### Item 3.02 Unregistered Sales of Equity Securities

On January 5, 2005 the Company issued an aggregate of 85,000 shares of its Common Stock upon the exercise of a like number of warrants, exercisable at \$2.00 per share. The warrants were originally issued in January 2004 pursuant to a private placement of the Company's units consisting of common stock and warrants.

As an inducement to the investors exercising their warrants, the Company issued an aggregate of 63,750 new warrants to the investors. The new warrants entitle the holders to purchase shares of the Company's common stock reserved for issuance thereunder for a period of five years from the date of issuance at an exercise price of \$2.40 per share. The warrants contain anti-dilution rights and are redeemable by the Company, in whole or in part, on terms specified in the warrants.

As a further inducement to the investors exercising their warrants, the Company also agreed to file with the Securities and Exchange Commission a Registration Statement covering the shares purchased by each investor as part of the units, the shares issued upon exercise of the warrants and the shares underlying the new warrants.

The securities discussed above were offered and sold in reliance upon exemptions from the registration requirements of Section 5 of the Securities Act of 1933, as amended (the "Act"), pursuant to Section 4(2) of the Act and Rule 506 promulgated thereunder. Such securities were sold exclusively to accredited investors as defined by Rule 501(a) under the Act.
