- 1) We determine the applicable portfolio amount at the time you purchase or renew the principal amount of all notes issued by Consumer Portfolio Services, Inc. t by you and your immediate family members. Immediate family members include pare siblings, grandparents and grandchildren. Members of a sibling's family are als family members if the holder's sibling is also a noteholder.
- 2) The annual yield calculation assumes that:
  - a. the term of the note is renewed sequentially for an entire year,
  - b. the interest earned during each term is included in the principal amou
  - c. the listed interest rate is the interest rate for each term,
  - d. and the accrued interest is paid annually. More frequent interest paym annual yield.
- 3) The annual yield calculation assumes that accrued interest is paid annually. Mo payments will reduce your annual yield.

The description in this prospectus supplement of the terms of these notes adds to the de general terms and provisions of the notes in the prospectus dated April 27, 2006. Invest description of the notes in this supplement if it is inconsistent with the description i
