Purpose of Amendment

The purpose of this amendment is to amend and supplement Item 7 of the Solicitation/Recommendation Statement on Schedule 14D-9 previously filed by Digital Impact, Inc. (the "*Company*") on March 7, 2005, as thereafter amended and supplemented.

Item 7. *Purposes Of The Transaction And Plans Or Proposals.*

Item 7 is hereby amended and supplemented as follows:

On March 24, 2005, Digital Impact and Acxiom Corporation, a Delaware corporation ("*Purchaser*"), reached an agreement under which Purchaser would propose to acquire all of the Shares for a purchase price of \$3.50 per Share, net to the holders thereof, in cash. The contemplated transaction is a cash tender offer for all of the Company's shares, subject to a minimum condition that a majority of the Company's stockholders tender into the offer, followed by a merger. The contemplated transaction includes other customary offer conditions, including receipt of regulatory approvals, continued accuracy of customary representations of the Company except as would not have a material adverse effect on the Company, and the absence of a material adverse effect with respect to the Company. In the contemplated transaction, all of the Company's directors and executive officers would tender their shares into the offer unless the definitive agreement is terminated. Under the terms of such transaction, the Company agrees not to solicit or support any alternative acquisition proposals, subject to customary provisions relating to the ability of the Board of Directors of the Company to continue to exercise their fiduciary duties, and the Company will be obligated to pay a termination fee of \$5.25 million in certain customary circumstances. Purchaser and the Company currently expect to file a copy of the definitive agreement for the transaction with the Securities and Exchange Commission prior to the open of trading on Monday, March 28, 2005.
