ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The information contained in Item 4 of the Original Filing and Item 4 of the First Amended Filing is hereby amended and restated as follows:

Under the Fifth Amended and Restated Voting Agreement dated December 23, 1999, Amazon.com may designate one director on drugstore.com's board of directors. This right terminates if Amazon.com ceases to beneficially own at least 5% of the then-outstanding Common Stock or in the event the Company disposes of all or substantially all of its property or business or merges or consolidates with another corporation resulting in the Company's stockholders owning less than 50% of the voting power of the surviving entity (other than a merger solely to effect a change in domicile).

Under the Fourth Amended and Restated Investors' Rights Agreement dated May 19, 1999 and its Addendum dated June 17, 1999, Second Addendum dated July 26, 1999, Third Addendum dated January 24, 2000, and Fourth Addendum dated September 29, 2000 (the "Investors' Rights Agreement"), Amazon.com has certain registration rights with respect to its shares of Common Stock. The holders of 33% of the Registrable Securities (as defined in the Investors' Rights Agreement) of drugstore.com have the right to require, on two occasions, the registration by drugstore.com under the Securities Act of 1933, as amended (the "Securities Act"), of the Registrable Securities. This right, which is exercisable beginning January 27, 2000, is subject to a minimum aggregate anticipated offering price of \$5,000,000. Amazon.com also has the right to have the Registrable Securities beneficially owned by Amazon.com included in a registration statement filed by drugstore.com under the Securities Act, subject to customary exceptions. In addition, the holders of at least 20% of the Registrable Securities have the right, on two occasions in each 12-month period, to require drugstore.com to effect a registration on Form S-3 of the Registrable Securities, subject to a minimum aggregate anticipated offering price of \$500,000. All of the shares of Common Stock beneficially owned by Amazon.com are Registrable Securities. All registration rights of Amazon.com under the Investors' Rights Agreement terminate on the earlier of July 30, 2004, or such time as Amazon.com may sell all of its shares during a three-month period under Rule 144 under the Exchange Act or other exemption from registration.

The descriptions of the Investors' Rights Agreement and the Fifth Amended and Restated Voting Agreement do not purport to be complete and are qualified in their entirety by the provisions of these agreements.
