PROXY STATEMENT

GENERAL INFORMATION

On behalf of the Board of Directors of Steven Madden, Ltd., a Delaware corporation (the “Company”, “we” or “us”), we are requesting your proxy in connection with the Annual Meeting of Stockholders (the “Annual Meeting”) scheduled to be held at the Company’s showroom located at 1370 Avenue of the Americas, 14th Floor, New York, New York on Friday, May 28, 2010 at 10:00 a.m., local time. On or about April 16, 2010, a notice containing instructions on how to access this Proxy Statement, the accompanying proxy card and related materials online is being mailed to holders of record of common stock, \$.0001 par value, of the Company (the “Common Stock”) at the close of business on April 1, 2010 (the “Record Date”). The Company’s Annual Report for the fiscal year ended December 31, 2009 (“2009 Fiscal Year”), including audited financial statements, is included in the materials that are accessible online to our stockholders. This Proxy Statement contains information about the Annual Meeting as well as information regarding the voting process, director elections, our corporate governance programs and executive and director compensation, among other things. We recommend that you read all of the materials.

The Annual Meeting has been called to consider and take action on the following proposals:

- to elect six directors to the Board of Directors of the Company to serve until the next annual meeting of the Company’s stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal from office;
- to ratify the appointment of Eisner LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010; and
- to transact such other business as may properly come before the Annual Meeting and any adjournments thereof.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the proxy will vote on such other matters and/or for other nominees in accordance with their best judgment. The Company’s Board of Directors recommends that the stockholders vote in favor of each of the proposals. Only holders of record of Common Stock of the Company at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

The principal executive offices of the Company are located at 52-16 Barnett Avenue, Long Island City, New York 11104 and the telephone number of the Company is (718) 446-1800.

Notice of Internet Availability of Proxy Materials

For the second year, we are pleased to use the Securities and Exchange Commission (the “SEC”) “e-proxy” rules allowing us to furnish proxy materials through the Internet. By using the e-proxy rules, we can expedite the receipt by stockholders of this Proxy Statement and our Annual Report while lowering the costs and reducing the environmental impact associated with our Annual Meeting. On or about April 16, 2010, we will furnish a Notice of Internet Availability of Proxy Material (the “Availability Notice”) to most of our stockholders containing instructions on how to access the proxy materials and to vote online. In addition, our instructions on how to request a printed copy of these

materials will be found on the Availability Notice. For more information on voting your stock, please see the “Question and Answer” section below. If you received an Availability Notice by mail, you will not receive a paper copy of the proxy materials unless you request such materials by following the instructions contained in the Availability Notice.

QUESTIONS AND ANSWERS

Who may vote at the Annual Meeting?

Only stockholders of record are entitled to vote at the Annual Meeting. A stockholder of record is a stockholder as of the close of business on the Record Date. On the Record Date, there were 18,380,979 shares of our Common Stock outstanding (excluding treasury shares) held by approximately 103 registered holders of record and 36,912 beneficial owners.

What is considered a quorum to conduct the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the shares eligible to vote is necessary to constitute a quorum for the purpose of transacting business at the Annual Meeting. Abstentions and broker non-votes (meaning proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons eligible to vote shares as to matters with respect to which the brokers or nominees do not have discretionary power to vote) are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

How many votes do I have?

For each share of Common Stock that you own on the Record Date you are entitled to one vote on each matter presented at the Annual Meeting.

How many votes are required to approve each proposal and what is the effect of abstentions and broker non-votes?

Proposal One (Election of Directors): Directors are elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors.

Proposal Two (Ratification of Appointment of Eisner LLP): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve the ratification of the appointment of Eisner LLP as the Company's independent registered public accounting firm.

Other Matters: If any other matters are presented at the Annual Meeting, they must receive an affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote in order to be approved.

Abstentions will have no effect on the election of directors but will be treated as present and entitled to vote on the other proposals presented at the Annual Meeting and, therefore, will have the effect of votes "against" such proposals. If you do not provide your broker or other nominee with instructions on how to vote your shares held in "street name," your broker or nominee will not be permitted to vote your shares on non-routine matters (a broker "non-vote"), and your shares will not affect the outcome of proposals concerning non-routine matters. Please note that the rules regarding how brokers may vote your shares have changed, such that, starting this year, Proposal One (Election of Directors) is a "non-discretionary" item. This means that your broker may no longer vote your shares in connection with the election of directors in the absence of your specific instructions as to how to vote. If you hold your shares beneficially through a broker or nominee, we strongly encourage you to provide instructions regarding the voting of your shares as your broker cannot vote your shares with respect to this proposal without instructions from you.

How can I vote my shares?

Your vote is important. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to authorize your proxy in advance. You may vote your shares by authorizing a proxy over the Internet or by telephone. In addition, if you received a paper copy of the proxy materials by mail, you can also submit a proxy by mail by following the instructions on the proxy card. Voting your shares by authorizing a proxy over the Internet, by telephone or by written proxy card will ensure your representation at the Annual Meeting regardless of whether you attend in person.

If you are the record holder of your shares, please authorize your proxy electronically by going to the <http://www.proxyvote.com> website or by calling the toll-free number listed below and on the proxy card. Please have your Proxy Statement or proxy card in hand when going online or calling. If you authorize your proxy via the Internet or by phone you do not need to return your proxy card. If you choose to authorize your proxy by mail, simply mark your proxy card and then date, sign and return it in the postage-paid envelope provided.

Use any touch-tone telephone to transmit your voting instructions.

If you receive paper proxy materials, mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to the address shown above.

If you hold your shares beneficially in “street name” through a broker or nominee you may be able to authorize your proxy by telephone or the Internet as well as by mail, but you will need to obtain and follow instructions from your broker or nominee to vote these shares.

May I revoke my proxy for the Annual Meeting once I have given it?

You may revoke your proxy at any time before it is voted at the Annual Meeting by:

- properly executing and delivering a later dated proxy (including a telephone or Internet proxy authorization);
- voting by ballot at the Annual Meeting; or
- sending a written notice of revocation to the Corporate Secretary of the Company at Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104.

How does the Board of Directors recommend that I vote my shares?

The Board of Directors of the Company recommends that you vote:

- FOR the election of each of the six director nominees; and
- FOR the ratification of the appointment of Eisner LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENTS OR POSTPONEMENTS THEREOF. AS NOTED ABOVE, IF YOU HOLD YOUR SHARES BENEFICIALLY THROUGH A BROKER OR NOMINEE AND FAIL TO PROVIDE SPECIFIC VOTING INSTRUCTIONS TO THAT BROKER OR NOMINEE, YOUR SHARES WILL NOT BE VOTED IN THE ELECTION OF DIRECTORS.

Who will bear the expenses of this solicitation?

The expense of this solicitation, including preparing, printing and mailing this Proxy Statement, the exhibits hereto and the proxies solicited hereby, will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and employees of the Company, without additional remuneration, by personal interviews, telephone, telegraph or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record by them and will provide reimbursements for the cost of forwarding the material in accordance with customary charges. The Company has entered into an agreement with D.F. King & Co., Inc. to assist in the solicitation of proxies and provide related advice and informational support. The total expense of this engagement, which will be borne by the Company, including customary disbursements, is not expected to exceed \$20,000 in the aggregate.

How will the voting results be reported?

The results of the voting on the proposals will be reported at the Annual Meeting and, thereafter, will be reported in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting.

Director Attendance at Meetings

Attendance at Annual Meetings of Stockholders

The Company has no specific policy regarding director attendance at its annual meetings of stockholders. The Company encourages all of its directors to attend annual meetings of the Company's stockholders and two directors attended the Company's 2009 annual meeting of stockholders.

Attendance at Meetings of the Board of Directors

The Board of Directors held four regularly scheduled meetings during the 2009 Fiscal Year and acted by unanimous written consent on four occasions during the 2009 Fiscal Year. In 2009, each director attended at least 75% of the aggregate of the number of Board meetings, and each director attended at least 75% of the aggregate number of meetings held by all committees on which he then served.

Committees of the Board

The Board of Directors, among other committees, has a standing Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee.

Audit Committee

The members of the Audit Committee are Messrs. Randall (Chairman), Migliorini and Sachdev. The Audit Committee is comprised of directors who are "independent" for purposes of The Nasdaq Global Select Market listing standards and who meet the independence requirements contained in Exchange Act Rule 10A-3(b)(1). The Board has determined that Mr. Randall meets the SEC criteria of an "audit committee financial expert" and he is currently serving as such. The Audit Committee is primarily responsible for reviewing the services performed by the Company's independent registered public accountants, evaluating the Company's accounting policies and its system of internal controls, and reviewing significant financial transactions. During the 2009 Fiscal Year, the Audit Committee met eight times.

The Audit Committee is responsible for reviewing and striving to ensure the integrity of the Company's financial statements and oversight of our compliance with legal and regulatory requirements, our internal audit function and an independent registered public accounting firm. Among other matters, the Audit Committee, with management and independent and internal auditors, reviews the adequacy of the Company's internal accounting controls that could significantly affect the Company's financial statements. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company's independent registered public accountants. In addition, the Audit Committee also functions as the Company's Qualified Legal Compliance Committee (the "QLCC"). The purpose of the QLCC is to receive, retain and investigate reports made directly, or otherwise made known, of evidence of material violations of any United States federal or state law, including any breach of fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accountants audit the annual financial statements prepared by management, express an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee is also responsible for the oversight of the Company's risk management process, which is discussed in the "Risk Oversight" section below.

In performing its functions, the Audit Committee meets with management on at least a quarterly basis to review and discuss the annual audited financial statements, quarterly financial statements and related reports and to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company's independent registered public accountants and with appropriate Company financial personnel. Meetings are held with the independent registered public accountants who have unrestricted access to the Audit Committee. In addition, the Audit Committee reviews the Company's financing plans and reports and makes recommendations to the full Board of Directors for approval and to authorize action. The Board has adopted a written charter setting out the functions the Audit Committee is to perform. A copy of the Audit Committee Charter is available on the Company's website at www.stevemadden.com.

Nominating/Corporate Governance Committee

The members of the Nominating/Corporate Governance Committee are Messrs. Migliorini and Randall. The Nominating/Corporate Governance Committee is comprised of directors who are "independent" for purposes of The Nasdaq Global Select Market listing standards. During the 2009 Fiscal Year, the Nominating/Corporate Governance Committee met once and acted once by unanimous written consent.

The Nominating/Corporate Governance Committee provides oversight with respect to a wide range of issues relating to the composition and operation of the Board including consideration of and recommendations regarding the size and composition of the Board of Directors and identifies potential candidates to serve as directors. The Nominating/Corporate Governance Committee identifies candidates to the Board of Directors by introductions from management, members of the Board of Directors, employees or other sources and stockholders that satisfy the Company's policy regarding stockholder recommended candidates. The Nominating/Corporate Governance Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources.

Stockholders wishing to submit recommendations for director nominations for the 2011 Annual Meeting should write to the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. Any

such stockholder must (x) comply with the director nomination provisions of the Company's By-Laws, (y) meet and evidence the minimum eligibility requirements specified in Exchange Act Rule 14a-8, and (z) submit, within the same timeframe for submitting a stockholder proposal required by Rule 14a-8: (1) evidence in accordance with Rule 14a-8 of compliance with the stockholder eligibility requirements, (2) the written consent of the candidate(s) for nomination as a director, (3) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director, and (4) all information regarding the candidate(s) and the submitting stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors.

In considering Board of Directors candidates, the Nominating/Corporate Governance Committee takes into consideration the Company's Board Candidate Guidelines, available on the Company's website at www.stevemadden.com, the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that are deemed appropriate including, but not limited to, the individual's character, education, experience, knowledge and skills. While the Nominating/Corporate Governance Committee's Board Candidate Guidelines does not expressly identify diversity as a factor for consideration regarding the evaluation of director candidates, diversity is among the many factors the Nominating/Corporate Governance Committee considers in the candidate evaluation process. To assess the effectiveness of the mandate set forth in the Nominating/Corporate Governance Committee's charter, the Nominating/Corporate Governance Committee reviews annually with the Board the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for the Board as a whole.

In addition, the Nominating/Corporate Governance Committee develops and recommends corporate governance principles for the Company; makes recommendations to the Board of Directors in support of such principles; takes a leadership role in the shaping of the corporate governance of the Company; and oversees the evaluation of the Board of Directors and management. The Nominating/Corporate Governance Committee operates under a formal charter that governs the Committee's composition, powers and responsibilities. A copy of the Nominating/Corporate Governance Charter is available on the Company's website at www.stevemadden.com.

Compensation Committee

The members of the Compensation Committee are Messrs. Migliorini (Chairman) and Schwartz. The Compensation Committee is comprised of directors who are "independent" for purposes of The Nasdaq Global Select Market listing standards and applicable tax and securities rules. During 2009, the Compensation Committee met three times.

The Compensation Committee is responsible for establishing and overseeing the Company's compensation and incentive plans and programs; determining and approving compensation for the Company's executive officers, including salaries, bonuses, perquisites and equity awards; reviewing and approving compensation and awards for the Company's executive officers under the Company's compensation and incentive plans and programs; administering the Company's equity compensation plans; reviewing and approving a compensation program for independent members of the Board; and assisting the Board in discharging the Board's responsibilities relating to management organization, performance, compensation and succession.

The Compensation Committee operates under a formal charter adopted by the Board of Directors that governs its composition, powers and responsibilities. A copy of the Compensation Committee Charter is available on the Company's website at www.stevemadden.com.

Board Leadership Structure, Risk Oversight, Executive Sessions of Non-Employee Directors, and Communications Between Stockholders and the Board

Board Leadership Structure

As noted above, our Board is currently comprised of four independent and two non-independent directors. Mr. Rosenfeld has served as Chairman of the Board and Chief Executive Officer since August 2008, and has been a member of the Board since February 2008. The Board has designated one of the independent directors as Presiding Director to preside over executive sessions. We believe that the number of independent, experienced directors that comprise our Board, along with the independent oversight of our Presiding Director, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for the Company because it demonstrates to our employees, suppliers, customers, and other stakeholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations. Having a single leader for both the Company and the Board eliminates confusion and duplication of efforts, and provides clear leadership for the Company. We believe the Company, like many U.S. companies, has been well-served by this leadership structure.

Because the positions of Chairman of the Board and Chief Executive Officer are held by the same person, the Board believes it is appropriate for the independent directors to elect one independent director to serve as a Presiding Director. In addition to presiding at executive sessions of the independent directors, the Presiding Director has various responsibilities including coordinating with the Chairman of the Board and Chief Executive Officer in establishing agenda and discussion items for Board meetings; retaining independent advisors on behalf of the Board as the Board may determine may be necessary or appropriate and performing such other functions as the independent directors may designate from time to time. Mr. Migliorini is currently serving as the Presiding Director.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders. Our Corporate Governance Guidelines provide the flexibility for our Board to modify or continue our leadership structure in the future, as it deems appropriate.

Risk Oversight

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy, the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

The Board has delegated to the Audit Committee oversight of the Company's risk management process. Among its duties, the Audit Committee reviews with management (a) the Company's policies with respect to risk assessment and management of risks that may be material to the Company, (b) the Company's system of disclosure controls and system of internal controls over financial reporting, and (c) the Company's compliance with legal and regulatory requirements. The Audit Committee is also responsible for reviewing major legislative and regulatory developments that could materially impact the Company's contingent liabilities and risks. Our other Board committees also consider and address risks as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

The Company's management is responsible for day-to-day risk management. Our risk management and internal audit areas serve as the primary monitoring and testing function for company-wide policies and procedures, and manage the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

Executive Sessions of Independent Directors

The Board holds executive sessions of its independent directors generally at each regularly scheduled meeting. The Presiding Director serves as the chairperson for these executive sessions.

Communications between Stockholders and the Board

The Company has adopted a procedure by which stockholders may send communications as defined within Item 7(d) of Schedule 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to one or more members of the Board of Directors by writing to such director(s) or to the entire Board of Directors in care of the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. The Board has instructed the Corporate Secretary to review all communications so received and to exercise his discretion not to forward to the Board correspondence that is inappropriate, such as business solicitations, frivolous communications and advertising, routine business matters (i.e. business inquiries, complaints, or suggestions) and personal grievances. However, any director may at any time request the Corporate Secretary to forward any and all communications received by the Corporate Secretary but not forwarded to the directors.

Code of Business Conduct and Ethics

All of the Company's employees, officers (including senior executive, financial and accounting officers) and directors are held accountable for adherence to the Company's Code of Business Conduct and Ethics (the "Conduct Code"). The Conduct Code is intended to establish standards necessary to deter wrongdoing and to promote compliance with applicable governmental laws, rules and regulations and honest and ethical conduct. The Conduct Code covers all areas of professional conduct, including conflicts of interest, fair dealing, financial reporting and disclosure, protection of Company assets and confidentiality. Employees have an obligation to promptly report any known or suspected violation of the Conduct Code without fear of retaliation. Waiver of any provision of the Conduct Code for executive officers and directors may only be granted by the Board of Directors or one of its committees and any such waiver or modification of the Conduct Code relating to such individuals will be disclosed by the Company. A copy of the Conduct Code is available on the Company's website at www.stevemadden.com and may also be obtained by any stockholder without charge upon request by writing to the Corporate Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104.

Certain Relationships and Related Party Transactions

In January 2004, the Company entered into an agreement with John L. Madden, one of the Company's directors, and JLM Consultants, a company wholly-owned by John L. Madden. Under this agreement, which was amended in 2005, Mr. Madden agreed to provide consulting services to the Company with respect to the development of international sales of the Company. This agreement expired by its terms on December 31, 2005, but Mr. Madden continues to provide consulting services and the Company continues to make payments to JLM Consultants consistent with those that would have been required under the expired consulting agreement. In accordance with the foregoing, for the 2009 Fiscal Year, JLM Consultants received the following from the Company: (a) a commission equal to 2.5% on international sales, (b) a monthly draw in the amount of \$25,000 with recourse against such commissions, (c) a \$1,000 per month travel allowance and (d) \$2,812 per month toward health insurance premiums for health insurance coverage for John L. Madden. Pursuant to this arrangement, JLM Consultants received a total of \$759,180 from the Company in the 2009 Fiscal Year.

Effective as of July 1, 2005, the Company amended and restated its employment agreement with Steven Madden, pursuant to which Mr. Madden agreed to serve as the Company's Creative and Design Chief. The term of Mr. Madden's employment under his employment agreement commenced on July 1, 2005 and, in accordance with a December 14, 2009 amendment thereto, will end on December 31, 2019. The agreement provides for an annual salary of \$600,000, with a 7% increase of base salary on a compound basis in each of the third, fifth, seventh and ninth years of the agreement. Mr. Madden also receives an annual \$200,000 non-accountable expense allowance. The agreement provides for an annual cash bonus in an amount determined by the Board of Directors, which will be at least 2% of the Company's EBITDA (the "Annual Bonus"). Additionally, the Company agreed to pay Mr. Madden an annual cash bonus in relation to "new business" (as defined in the agreement) in an amount to be determined by the Board of Directors, but which is at least (i) 2.5% of new business gross direct revenues plus (ii) 10% of all license or other fee income above \$2,000,000 (the "New Business Bonus"). In addition, Mr. Madden is eligible to receive annually, on or about the date of the Company's annual meeting of stockholders, an option grant (the "Annual Option") to purchase a number of shares of Common Stock, with such number to be equal to not less than 100% of the largest aggregate number of shares of Common Stock available upon the exercise of an option or options granted to any other continuing full-time employee of the Company during the preceding twelve-month period; provided, however, that a grant to Mr. Madden in excess of 150% of the number of shares of Common Stock available upon the exercise of an option or options granted to such other continuing full-time employee shall require stockholder approval. Any Annual Option received by Mr. Madden will vest quarterly over a one-year period following the grant date and will be exercisable, at a price equal to the closing price of the Company's Common Stock on the grant date, for a period of five years following the date of the grant. In the event of Mr. Madden's death, the agreement provides for the payment to Mr. Madden's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Madden's death. In the event that Mr. Madden's employment agreement is terminated due to Mr. Madden's total disability (as defined in the agreement), "for cause" (as defined in the agreement) or due to Mr. Madden's resignation, the Company is obligated to pay Mr. Madden the amount of compensation that is accrued and unpaid through the date of termination. In the event Mr. Madden's employment agreement is terminated for any reason (other than "for cause" or due to his death, total disability or resignation), the Company is obligated to pay Mr. Madden, in installments, the balance of his base salary that would have been paid by the Company under the agreement for the full term of the agreement. If, during the period commencing 120 days prior to a "change of control" (as defined in the employment agreement) transaction and ending on the first anniversary of a change of control transaction, Mr. Madden's employment is terminated by the Company other than for cause or by the resignation of Mr. Madden for "good reason" (as defined in the employment agreement), or if Mr. Madden resigns for good reason or without good reason within 30 days following a change of control transaction, all unvested options to purchase shares of Common Stock held by Mr. Madden will vest on the date of termination or resignation and Mr. Madden will be entitled to receive a lump sum cash payment equal to (1) the amount of compensation that is accrued and unpaid through the date of termination, (2) an amount equal to the product of (A) the number of years remaining in the term of the agreement (but not less than 5), and (B) the sum of (w) the base salary for the 12-month period ended on the preceding December 31 (or for the 12-month period ending on December 31, 2002, if greater), (x) the amount of the Annual Bonus earned (paid or accrued or which should have been paid or accrued) for the 12-month period ended on the preceding December 31 (or for the 12-month period ended on December 31, 2002, if greater), (y) the non-accountable expense allowance provided for under the agreement for the 12-month period ended on the preceding December 31, and (z) the amount of the New Business Bonus earned (paid or accrued or which should have been paid or accrued) for the 12-month period ended on the preceding December 31 (or for the 12-month period ending on December 31 during the agreement in which Mr. Madden received the greatest New Business Bonus, if greater). Mr. Madden's employment agreement contains other customary provisions, including provisions regarding expense reimbursement, confidentiality, solicitation and competition. For Fiscal Year 2009, Mr. Madden earned (i) \$664,470 in base salary; (ii) \$200,000 in non-accountable expense allowance; (iii) a bonus of \$1,752,665, representing 2% of the Company's earnings before interest, tax, depreciation and amortization; (iv) a bonus of \$3,995,600, earned based on 2.5% of the Company's new business; and (v) a bonus of \$100,101, based on 10% of Royalty/Licensing income over \$2,000,000.

On June 25, 2007, the Company made a loan to Steven Madden, its Creative and Design Chief and a principal stockholder of the Company, in the amount of \$3,000,000, in order for Mr. Madden to exercise an option, which was due to expire, and hold the underlying Common Stock. Mr. Madden executed a promissory note in favor of the Company, which is secured by a pledge of 510,000 shares of the Company's Common Stock beneficially owned by Mr. Madden. There have been successive amendments to the note, the most recent of which occurred on April 6, 2009, at which time the note was amended and restated to (i) extend the maturity date to the earlier of the date that Mr. Madden ceases to be employed by the Company and June 30, 2015 (the "Maturity Date"), and (ii) reflect the rate of interest as 8% per annum for the period from June 25, 2007 until April 6, 2010, and 6% per annum for the period from April 7, 2010 until the Maturity Date. As of December 31, 2009, interest in the amount of \$568,000 has accrued on the note. Mr. Madden is the brother of John L. Madden, who has been a director of the Company since the Company's inception in 1990.

Review, Approval or Ratification of Transactions with Related Persons

The Company's written Conduct Code and Employee Handbook prohibit all conflicts of interest. Under the Conduct Code, conflicts of interest occur when private or family interests interfere in any way, or even appear to interfere, with the interests of the Company. The Company's prohibition on conflicts of interest under the Conduct Code includes any related person transaction.

Related person transactions must be approved by the Board, or by a committee of the Board consisting solely of independent directors, who will approve the transaction only if they determine that it is in the best interests of the Company. In considering the transaction, the Board or committee will consider all relevant factors, including as applicable (i) the Company's business rationale for entering into the transaction; (ii) the alternatives to entering into a related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties or, in the case of employment relationships, to employees generally; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to the Company.

The Company has multiple processes for reporting conflicts of interests, including related person transactions. Under the Conduct Code, all employees are required to report any actual or apparent conflict of interest, or potential conflict of interest, to management. The Chief Financial Officer distributes a questionnaire to the Company's executive officers and management personnel on a quarterly basis and distributes a questionnaire to the members of the Board of Directors on an annual basis requesting certain information regarding, among other things, their immediate family members, employment and beneficial ownership interests, which information is then reviewed for any conflicts of interest under the Conduct Code.

The Board of Directors, the Audit Committee and the Disclosure Committee, which is comprised of management personnel, discuss the related party transactions, specifically, and in connection with the regular review processes attendant to the Company's periodic filings, including related party transaction disclosures.

If a director is a party to or in some manner involved in a transaction involving the Company, he will be recused from all discussions and decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Objectives and Strategy

The Company's executive officer compensation program is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their performance, the Company's performance and for creating longer term value for our stockholders. The primary objectives of the program are to:

- align rewards with performance that creates stockholder value;
- support the Company's strong team orientation;
- encourage high-potential team players to build a career at the Company; and
- provide rewards that are cost-efficient, competitive with other organizations and fair to employees and stockholders.

The Company's executive compensation programs are approved and administered by the Compensation Committee of the Board of Directors. Working with management and outside advisors, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and reinforces a culture that the Compensation Committee believes will drive long-term success.

The compensation program rewards team accomplishments while promoting individual accountability. The executive officer compensation program depends in significant measure on Company results, but business unit results and individual accomplishments are also very important factors in determining each executive's compensation. The Company has a robust planning and goal-setting process that is fully integrated into the compensation system, enhancing a strong relationship between individual efforts, Company results, and financial rewards.

A major portion of total compensation is placed at risk through annual and long-term incentives. As noted below, discretionary bonuses were paid to the Named Executive Officers. The combination of incentives is designed to balance annual operating objectives and Company earnings performance with longer-term stockholder value creation.

The Company seeks to provide competitive compensation that is commensurate with performance. The Company targets compensation at the median of the market, and calibrates both annual and long-term incentive opportunities to generate less-than-median awards when goals are not fully achieved and greater-than-median awards when goals are exceeded.

The Company seeks to promote a long-term commitment to the Company by its senior executives. The Company believes that there is great value to the Company in having a team of long-tenured, seasoned managers. The Company's team-focused culture and management processes are designed to foster this commitment. In addition, stock options and/or restricted Common Stock awards granted to Named Executive Officers in Fiscal Year 2009 reinforce this long-term orientation with annual vesting over a four- or five-year period.

Role of the Compensation Committee

General. The Compensation Committee provides overall guidance for the Company's executive compensation policies and determines the amounts and elements of compensation for the Company's executive officers and outside directors. The Compensation Committee currently consists of two members of the Company's Board of Directors, Messrs. Migliorini and Schwartz, each of whom is an independent director under Rule 5605 of The Nasdaq Global Select Market listing standards, a "non-employee director" as defined under the SEC's rules and an "outside director" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

When considering decisions concerning the compensation of executives, other than the Chief Executive Officer, the Compensation Committee asks for the recommendations of the Chief Executive Officer, including his detailed evaluation of each executive's performance. No executive has a role in recommending compensation for outside directors. With respect to the application of the 2006 Stock Incentive Plan, as amended (the "2006 Plan"), to non-employee directors, the Board of Directors functions as the Compensation Committee.

Use of Outside Advisors. In making its determinations with respect to executive compensation, the Compensation Committee has historically engaged the services of an independent compensation consulting firm. In 2005, the Compensation Committee retained the services of James F. Reda & Associates, LLC to assist with its review of the compensation package of the Chief Executive Officer and other executive officers for 2006. In 2007 and 2008, James F. Reda & Associates, LLC was retained to assist the Compensation Committee with several special projects, including advice on director compensation, advice relating to the 2006 Plan, including the use of restricted stock under the Company's long-term incentive program, and appropriate compensation for new hires at senior executive positions.

In 2009, James F. Reda & Associates, LLC worked with the Compensation Committee to update the peer group and conduct an executive compensation review based on that peer group, and assist in designing new employment agreements for Mr. Rosenfeld and Mr. Schmertz and extending Mr. Dharia's employment agreement. Assistance was also provided in designing the 2006 Plan.

James F. Reda & Associates, LCC provides only executive compensation consulting services and works with management only at the behest of the Compensation Committee.

The Compensation Committee retains James F. Reda & Associates, LLC directly, although in carrying out assignments, James F. Reda & Associates, LLC also interacts with Company management, when necessary and appropriate, in order to obtain compensation and performance data for the executives and the Company. In addition, James F. Reda & Associates, LLC may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and identify data questions or other similar issues, if any, prior to presentation to the Compensation Committee.

The Compensation Committee has the sole authority to retain, terminate and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities.

Compensation Structure

Pay Elements - Overview

The Company utilizes four main components of compensation:

- base salary
- annual performance-based cash bonuses
- long-term equity incentives (consisting of stock options and restricted stock); and
- benefits and perquisites

Pay Elements - Details

Base Salary. The Company paid base salaries to each of the Named Executive Officers to provide them with fixed pay that considers the Named Executive Officer's role and responsibilities, experience, expertise and individual performance. As more fully described in the section of this Proxy Statement captioned "Employment Arrangements," as of December 31, 2009, the Company had employment agreements with each of the Named Executive Officers. A full description of each Named Executive Officer's base salary is contained in the section of this Proxy Statement captioned "Employment Arrangements." The Compensation Committee, as constituted at the time the parties entered into the employment agreements or any amendments thereof, reviewed and approved the salary established in each such agreement or amendment. The Compensation Committee considered each employee's salary history, value in the marketplace and performance (including at the Company and previous employment).

Under the employment agreement of our Chief Executive Officer, Mr. Rosenfeld, annual base salary was fixed at \$400,000 for the year ended December 31, 2009, increased to \$500,000 for the 2010 fiscal year and is subject to successive annual increases of 5% thereafter through December 31, 2012. The employment agreement, as amended, of our Chief Operating Officer, Mr. Sinha, provides for an annual base salary of \$540,000, which remains constant throughout the term of his agreement. Under the employment agreement, as amended, of our Chief Financial Officer, Mr. Dharia, annual base salary was fixed at \$479,573 for the year ended December 31, 2009 and increased to \$528,304 for subsequent years of the term of his agreement. The employment agreement of our Brand Director, Mr. Schmertz, provided for an annual base salary of \$600,000 for the year ended December 31, 2009 and an increase in base salary to \$660,000 for subsequent years of the term of his agreement. Under the employment agreement of our Executive Vice President - Wholesale and Retail, Ms. Varela, annual base salary was fixed at \$350,000 for the period through December 31, 2008 and increased to \$400,000 for subsequent years of the term of her agreement. Please see the section of this Proxy Statement captioned "Summary Compensation Table" and "Employment Arrangements." Salary

increases for officers are generally consistent with those of other management employees.

Annual Performance-based Cash Bonus. Annual performance-based cash bonuses for Named Executive Officers are established in their respective employment agreements. The Compensation Committee reviewed and approved the bonus provisions fixed in each such employment agreement at the time the parties entered into such agreements and any amendments thereof. Such bonus provisions generally provide for variable or discretionary bonuses designed to reward attainment of business goals. The amount, if any, of the annual performance-based cash bonuses of Messrs. Rosenfeld, Dharia and Schmertz is entirely within the discretion of the Board of Directors or the Compensation Committee. The Board of Directors and/or the Compensation Committee consider various criteria, including revenue growth and profitability. Based on these and other individual performance factors, the Compensation Committee paid bonuses of \$100,000, \$50,000, and \$100,000 respectively to Messrs. Rosenfeld, Dharia, and Schmertz for the 2009 Fiscal Year.

Mr. Sinha's annual performance-based cash bonus is tied to increases in the Company's EBIT from the preceding year. Mr. Sinha is entitled to an annual performance-based cash bonus equal to 3% of the increase in the Company's EBIT for such fiscal year over the EBIT of the immediately prior fiscal year. Ms. Varela is entitled to an annual performance-based cash bonus for each fiscal year in an amount equal to 2% of the increase, if any, in Wholesale Footwear Division EBIT for that year over Wholesale Footwear Division EBIT for the immediately prior year, plus 1.5% of the increase, if any, in Retail Division EBIT for that year over Retail Division EBIT for the immediately prior year. Please see the section of this Proxy Statement captioned "Employment Arrangements." Mr. Sinha's annual performance-based cash bonus target was set to drive the business of the Company. Ms. Varela's annual performance-based cash bonus target was set to drive the business of the Company's Wholesale Footwear and Retail divisions. Mr. Sinha and Ms. Varela received cash bonuses of \$899,176 and \$421,224, respectively, for 2009 EBIT performance.

Long-term Equity Incentives. Management and the Compensation Committee believe that equity-based awards are an important factor in aligning the long-term financial interest of the officers and stockholders. The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. Beginning in 2006, the Compensation Committee modified its prior practice of granting equity incentives solely in the form of stock options with periodic awards of restricted stock in order to grant awards that contain both substantial incentive and retention characteristics. These awards are designed to provide emphasis on preserving stockholder value generated in recent years while providing significant incentives for continuing growth in stockholder value.

With respect to the 2009 Fiscal Year, the Compensation Committee determined it to be important to provide incentives that are more responsive to stockholder value and, therefore, granted stock options to Messrs. Rosenfeld, Dharia and Schmertz and to Ms. Varela. Mr. Rosenfeld also received an award of restricted stock. All grants were approved by the Compensation Committee. The Committee intends to continue to review the equity mix to achieve the ideal incentive for both performance and retention. With respect to stock options, the 2006 Plan provides that the exercise price shall be the closing market price per share of the Company's Common Stock on the business day immediately preceding the grant date, which is fair market value for purposes of the 2006 Plan.

Other Benefits and Perquisites. The Company's executive compensation program also includes other benefits and perquisites. These benefits and perquisites include annual matching contributions to executive officers' 401(k) plan accounts, company-paid medical benefits, automobile allowances and leased automobiles, and life insurance coverage. The Compensation Committee annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance. The Compensation Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive officer compensation program. Please see the section of this Proxy Statement captioned "Summary Compensation Table and, specifically, the column entitled "All Other Compensation" and the corresponding footnotes.

Pay Mix

The Company utilizes the particular elements of compensation described above because the Company believes that it provides a well-proportioned mix of secure compensation, retention value and at-risk compensation, which produces short-term and long-term performance incentives and rewards. By following this approach, the Company provides the executives a measure of security in the minimum expected level of compensation, while motivating the executives to focus on business metrics and other variables within their particular sector which will increase sales and margins and at the same time lower costs so as to produce a high level of short-term and long-term performance for the Company and long-term wealth creation for the executives, as well as reducing the risk of recruitment of top executive talent by competitors. The mix of metrics used for the annual performance bonuses and the Company's long-term incentive program likewise provides an appropriate balance between short-term financial performance and long-term stock performance.

For the Named Executive Officers, the mix of compensation is weighted heavily toward at-risk pay (annual incentives and long-term incentives). Maintaining this pay mix results fundamentally in a pay-for-performance orientation for the Company's executives, which is aligned with the Company's stated compensation philosophy of providing compensation commensurate with performance.

Pay Levels and Benchmarking

Pay levels for executives are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, the pay levels for peers within the Company, pay levels in the marketplace for similar positions and performance of the individual and the Company as a whole. The Compensation Committee is responsible for approving pay levels for the Named Executive Officers. In determining the pay levels, the Compensation Committee considers all forms of compensation and benefits.

The Compensation Committee assesses "competitive market" compensation using a number of sources. The primary data source used in setting competitive market levels for the Named Executive Officers is the information publicly disclosed by a peer group of the Company, which will be reviewed annually and may change from year to year. For 2009, executive compensation and compensation design was reviewed in relation to the following peer companies:

American Apparel Inc.	Perry Ellis International, Inc.	Movado Group, Inc.
Bebe Stores, Inc.	G-III Apparel Group, Ltd.	Rocky Brands, Inc.
Brown Shoe Co. Inc.	Genesco, Inc.	Skechers U.S.A. Inc.
Kenneth Cole Productions Inc.	Guess, Inc.	Timberland Co.
Collective Brands, Inc.	Iconix Brand Group, Inc.	Under Armour, Inc.
Crocs, Inc.	Jones Apparel Group, Inc.	Volcom, Inc.
Deckers Outdoor Corp.	K-Swiss, Inc.	Weyco Group, Inc.
Delta Apparel, Inc.	Maidenform Brands, Inc.	Wolverine Worldwide

After consideration of the data collected on external competitive levels of compensation and internal needs, the Compensation Committee makes decisions regarding the Named Executive Officer's target total compensation opportunities based on the need to attract, motivate and retain an experienced and effective management team. Relative to the competitive market data, the Compensation Committee generally intends that the base salary and target annual incentive compensation for each Named Executive Officer will be at the median of the competitive market.

As noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as scope of duties, tenure, institutional knowledge and/or difficulty in recruiting a new executive. Actual total compensation in a given year will vary above or below the target

compensation levels based primarily on the attainment of operating goals and the creation of stockholder value.

Compensation Committee Discretion

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls, with the exception of any such payouts that are to be made pursuant to contractual commitments such as the bonuses that may be paid to Mr. Sinha and Ms. Varela, which are tied to the Company's EBIT for the preceding year pursuant to their respective employment agreements. Similarly, the Compensation Committee retains the discretion to increase payouts and/or consider special awards for significant achievements, including, but not limited to, superior asset management, investment or strategic accomplishments and/or consummation of acquisitions, divestitures, capital improvements to existing properties, or sales made by certain of the Company's divisions.

Risk Assessment

Bonus payments to executives are based either on the discretion of the Compensation Committee or are tied to growth in EBIT. Long-term incentives have been granted in the form of stock options and time-vested restricted stock that generally vest over four or five years. These programs have been in place for several years and have proved effective in rewarding performance while not encouraging inappropriate risk-taking. In general, the Compensation Committee believes there is no material adverse risk to the Company that is related to our compensation programs for executives and non-executives.

Implications of Tax and Accounting Matters

As a general matter, the Compensation Committee considers the various tax and accounting implications of compensation vehicles employed by the Company.

While the Compensation Committee reviews and considers both the accounting and tax effects of various components of compensation, these effects are not a significant factor in the Compensation Committee's allocation of compensation among the different components. In general, the Company believes that compensation paid to executive officers should be deductible for U.S. tax purposes. In certain instances, however, the Compensation Committee also believes that it is in the Company's best interests, and that of its stockholders, to have the flexibility to pay compensation that is not deductible under the limitations of Section 162(m) of the Code in order to provide a compensation package consistent with the Company's objectives.

Conclusion

The level and mix of compensation that is finally decided upon is considered within the context of both the objective data from the Company's competitive assessment of compensation and performance, as well as discussion of the subjective factors as outlined above. The Compensation Committee believes that each of the compensation packages for the Named Executive Officers is within the competitive range of practices when compared to the objective comparative data even where subjective factors have influenced the compensation decisions.

Employment Arrangements

Edward R. Rosenfeld. In April 2008 (effective in March 2008), the Company entered into an employment agreement with Edward R. Rosenfeld pursuant to which Mr. Rosenfeld agreed to serve as interim Chief Executive Officer of the Company for a term expiring on December 31, 2009. Effective August 8, 2008, the Company appointed Mr. Rosenfeld to serve as Chief Executive Officer and executive Chairman of the Board. The terms of Mr. Rosenfeld's employment agreement remained unchanged. Under the employment agreement, the Company agreed to pay Mr. Rosenfeld an annual base salary of \$400,000 and such additional compensation and annual bonus as may be determined from time to time by the Board of Directors in its sole discretion. In addition, pursuant to the employment agreement, Mr. Rosenfeld received, as additional compensation, an option to purchase 40,000 shares of Common Stock, exercisable to the extent of 8,000 shares on each of March 24, 2009, March 24, 2010, March 24, 2011, March 24, 2012 and March 24, 2013, said option to remain exercisable for seven years from the effective date of the agreement.

In November 2009, the Company entered into a new employment agreement with Mr. Rosenfeld to replace the prior employment agreement, which was to expire by its terms on December 31, 2009. Pursuant to his new employment agreement, Mr. Rosenfeld will continue to serve as Chief Executive Officer of the Company for a term commencing on November 6, 2009 and expiring on December 31, 2012, unless sooner terminated in accordance with the terms of

the agreement. Mr. Rosenfeld will continue to serve as the executive Chairman of the Board of Directors of the Company. His base salary during the period from November 6, 2009 through December 31, 2009 remained the annual base salary of \$400,000 reflected in the prior employment agreement. On January 1, 2010, Mr. Rosenfeld's annual base salary increased to \$500,000 for the period from January 1, 2010 to December 31, 2010 and is subject to successive annual 5% increases thereafter until December 31, 2012. Mr. Rosenfeld receives a monthly automobile allowance of \$1,250. In addition, Mr. Rosenfeld's new employment agreement provides for a grant of 50,000 shares of the Company's Common Stock, subject to certain restrictions. These restricted shares of Common Stock were issued to Mr. Rosenfeld on November 10, 2009 under the 2006 Plan. The restricted Common Stock will vest in five equal annual installments of 10,000 shares commencing on the first anniversary of the date of the award. Mr. Rosenfeld's new employment agreement provides that additional compensation and bonuses, if any, will be paid to him at the absolute discretion of the Board of Directors.

In the event of his death, Mr. Rosenfeld's employment agreement provides for the payment to his estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Rosenfeld's death. The agreement also provides that if Mr. Rosenfeld's employment agreement is terminated due to his "total disability" (as defined in the agreement), Mr. Rosenfeld will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. Mr. Rosenfeld's new employment agreement allows the Company to terminate his employment with "cause" (as defined in the employment agreement) or without cause. In the event that Mr. Rosenfeld's employment is terminated by the Company for cause, the Company will have no further obligations to Mr. Rosenfeld, and Mr. Rosenfeld will be entitled to no further compensation from the Company, except for pro-rata amounts due to him on the date of his termination. In the event that Mr. Rosenfeld's employment is terminated by the Company without cause or by Mr. Rosenfeld's resignation for "good reason" (as defined in the employment agreement), Mr. Rosenfeld will be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination of employment through the longer of the remainder of the term of the agreement or six months. In addition, if Mr. Rosenfeld's employment is terminated by the Company without cause or by the resignation of Mr. Rosenfeld for good reason during the period commencing 90 days prior to a "change of control" (as defined in the employment agreement) transaction and ending 180 days following a change of control transaction, Mr. Rosenfeld will receive an amount equal to three times the average amount of total W-2 compensation actually received by him during the preceding three calendar years ending on the last previous December 31, except that in lieu of the actual base salary component received during such period, there shall be substituted the annual base salary to which Mr. Rosenfeld was entitled as of the date of termination or resignation, unless said amount (or portion thereof) is determined to constitute an "excess parachute payment" under Sections 280G and 4999 of the Code, in which case the payment to Mr. Rosenfeld shall be reduced to the maximum amount that is tax deductible to the Company under Section 280G of the Code.

Arvind Dharia. In January 1998, the Company entered into an employment agreement with Arvind Dharia, which has been amended from time to time, most recently on October 7, 2009, pursuant to which Mr. Dharia agreed to serve as the Company's Chief Financial Officer. The term of Mr. Dharia's employment under his agreement, as amended, commenced on January 1, 1998 and ends on December 31, 2011. The term will be automatically extended for an additional one-year period unless either party timely notifies the other of its intention not to extend the term. Pursuant to the amended agreement, Mr. Dharia received a base salary of \$435,625 and \$457,406 during fiscal years 2007 and 2008, respectively. Commencing January 1, 2009, Mr. Dharia's annual base salary increased by 5% to \$479,573 and, commencing January 1, 2010 his annual base salary increased to \$528,304. In addition, the agreement provides that Mr. Dharia receive an annual bonus in such amount, if any, and at such time or times, as the Board of Directors may determine in its absolute discretion. Subject to availability of shares under the 2006 Plan, as amended, or any other plan designated by the Board of Directors and approved by the Company's stockholders, Mr. Dharia is entitled to awards under such plan as may be determined by the Board of Directors, or a committee thereof, from time to time in its absolute discretion.

The agreement provides, in the event of Mr. Dharia's death, for the payment to Mr. Dharia's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Dharia's death. The agreement also provides that if Mr. Dharia's employment agreement is terminated due to his "total disability" (as defined in the agreement), Mr. Dharia will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. In the event Mr. Dharia's employment agreement is terminated "for cause" (as defined in the agreement), the Company is obligated to pay Mr. Dharia the amount of compensation that is accrued and unpaid through the date of termination. In the event Mr. Dharia's employment agreement is terminated for any reason (other than "for cause" or due to his death or total disability), the Company is obligated to pay Mr. Dharia, in two installments, (a) an amount equal to the product of (x) his base salary on the effective date of such termination plus the bonus paid or payable, if any, for the fiscal year ended on the December 31st immediately preceding the termination date, multiplied by (y) the number of years (and fraction of years) remaining in the term; and (b) the amount payable to him, or on his account, for what would have been the balance of the term of his employment agreement with respect to

certain benefits and plans as set forth in his employment agreement. If the Company decides not to renew the agreement (other than “for cause” or due to his total disability), then Mr. Dharia will be entitled to receive severance compensation in cash in an amount equal to his then-current base salary for the 90-day period commencing on the expiration of the term. In the event that there is a “change of control” transaction and Mr. Dharia’s employment has been terminated by the Company other than “for cause” or by Mr. Dharia “for good reason” (as such terms are defined in the agreement), Mr. Dharia will receive an amount equal to three times the total compensation he was entitled to receive under the agreement for the preceding 12-month period ending on the last previous December 31, except that in lieu of the actual base salary component received during such period, there shall be substituted the annual base salary to which Mr. Dharia was entitled to as of the date of termination or resignation, unless said amount (or portion thereof) is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, in which case the payment to Mr. Dharia shall be reduced to the maximum amount that is tax deductible to the Company under Section 280G of the Code.

Awadhesh Sinha. In June 2005, the Company entered into an employment agreement with Awadhesh Sinha, pursuant to which Mr. Sinha agreed to serve as the Company's Chief Operating Officer. Mr. Sinha's employment agreement was amended in November 2007 and in October 2008. The term of Mr. Sinha's employment under his employment agreement, as amended, commenced on July 1, 2005 and ends on December 31, 2010. The term will be automatically extended for successive one-year periods unless either party timely notifies the other of its intention not to extend the term. The agreement, as amended, provides that the Company pay Mr. Sinha an annual salary of \$540,000 (which is equal to the base salary amount payable to Mr. Sinha pursuant to the original employment agreement at the time of the October 2008 amendment). Upon entering into the agreement, Mr. Sinha received a signing bonus of \$100,000. In addition, with respect to the fiscal year ended December 31, 2005, Mr. Sinha was entitled to an annual bonus equal to the greater of (i) \$50,000, and (ii) 3% of the increase in the Company's EBIT for such fiscal year over the EBIT of the immediately prior fiscal year; with respect to each of the Company's remaining fiscal years through the 2008 fiscal year, Mr. Sinha was entitled to an annual bonus equal to 3% of the increase in the Company's EBIT for such fiscal year over the EBIT of the immediately prior fiscal year. In respect of each of the Company's 2009 and 2010 fiscal years, Mr. Sinha is eligible to receive a cash bonus under the Company's 2006 Plan equal to 3% of the increase in the Company's EBIT for such fiscal year over the EBIT of the immediately prior fiscal year. Mr. Sinha received a bonus of \$899,176 for 2009 EBIT performance. The agreement, as amended, provides for certain deferred compensation with respect to 2008, 2009 and 2010. For the period commencing July 1, 2008 and ending December 31, 2008, the agreement, as amended, provides for a mandatory deferral of additional cash compensation in an amount equal to 25% of Mr. Sinha's annual base salary, and the Company agrees to pay to Mr. Sinha such additional cash compensation provided that Mr. Sinha remains in the employ of the Company on December 31, 2010. For the period commencing January 1, 2009 and ending December 31, 2009, the agreement, as amended, provides for a mandatory deferral of additional cash compensation in an amount equal to 12.5% of Mr. Sinha's annual base salary, and the Company agrees to pay to Mr. Sinha such additional cash compensation provided that Mr. Sinha remains in the employ of the Company on December 31, 2010. For the period commencing January 1, 2010 and ending December 31, 2010, the agreement, as amended, provides for a mandatory deferral of additional cash compensation in an amount equal to 7.5% of Mr. Sinha's annual base salary, and the Company agrees to pay to Mr. Sinha such additional cash compensation provided that Mr. Sinha remains in the employ of the Company on December 31, 2010.

The agreement, as amended, provides for, in the event of Mr. Sinha's death, the payment to Mr. Sinha's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Sinha's death. In the event Mr. Sinha's employment agreement, as amended, is terminated due to Mr. Sinha's "total disability" or "for cause" (as such terms are defined in the agreement, as amended), or due to Mr. Sinha's resignation, the Company is obligated to pay Mr. Sinha the amount of compensation that is accrued and unpaid through the date of termination. In addition, in the event of Mr. Sinha's total disability, the Company is obligated to continue to pay Mr. Sinha's base salary for the 12-month period immediately subsequent to the date of determination of such total disability. Mr. Sinha will be required to repay to the Company the full amount of his signing bonus if he is discharged "for cause" and a pro rata portion of the signing bonus for the portion of the term that he did not fulfill if he resigns. In the event Mr. Sinha's employment agreement, as amended, is terminated by the Company for any reason (other than "for cause" or due to his death or total disability), the Company is obligated to pay Mr. Sinha an amount equal to the sum of (x) the base salary that would have been paid by the Company pursuant to the agreement, as amended, for the longer of the remainder of the then-current term or 6 months, (y) the cash bonus payable to Mr. Sinha prorated from the commencement of the then-current term through the termination date, and (z) a pro-rata portion of the deferred additional cash compensation (such deferred additional cash compensation shall be an amount equal to the applicable percentage (depending on the period during which termination occurs) of Mr. Sinha's aggregate base salary paid through the date of such termination). In the event that there is a "change of control" transaction (as defined in the agreement, as amended), and the Company (other than "for cause") or Mr. Sinha (for "good reason," as defined in the agreement, as amended) terminates the agreement, as amended, Mr. Sinha shall be entitled to an amount equal to three times the total compensation received by Mr. Sinha under the agreement, as amended, for the preceding 12-month period ending on the last previous December 31st, except that in lieu of the actual base salary component received during such period,

there shall be substituted the annual base salary to which Mr. Sinha was entitled as of the date of his termination, unless said amount (or portion thereof) is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, in which case the payment to Mr. Sinha shall be reduced to the maximum amount that is tax deductible to the Company under Section 280G of the Code.

Termination, Change in Control and Non-Competition/Non-Solicitation

The employment agreements for all the Named Executive Officers provide for a severance payment upon a termination of employment in connection with a change-in-control of the Company. The employment agreements of Messrs. Rosenfeld, Dharia and Sinha provide for severance payment if the executive terminates his employment for good reason in connection with a change-in-control event. These payments in connection with a change-in-control, however, are cutback if the severance benefit, when added to any other benefits triggered by a change-of-control, is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code. The threshold to which this cutback is made is referred to as the Code 280G threshold. The Company’s employment agreements with each of the Named Executive Officers also provide for severance payments to the executive if the Company terminates the executive’s employment without cause, or, in the case of Mr. Rosenfeld, if the Company gives him good reason to terminate employment. Please see the section of this Proxy Statement captioned “Employment Arrangements” for a summary description of the agreements and such severance and change-in-control provisions. These benefits are described and quantified in the section of this Proxy Statement captioned “Potential Payments Upon Termination or Change-In-Control” below.

The Company believes that the severance payments and payments made upon change-in-control provisions in the employment agreements provide appropriate protection to the Company’s executives, comparable to that available at peer companies, and, with regard to the enhanced severance following a change-in-control, protects the Company from losing key executives during a period when a change-in-control may be threatened or pending. These benefits are described and quantified in the section below captioned “Potential Payments Upon Termination or Change-In-Control.”

Ms. Varela has agreed to a non-compete and non-solicitation restriction for a one-year period in the event of a voluntary termination or termination for cause. Mr. Sinha has agreed to a non-compete and non-solicitation restriction through the period of his actual employment and for a six-month period thereafter, unless he is terminated other than for cause, or due to total disability, in which case his non-compete and non-solicitation period shall last the lesser of six months or the number of months he is entitled to payment following such termination. Mr. Rosenfeld has agreed to a non-compete and non-solicitation restriction during the period of his employment and for a six-month period following the termination of his employment for cause or in the event of his resignation without good reason. Mr. Schmertz has agreed to a non-compete and non-solicitation restriction through the term of his employment agreement, which ends on December 31, 2012. Mr. Dharia does not have non-compete or non-solicitation provisions in his employment agreement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The Company's employment agreements with the Named Executive Officers provide for payments to such individuals upon termination of employment or a change-in-control of the Company. Please see the section of this Proxy Statement captioned "Employment Arrangements." The amounts set forth in the table below shall be payable to the respective Named Executive Officer if such Named Executive Officer's employment is terminated by the Company under the various scenarios set forth below.

Audit Committee Report

The Audit Committee reviewed the Company's audited financial statements for the 2009 Fiscal Year and met with both management and representatives of Eisner LLP, the Company's independent registered public accountants, to discuss such audited financial statements. Management and the Company's independent registered public accountants have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has received from and discussed with Eisner LLP the written disclosures and the letter regarding Eisner LLP's communications with the Audit Committee concerning independence as required by applicable requirements of the Public Company Accounting Oversight Board, and discussed with Eisner LLP the independence of Eisner LLP. The Audit Committee also discussed with Eisner LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Based on these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the 2009 Fiscal Year.

PROPOSAL TWO:

RATIFICATION OF THE APPOINTMENT OF EISNER LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010

The Audit Committee has appointed Eisner LLP as the Company's independent registered public accounting firm to conduct the audit of the Company's books and records for the fiscal year ending December 31, 2010. Eisner LLP also served as the Company's independent registered public accountants for the 2009 Fiscal Year.

Before making its determination on appointment, the Audit Committee carefully considers the qualifications and competence of candidates for the independent registered public accounting firm. For Eisner LLP, this has included a review of its performance in prior years, its independence and processes for maintaining independence, the results of the most recent internal quality control review or Public Company Accounting Oversight Board inspection, the key members of the audit engagement team, the firm's approach to resolving significant accounting and auditing matters including consultation with the firm's national office, as well as its reputation for integrity and competence in the fields of accounting and auditing. Although ratification by stockholders is not required by the Company's organizational documents or other applicable law, the Audit Committee has determined that requesting ratification by stockholders of its appointment of Eisner LLP as the Company's independent registered public accountants is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Eisner LLP, but may still retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Representatives of Eisner LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement should they so desire.

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the Audit Committee's selection of Eisner LLP.

Unless marked to the contrary, proxies received from stockholders will be voted in favor of ratifying the appointment of Eisner LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2010.

The aggregate fees billed by Eisner LLP for professional services rendered for the audit of the Company's annual financial statements for the 2009 Fiscal Year, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the 2009 Fiscal Year, other statutory and regulatory filings or engagements and the audit of the Company's internal controls over financial reporting for the 2009 Fiscal Year were \$585,000. The comparative amount for the fiscal year ended December 31, 2008 (the "2008 Fiscal Year") was \$557,983.

Audit-Related Fees

In addition to Audit Fees, Eisner LLP has billed the Company \$25,000, in the aggregate, for Audit Related Fees related to assurance and related services for the 2009 Fiscal Year. These services include, among others, the audit of the Company's employee benefit plans and other accounting related consultations. The comparative amount for the 2008 Fiscal Year was \$25,000.

Tax Fees

During the 2009 Fiscal Year, Eisner LLP billed the Company \$234,348, in the aggregate, for services rendered to the Company for tax compliance, tax advice and tax planning. Eisner LLP billed \$231,500 for similar services in the 2008 Fiscal Year. These professional services include assistance in the preparation of the Company's various federal, state and local tax returns, tax consultation and various amendments.

All Other Fees

In addition to the fees billed by Eisner LLP for the services described above under Audit Fees, Audit-Related Fees and Tax Fees, during the 2009 Fiscal Year, Eisner LLP billed the Company \$89,350 for (a) services rendered in connection with (i) the preparation of the Company's registration statement filed with the SEC in 2009 to register shares available for issuance under the Steven Madden, Ltd. 2006 Stock Incentive Plan and (ii) the Company's recent acquisition of handbag designer, Big Buddha, Inc., and (b) out-of-pocket expenses incurred by Eisner LLP in connection with services rendered to the Company. No such fees were billed by Eisner LLP in the 2008 Fiscal Year.

Audit Committee's Pre-Approval Policies and Procedures

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accountants. In recognition of this responsibility, the Audit Committee has established a policy to review and pre-approve all audit and permissible non-audit services provided by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services.

Prior to engagement of the independent auditor for next year's audit, the Audit Committee will pre-approve all auditing services and all permitted non-audit services (including the fees and terms thereof), except those excluded from requiring pre-approval based upon the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act.

The Audit Committee's pre-approval policies and procedures are as follows: (a) prior to each fiscal year, the Audit Committee pre-approves a schedule of estimated fees for proposed non-prohibited audit and non-audit services, and (b) actual amounts paid are monitored by financial management of the Company and reported to the Audit Committee.

All work performed by Eisner LLP as described above under the captions Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees has been approved or pre-approved by the Audit Committee pursuant to the provisions of the Audit Committee's charter. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the independence of Eisner LLP.
