Notes to Condensed Consolidated Financial Statements (Unaudited)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND ACTIVITIES

NATURE OF BUSINESS

Edgar Filing: RSI HOLDINGS INC - Form 10QSB

On March 4, 2002, the Company through a newly-formed, wholly-owned subsidiary, Employment Solutions, Inc., a South Carolina corporation ("Employment Solutions"), acquired substantially all of the assets of Employment Solutions, LLC, a South Carolina limited liability company. Employment Solutions, the Company's only business, is in the business of locating and providing labor to industrial companies.

BASIS OF PRESENTATION

The accompanying unaudited condensed consolidated financial statements at May 31, 2003 have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB and Item 310(b) of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments including normal recurring accruals considered necessary for a fair presentation have been included. For further information, refer to the consolidated financial statements and footnotes thereto included in the Company's annual report on Form 10-KSB for the year ended August 31, 2002.

DEVELOPMENT STAGE

During the six months ended February 28, 2002, the Company devoted substantially all its efforts to locating and establishing a new business, but had no operating business or revenues. As a result, during the six months ended February 28, 2002, the Company reported under those accounting principles that apply to development stage enterprises. Accounting principles generally accepted in the United States of America that apply to established operating enterprises govern the recognition of revenue by a development stage enterprise and determine whether a cost incurred by a development stage enterprise is to be charged to expense when incurred or is to be capitalized or deferred.

Effective with the purchase of Employment Solutions on March 4, 2002 the Company began operations which generated revenues. As a result the Company ceased to report under those standards that apply to a development stage enterprise.

NET INCOME (LOSS) PER COMMON SHARE

Basic net income (loss) per common share is computed on the basis of the weighted average number of common shares outstanding in accordance with Statement of Financial Accounting Standards (SFAS) No. 128, Earnings per Share. The treasury stock method is used to compute the effect of stock options on the weighted average number of common shares outstanding for the diluted method. Since the Company incurred a loss during the three months and nine months ended May 31, 2003 and 2002, the effect of the stock options on the treasury stock method was anti-dilutive.

NOTE 2 - LONG-TERM DEBT

Long-term debt consists of the following:

Note payable to Eadon Solutions, LLC (formerly Employment Solutions, LLC) in monthly installments of \$15,466 including interest at 6.0% per year through March 4, 2007 secured by the outstanding common stock of Employment Solutions, Inc.	621,
Note payable to First Citizens Bank in monthly installments of \$520 including interest at an annual rate of approximately 7.0% through October 24, 2008	27,
	2,159,
Less current portion	156,
	\$ 2,003,

NOTE 3 - INCOME TAXES

Net deferred income tax benefits have not been recorded and a valuation allowance has been recorded relating to temporary differences since the Company believes that it is more likely than not that the realization of the deferred income tax assets will not be realized. The valuation allowance relates primarily to future income tax benefits of net operating loss carryforward. Management continues to assess the likelihood of the future realization of the deferred tax assets on a quarterly basis.

NOTE 4 - RECENTLY ISSUED ACCOUNTING STANDARDS

In August 2001, the Financial Accounting Standards Board (the "FASB") issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, which supercedes both SFAS No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of and the accounting and reporting provisions of Accounting Principles Board ("APB") Opinion No. 30, Reporting the Results of Operations-Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, unusual and Infrequently Occurring Events and Transactions, for the disposal of a segment of a business (as previously defined in that Opinion). SFAS No. 144 retains the fundamental provisions in SFAS No. 121 for recognizing and measuring impairment losses on long-lived assets held for use and long-lived assets to be disposed of by sale, while also resolving significant implementation issues associated with SFAS No. 121. The Company adopted the provisions of SFAS No. 144 for the quarter ended February 28, 2003. The adoption of SFAS No. 144 has not had a material impact on the Company's financial position and results of operations.

In December 2002, the FASB issued SFAS No. 148, Accounting for Stock-Based Compensation - Transition and Disclosure. SFAS No. 148 amends SFAS

Edgar Filing: RSI HOLDINGS INC - Form 10QSB

No. 123, Accounting for Stock-Based Compensation, to provide alternative methods of transition to the fair value method of accounting for stock-based employee compensation. In addition, SFAS No. 148 amends the disclosure provisions of SFAS No. 123 to require disclosure in the summary of significant accounting policies of the effects of an entity's accounting policy with respect to stock-based employee compensation on the reported net income and earnings per share in annual and interim financial statements. SFAS No. 148's amendment of the transition and annual disclosure requirements of SFAS No. 123 are effective for fiscal years beginning after December 15, 2002. If the Company does not adopt the disclosure requirements of SFAS No. 123 and expenses the stock-based employee compensation, the Company will be required to adopt the disclosure provisions of SFAS No. 148 for interim periods beginning after December 15, 2002. Accordingly, the company will be required to adopt the disclosure provisions of SFAS No. 148 for the year ended August 31, 2003. The Company does not expect the adoption of this statement to have a material impact on its financial position and results of operations.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

General

Special Cautionary Notice Regarding Forward-Looking Statements.

This Report on Form 10-QSB contains various forward-looking statements. Forward-looking statements are indicated by such terms as "expects", "plans", "anticipates", and words to similar effect. Such forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. Important factors ("Cautionary Statements") that could cause the actual results, performance or achievements of the Company to differ materially from the Company's expectations are disclosed in this Report on Form 10-QSB. All written or oral forward-looking statements attributable to the Company are expressly qualified in their entirety by the Cautionary Statements.

Acquisition of business

On March 4, 2002, the Company, through Employment Solutions, its newly-formed, wholly-owned subsidiary, acquired substantially all of the assets of Employment Solutions, LLC, a South Carolina limited liability company. Employment Solutions is in the business of locating and providing labor to industrial companies. Prior to the asset purchase, the Company had not conducted any business since January 31, 2000 other than seeking acquisition opportunities

Edgar Filing: RSI HOLDINGS INC - Form 10QSB

and liquidating the assets of its prior business.

Changes in basis of accounting

As described in Note 1 to its Condensed Consolidated Financial Statements, the Company's financial statements for the six months ended February 28, 2002 were prepared in accordance with disclosure requirements applicable to a development stage entity because the Company had no revenues during the six months ended February 28, 2002.

Effective with the purchase of Employment Solutions on March 4, 2002, the Company began operations which generated revenues. As a result, the Company ceased to report under the standards that apply to a development stage enterprise.

Results of operations

During the three and nine months ended May 31, 2003 the Company's revenues were \$1,277,132 and \$3,965,220, respectively, all of which were generated by its wholly-owned subsidiary, Employment Solutions. Employment Solutions operates from an office facility in Greenwood, SC. Revenues generated during the three months ended May 31, 2002 were \$1,021,027.

Employment Solutions incurred cost of services of \$1,039,860 during the three months ended May 31, 2003 and \$3,210,512 during the nine months ended May 31, 2003. Cost of services during the three months ended May 31, 2002 were \$820,519. These costs include wages paid directly to the employees, payroll taxes, workers compensation insurance and other costs directly associated with employment of the workers.

Selling, general and administrative expenses during the three and nine months ended May 31, 2003 were \$203,020 and \$657,448, respectively, as compared to \$244,814 and \$369,725, respectively, during the three and nine months ended May 31, 2002. These expenses during the three and nine months ended May 31, 2003, exclusive of Employment Solutions operations, included salaries and related costs of \$76,296 and \$248,218, respectively; legal, accounting, and shareholder related expenses of \$10,033 and \$49,358; rent of \$8,925 and \$26,675, respectively; and other administrative expenses of \$16,349 and \$58,693. The expenses during the three and nine months ended May 31, 2003 also included selling and administrative expenses incurred by Employment Solutions of \$59,197 and \$177,844, respectively; and the amortization of customer related intangible assets of \$32,220 and \$96,660.

7

Interest expense incurred during the three and nine months ended May 31, 2003 was \$37,477 and \$112,856, respectively, as compared to \$39,100 and \$66,904, respectively, during the three and nine months ended May 31, 2002. The increase in interest expense results primarily from interest incurred on borrowings relating to the acquisition of Employment Solutions.

Income taxes

The consolidated financial statements have been prepared on the accrual basis. When income and expenses are recognized in different periods for financial reporting purposes than for purposes of computing income taxes currently payable, deferred tax assets or liabilities are provided on such temporary differences. The Company accounts for income taxes in accordance with SFAS No. 109, Accounting for Income Taxes. Under SFAS No. 109, deferred tax assets and liabilities are recognized for the expected future tax consequences of events that have been recognized in the consolidated financial statements or

Edgar Filing: RSI HOLDINGS INC - Form 10QSB

tax return. Deferred tax assets and liabilities are measured using the enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be realized or settled.

During the three and nine months ended May 31, 2003 and 2002, net deferred tax benefits were not recorded relating to temporary differences since the Company believes that it is more likely than not that the realization of the deferred tax assets will not be realized. Management continues to assess the likelihood of the future realization of the deferred tax assets on a quarterly basis.

Liquidity and Capital Resources

At May 31, 2003, the Company's total liabilities exceeded its assets by \$192,782 as compared to \$184,421 at August 31, 2002. The Company anticipates that its cash balances and cash generated by the operations of Employment Solutions will be sufficient to fund its cash requirements during the next twelve months.
