PROXY STATEMENT

GENERAL INFORMATION

Under new rules adopted by the U.S. Securities and Exchange Commission ("SEC"), we are now furnishing proxy materials to our shareholders on the Internet, rather than mailing printed copies of those materials to each shareholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one. Instead, the Notice of Internet Availability will instruct you as to how you may access and review the proxy materials on the Internet. The Notice of Internet Availability also instructs you as to how you may access your proxy card to vote on the Internet. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice of Internet Availability. We anticipate that the Notice of Internet Availability will be mailed to stockholders on or about April 24, 2008.

This Proxy Statement, which is first being released to shareholders on April 24, 2008, is furnished in connection with the solicitation of proxies by our Board of Directors ("Board") to be used at the annual meeting of shareholders to be held at our corporate headquarters, 2201 N.E. 201st Avenue, Fairview, Oregon, 97204-9718, at 10:00 a.m., Pacific Daylight Time, on June 3, 2008.

We will bear the entire cost of proxy solicitation, which will be primarily by mail or electronically. Proxies may also be solicited personally or by telephone by our directors, officers and employees without additional compensation. We will ask brokers, custodians, nominees and other record holders to prepare and send a Notice of Internet Availability of Proxy Materials to people for whom they hold shares and forward copies of the proxy materials to beneficial owners who request paper copies and will reimburse them for their reasonable expenses.

Our Board has fixed the close of business on April 4, 2008, as the record date for determining the holders of our common shares that are entitled to notice of and to vote at the annual meeting. At the close of business on March 17, 2008, 10,822,064 common shares were outstanding. This approximates the number of shares we anticipate to be outstanding and entitled to vote as of the record date, April 4, 2008. Each common share is entitled to one vote on all matters that properly come before the annual meeting. A quorum of shareholders will be established at the meeting if a majority of our outstanding common shares entitled to vote are present or represented by proxy.

If you own your shares through a broker, bank or other nominee and do not participate in electronic delivery of proxy materials, you will receive only one copy of our proxy materials if you share a single address with another shareholder unless we received instructions to the contrary from you. This practice, known as "householding," is designed to eliminate duplicate mailings, conserve natural resources and reduce our printing and mailing costs. You can request to receive a separate Proxy Statement by contacting the institution that holds your shares.

Methods of Voting

You have three options for submitting your vote prior to the annual meeting:

via the Internet at *www.proxyvote.com*;

by phone (please see your proxy card for instructions); or

by requesting, completing and mailing in a paper proxy card, as outlined in the Notice of Internet Availability.

We encourage you to register your vote via the Internet. If you attend the annual meeting, you may also submit your vote in person, and any votes that you previously submitted, whether via the Internet, by phone or by mail, will be superseded by the vote that you cast at the annual meeting.

Edgar Filing: CASCADE CORP - Form PRE 14A

Whether your proxy is submitted via the Internet, by phone or by mail, if it is properly completed and submitted and if you do not revoke it prior to the annual meeting, your shares will be voted at the in the manner set forth in this Proxy Statement or as otherwise specified by you.

You may revoke your proxy at any time before it is voted at the meeting. To revoke your proxy, you must:

enter a new vote by telephone, over the Internet, or by signing and returning another proxy card at a later date;

provide written notice of the revocation to Joseph G. Pointer, Secretary, at Cascade Corporation, 2201 N.E. 201st Avenue, Fairview, Oregon, 97204-9718; or

attend the meeting and vote in person.

Please note that if a broker, bank or other nominee is the record holder of your shares and you wish to vote at the annual meeting, you must bring to the meeting a letter from the record holder confirming your beneficial ownership of the shares. If a broker, bank or other nominee is the record holder of your shares and you wish to revoke your proxy, you must contact the record holder of your shares directly.

Votes Required for the Proposals

The election of directors (Proposal 1) will be determined by a plurality of the votes cast. "Plurality" means that the individuals who receive the highest number of votes are elected as directors, up to the number of directors to be chosen at the meeting. Approval of the proposed increase in the number of authorized shares of common stock (Proposal 2) and ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2009 (Proposal 3), requires the affirmative vote of a majority of the votes cast. Abstentions or broker non-votes will have no effect on the required vote on any matter.

If your shares are held in street name and you do not instruct your broker on how to vote your shares, your broker, in its discretion, may either leave your shares unvoted or vote your shares on routine matters. Proposal 1 and Proposal 3 should be treated as routine matters. Proposal 2 is not considered a routine matter, and without your instruction, your broker cannot vote your shares.

Quorum Requirement

A quorum, which is a majority of the outstanding shares entitled to vote as of the record date, April 4, 2008, must be present in order to hold the meeting and to conduct business. Shares are counted as being present if you vote in person at the meeting, by telephone, over the Internet, or by submitting a properly executed proxy card. Abstentions are counted as present for the purpose of determining a quorum.

CORPORATE GOVERNANCE AND OTHER BOARD MATTERS

We are committed to conducting our operations in accordance with accepted principles of good corporate governance and to applying the highest standards of ethical and legal conduct in our business dealings. Our Corporate Governance Guidelines and our Code of Ethics & Business Responsibilities for Directors, Officers and Employees are available on our website at www.cascorp.com and in print to any shareholder who requests them.

Board Independence

Our Corporate Governance Guidelines provide that a majority of the Board must meet the criteria for independence established by applicable law and the requirements of the New York Stock Exchange ("NYSE"). The Board has determined that all of the current directors other than Mr. Warren, our President and Chief Executive Officer, are independent in accordance with applicable law and NYSE requirements. In making its determination, the Board applied the following director independence standards, which reflect the NYSE director independence standards currently in effect:

No director qualifies as "independent" unless the Board affirmatively determines that the director has no material relationship with Cascade or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cascade or any of its subsidiaries);

A director who is an employee or whose immediate family member is an executive officer of Cascade or any of its subsidiaries is not independent. Such director will become independent three years after the end of such employment relationship;

A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Cascade or any of its subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent. Such director will become independent three years after he or she ceases to receive more than \$100,000 per year in such compensation;

A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of Cascade or any of its subsidiaries is not independent. Such director will become independent three years after the end of the affiliation or the employment or auditing relationship;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Cascade's or any of its subsidiaries' present executives serve on that company's compensation committee is not independent. Such director will become independent three years after the end of such service or the employment relationship; and

A director who is an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, Cascade or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after such payments cease to exceed such threshold.

The Board has also determined that those directors who serve on the Audit, Compensation and Nominating and Governance Committees of the Board are independent in accordance with applicable law and NYSE requirements. In making its determination with respect to Mr. Wessinger, the Board considered the business relationship between Mr. Warren personally and Mr. Wessinger arising from Mr. Wessinger's position as Vice President Senior Portfolio Manager of UBS Financial Services and concluded that the relationship was not material to Mr. Wessinger's independence.

Board Committees and Meetings

The Board currently has standing Audit, Compensation and Nominating and Governance Committees. During the year ended January 31, 2008, each director, except Mr. Nickerson, who became a director on December 2, 2007, attended at least 75% in aggregate of the meetings of the

Board and committees on which he or she served. The members of the committees and the number of meetings held during the year are identified in the following table.

Director	Board	Audit	Nominating and Governance	Compensation
Nicholas R. Lardy	X	X	X	X (Chair)
Duane C. McDougall	X	X (Chair)	X	X
Peter D. Nickerson(1)	X	X	X	X
James S. Osterman	X (Chair)	X	X	X

Henry W. Wessinger II	X	X	X (Chair)	X
Nancy A. Wilgenbusch	X	X	X	X
Number of meetings	5	4	4	3

(1)

Mr. Nickerson was elected to our Board on December 2, 2007, filling a vacancy created as the result of an increase in the size of the Board from six to seven directors.

Directors are encouraged to attend the annual meeting of shareholders, absent unavoidable circumstances which do not permit attendance. All directors except Mr. Nickerson, who was not a director at the time, attended the 2007 annual meeting of shareholders.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibilities for general oversight of the integrity of our financial statements, the independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm and our compliance with legal and regulatory requirements. The Audit Committee is also charged with the responsibility for satisfying itself that our system of internal controls is reasonably adequate and is operating effectively; that our systems, procedures and policies provide reasonable assurance that financial information is fairly presented; that overall annual audit coverage is satisfactory and is designed to provide reasonable assurance that our financial statements fairly reflect our financial condition and the results of our operations and that appropriate standards of business conduct are established and observed. The Audit Committee also conducts an annual evaluation of its performance in fulfilling its duties and responsibilities. The report of the Audit Committee is included in this proxy statement on page 12. The charter of the Audit Committee is available at www.cascorp.com and in print to any shareholder who requests it.

Each member of the Audit Committee is independent in accordance with applicable SEC rules and NYSE requirements. The Board has determined that Mr. McDougall qualifies as an "audit committee financial expert" as defined in the rules of the SEC. The Board has also determined that Mr. McDougall's service on the Audit Committees of The Greenbrier Companies, Inc. and West Coast Bancorp does not impair his ability to serve on our Audit Committee.

Compensation Committee

The Compensation Committee provides assistance to the Board in fulfilling its responsibilities related to the compensation of the directors and key management personnel of the Company. The Compensation Committee is authorized to delegate its authority to subcommittees it may form. Each member of the Compensation Committee is independent in accordance with the requirements of the NYSE. Specific responsibilities of the Compensation Committee include:

Reviewing and discussing with management the Compensation Discussion and Analysis and other executive compensation disclosures included in our proxy statement and issuing an annual report on executive compensation in connection therewith;

Edgar Filing: CASCADE CORP - Form PRE 14A

Annually reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer ("CEO");

Reviewing and making recommendations to the Board with respect to the compensation of our key management personnel and directors;

Reviewing and making recommendations to the Board with respect to our incentive and equity based compensation plans;

Conducting an annual evaluation of the Compensation Committee's performance in fulfilling its duties and responsibilities;

Making regular reports to the Board.

The report of the Compensation Committee is included in this proxy statement on page 21. The charter of the Compensation Committee is available on our website at www.cascorp.com. and in print to any shareholder who requests it.

The Nominating and Governance Committee provides oversight on issues surrounding the composition and operation of the Board. Specific responsibilities of the Nominating and Governance Committee include:

Identifying individuals qualified to serve on the Board.

Recommending to the Board director nominees for election at our annual meeting of shareholders or for appointment by the Board to fill existing or newly created vacancies on the Board.

Identifying members of the Board to serve on and to chair each Board committee.

Overseeing the annual evaluation by the Board of itself and its members.

Overseeing the Board's evaluation of management.

Conducting an annual evaluation of its performance in fulfilling its duties and responsibilities.

Edgar Filing: CASCADE CORP - Form PRE 14A

Making regular reports to the Board.

Monitoring the development of best practices regarding corporate governance.

Taking a leadership role in shaping corporate governance.

Each member of the Nominating and Governance Committee is independent in accordance with the requirements of the NYSE. The charter of the Nominating and Governance Committee is available on our website at www.cascorp.com, and in print to any shareholder who requests it.

The policy of the Nominating and Governance Committee is to consider recommendations for director nominees submitted by shareholders. Shareholders requesting the Nominating and Governance

Committee to consider their recommendations for nominees should submit their recommendations, together with appropriate biographical information and qualifications, in writing to the Nominating and Governance Committee. Nominee recommendations should be addressed to:

Corporate Secretary
Cascade Corporation
Post Office Box 20187
Portland, OR 97294-0187

Our Corporate Governance Guidelines contain Board membership criteria that apply to nominees recommended by the Nominating and Governance Committee. Under these criteria, nominees should possess the highest personal and professional ethics, a background and expertise useful to Cascade and complementary to and different from the background of the other directors and a willingness to devote the required time to the duties and responsibilities of Board membership. In fulfilling its responsibility to identify individuals qualified to serve on the Board and recommending to the Board nominees for election at our annual meeting of shareholders or for appointment by the Board to fill an existing or newly created vacancy on the Board, the Nominating and Governance Committee evaluates the Board's effectiveness and composition. This includes consideration of the business and professional backgrounds of directors, their age, current employment, community service and other board service, as well as the racial, ethnic and gender diversity of the Board.

When nominating a candidate to fill a vacancy created by the expiration of the term of a member of the Board, the Nominating and Governance Committee determines whether the incumbent director is willing to stand for re-election. If so, the committee evaluates his or her performance in office to determine suitability for continued service, taking into consideration the value of continuity and familiarity with our business, the director's history of attendance at board and committee meetings and the director's preparation for and participation in such meetings. When nominating a candidate to fill a vacancy where the committee has determined that an incumbent director should not or is not willing to stand for re-election or where the need to add a new board member has been identified, the Committee initiates a candidate search by seeking input from members of the Board and senior management, considering recommendations submitted by shareholders and hiring a search firm, if necessary.

The nominating process begins by identifying a candidate or group of candidates, including any candidates who may be submitted by shareholders, who will satisfy specific criteria and otherwise qualify for membership on the Board. These candidates are then presented to the Nominating and Governance Committee, which ranks the candidates. The Chairman, the CEO and at least one member of the Nominating and Governance Committee interview the prospective candidate or candidates. Other Board members are offered the opportunity to interview candidates. The Nominating and Governance Committee then meets to consider and approve the final candidate or candidates and to recommend and seek the endorsement of the full Board.

Mr. Nickerson, who was elected to the Board in December 2007 to fill a vacancy created by an increase in the size of the Board from six to seven directors, was recommended independently by both our chief executive officer and a non-employee director.

Executive Sessions

Non-management directors meet in executive session without management in conjunction with at least one Board meeting each quarter and may also meet at other times. Mr. Osterman, as our Chairman, presides at all executive sessions.

Contacting the Board

Individuals may contact the Board as a group or an individual director at the following mailing address:

Board of Directors
Attention: Corporate Secretary
Cascade Corporation
Post Office Box 20187
Portland, OR 97294-0187

The name of the individual director or group of directors to whom the communication is directed should be clearly specified. The Chairman of the Board receives a \$75,000 annual retainer. The Chair of the Audit Committee receives a retainer of \$36,000 and the chairs of the Compensation Committee and the Nominating and Governance Committee each receive retainers of \$30,000. Under the Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan approved by our shareholders, each non-employee director is awarded restricted shares totaling \$60,000 in value following each annual meeting of shareholders. The directors are reimbursed for travel and other expenses attendant to Board membership.

PROPOSAL 2: APPROVAL OF INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF CASCADE COMMON STOCK

The Board has adopted a resolution providing for the submission to our shareholders of an amendment to Article V of our Articles of Incorporation, the effect of which is to increase the number of authorized shares of common stock to 40,000,000 shares. Currently, we are authorized to issue up to 20,000,000 shares of common stock, which as of March 17, 2008, 10,822,064 shares were issued and outstanding and 843,746 shares were reserved for issuance under the Cascade Corporation 1995 Senior Managers Stock Incentive Plan and the Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan, leaving 8,334,190 shares of common stock available for future issuance. The proposed amendment eliminates one authorized share of special voting stock that was issued in connection with a 1997 acquisition by Cascade but is no longer outstanding. The proposed amendment does not affect the number of preferred shares that Cascade is authorized to issue, which remains at 200,000 shares, none of which are outstanding.

If approved by our shareholders, the additional shares of common stock resulting from the increase in authorized common shares would be available for issuance from time to time to meet business demands as they arise. The Board believes the authorization of such additional shares will provide us with the flexibility to issue shares of common stock for such corporate purposes as may be identified in the future by the Board, without the possible expense and delay of a special shareholders' meeting at such time. These corporate purposes may include, without limitation, affecting a stock split or issuing a stock dividend, making acquisitions through the use of stock, raising equity capital, adopting additional employee stock plans or reserving additional shares for issuance under existing employee stock plans where permitted by the plans. We have no arrangements, agreements, understandings or plans at the present time for the issuance or use of the additional shares of common stock proposed to be authorized.

The authorized shares of common stock in excess of those issued will be available for issuance at such times and for such corporate purposes as the Board may deem advisable, without further action by our shareholders, except as may be required by Oregon corporate law or by the rules of any national securities exchange on which the securities may then be listed. Upon issuance, such shares will have the same rights as the outstanding shares of common stock. Holders of common stock have no preemptive or similar rights.

Although the increase in the authorized number of shares of common stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of Cascade without further action by the shareholders, the Board is not aware of any attempt to take control of Cascade and has not presented this proposal with the intention that the increase in the authorized shares of common stock be used as a type of anti-takeover device. Shares of authorized and unissued common stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of Cascade more difficult, and therefore less likely. The issuance of additional shares of common stock may have a dilutive effect on earnings per share

and, for persons who do not purchase additional shares to maintain their pro rata interest in Cascade, on such shareholders' percentage voting power. The issuance of additional shares could also be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

If the proposal to increase authorized common stock is approved by our shareholders, we will file an amendment to our Articles of Incorporation with the Oregon Secretary of State in order to effect the increase in authorized common stock.

Article V of our Articles of Incorporation, as proposed to be amended, is set forth below:

"ARTICLE V"

The total authorized capital stock of the Corporation is 40,200,000 shares, divided into 200,000 shares of Preferred Stock without par value and 40,000,000 shares of Common Stock of the par value of fifty cents per share.

A.

Preferred Stock.

1.

Issuance. The Preferred Stock may be issued from time to time by the Board of Directors in any amounts as Preferred Stock of one or more series, provided that no more than 200,000 shares of Preferred Stock may be outstanding at any one time. The Board of Directors of the Corporation is hereby empowered to cause the Preferred Stock to be issued in series with variations as to (a) the rates and terms of dividends payable thereon; (b) whether shares can be redeemed, and, if so, the redemption price and terms and conditions or redemption; (c) the amount payable upon shares in event of voluntary or involuntary liquidation; (d) sinking funds, if any, for the redemption or purchase of shares; (e) the voting rights, if any, of shares, and (f) the terms and conditions, if any, on which shares may be converted to Common Stock of the Corporation, all to the full extent now or hereafter permitted by the laws of the State of Oregon.

2.

Relative Rights and Preferences. Each share of each series of Preferred Stock shall have the same relative rights and preferences as and be identical in all respects with all other shares of the same series.

B.

Common Stock.

1.

Dividends. Subject to any dividend or other requirements with respect to Preferred Stock, dividends payable in cash, stock or otherwise as may be determined by the Board of Directors may be declared and paid on the Common Stock from time to time out of the surplus or net profits of the Corporation available for the payment of dividends.

2.

Liquidation. In the event of any liquidation, dissolution or winding up the Corporation, if payment shall have been made in full to the holders of the Preferred Stock then outstanding in the amounts to which such holders are entitled upon such liquidation, dissolution or winding up of the Corporation, the remaining assets of the Corporation shall be distributed among the holders of Common Stock according to their respective rights and preferences and pro rata in accordance with their respective holdings.

3.

Voting Rights. Each holder of Common Stock shall be entitled to, upon all matters to be voted upon by the shareholders of the Corporation, one vote for each share of such stock standing in such shareholder's name on the books of the Corporation as of the record date set for such voting.

C.

Pre-Emptive Rights.

No holder of stock of the Corporation of any class shall have any pre-emptive right whatsoever to subscribe to or otherwise acquire any shares of any class of stock of the Corporation.

The Board recommends a vote FOR the proposal to increase the number of authorized shares of common stock.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed PricewaterhouseCoopers LLP to serve as Cascade's independent registered public accounting firm for the fiscal year ending January 31, 2009, and as a matter of good corporate governance we are asking shareholders to ratify this appointment. Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from shareholders. If the selection of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will consider whether it should select another independent registered public accounting firm.

The Board recommends a vote FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as Cascade's independent registered public accounting firm for the fiscal year ending January 31, 2009.

FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Fees billed for professional services performed by PricewaterhouseCoopers LLP for fiscal years ended January 31, 2008 and 2007 were as follows:

	2008	2007
Audit fees(1)	\$ 1,593,000	\$ 1,653,000
Audit-related fees(2)	50,000	49,000
Tax return preparation and planning activities	86,000	102,000
Other tax fees(3)	15,000	51,000
All other fees(4)	33,000	109,000
	\$ 1,777,000	\$ 1,964,000

- (1) Audit fees represent fees for professional services provided in connection with the audit of our consolidated financial statements and review of our quarterly consolidated financial statements, audit of internal control effectiveness and audit services provided in connection with other statutory or regulatory filings. Fees billed in 2007 were revised from amounts reported in the proxy statement for our 2007 Annual Meeting due to 2007 fees of \$95,000 which were approved after the filing of the proxy.
- (2) Audit-related fees consisted primarily of accounting consultations, employee benefit plan audits and other attestation services.
- (3) Tax fees consisted of transfer pricing services and international, federal and state tax advice.
- (4) All other fees principally included services related to business acquisitions.

Under its charter, the Audit Committee must pre-approve all auditing services and permitted non-audit services, including fees and terms, to be performed by our independent registered public accounting firm, unless an exception to pre-approval for *de minimus* non-audit services exists under the Securities Exchange Act of 1934. Each year, the independent registered accounting firm's retention to audit our financial statements, including the associated fee, is approved by the Audit Committee before the filing of the preceding year's annual report on Form 10-K. At the beginning of each fiscal year, management submits to the Audit Committee a summary of all proposed non-audit services expected to be performed by the independent registered public accounting firm in the next year, including a brief description of the project and an estimated project cost. The Audit Committee approves the summary as submitted or with such changes to the scope and nature of work to be performed as it deems desirable. Additional non-audit services identified during the year are submitted to the Audit Committee for approval at the next quarterly Audit Committee meeting. If the services are scheduled to commence prior to the next quarterly meeting, management obtains approval from the Chair of the Audit Committee to proceed with the services. The Chair of the Audit Committee makes the determination at interim dates of whether approval of the entire Audit Committee is needed. In the event the Chair of the Audit Committee is not available to approve non-audit services, a designated Vice-Chair of the Audit Committee can approve such services or determine if approval of the entire Audit Committee is needed. Any approval of non-audit services by the Chair or Vice-Chair of the Audit Committee is reported to the full Audit Committee at each of its scheduled meetings.

Since May 6, 2003, the effective date of the Securities and Exchange Commission rules stating that an auditor is not independent of an audit client if the services it provides to the client are not appropriately approved, each new engagement of PricewaterhouseCoopers LLP was approved in advance by the Audit Committee and none of those engagements made use of the *de minimus* exception to pre-approval.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis section describes our compensation philosophy, practices, and policies for our principal executive officer, principal financial officer and our three other most highly-compensated officers for our fiscal year ended January 31, 2008. These officers, referred to as named executive officers or "NEOs" are: Robert C. Warren, Jr., President and Chief Executive Officer; Richard S. Anderson, Senior Vice President and Chief Financial Officer; Gregory S. Anderson, Senior Vice President Human Resources; Jeffrey K. Nickoloff, Vice President Corporate Manufacturing and Joseph G. Pointer, Vice President Finance. This section also explains the structure and rationale associated with each element of NEO total compensation, and it provides important context for the detailed disclosure tables and specific compensation amounts contained in this proxy statement.

Compensation Committee

The Compensation Committee of our Board consists of six directors, all of whom are independent in accordance with NYSE requirements. Nicholas R. Lardy, Ph.D., serves as the Chair of the Compensation Committee. The other members of the Compensation Committee are Duane C. McDougall, Peter D. Nickerson, James S. Osterman, Henry W. Wessinger II, and Nancy A. Wilgenbusch, Ph.D. Mr. Nickerson was appointed to the Compensation Committee in December 2007. The Compensation Committee is appointed by, and provides assistance to, the Board in fulfilling its responsibilities relating to the compensation of our executive officers and directors. Additional information regarding the Compensation Committee can be found in this proxy statement under "Corporate Governance and Other Board Matters Compensation Committee."

Compensation Philosophy and Objectives

We believe our success is largely dependent on our ability to attract and retain superior executive talent with demonstrated leadership abilities and extensive management experience. We also believe motivating and rewarding our executives for high levels of performance contributes to long-term shareholder value. Accordingly, we seek to attract and retain executive talent by providing market-competitive base compensation and to reward executives for producing superior results. We do so by evaluating executive performance on the basis of two key financial measures, income before taxes and return on average assets, which we believe are closely correlated to building shareholder value.

Our basic compensation philosophy is divided into three areas: base salary, annual cash incentive and long-term incentive.

Base Salary We establish the base salaries of our NEOs at levels that approximate the market median or mean for executives with like responsibilities in a peer group of comparable companies as discussed under "Determination of Compensation Levels", with adjustments for variations in executive experience and performance. Despite our use of market salary data, individual salary determinations reflect the qualifications, experience and performance of the individual NEO and the value of the individual to our business.

Annual Cash Incentive We believe our NEOs, who are directly responsible for our global performance, should have a significant portion of their potential cash compensation at risk. Therefore, our annual cash incentive program rewards NEOs for meeting or exceeding designated levels of income before taxes established by the Board.

Long-Term Incentive We believe providing a long-term incentive, in the form of stock-based compensation, will encourage our NEOs to operate our business with a longer-term focus by seeking to maximize net income relative to our existing assets and acquiring additional assets with superior income potential. We also believe that a long-term incentive promotes retention of future Company leaders in line with our succession planning efforts.

Total Direct Compensation In evaluating overall compensation, the Compensation Committee believes the combination of base salary, annual incentive and long-term incentive, when compared to executives with like responsibilities in comparable companies and industries, should be in the 50th to 75th percentile when our performance is judged to be good, and above the 75th percentile when performance is judged to be outstanding or excellent.

Compensation Consultants

The Compensation Committee has in the past engaged a compensation consultant to provide guidance on executive compensation plan design and structure, prepare market competitive compensation data and recommend appropriate compensation ranges. In fiscal 2008 the Compensation Committee retained Mercer HR Consulting ("Mercer") to assist with several projects, including a competitive market analysis of base pay, annual incentive and total direct compensation. The Compensation Committee selected Mercer based on its position as a recognized market leader in global compensation consulting. Mercer is independent and reports directly to the Compensation Committee.

Role of Executives in Compensation Committee Activity

The Compensation Committee is responsible for and makes all decisions regarding compensation for our NEOs. The Compensation Committee's normal practice is to request the CEO and Senior Vice President Human Resources to attend Compensation Committee meetings for the purpose of providing information on company and individual performance. Occasionally other executives may be invited to attend a Compensation Committee meeting to provide pertinent financial and other information. Our CEO is not a Compensation Committee member and while able to provide his insights and suggestions, does not vote on decisions regarding NEO compensation.

With respect to the compensation of the CEO, the Compensation Committee discusses its evaluation of the CEO's performance and compensation with him, but the final determination and all votes regarding his compensation are made without the CEO present.

Compensation Committee Activity

During fiscal 2008, the Compensation Committee met three times to consider and act on the following issues:

Recommend Board approval of annual cash incentive payments for fiscal 2007 and establish performance measures for awards under the fiscal 2008 annual cash incentive plan.

Evaluate competitive market compensation data provided by Mercer and approve annual base salaries for fiscal 2009 for executive and other officers, including the NEOs.

Evaluate the CEO's performance, identify new corporate performance objectives and recommend compensation adjustments to the Board.

Recommend changes to our stock appreciation rights plan to authorize awards of restricted stock as well as stock appreciation rights.

Edgar Filing: CASCADE CORP - Form PRE 14A

Review performance of our stock appreciation rights plan through comparing actual return on average assets ("ROAA") relative to established ROAA targets and approve grants of restricted stock and stock appreciation rights for executive officers, officers and other senior managers.

Establish ROAA targets under our stock appreciation rights and restricted stock plan for fiscal year 2008.

Approve a retirement agreement for G. S. Anderson, Senior Vice President Human Resources.

Evaluate the Compensation Committee's performance for the past year.

Determination of Compensation Levels

Overall compensation levels of NEOs are based on a number of factors including the individual's experience, expertise, position and responsibility level, pay levels of peers with comparable responsibility within Cascade, competitive pay levels for similar positions with other companies and the performance of the individual and Cascade as a whole. In determining pay levels, the Compensation Committee considers all forms of compensation and benefits and uses outside consultant surveys and guidance to assist with the evaluation.

In fiscal 2008, Mercer conducted an extensive review of executive compensation and provided guidance and advice to the Compensation Committee in establishing executive pay levels. Mercer's work included both an analysis of peer group compensation as described in more detail below and a review of data from appropriate compensation surveys. These surveys contained information from national databases and included Mercer's Executive Compensation Survey, Mercer's Manufacturing Compensation Survey and Watson Wyatt's Top Management Compensation Survey. Survey data covered base pay, annual incentive and long-term incentive.

In making compensation decisions, a major data source used by the Compensation Committee in establishing market competitive pay levels for executive and other officers is the compensation information disclosed by a peer group of similar-size public companies in the industrial machinery and equipment manufacturing industry. Key measures used in selecting the peer group include annual revenue, market capitalization, total assets, number of employees and annualized total shareholder return. The companies that made up the peer group for fiscal 2008 were:

2008 PEER GROUP

Company Name (Ticker Symbol)	Company Name (Ticker Symbol)
Actuant Corporation (ATU)	Gehl Company (GEHL)
Alamo Group, Inc. (ALG)	IDEX Corporation (IEX)
Ampco Pittsburgh Corporation (AP)	Lindsay Manufacturing Company (LNN)
Astec Industries, Inc. (ASTE)	Nordson Corporation (NDSN)
Columbus McKinnon Corporation (CMCO)	

Elements of Fiscal 2008 Executive Compensation

The general framework of our executive compensation structure is outlined above in "Compensation Philosophy and Objectives." For fiscal 2008, the components of compensation for NEOs were base salary, annual cash incentive compensation, long-term equity incentive compensation and perquisites and other personal benefits.

Edgar Filing: CASCADE CORP - Form PRE 14A

Base Salary Base salaries are reviewed by the Compensation Committee on an annual basis and adjustments made as deemed appropriate. Base salary increases for fiscal 2008 were approved by the Compensation Committee in December 2006. The following table shows base salaries for fiscal 2008 and 2007:

NEO	2007 Base Salary	2008 Base Salary
R. C. Warren Jr	\$ 460,000	\$ 500,000
R. S. Anderson	275,000	290,000
G. S. Anderson	190,000	200,000
J. G. Pointer	190,000	200,000
J. K. Nickoloff	170,000	180,000

The salary increases for fiscal 2008 were approved by the Compensation Committee to maintain base salaries that approximated the market mean or median for executives with like responsibilities at our peer group companies.

Annual Cash Incentive Annual cash incentive payments are structured to encourage the building of shareholder value by maximizing our income before taxes. NEO's receive a specified percentage (depending on position) of pre-tax income before non-recurring income or expense items, incentive payments and certain other expenses ("AIBT") once AIBT exceeds a threshold level. The percentage of AIBT each NEO is entitled to receive increases if AIBT exceeds a target level and increases again if AIBT exceeds a maximum level. There is an upper AIBT limit beyond which the NEOs receive no additional incentive payments.

In April 2007 the Compensation Committee approved the following of AIBT limits and ranges for fiscal 2008:

Level	AIBT	Increase From 2007 AIBT Level	AIBT Range
Threshold limit (lower limit)	\$ 50 million	56%	>\$50 to \$59 million
Target (mid-point)	\$ 70 million	56%	>\$60 to \$79 million
Maximum limit (upper limit)	\$ 88 million	35%	>\$80 to \$88 million

The Compensation Committee significantly increased AIBT levels for fiscal 2008 from those in fiscal 2007 to reflect the continued strength of our business as reflected by the increases in actual AIBT in recent years and to convey the Compensation Committee's and the Board's increased expectations for AIBT growth. Actual AIBT for purposes of determining annual cash incentive payments was \$75.2 million, \$66.5 million and \$47.8 million for fiscal 2007, 2006 and 2005, respectively.

AIBT was \$80.3 million for fiscal 2008, an increase of 7% from AIBT in fiscal 2007 of \$75.2 million. AIBT excluded a \$16 million insurance litigation settlement received in the first quarter of fiscal 2008. The table below shows, as a percentage of base salary, the award opportunities in fiscal

Edgar Filing: CASCADE CORP - Form PRE 14A

2008 for each NEO depending on the amount of AIBT and the NEOs' actual cash incentive award for 2008 as approved by the Compensation Committee on April 1, 2008:

NEO	Annual incentive opportunity for Fiscal 2008 as % of Fiscal 2008 Base Salary			Actual Award as a % of Base Salary for Fiscal 2008	Actual Award
	Threshold Limit	Target	Maximum Limit	Performance	
R.C. Warren Jr.	34%	80%	150%	123%	\$ 616,000
R.S. Anderson	29%	70%	130%	119%	\$ 309,000
G.S. Anderson	25%	59%	110%	100%	\$ 201,000
J.G. Pointer	25%	59%	110%	100%	\$ 201,000
J.K. Nickoloff	23%	53%	100%	91%	\$ 164,000

The annual incentive program allows the Compensation Committee to adjust an individual's annual cash incentive award from 80% to 120% of the amount calculated based on individual performance. At the Compensation Committee's discretion, the annual incentive payments for fiscal 2008 for Mr. Warren, and Mr. R.S. Anderson were reduced by 10% due to results from our European operations that were below expectations. The Compensation Committee elected to not make any other adjustments for individual performance in fiscal 2008.

Long-term Incentive At our 2007 annual meeting, our shareholders approved a change to our existing stock appreciation rights plan to allow the issuance of restricted stock to directors and key employees. The Compensation Committee and our Board recommended this change to provide greater flexibility in managing the number of shares to be issued in the future under the plan as part of our long-term incentive compensation component.

A stock appreciation right (SAR) provides the holder the right to receive an amount, payable in shares of our common stock, equal to the increase in the market value of our common stock on the date of exercise over the base price at the time the right was granted. The base price may not be less than the market price of our common stock on the date of grant. All SAR awards vest ratably over four years and have a term of ten years. An award of restricted stock provides the holder actual shares of common stock which vest over a period of three years. Dividends are paid to holders of restricted stock during the three year vesting period. Annual awards of SARs and restricted stock are effective as of the close of business on the day following the public release of our earnings for our first fiscal quarter.

In fiscal 2008, the long-term incentive compensation awards to NEOs were based on our ROAA performance. ROAA is defined as net income before significant non-recurring or extraordinary items divided by the average total consolidated assets. The Compensation Committee determined ROAA performance targets based on our historical financial performance, expected future performance, consultant's market survey data and sufficient increase in ROAA performance. Prior ROAA performance targets for fiscal 2006 and ROAA performance targets established by the Compensation Committee for fiscal 2007, which were awarded in fiscal 2008, are as follows:

	2006 Targets	2007 Targets
Minimum level	9%	10%
Target level	10%	12%
Maximum level	11%	14%

Edgar Filing: CASCADE CORP - Form PRE 14A

NEOs were awarded either shares of restricted stock or SARs in fiscal 2008 using grant ranges established by the Compensation Committee based on job responsibility with minimum, target and maximum grants based on our ROAA. Our fiscal 2007 ROAA was 14.1%, therefore the stock appreciation rights allowed were at the maximum level permitted under the guidelines set by the Compensation Committee. The following table presents the award opportunities for NEOs and the actual awards recommended by the Compensation Committee and approved by the Board for fiscal 2007:

NEO	Type of Award	Minimum	Target	Maximum	Actual Award	Market Value of Award(1)
R.C. Warren Jr.	Restricted Stock	6,000	12,000	24,000	24,000	\$ 1,769,500
R.S. Anderson	Restricted Stock	2,500	5,000	10,000	10,000	737,300
G.S. Anderson	Restricted Stock	1,100	2,200	4,400	4,400	324,412
J.G. Pointer	SARs	1,500	3,000	5,000	5,000	166,550
J.K. Nickoloff	SARs	1,500	3,000	5,000	5,000	166,550

(1) Market value of restricted stock equals the market price of our common stock (\$73.73 per share) on the award date, June 8, 2007. This is also the grant price for SARs awards. Market value of SARs equals the grant date fair value (\$33.31 per SAR) based on the Black Scholes method calculated as of the award date, June 8, 2007.

Perquisites and Other Personal Benefits We provide the NEOs with the use of a company automobile, reimburse them for personal income taxes attributable to such use and reimburse them for annual physicals. We also contribute to each NEO's 401(k) plan account. These perquisites, which the Compensation Committee believes are reasonable and consistent with our overall compensation program and objectives, are provided to allow us to attract and retain executive talent.

Change in Control Agreements

In 2000, the Compensation Committee approved change in control agreements ("CICs") for Robert C. Warren, Jr. and Richard S. Anderson. The CICs provide certain benefits for these individuals if they are involuntarily terminated within 12 months following a change in control of Cascade. The CICs were implemented to help us retain these executives, particularly after a change of control has been proposed, and remain competitive in the market.

Benefits under the CICs are payable to the executives upon involuntary termination coupled with the occurrence of a change of control event. These events include:

A change in the composition of a majority of the Board over a 24 month period.

Sale or transfer of all or substantially all of our assets in complete liquidation or dissolution.

Merger or consolidation in which securities possessing more than 50% of the total combined voting power of our outstanding securities are transferred.

Acquisition by a person or group of related persons of securities possessing more than 35% of the total combined voting power of our outstanding securities, pursuant to a transaction which the Board does not recommend to our shareholders.

We believe our approach requiring both an involuntary termination and a change in control is more reasonable and reflective of our intent to compensate the executive in the event of a termination of employment. CICs provided by some other companies provide executives with benefits solely upon the occurrence of a change in control.

Edgar Filing: CASCADE CORP - Form PRE 14A

The Compensation Committee does not consider the CICs for purposes of determining the annual compensation levels as discussed in "Determination of Compensation Levels."

Retirement Agreement G. S. Anderson

In January 2008, G. S. Anderson, our Senior Vice President Human Resources, announced that he will be retiring effective June 30, 2008. Mr. Anderson joined us in 1984 and since that time has had a key role in various global human resource initiatives. We have entered into a consulting agreement with Mr. Anderson after his retirement to provide continuity in our continued development of global human resource matters. The terms of the retirement agreement are outlined below:

We will pay Mr. Anderson a monthly retainer of \$4,166 for the period July 1, 2008 until June 30, 2009 for services as requested by us. In addition, we will pay Mr. Anderson a rate of \$165 per hour for all hours spent on consulting assignments in excess of 300 hours during the term of the agreement.

Mr. Anderson will receive an incentive payment of \$45,000 on June 30, 2008, which represents $\frac{5}{12}$ of the annual target incentive he would be entitled to under our existing executive incentive plan for fiscal 2009. A final incentive payment will be made when fiscal 2009 incentive payments are made to our other NEOs.

SARs previously granted to Mr. Anderson and not vested at June 30, 2008 will expire, in accordance with the terms upon which the SARs were granted.

Mr. Anderson will be entitled to exercise any SAR vested at June 30, 2008 at any time through September 30, 2009. The extension of the exercise period to September 30, 2009, represents an extension of the standard 90-day exercise period under terms of the SARs as granted.

All restricted stock previously granted to Mr. Anderson and not vested as of June 30, 2008 will fully vest at June 30, 2009, subject to Mr. Anderson's compliance with the retirement agreement.

We will provide Mr. Anderson and his spouse medical and dental coverage through June 30, 2009 under our health care plan. Mr. Anderson will contribute towards the cost of health care coverage on the same basis as other Cascade employees.

Mr. Anderson will receive title to his company automobile at June 30, 2008 as part of his compensation under this retirement agreement.

Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code limits to \$1 million the amount of our tax deduction for certain compensation paid to the CEO and the NEOs. Certain qualifying "performance-based" compensation is not subject to the \$1 million deduction limit, including compensation related to stock appreciation rights issued under our Stock Appreciation Rights and Restricted Stock Plan. However, annual cash incentive amounts payable under our executive incentive program and compensation related to certain awards under our 1995 Senior Managers' Incentive Stock Option Plan do not meet the requirements for exemption from the \$1 million limit. For fiscal 2008, all NEOs exceeded the \$1 million limit and their compensation in excess of that amount will not be deductible by Cascade. The Compensation Committee intends to preserve the tax deductibility of executive compensation to the extent practicable but reserves the right to recommend future compensation that does not comply with the Section 162(m) requirements for deductibility if it concludes that this is in the best interests of Cascade.

Compensation Committee Report

We have reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in Cascade's Annual Report on Form 10-K for the fiscal year ended January 31, 2008.

(2) Amounts earned under the fiscal 2008 Executive Incentive Plan, which was approved by the Board in April 2007, are shown in the Summary Compensation Table in the "Non-Equity Incentive Plan Compensation" column. These amounts were approved by the Board and paid in April 2008. Additional details regarding the Executive Incentive plan can be found in the "Compensation Discussion and Analysis" section starting on page 14.

(3) Mr. Pointer and Mr. Nickoloff were each granted 5,000 SARs at a base price of \$73.73 for each SAR. Each SAR is payable only in shares of Cascade common stock, with the number of shares into which the SAR is payable calculated by determining the difference

between the closing price of Cascade's common stock on the date of exercise and the base price of the SAR established at the time of grant, and then dividing the difference by the closing price of Cascade common stock on the date of exercise. Because the base price of the SARs exceeded the closing price of Cascade common stock on January 31, 2008, the number of shares underlying the SARs is shown as zero.

- (4) Exercise or base price of SARs is the closing price of our common stock on the grant date, June 8, 2007.

- (1) SARs were granted during fiscal 2008, 2007, 2006 and 2005. Stock options were granted in years prior to fiscal 2005. All awards with expiration dates before 2014 relate to stock options. The number of shares underlying SARs was calculated by determining the difference between \$51.62, the closing price of Cascade common stock on January 31, 2008, and the base price of the SARs established at the time of grant, multiplying that figure by the number of SARs held by the officer, and

Edgar Filing: CASCADE CORP - Form PRE 14A

then dividing that difference by the closing price of Cascade common stock on January 31, 2008. The exercise or base price of SARs by grant year is as follows:

Grant Year

2006	\$ 35.60
2007	\$ 37.05

Potential Payments on Termination or Change-in-Control

We have entered into severance agreements with Messrs. Warren and R.S. Anderson. Under the agreements, each would be entitled to certain benefits if his employment is involuntarily terminated (other than for cause) within 12 months following a change in control of Cascade. In addition to discharge, involuntary termination includes resignation following a change which materially reduces an individual's level of responsibility, a 20% reduction in level of compensation, or a relocation of place of employment by more than 50 miles.

The agreements define a change in control of Cascade as (a) a change in the composition of the Board over a period of 24 months or less as a result of contested elections which results in a majority of Board members who were not Board members at the beginning of the period or were not subsequently nominated or elected by the Board; (b) sale, transfer or other disposition of substantially all of Cascade's assets; (c) a merger or consolidation in which securities with more than 50% of the voting power of all outstanding Cascade securities are transferred to persons different from the holding

Edgar Filing: CASCADE CORP - Form PRE 14A

of such securities prior to the transaction; or (d) the successful acquisition of securities possessing more than 35% of the voting power of all outstanding Cascade securities pursuant to a transaction or series of related transactions that the Board does not recommend for shareholder acceptance or approval.

An officer whose employment is involuntarily terminated following a change in control would receive the following severance benefits: (a) a lump sum payment equal to 2.99 times the officer's average annual compensation of the prior three years as reported on Form W-2; (b) accelerated vesting of all outstanding stock options; and (c) continued health coverage for the officer and eligible dependents for a period of 24 months or until the officer is covered by another health plan which provides a substantially similar level of benefits. In order to avoid becoming an excess parachute payment under federal tax laws, the total benefit package is limited to 2.99 times the officer's average compensation as reported on Form W-2 for the prior five years, subject to certain exceptions, provided under the Code.

Each agreement provides that the officer will not compete with us for a period of 24 months following termination of employment for any reason.

The following table shows the potential payments as described above upon involuntary termination following a change in control on January 31, 2008, for Messrs. Warren and R.S. Anderson:

Name	Lump-sum Payment(1)	Accelerated Options Vesting(2)	Continued Health Coverage(3)	Total
R.C. Warren, Jr.	\$ 2,818,000	\$ 0	\$ 19,000	\$ 2,837,000
R.S. Anderson	\$ 1,591,000	\$ 0	\$ 19,000	\$ 1,610,000

(1) Amounts represent 2.99 times three year average, subject to limitation under Internal Revenue Service guidelines.

(2) All stock options are fully vested as of January 31, 2008.

(3) Amounts represent the cost of health care coverage for 24 months.

EQUITY COMPENSATION PLAN INFORMATION

The following table gives information about equity awards under the Cascade Corporation 1995 Senior Managers Stock Incentive Plan, under which no future awards may be issued, and the Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan. These are our only equity compensation plans in effect as of January 31, 2008, the end of our last fiscal year and as of March 17, 2008.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights(1)	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in the first column)(2)
Equity compensation plans approved by security holders	538,517	\$ 29.34	274,622
Equity compensation plans not approved by security holders			
Total	538,517		274,622

(1) The number of common shares to be issued upon the exercise of outstanding SARs was calculated by determining the difference between \$47.45, the closing price of Cascade common stock on March 17, 2008, and the base price of the SARs established at the time of grant, multiplying that figure by the number of SARs outstanding, and then dividing the product by the closing price of Cascade common stock on March 17, 2008.

(2) The number of shares that may be issued under the Stock Appreciation Rights and Restricted Stock Plan is limited to 750,000. The number of common shares remaining available for future issuance under the Stock Appreciation Rights and Restricted Stock Plan was calculated by deducting from 750,000 the number of shares of common stock that are to be issued upon the exercise of presently outstanding SARs as determined pursuant to footnote (1) and the number of shares which have been issued upon exercise of SARs and issuance of restricted stock since the inception of the Stock Appreciation Rights and Restricted Stock Plan.

To our knowledge, based solely on a review of the copies of such reports furnished to the Company, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners during the year ended January 31, 2008, were complied with the exception of Mr. Pointer, Mr. Nickerson, and Mr. Warren whom each inadvertently filed one late report on Form 4 reporting one transaction.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Corporate Governance Guidelines adopted by the Board provide that any transaction that may constitute a related party transaction that would be required to be disclosed under Item 404 of SEC Regulation S-K (including transactions that would be required to be disclosed but for the fact that the dollar value of the transaction is less than that required for disclosure under Regulation S-K) is subject to approval or ratification by the Board. Robert C Warren, Jr., our President and Chief Executive Officer, is a director of ESCO Corporation, a privately held manufacturer of high-alloy steel products that supplies Cascade with certain components. Mr. Warren and certain members of his immediate family are shareholders of ESCO Corporation. In September 2007, the Board reviewed and approved the continuation of the business relationships between Cascade and ESCO Corporation, subject to (1) Mr. Warren's agreement to abstain as a member of either company's board of directors from participating in any vote relating to business dealings between the two companies and (2) the receipt by the Board of periodic reports from our Chief Financial Officer regarding the nature and status of the business relationships between the two companies. During the fiscal year ended January 31, 2008, we purchased approximately \$281,000 of components used in our products from ESCO Corporation at prevailing market prices. There were no other transactions with related persons during the fiscal year ended January 31, 2008.

OTHER MATTERS

As of the date of this proxy statement, the only matters that we intend to present at the meeting are those set forth in the notice of meeting and in this proxy statement. We know of no other matters that may come before the meeting. However, if any other matters properly come before the meeting, it is intended that proxies submitted in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or person voting as proxies.

SHAREHOLDER PROPOSALS FOR 2009 ANNUAL MEETING

Shareholder proposals submitted for inclusion in the proxy materials for the 2009 annual meeting must be received in writing by us no later than January 4, 2009. Any shareholder proposal that is not submitted for inclusion in the proxy materials for the 2009 annual meeting but is instead sought to be presented directly at that meeting will not be considered timely unless appropriate notice is provided to us no later than March 20, 2009. In addition, if we receive notice of a shareholder proposal after March 20, 2009, the persons named as proxies for the 2009 annual meeting will have discretionary voting authority to vote on such proposal at the 2009 annual meeting. Any shareholder making a proposal must have been a registered or beneficial owner of at least one percent of the outstanding common shares or common shares with a market value of at least \$2,000 for at least one year prior to submitting the proposal and must continue to own the stock through the date the meeting is held.
