Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On July 25, 2014, Raytheon Company's (the "Company") Board of Directors elected Thomas A. Kennedy, age 59, as Chairman of the Board of the Company, effective October 1, 2014. This action followed notice to the Board of Directors by William H. Swanson, age 65, the Company's current Chairman, of his retirement from the Company effective September 30, 2014. A copy of a press release issued by the Company regarding these matters is being furnished as Exhibit 99.1 to this Form 8-K and is hereby incorporated by reference.

The Company's Board of Directors also approved a retirement compensation arrangement with Mr. Swanson (the "Agreement"). In addition to the compensation and benefits payable by the Company upon Mr. Swanson's retirement pursuant to the Company's existing compensation policies and practices, the Board granted 79,287 restricted stock units to Mr. Swanson in lieu of his forfeiture of currently unvested prior restricted stock awards. These RSUs are scheduled to vest in equal portions over three years. The RSUs will continue to vest (but do not accelerate) on the scheduled vesting dates into retirement, subject to Mr. Swanson's compliance with certain post-employment covenants, including non-competition and non-solicitation. The Agreement contains other standard terms and conditions consistent with the Company's policies and practices.

The foregoing summary description of the Agreement is not intended to be complete and is qualified in its entirety by reference to the complete text of the Agreement filed as Exhibit 10.1 hereto, which is incorporated herein by reference.
