common stock, no par value ("Valley Forge Common Stock"). In addition, upon completion of the Merger, Valley Forge will assume all options then outstanding under Synergetics' existing equity incentive plan, each of which will be exercisable for a number of shares of Valley Forge Common Stock (and at an exercise price) adjusted to reflect the per share consideration received by Synergetics' shareholders in the Merger. Completion of the Merger is subject to several conditions, including approval by the shareholders of each company, effectiveness of a Form S-4 registration statement to be filed with the Securities and Exchange Commission ("SEC"), and other customary closing conditions. The transaction is intended to qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended. Additionally, the Merger Agreement may be terminated by Valley Forge or Synergetics upon the occurrence or failure to occur of certain events, including a failure of the Merger to be consummated by September 30, 2005. In the event of such a termination, under certain circumstances, Valley Forge and Synergetics may be required to pay each other a break-up fee as set forth in the Merger Agreement.

Certain directors, executive officers and shareholders of Valley Forge holding approximately 35 percent of outstanding shares of Valley Forge's common stock and directors and executive officers of Synergetics holding approximately 19 percent of shares of Synergetics' common stock have agreed to vote in favor of the merger, pursuant to voting agreements dated May 2, 2005. A majority of the outstanding shares of the Valley Forge Common Stock, and two-thirds of the outstanding shares of Synergetics' common stock are required to approve the Merger. The foregoing description of the voting agreements is qualified in its entirety by reference to the full text of the voting agreements.

The Merger Agreement provides that the board of directors of Valley Forge following the Merger will consist of seven directors, including two current directors of each of Valley Forge and Synergetics and three additional independent directors. Four of the seven directors will be independent.

The Merger was announced in a press release issued on May 3, 2005, which release is set forth in Exhibit 99.1 attached hereto and is incorporated herein by reference.

The foregoing summary of the proposed transaction and the Merger Agreement is subject to, and qualified in its entirety by the Merger Agreement and voting agreements dated May 2, 2005 and the press release, issued by Valley Forge on May 3, 2005, and attached as Exhibits 2.1, 10.1, 10.2, 99.1 and 99.2, respectively, and incorporated herein by reference.
