Message from the Founder, Chairman and CEO

November 16, 2012

To Our Shareholders:

We have had over three years of over 20 percent growth per quarter. Our core brands of Reed's Ginger Brews and Virgil's continue to be the dominant growth factors and focus of the business. Our recent launch of Reed's Culture Club Kombucha is adding acceleration to our brand growth. We launched four flavors; hibiscus grapefruit ginger, lemon raspberry ginger, goji ginger and cranberry ginger. Early indications are that Culture Club Kombucha is quickly establishing itself as a player in the Kombucha category. Our early data on sales show that each of our new Kombucha flavors are selling at or better than our top selling beverages in natural food stores. In some stores, our combined sales of our Kombucha exceeds all our other products combined. We are shooting to become a dominant player in a very fast growing beverage category. Kombucha sales in natural foods are 4 to 5 times larger than the natural soft drink category and growing at a fast clip. Placement of this new line is moving at a very aggressive pace and is closing on 1,000 accounts already. We hope to have full natural foods distribution sometime in 2013.

During the worst time of the economy, we started producing non competitive private label products for some of the largest supermarket chains in the country. Private label has not only significantly increased our gross profits but has transformed our business in the following important ways. We have created over 80 new beverages for our private label customers since starting the private label program which has honed our skills as beverage development experts. We have transformed our plants to be certified at the highest quality standards of the food industry. We have in house design capability and an exclusive chinese glass manufacturing relationship that gives us capability and costing advantages in the marketplace. We have active partnerships with some of the largest supermarket chains in the country. There is growing list of national chain retailers that now rely on us for their specialty and natural beverage design and fulfillment.

Fiscal 2012 Highlights:

• Sales for the first nine months 2012 increased 26% to a \$22.3 million vs. \$17.7 million in first nine months of 2011;
• Modified EBITDA for the first nine months 2012 was \$1,494,000, vs. modified EBITDA of \$694,000 in for the first nine months 2011;
• Working capital was \$3.2 million at 9/30/12 versus \$2.6 million at 12/31/11;
• Gross Profits for the first nine months of 2012 increased 33% to \$7.1 million vs. \$5.4 million in the first nine months of 2011.

Operation 2012 Highlights:

• Brought a major private label customers on board increasing the number to 8;
• Began production/shipment of new Reed's Chocolate Crystallized Ginger and Reed's Culture Club Kombucha;
• Opened up new markets with mainstream DSD distributors in South Carolina, Tennessee, Utah, Michigan, San Francisco and Chicago;
• Gained distribution in Tops and Spartan Supermarket Chains;
• Increased the credit limit on their revolving line of credit from \$3 million to \$4 million, effective May 11, 2012;
• Continued Los Angeles plant upgrades designed to increase capacity and efficiency;
• Established a stronger partnership with our largest natural foods distributor (UNFI), which is anticipated to lead continued brand growth for 2012 and beyond.

Our plans for the future are built around the strategy that we will continue moving our branded products out into the Direct Store Delivery (DSD) network of beverage distributors and continue to build relationships with the grocery chains. We will continue to expand our brand offerings. We will continue to create new private label customers. As we move forward, we expect to go from a company that pushes its brands into the marketplace to one that drives sales by promoting and advertising the brands to create consumer demand. This change has begun with the hiring of a top level marketing consultant in late 2012. We're developing marketing models and testing new pull campaigns to drive future growth. As we muscle up, expect to see more noise around our brands in the marketplace.

We are very pleased that during a very tough economy, we have taken a gourmet beverage company and found a way to make it grow and flourish. We recognize the need to promote the success of the company to existing and new shareholders. This year, we expanded the number of non deal road shows and hired a new in house Investor Relations person. We will continue to invest time and energy in investor relations. But our main focus will be on business improvement. We, the Reed's Inc. management team, are long term players. Our stock price this year has made us one of the top performing public companies. Entering 2013, we feel that our business is in as exciting a position to grow as ever. We will continue to work diligently to increase the value of the company.

No Cumulative Voting. Holders of common stock shall not be entitled to cumulate their votes for the election of directors or any other matters.

Abstentions. Abstentions will be treated as present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will not constitute a vote FOR or AGAINST any matter, and thus will be disregarded in the calculation of shares voting or votes cast on any matter submitted to the stockholders for a vote.

Broker Non-Votes. Broker non-votes, meaning shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and as to which the broker has physically indicated on the proxy card that the broker or nominee does not have discretionary power to vote on a particular matter, will be counted as present and entitled to vote for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matter as to which the broker has physically indicated on the proxy card that it does not have discretionary authority to vote, those shares will be treated as not present and not entitled to vote with respect to that matter, even though those shares are considered present for quorum purposes and may be entitled to vote on other matters. Your broker will not have the discretion to vote your shares at the Annual Meeting on the proposal related to the election of directors or matters requiring the affirmative vote of the holders of a majority or greater of our outstanding common stock present and entitled to vote at the Annual Meeting if you do not provide your broker with voting instructions.

Vote Required

In accordance with applicable law and our Bylaws, the election of directors shall be by a majority of the votes cast. As defined by the SEC, (i) “audit fees” are fees for professional services rendered by our principal accountant for the audit of our annual financial statements and review of financial statements included in our Form 10-K, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) “audit-related fees” are fees for assurance and related services by our principal accountant that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “audit fees;” (iii) “tax fees” are fees for professional services rendered by our principal accountant for tax compliance, tax advice, and tax planning; and (iv) “all other fees” are fees for products and services provided by our principal accountant, other than the services reported under “audit fees,” “audit-related fees,” and “tax fees.”

Our Audit Committee’s pre-approval policies and procedures, pursuant to paragraph (c)(7)(i) of Rule 2-01 of Regulation S-X, require the audit committee to pre-approve all accounting related activities prior to the performance of any services by any accountant or auditor. In the year ended December 31, 2011, 100% of audit fees were pre-approved by the audit committee.

The percentage of hours expended on the principal accountant’s engagement to audit our financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant’s full time, permanent employees was 0%.

Vote Required

Ratification of the independent auditor requires the affirmative vote of a majority of the votes cast. For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and thus will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 2. Unless a stockholder indicates otherwise, each signed proxy will be voted **FOR** the ratification of the selection of Weinberg as the Company's independent registered public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE SELECTION OF WEINBERG & COMPANY, P.A. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE 2012 FISCAL YEAR

BOARD AND COMMITTEE MEETINGS

During the 2011 fiscal year, the Board of Directors met nine times and otherwise took action by unanimous written consent. A majority of the directors and a majority of the independent directors attended all meetings. Each member of a committee of our Board of Directors, with the exception of Michael Fischman, attended all of their respective committee's meetings during the period he served thereon. During 2011 Michael Fischman attended less than 75% of the aggregate board meetings and committee meetings held.

The Company does not have a policy for Board meeting or committee meeting attendance because, pursuant to our Bylaws, members constituting a majority of directors constitute a quorum for meetings of the Board of Directors and a majority of our directors, including a majority of the independent directors, regularly attend all meetings.

ATTENDANCE OF BOARD MEMBERS AT ANNUAL STOCKHOLDERS' MEETING

The Company does not have a policy for attendance of board members at annual stockholder's meetings. Four of our directors attended our 2011 Annual Meeting of Stockholders.

BOARD STRUCTURE AND COMMITTEES

As of the date of this Proxy Statement, our Board of Directors has five directors and the following three standing committees: an Audit Committee, a Compensation Committee and a Governance Committee. These committees were formed in January 2007.

Board Determination of Independence

Under applicable NASDAQ rules, a director will only qualify as an “independent director” if, in the opinion of the Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that Daniel S.J. Muffoletto, Mark Harris and Michael Fischman do not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an “independent director” as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules and within the meaning of the Sarbanes Oxley Act of 2002, Section 301(3). We intend to maintain at least three independent directors on our Board of Directors at all times in the future. We intend to maintain independent directors constituting our Audit Committee, Compensation Committee and Governance Committee as well.

Committees

The Board of Directors has established Audit, Compensation and Governance Committees. The Board has adopted a written charter for each of these three committees and Corporate Governance Guidelines that address the make-up and functioning of the Board. The Board has also adopted a Code of Business Conduct and Ethics that applies to all of the Company’s directors, officers and employees. The committee charters, Corporate Governance Guidelines and Code of Business Conduct and Ethics are posted on our website at www.reedsgingerbrew.com.

Audit Committee. Our Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with independent auditors and audits of financial statements. Specific responsibilities include the following:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by our independent auditors;
- reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies;
- overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- reviewing, with management and our independent auditors, any earnings announcements and other public announcements regarding our results of operations; and
- preparing the audit committee report that the Securities Exchange Commission (the “SEC”) requires in our annual proxy statement.

Our Audit Committee is comprised of Daniel S.J. Muffoletto, Mark Harris and Michael Fischman. Dr. Muffoletto serves as Chairman of the Audit Committee. We believe Dr. Muffoletto meets SEC requirements of an "audit committee financial expert" within the meaning of the Sarbanes Oxley Act of 2002, Section 407(b).

Compensation Committee. Our Compensation Committee assists our Board of Directors in determining and developing plans for the compensation of our officers, directors and employees. Our Compensation Committee is comprised of Dr. Muffoletto, Mr. Harris and Mr. Fischman.

Specific responsibilities include the following:

- approving the compensation and benefits of our executive officers;

- reviewing the performance objectives and actual performance of our officers; and

- administering our stock option and other equity compensation plans.

Governance Committee. Our Governance Committee assists the Board of Directors by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Our Governance Committee is comprised of Dr. Muffoletto and Mr. Fischman.

Specific responsibilities include the following:

- evaluating the composition, size and governance of our Board of Directors and its committees and making recommendations regarding future planning and the appointment of directors to our committees;

- establishing a policy for considering stockholder nominees for election to our Board of Directors; and

- evaluating and recommending candidates for election to our Board of Directors.

Leadership Structure

The business of our Company is managed under the direction of the Board of Directors, which is elected by the Company's stockholders. The basic responsibility of the Board of Directors is to lead the Company by exercising its business judgment to act in what each director believes to be in the best interests of the Company and its stockholders. The Board of Director's current leadership structure combines the position of Chairman and Chief Executive Officer, and Christopher J. Reed, the Company's founder, holds that dual position. The Company believes that the combination of these two positions has been an appropriate and suitable structure for the Board's function and efficiency, as Mr. Reed serves as the direct link between senior management and the Board. Furthermore, as the Company's founder, Mr. Reed is in a position to provide critical insight to the Board and feedback to senior management through his long-term relationships and understanding of the Company's business and prospects.

Risk Oversight

The Board is responsible for overseeing management and the business and affairs of the Company, which includes the oversight of risk. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself. Pursuant to its charter, the Audit Committee is responsible for assuring that the Board is provided the information and resources to assess management's handling of the Company's approach to risk management. The Audit Committee also has oversight responsibility for the Company's financial risk (such as accounting, finance, internal control and tax strategy), and the Audit Committee or the full Board receives and reviews, as appropriate, the reports of the Company's internal auditors regarding the results of their annual Company-wide risk assessment and internal audit plan. Reports of all internal audits are provided to the Audit Committee. The Compensation Committee oversees compliance with the Company's executive compensation plans and related laws and policies. The Governance Committee oversees compliance with governance-related laws and policies, including the Company's Corporate Governance Guidelines. The Board as a whole has responsibility for overseeing management's handling of the Company's strategic and operational risks. Throughout the year, senior management reports to the Board the risks that may be material to the Company, including those disclosed in the Company's quarterly and annual reports filed with the SEC. The goal of these processes is to achieve serious and thoughtful Board-level attention to the nature of the material risks faced by the Company and the adequacy of the Company's risk management process and system. While the Board recognizes that the risks which the Company faces are not static, and that it is not possible to mitigate all risk and uncertainty all of the time, the Board believes that the Company's approach to managing its risks provides the Board with the proper foundation and oversight perspective with respect to management of the material risks facing the Company.

Executive Sessions of Non-Management and Independent Directors

During 2011, the Company's non-management directors, all of whom are considered to be "independent" as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules and within the meaning of the Sarbanes Oxley Act of 2002, Section 301(3), were provided with the opportunity to meet in executive sessions of the Board in which management directors and other members of management did not participate. At each audit committee

meeting, the independent board members are afforded time to ask questions of the auditors and/or hold private discussions without the Company management present.

Stockholder Communications with Our Board of Directors

Our Board of Directors has established a process for stockholders to communicate with the Board of Directors or with individual directors. Stockholders who wish to communicate with our Board of Directors or with individual directors should direct written correspondence to our principal executive offices located at 13000 South Spring Street, Los Angeles, California 90061, attention: Judy Holloway Reed, Secretary. Any such communication must contain:

- a representation that the stockholder is a holder of record of our capital stock;
- the name and address, as they appear on our books, of the stockholder sending such communication; and
- the class and number of shares of our capital stock that are beneficially owned by such stockholder.

Our Secretary will forward such communications to our Board of Directors or the specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or to take appropriate legal action regarding such communication.

NOMINATION OF DIRECTORS

Our Governance Committee determines the required selection criteria and qualifications of director nominees based upon our needs at the time nominees are considered. In general, directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of our stockholders. Moreover, our Governance Committee will strive to ensure that at least one director meets the criteria for an “audit committee financial expert” as defined by SEC rules and that the majority of the directors comprising the Board meet the definition of “independent director” under NASDAQ rules.

In addition to the above considerations, the Governance Committee will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; age; number of other Board seats; and willingness to commit the necessary time to ensure an active Board whose members work well together and possess the collective knowledge and expertise required by the Board of Directors. The Governance Committee will consider these same criteria for candidates regardless of whether the candidate was identified by the Governance Committee, by stockholders, or any other source.

The Governance Committee will consider qualified candidates for possible nomination that are submitted by our stockholders. Stockholders wishing to make such a submission may do so by sending the requisite information to the Governance Committee at the address indicated herein under the heading “Stockholder Communications with Our Board of Directors.” Any recommendations submitted to the Chairman should be in writing and should include whatever supporting material the stockholder considers appropriate in support of that recommendation, but must include the information that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as a director of Reed’s, if elected.

The Governance Committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information provided, an indication of the candidate’s willingness to serve and other background information, business experience, and leadership skills, all to the extent available and deemed relevant by the Governance Committee. This information is evaluated against the criteria set forth above and our specific needs at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet our needs may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the Governance Committee determines which candidate(s) to recommend to the Board to submit for election at the next stockholder meeting. The Governance Committee uses the same process for evaluating all candidates, regardless of the original source of the nomination.

Our goal is to seek to achieve a balance of knowledge and experience on our Board. To this end, we seek nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity of business experience and expertise, a high level of education, broad-based business acumen, and the ability to think strategically. Although we use the criteria listed above as well as other criteria to evaluate potential nominees, we do not have a stated minimum criteria for nominees. The Board does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in finding director nominees.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following audit committee report shall not be deemed to be "soliciting material," is not deemed "filed" with the SEC and shall not be incorporated by reference into any filings under the Securities Act or Exchange Act whether made before or after the date hereof and irrespective of any general incorporation language in such filing except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to matters involving the accounting, financial reporting and internal control functions of the Company. The Audit Committee has sole authority to select the Company's independent registered public accounting firm.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm and other financial professional services providers. These services may include audit services, audit-related services, tax services, and other services. Pre-approval generally is provided for up to one year and any pre-approval is detailed as to the particular service or category of services and generally is subject to a specific budget. The Company's independent registered public accounting firm and management report annually to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed. All services provided by Weinberg and the related fees in the 2011 fiscal year were approved in accordance with the Audit Committee's policy.

Management is responsible for preparing the Company's financial statements so that they comply with generally accepted accounting principles and fairly presents the Company's financial condition, results of operations and cash flows; issuing financial reports that comply with the requirements of the SEC; and establishing and maintaining adequate internal control structures and procedures for financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In furtherance of its role, the Audit Committee has an annual agenda, which includes periodic reviews of the Company's internal controls and of areas of potential exposure for the Company such as litigation matters. The Committee meets at least quarterly and reviews the Company's interim financial results and earnings releases prior to their publication.

In this context, the Audit Committee has reviewed and discussed with management (i) the audited financial statements of the Company for the fiscal year ended December 31, 2011, (ii) the Company's evaluation of the effectiveness of our

internal control over financial reporting as of December 31, 2011 and (iii) the related opinions by the Company's independent registered public accounting firm. The Audit Committee also has discussed with Weinberg & Company, P.A. the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. The Audit Committee also has received written disclosures and a letter from Weinberg regarding its independence from the Company as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Weinberg the independence of that firm. Based upon these materials and discussions, the Audit Committee has recommended to the Board of Directors that the Company's audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

2001 Stock Option Plan and 2007 Stock Option Plan

We are authorized to issue options to purchase up to 500,000 shares of common stock under our 2001 Stock Option Plan, and we are authorized to issue options to purchase up to 1,500,000 shares of common stock under our 2007 Stock Option Plan. On August 28, 2001, our board of directors adopted the 2001 Stock Option Plan and the plan was approved by our stockholders. On October 8, 2007, our board of directors adopted the 2007 Stock Option Plan and the plan was approved by our stockholders on November 19, 2007.

The plans permit the grant of options to our employees, directors and consultants. The options may constitute either “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code or “non-qualified stock options.” The primary difference between “incentive stock options” and “non-qualified stock options” is that once an option is exercised, the stock received under an “incentive stock option” has the potential of being taxed at the more favorable

long-term capital gains rate, while stock received by exercising a “non-qualified stock option” is taxed according to the ordinary income tax rate schedule.

The plans are currently administered by the board of directors. The plan administrator has full and final authority to select the individuals to receive options and to grant such options as well as a wide degree of flexibility in determining the terms and conditions of options, including vesting provisions.

The exercise price of an option granted under the plan cannot be less than 100% of the fair market value per share of common stock on the date of the grant of the option. The exercise price of an incentive stock option granted to a person owning more than 10% of the total combined voting power of the common stock must be at least 110% of the fair market value per share of common stock on the date of the grant. Options may not be granted under the plan on or after the tenth anniversary of the adoption of the plan. Incentive stock options granted to a person owning more than 10% of the combined voting power of the common stock cannot be exercisable for more than five years.

When an option is exercised, the purchase price of the underlying stock will be paid in cash, except that the plan administrator may permit the exercise price to be paid in any combination of cash, shares of stock having a fair market value equal to the exercise price, or as otherwise determined by the plan administrator.

If an optionee ceases to be an employee, director, or consultant with us, other than by reason of death, disability, or retirement, all vested options must be exercised within three months following such event. However, if an optionee's employment or consulting relationship with us terminates for cause, or if a director of ours is removed for cause, all unexercised options will terminate immediately. If an optionee ceases to be an employee or director of, or a consultant to us, by reason of death, disability, or retirement, all vested options may be exercised within one year following such event or such shorter period as is otherwise provided in the related agreement.

When a stock award expires or is terminated before it is exercised, the shares set aside for that award are returned to the pool of shares available for future awards.

No option can be granted under the plan after ten years following the earlier of the date the plan was adopted by the board of directors or the date the plan was approved by our stockholders.

We entered into an at-will employment agreement with James Linesch, our Chief Financial Officer, which provides for a current annual salary of \$175,000 per year. In addition, we have granted Mr. Linesch options under our 2007 Stock Option Plan to purchase up to 75,000 shares of common stock which vest over a three year period ending January 19, 2012, 20,000 shares of common stock which vest over a three year period ending December 29, 2015, and 40,000 shares of common stock which vest over a two year period ending December 23, 2013. Except as set forth above, there are no written employment agreements with any of our officers or key employees, including Christopher J. Reed. Other than described above, we do not have any agreements that provide for severance upon termination of employment, whether in context of a change of control or not.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship between Reed's and one of our executive officers, directors, director nominees or 5% or greater stockholders (or their immediate family members), each of whom we refer to as a "related person", in which such related person has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, defined as a "related party transaction," the related party must report the proposed related party transaction to our Chief Financial Officer. The policy calls for the proposed related party transaction to be reviewed and, if deemed appropriate, approved by the Governance Committee. If practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Governance Committee will review, and, in its discretion, may ratify the related party transaction. Any related party transactions that are ongoing in nature will be reviewed annually at a minimum. Prior to August 2005, we did not have independent directors on our Board to review and approve related party transactions. The entire board of directors reviewed related party transactions prior to August 2005. The Governance Committee reviewed and approved all related party transactions entered into after August 2005 and will continue to do so in the future.

Since the beginning of our fiscal year for the period ended December 31, 2011, we have participated in the following transactions in which a related person had or will have a direct or indirect material interest:

Judy Holloway Reed, our Secretary and director, is Christopher J. Reed's spouse.

During the year ended December 31, 2008, the Company entered into an agreement for the distribution of its products internationally. The agreement is between the Company and a company controlled by two brothers of Christopher Reed, Chief Executive Officer of the Company. The agreement requires the Company to pay 10% of the defined sales of the previous month. During the year ended December 31, 2011, the Company paid \$65,000 for these services. Effective July 1, 2012, the Agreement was superseded by new terms that are primarily based on a per-case commission rate that is an amount consistent with market rates for independent brokers. There are no warrants included with the agreement currently in effect and no warrants vested under the performance terms of the original agreement.

In 2005, we added three independent directors to our board. We will maintain at least three independent directors on our board in the future. The board of directors, inclusive of at least a majority of these independent directors, who did not have an interest in the transactions and had access, at our expense, to our or independent legal counsel, resolved to reauthorize all material ongoing and past transactions, arrangements and relationships listed above. In addition, all future material affiliated transactions and loans: (i) will be made or entered into on terms that are no less favorable to us than those that can be obtained from unaffiliated third parties, (ii) and any forgiveness of loans must be approved by a majority of our independent directors who do not have an interest in the transactions and who have access, at our expense, to our or independent legal counsel, and (iii) will comply with the Sarbanes-Oxley Act and other securities laws and regulations.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers, directors and persons beneficially owning more than 10% of the outstanding common stock of the Company to file reports of beneficial ownership and changes in beneficial ownership with the Securities and Exchange Commission ("SEC"). Officers, directors, and greater than 10% beneficial owners of common stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of Forms 3, 4 and 5 and amendments thereto, Reed's believes that during the fiscal year ended December 31, 200, all of our officers and directors filed timely file reports required by Section 16(a).

Legal Proceedings

There are no material proceedings to which any of our directors, officers or affiliates, any owner of record or beneficial owner of more than 5% of any class of our voting securities, or any associate of any such director, officer, affiliate, or security holder is a party adverse to Reed's or has a material interest adverse to Reed's.

Code of Ethics

We have adopted a code of ethics that applies to all our executive officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our code of ethics is posted on our website at www.reedsgingerbrew.com.

STOCKHOLDER PROPOSALS

Any stockholder who intends to submit a proposal at the 2013 Annual Meeting of Stockholders and who wishes to have the proposal considered for inclusion in the proxy statement and form of proxy for that meeting must, in addition to complying with the applicable laws and regulations governing submission of such proposals, deliver the proposal to us for consideration no later than August 23, 2013, which is 120 calendar days prior to the anniversary of this year's meeting date (or such earlier date as may be specified in a Company filing under the Securities Exchange Act of 1934, as amended). Rule 14a-4 of the SEC's proxy rules allows a company to use discretionary voting authority to vote on matters coming before an annual meeting of stockholders, if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders. Stockholder proposals should be sent to 13000 South Spring Street, Los Angeles, California 90061, attention: Judy Holloway Reed, Secretary.

Where the date of the annual meeting has been changed by more than 30 days from the date of the previous year's meeting, stockholders' written notices must be received by us a reasonable time before we begin to print and mail proxy materials.

Any stockholder filing a written notice of nomination for director must describe various matters regarding the nominee and the stockholder, including such information as name, address, occupation and shares held. Any stockholder filing a notice to bring other business before a stockholder meeting must include in such notice, among other things, a brief description of the proposed business and the reasons for the business, and other specified matters. Copies of those requirements will be forwarded to any stockholder upon written request.

OTHER MATTERS

We are not aware of any business to be presented for consideration at the meeting, other than that specified in this Proxy Statement. If any other matters are properly presented at the meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

It is important that proxies be returned promptly, whether or not you expect to attend the Annual Meeting in person. We request that you complete, date and sign the enclosed form of proxy and return it promptly in the envelope provided for that purpose. By returning your proxy promptly you can help us avoid the expense of follow-up mailings to ensure a quorum so that the meeting can be held. Stockholders who attend the meeting may revoke a prior proxy and vote their proxy in person as set forth in this Proxy Statement.
