**PROXY STATEMENT
FOR THE 2013 ANNUAL MEETING OF STOCKHOLDERS
to be held on June 11, 2013**

This proxy statement contains information about the 2013 Annual Meeting of Stockholders of Pacira Pharmaceuticals, Inc. (the "Annual Meeting") to be held on Tuesday, June 11, 2013, at 2:00 p.m. Eastern Daylight Time, at our corporate headquarters, 5 Sylvan Way, Suite 100, Parsippany, New Jersey 07054. This proxy statement, or a Notice of Internet Availability of Proxy Materials, will first be made available to stockholders on or about April 25, 2013. It is furnished to stockholders of Pacira Pharmaceuticals, Inc. in connection with the solicitation of proxies by our board of directors. In this proxy statement, unless expressly stated otherwise or the context otherwise requires, the use of "Pacira," "Company," "our," "we" or "us" refers to Pacira Pharmaceuticals, Inc. and its subsidiaries.

Under rules of the Securities and Exchange Commission, we are furnishing proxy materials to our stockholders on the Internet, rather than mailing printed copies to our stockholders. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one as instructed in that notice. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials on the Internet. This proxy statement and our 2012 annual report to stockholders are available at www.proxyvote.com.

All properly submitted proxies will be voted in accordance with the instructions contained in those proxies. If no instructions are specified, the proxies will be voted in accordance with the recommendation of our board of directors with respect to each of the matters set forth in the accompanying Notice of Meeting.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Purpose of the Annual Meeting

At the Annual Meeting, our stockholders will consider and vote on the following matters:

1. To elect three Class II directors of our board of directors to serve until the 2016 annual meeting of stockholders (Proposal 1);
2. To ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for the current fiscal year (Proposal 2);
3. To hold an advisory vote to approve the compensation of our named executive officers (Proposal 3);
4. To hold an advisory vote on the frequency of future advisory votes to approve the compensation of our named executive officers (Proposal 4); and
5. To transact any other business properly brought before the Annual Meeting.

Table of Contents

As of the date of this proxy statement, we are not aware of any business to come before the meeting other than Proposals 1, 2, 3, and 4, noted above.

Who Can Vote at the Annual Meeting

Only stockholders of record at the close of business on the record date of April 18, 2013, are entitled to receive notice of the Annual Meeting and to vote the shares of Pacira common stock that they held on that date. As of the close of business on April 18, 2013, there were 33,006,992 shares of common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

Difference between a "stockholder of record" and a beneficial owner of shares held in "street name"

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare, then you are considered a "stockholder of record" of those shares. In this case, a Notice of Internet Availability of Proxy Materials or, if requested, a set of proxy materials has been sent to you directly by us.

Beneficial Owners of Shares Held in Street Name. If your shares are held in a brokerage account or by a bank, trust or other nominee or custodian, then you are considered the beneficial owner of those shares, which are held in "street name." In this case, a Notice of Internet Availability of Proxy Materials or, if requested, a set of proxy materials has been forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization as to how to vote the shares held in your account.

How to Vote

If you are a shareholder of record, you can vote your shares over the Internet as described in the Notice of Internet Availability of Proxy Materials that was mailed to you, or if you have received or requested a hard copy of this proxy statement and accompanying form of proxy card you may vote by telephone as described on the proxy card, or by mail by marking, signing, dating and mailing your proxy card in the postage-paid envelope provided. Your designation of a proxy is revocable by following the procedures outlined in this proxy statement. The method by which you vote will not limit your right to vote in person at the Annual Meeting. If you receive hard copy materials and sign and return your proxy card without specifying choices, your shares will be voted as recommended by our board of directors.

If you hold your shares through a broker, bank, or other nominee in "street name," you need to submit voting instructions to your broker, bank or other nominee in order to cast your vote. The Notice of Internet Availability of Proxy Materials that was mailed to you has specific instructions for how to submit your vote, or if you have received or requested a hard copy of this proxy statement you may mark, sign, date and mail the accompanying voting instruction form in the postage-paid envelope provided. Your vote is revocable by following the procedures outlined in this proxy statement. However, since you are not a stockholder of record you may not vote your shares in person at the Annual Meeting without obtaining authorization from your broker, bank or other nominee.

Telephone and Internet voting for stockholders of record will be available up until 11:59 PM Eastern Daylight Time on June 10, 2013, and mailed proxy cards must be received by June 10, 2013 in order to be counted at the Annual Meeting. If the Annual Meeting is adjourned or postponed, these deadlines may be extended.

The voting deadlines and availability of telephone and Internet voting for beneficial owners of shares held in "street name" will depend on the voting processes of the organization that holds your

Table of Contents

shares. Therefore, we urge you to carefully review and follow the voting instructions card and any other materials that you receive from that organization.

Ballot Measures Considered "Routine" and "Non-Routine"

The ratification of the appointment of CohnReznick LLP as Pacira's independent registered public accounting firm for 2013 (Proposal 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal 2. A broker non-vote occurs on a matter when a broker is not permitted to vote on that matter without instruction from the beneficial owner of the shares and no instruction is given.

The election of directors (Proposal 1), the advisory vote to approve the compensation of our named executive officers (Proposal 3), and the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers (Proposal 4) are matters considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1, 3, and 4.

Quorum

A quorum of stockholders is necessary to hold a valid meeting. Our amended and restated bylaws provide that a quorum will exist if stockholders holding a majority of the outstanding shares of common stock are present at the meeting in person or by proxy. Abstentions and broker non-votes count as present for establishing a quorum, provided that the broker has voted on at least the ratification of the appointment of our auditors, but will not be counted as votes cast. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

Votes Required to Elect Directors and Approve Proposals

To be elected, director nominees must receive a plurality of the votes cast (the three nominees receiving the highest number of "FOR" votes cast will be elected). "WITHHOLD" votes and broker non-votes will have no effect on the outcome of Proposal 1. Cumulative voting is not permitted. See "Corporate Governance Majority Vote Director Resignation Policy" (below) regarding director nominees who receive a greater number of votes "WITHHELD" from their election than votes "FOR" such election.

The affirmative vote of a majority of the shares of common stock present or represented by proxy and cast at the meeting ("FOR" or "AGAINST") is required to (a) ratify the appointment of CohnReznick LLP as Pacira's independent registered public accounting firm (Proposal 2), and (b) approve the advisory resolution to approve the compensation of our named executive officers (Proposal 3). Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of these proposals.

Proposal 4 asks stockholders to approve, on an advisory basis, the frequency (every one year, every two years or every three years) of the advisory vote to approve the compensation of our named executive officers. The voting frequency option that receives the highest number of votes cast by the holders of shares of common stock present or represented by proxy and entitled to vote on the proposal will be deemed the frequency for the advisory vote to approve executive compensation that has been approved, on an advisory basis, by stockholders. Abstentions and broker non-votes are not counted as votes cast and will have no effect on the outcome of this proposal.

Board of Directors Recommendation

Our board of directors recommends that you vote:

FOR the election of each of the three nominees to serve on our board of directors, each for a three-year term;

FOR the ratification of the selection of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013;

FOR the approval of the compensation of our named executive officers as disclosed in this proxy statement; and

FOR a frequency of every year for future advisory votes to approve the compensation of our named executive officers.

Revoking a Proxy; Changing Your Vote

If you are a stockholder of record, you may revoke your proxy before the vote is taken at the meeting by:

submitting a new proxy with a later date before the applicable deadline either signed and returned by mail or transmitted using the telephone or Internet voting procedures described in the "How to Vote" section above;

by voting in person at the meeting; or

by filing a written revocation with our corporate Secretary.

If your shares are held in "street name," you may submit new voting instructions by contacting your broker or other organization holding your account. You may also vote in person at the Annual Meeting, which will have the effect of revoking any previously submitted voting instructions, if you obtain a legal proxy from the organization that holds your shares as described in the "How to Vote" section above.

Your attendance at the Annual Meeting will not automatically revoke your proxy.

Solicitation Costs

The Company will bear all expenses incurred in connection with the solicitation of proxies. The Company will reimburse brokers, fiduciaries and custodians for their costs in forwarding proxy materials to beneficial owners of common stock. The Company's directors, officers and employees also may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

Voting Results

We will announce preliminary voting results at the Annual Meeting and will publish final results in a Current Report on Form 8-K to be filed with the SEC within four business days following the Annual Meeting.

CORPORATE GOVERNANCE

Director Nomination Process

Our nominating and corporate governance committee is responsible for identifying individuals qualified to serve as directors, consistent with criteria approved by our board, and recommending the persons to be nominated for election as directors, except where we are legally required by contract, law or otherwise to provide third parties with the right to nominate.

The process followed by our nominating and governance committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the committee and our board.

The nominating and corporate governance committee evaluates potential candidates, taking into account several factors, including, without limitation, the individual's (a) reputation for integrity, honesty and adherence to high ethical standard; (b) understanding of the Company's business and industry; (c) business acumen, experience, and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company; and (d) willingness and ability to commit adequate time to board and committee matters and to contribute positively to the decision-making process of the Company. The committee does not have a formal policy regarding board diversity. In selecting director nominees, the committee focuses on identifying individuals who will further the interests of our stockholders through his or her established record of professional accomplishment and will contribute positively to the collaborative culture among board members.

Stockholders may recommend individuals to our nominating and corporate governance committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and, if the stockholder is not a stockholder of record, a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to the nominating and corporate governance committee, c/o Corporate Secretary, Pacira Pharmaceuticals, Inc., 5 Sylvan Way, Suite 100, Parsippany, New Jersey 07054. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. Stockholders also have the right under our amended and restated bylaws to nominate director candidates directly, without any action or recommendation on the part of the committee or the board, by following the procedures set forth below under the heading "Stockholder Proposals."

Majority Vote Director Resignation Policy

Our board of directors has implemented a Majority Vote Director Resignation Policy in our Corporate Governance Guidelines. Under the policy, any director nominee who receives a greater number of "WITHHOLD" votes than "FOR" votes in an uncontested election must promptly tender his or her resignation to the board following certification of the stockholder vote. Within 90 days following the certification of the vote, the independent directors on the board would consider the offer of resignation and determine whether to accept or reject the tendered resignation. If the independent directors determine not to accept the tendered resignation, we will publicly disclose (via press release or SEC filing) such determination and the factors considered by the independent directors in making such determination.

Table of Contents

Director Independence

Our board of directors has determined that each of our directors, with the exception of David Stack and Gary Pace, is an "independent director" as defined under the applicable NASDAQ Marketplace Rules. In making such independence determination, the board of directors considered the relationships that each such non-employee director has with us and all other facts and circumstances that the board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. In considering the independence of our directors, our board of directors considered the association of our directors with the holders of more than 5% of our common stock.

We have entered into a consulting agreement with Dr. Pace, pursuant to which Dr. Pace provides consulting services to us in the manufacturing area as Technical Advisor to the Chief Executive Office and the board of directors. Pursuant to the consulting agreement, Dr. Pace is currently compensated at the rate of \$15,000 per month and has received options to purchase 100,000 shares of our common stock. See "Related Person Transactions Consulting Agreement with Gary Pace" below for more information. As a result of Dr. Pace's compensation arrangements under the consulting agreement, the board determined that he does not qualify as an "independent director" under applicable NASDAQ rules. As a result, Dr. Pace resigned from his position as chairman of the nominating and corporate governance committee in June 2012, and John Longenecker assumed the position of chairman of the nominating and corporate governance committee.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee. Each of these committees operate under a charter that has been approved by our board of directors. The members of our audit committee are John Longenecker, Paul Hastings and Laura Brege, who chairs the committee. Our audit committee met eight times during 2012. In addition, our board of directors has determined that Ms. Brege qualifies as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules. In making this determination, our board has considered the formal education and nature and scope of her previous experience, coupled with past and present service on various audit committees. Our audit committee assists our board of directors in its oversight of our accounting and financial reporting process and the audits of our financial statements. Our audit committee's responsibilities include:

Table of Contents

Board and Committee Meetings Attendance

The full board of directors met fifteen times during 2012. During 2012, each member of the board of directors attended in person or participated in 75 percent or more of the aggregate of (i) the total number of meetings of the board of directors (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the board of directors on which such person served (during the periods that such person served).

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding attendance by members of our board of directors at our annual meetings of stockholders. Our practice, however, is to have a meeting of the board immediately following the annual meeting of stockholders. All eight members of our board attended the annual meeting of stockholders in 2012.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A current copy of the code is posted on the Corporate Governance section of our website, which is located at www.pacira.com. If we make any substantive amendments to, or grant any waivers from, the code of business conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Board Leadership Structure and Board's Role in Risk Oversight

Our board of directors does not have a policy regarding separation of the roles of chief executive officer and chairman of the board. The board believes it is in our best interests to make that determination based on circumstances from time to time. Currently, the positions of our chairman of the board and chief executive officer are separated. Our board of directors believes that this structure allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board of directors in its fundamental role of providing advice to and independent oversight of management. Our board of directors also believes that this structure ensures a greater role for the independent directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our board of directors. Our board of directors believes its administration of its risk oversight function has not affected its leadership structure.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2012. Our board of directors is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full board of directors, which has responsibility for general oversight of risks.

Our board of directors satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our company. Our audit committee oversees risk management activities related to financial controls and legal and compliance risks. Our compensation committee oversees risk management activities relating to our compensation policies and practices, and our nominating and corporate governance committee oversees risk management activities relating to board composition and management succession planning. In addition, members of our senior management team attend our quarterly board meetings and are available to address any questions or

Table of Contents

concerns raised by the board on risk-management and any other matters. Our board of directors believes that full and open communication between management and the board of directors is essential for effective risk management and oversight.

Stockholder approval is not required to appoint CohnReznick LLP as Pacira's independent registered public accounting firm, however, the board of directors believes that submitting the appointment of CohnReznick LLP to the stockholders for ratification is good corporate governance. If the stockholders do not ratify this appointment, the audit committee will reconsider whether to retain CohnReznick LLP. If the selection of CohnReznick LLP is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of Pacira and its stockholders. PROPOSAL NO. 3 ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are asking stockholders to cast an advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement. This proposal, commonly known as a "say on pay" proposal, gives stockholders the opportunity to approve or reject our executive pay program through the following resolution:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the named executive officers of Pacira Pharmaceuticals, Inc., as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules, including the section entitled "Executive Compensation Objectives and Processes," the compensation tables, and related material in the company's proxy statement."

The say on pay vote is advisory and therefore will not be binding on the compensation committee, the board of directors or the Company. However, the compensation committee and board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Please read the "Executive Compensation" section of this proxy statement before determining how to vote on this proposal. As discussed in more detail in that section, and particularly under the heading "Executive Compensation Objectives and Processes," the primary objectives of our executive compensation program are to increase stockholder value by attracting and retaining talented executives, rewarding performance that meets or exceeds our established goals, and aligning the interests of our executives with those of our stockholders. Our compensation committee, which was advised by an independent compensation consultant, determined the 2012 compensation of our named executive officers in light of our performance in fiscal year 2012, during which we commercially launched EXPAREL, and the market price of our common stock increased significantly. The increase in total compensation for 2012 for each of our named executive officers primarily reflects the increased grant date fair value of stock options granted to each named executive officer in June 2012, due to our increased stock price. Our named executive officers will only realize compensation in connection with these grants if our stock price continues to appreciate. We believe the compensation levels and structure established by our compensation committee adequately reward our named executive officers' performance while motivating them to build long-term stockholder value.

THE BOARD OF DIRECTORS RECOMMENDS VOTING "**FOR**" THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

**PROPOSAL NO. 4 ADVISORY VOTE TO APPROVE THE FREQUENCY OF THE
SAY ON PAY VOTE**

In addition to requiring that we conduct an advisory say on pay vote, the Dodd-Frank Wall Street Reform and Consumer Protection Act requires that we ask you to cast an advisory vote to approve the frequency with which we will conduct future say on pay votes every year, every two years, or every three years.

The vote to approve the frequency of future say on pay votes is advisory and therefore will not be binding on the compensation committee, the board of directors, or the Company. However, the compensation committee and board will take the voting results into consideration when determining the frequency and timing of future say on pay votes.

The board of directors believes that holding an annual advisory vote to approve executive compensation provides us with more direct and immediate feedback on our compensation programs. Similarly, the board of directors believes that an annual advisory vote to approve executive compensation is consistent with our practice of seeking input and engaging in dialogue with our stockholders on corporate governance matters.

You are being asked to vote on a preference that we hold a say on pay vote every three years, two years or one year, or you may abstain from this vote.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF HOLDING THE ADVISORY SAY ON PAY VOTE every "ONE YEAR".

Executive Compensation Objectives and Processes**Objectives**

Our primary objective with respect to executive compensation is to attract, retain and motivate highly talented individuals who have the skills and experience to successfully execute our business strategy. Our executive compensation program is designed to:

reward the achievement of our annual and long-term operating and strategic goals;

recognize individual contributions;

Edgar Filing: Pacira Pharmaceuticals, Inc. - Form DEF 14A

align the interests of our executives with those of our stockholders by rewarding performance that meets or exceeds established goals, with the ultimate objective of increasing stockholder value; and

retain and build our executive management team.

Table of Contents

To achieve these objectives, our executive compensation program ties a portion of each named executive officer's overall compensation to key corporate financial goals and to individual goals. We have also provided a portion of our executive compensation in the form of option awards that vest over time, which we believe helps to retain our executive officers and aligns their interests with those of our stockholders by allowing them to participate in our long-term performance as reflected in the trading price of shares of our common stock.

The compensation of our named executive officers has been determined in light of our performance in fiscal year 2012. The increase in each named executive officer's total compensation for 2012, as reflected in the Summary Compensation Table, above, primarily reflects the increased grant date fair value of stock options granted to each named executive officer in June 2012 due to our increased stock price. The options have an exercise price equal to the fair market value of our common stock on the date of grant and vest over a period of four years after the date of grant. Vesting of these options is conditioned on the continued service of the respective named executive officer, and such officer will only realize compensation in connection with these options if our stock price continues to appreciate.

Processes

Our compensation committee makes all compensation decisions regarding our named executive officers. Our chief executive officer has annually reviewed the performance of each of our other executive officers other than himself, and, based on these reviews, has made recommendations to our compensation committee regarding salary adjustments, annual incentive bonus payments and equity incentive awards for such executive officers. The compensation committee believes it is valuable to consider the recommendations of our chief executive officer with respect to these matters because, given his knowledge of our operations and the day-to-day responsibilities of our executive officers, he is in a unique position to provide the compensation committee with perspective into the performance of our executive officers in light of our business at a given point in time.

As part of the 2012 compensation process, our compensation committee retained Radford ("Radford") as its independent compensation consultant. Radford provided advisory services only with respect to executive compensation and does no other business with the Company. The compensation committee reviewed the Company's relationship with Radford to ensure the independent judgment of the compensation consultant to the committee, and the committee does not believe that there are any conflicts of interest with Radford.

Radford established a comparative framework of certain of our peers to allow the compensation committee to assess competitive market practice in our industry. In establishing the peer group, Radford began with all publicly-traded pharmaceutical and biotechnology companies and then further refined the list of companies based on the following four factors:

Employee size;

Revenue;

Market value; and

Stage of development.

Table of Contents

Based on these variables, Radford established a peer group consisting of the following 21 publicly-traded companies:

Acorda Therapeutics	Momenta Pharmaceuticals
Affymax	Nektar Therapeutics
AMAG Pharmaceuticals	NPS Pharmaceuticals
AVANIR Pharmaceuticals	Obagi Medical
Cadence Pharmaceuticals, Inc.	Optimer Pharmaceuticals
Depomed	Santarus
Dyax	Spectrum Pharmaceuticals
Halozyme Therapeutics	Vical
Idenix Pharmaceuticals	Xenoport
Isis Pharmaceuticals	Zogenix
MAP Pharmaceuticals	

Our compensation committee does not "benchmark" the compensation of any of our named executive officers; rather, the committee took the results of Radford's comparative analyses, as well as the considerations provided by Radford with respect to components and levels of compensation for our executive officers, under advisement in determining competitive market practice in our industry. The compensation committee considered the assessment of market compensation, historical compensation levels, subjective assessments of individual performance and other subjective factors in establishing and approving the various elements of our executive compensation program for 2012.

Employment Agreements, Severance and Change in Control Arrangements

We entered into employment agreements with each of our named executive officers. The agreements with each of our named executive officers provide for "at will" employment which means we or the executive can terminate his or her employment at any time, with or without cause. Pursuant to the agreements, as amended, each of our named executive officers will be entitled to a base salary and certain benefits.

If our chief executive officer (i) is terminated for any reason other than for "cause," or (ii) terminates his employment for "good reason," then he will be entitled to:

earned and accrued base salary, bonus, vacation time and other benefits;

monthly salary continuation payments for a period of 12 months from the effective date of the release required to be provided as a condition to receiving these payments;

health insurance coverage, subject to cost sharing, for 12 months following the effective date of the release required to be provided as a condition to receiving this coverage; and

immediate vesting of the portion of the unvested options granted to him in connection with the agreement that would have become vested during the 12-month period following the date of termination.

If, within 30 days prior to, or 12 months following, a "change in control," our chief executive officer (i) is terminated for any reason other than for "cause," or (ii) terminates his employment during the agreement term for "good reason," then he will be entitled to:

earned and accrued base salary, bonus, vacation time and other benefits;

monthly salary continuation payments for a period of 24 months from the effective date of the release required to be provided as a condition to receiving these payments;

in lieu of the Targeted Incentive Bonus (as defined in the employment agreement), a bonus payment in the amount of one hundred percent (100%) of his then-current base salary, payable in one lump sum after the effective date of the release required to be provided as a condition to receiving this payment;

health insurance coverage, subject to cost sharing, for 12 months following the effective date of the release required to be provided as a condition to receiving this coverage; and

immediate vesting of all unvested options granted to him in connection with the agreement.

If any of our named executive officers, other than our chief executive officer, (i) is terminated for any reason other than for "cause," or (ii) terminates his or her employment for "good reason," then such executive officer will be entitled to:

earned and accrued base salary, bonus, vacation time and other benefits;

monthly salary continuation payments for a period of nine months from the effective date of the release required to be provided as a condition to receiving these payments;

health insurance coverage, subject to cost sharing, for 12 months following the effective date of the release required to be provided as a condition to receiving this coverage; and

immediate vesting of the portion of the unvested options granted to such executive officer in connection with the agreement that would have become vested during the nine-month period following the date of termination.

If, within 30 days prior to, or 12 months following, a "change in control," any of our named executive officers, other than our chief executive officer, (i) is terminated for any reason other than for "cause," or (ii) terminates his or her employment during the agreement term for "good reason," then such executive officer will be entitled to:

earned and accrued base salary, bonus, vacation time and other benefits;

monthly salary continuation payments for a period of 12 months from the effective date of the release required to be provided as a condition to receiving these payments;

in lieu of the Targeted Incentive Bonus (as defined in the employment agreement), a bonus payment in the amount of thirty percent (30%) of such executive officer's then-current base salary, payable in one lump sum after the effective date of the release required to be provided as a condition to receiving this payment;

health insurance coverage, subject to cost sharing, for 12 months following the effective date of the release required to be provided as a condition to receiving this coverage; and

immediate vesting of all unvested options granted to such executive officer in connection with the agreement.

Our obligation to make the severance payments described above will be conditioned upon the executive officer's continued compliance with the non-competition and confidentiality obligations set forth in his or her employment agreement and the executive officer's execution of a general release of claims against us.

Edgar Filing: Pacira Pharmaceuticals, Inc. - Form DEF 14A

Under the employment agreements, "cause" means: (i) failure to substantially perform the duties owed to us after receiving written notice that sets forth in detail the specific respects in which our board of directors believes that the duties have not been substantially performed, and failure to correct the failure within 30 days after receiving a demand for substantial performance and opportunity to cure; (ii) fraud, misconduct, dishonesty, gross negligence or other acts either injurious to us or conducted with intentional disregard for our best interests; (iii) failure to follow reasonable and lawful

instructions from our board of directors and failure to cure such failure after receiving 20 days advance written notice; (iv) material breach of the terms of the employment agreement or our employee proprietary information and inventions assignment agreement or any other similar agreement that may be in effect from time to time; or (v) conviction of, or pleading guilty or nolo contendere to, any misdemeanor involving dishonesty or moral turpitude or related to our business, or any felony.

Under the employment agreements, "good reason" means, without the executive officer's prior written consent: (i) any material reduction of the executive officer's then effective base salary that is not in accordance with his employment agreement or related to a cross-executive team salary reduction; (ii) any material breach by us of the executive officer's employment agreement; or (iii) a material reduction in the executive officer's responsibilities or duties, not including a mere reassignment following a change of control to a position that is substantially similar to the position held prior to the change of control; provided, however, that no such event or condition shall constitute good reason unless (x) the executive officer gives us a written notice of termination for good reason not more than 90 days after the initial existence of the condition, (y) the grounds for termination (if susceptible to correction) are not corrected by us within 30 days of our receipt of such notice and (z) the termination date occurs within one (1) year following our receipt of such notice.

Under the employment agreements, a "change of control" means (i) a merger or consolidation of either us or PPI-California into another entity in which the stockholders of us or PPI-California (as applicable) do not control 50% or more of the total voting power of the surviving entity (other than a reincorporation merger); (ii) the sale, transfer or other disposition of all or substantially all of our assets in a liquidation or dissolution; or (iii) the sale or transfer of more than 50% of our outstanding voting stock. In the case of each of the foregoing clauses (i), (ii) and (iii), a change of control as a result of a financing transaction entered into by us or PPI-California shall not constitute a change of control for purposes of these agreements.

RELATED PERSON TRANSACTIONS

The following is a description of transactions entered into, or in effect, after January 1, 2012 to which we have been a party, in which the amount involved in the transaction exceeds the lesser of (i) \$120,000 or (ii) one percent of the average of our total assets at year end for the last two completed fiscal years, and in which any of our directors, executive officers or beneficial owners of more than 5% of our voting securities, or affiliates or immediate family members of any of our directors, executive officers or beneficial owners of more than 5% of our voting securities, had or will have a direct or indirect material interest. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

Services Agreement with Gary Patou and MPM Asset Management LLC

In October 2010, we entered into an agreement with Dr. Patou, our chief medical officer, and MPM Asset Management LLC, or MPM AM, to provide services to us customarily expected of a chief medical officer. Dr. Patou is the managing director of MPM AM. Dr. Patou's principal duties for us include obtaining approval for the EXPAREL NDA in the United States, filing the EXPAREL dossier in the European Union, developing additional clinical indications for EXPAREL and assisting with our product pipeline development. Pursuant to the original services agreement, the services were provided by Dr. Patou at a monthly rate of approximately \$26,000 in 2010 and 2011 in exchange for 80% of Mr. Patou's business time devoted to the Company, \$16,000 in 2012 in exchange for 50% of Mr. Patou's business time, and \$6,000 in 2013 and 2014 in exchange for 20% of Mr. Patou's business time. The original services agreement has been amended twice. The first amendment to this agreement was entered into in December 2011 and provided that Mr. Patou would continue to earn a monthly consulting fee of approximately \$26,000 in exchange for 80% of his business time through September 30, 2012. In November 2012, we entered into a second amendment to the services agreement with MPM. Pursuant to the terms of the amended services agreement, the monthly services fee will remain at approximately \$16,000, through December 31, 2013, in exchange for 50% of Dr. Patou's business time.

If we terminate our consulting relationship with Dr. Patou and MPM AM other than for "cause" (as defined in the agreement) or the consulting relationship is terminated by Dr. Patou and MPM AM for "good reason" (as defined in the agreement), then MPM AM will be entitled to continuation of the then effective monthly service fee for a period of nine months following the date of termination, and Dr. Patou will be entitled to immediate vesting of the portion of the unvested options that would have vested during the nine month period following the date of termination, provided that the options granted to Dr. Patou in December 2010 are subject to additional vesting. In addition, if within 30 days prior to, or 12 months following, a "change of control" (as defined in the agreement), the consulting relationship is terminated other than for "cause" or for "good reason", then in addition to the service payments above, Dr. Patou will also be entitled to immediate vesting of the entire unvested portion of his stock options.

In fiscal year 2012, we paid \$394,212 in total fees to MPM AM for Dr. Patou's services under the agreement.

License, Development and Commercialization Agreement with Aratana Therapeutics, Inc.

On December 5, 2012, we entered into a worldwide license, development and commercialization agreement (the "License Agreement") with Aratana Therapeutics, Inc., or Aratana. When we entered into the License Agreement, MPM Capital and its affiliates, or MPM Capital, beneficially owned more than five percent of our outstanding common stock, and we have been informed that MPM Capital beneficially owns more than 10 percent of the capital stock of Aratana. Under the agreement, the

Table of Contents

Company granted Aratana an exclusive royalty-bearing license, including the limited right to grant sublicenses, for the development and commercialization of our bupivacaine liposome injectable suspension product for animal health indications. Under the agreement, Aratana will develop and seek approval for the use of the product in veterinary surgery to manage postsurgical pain, focusing initially on developing the product for cats, dogs and other companion animals. In connection with the entry into the license agreement, we received a one-time payment of \$1.0 million, and we may receive up to an additional aggregate \$42.5 million upon the achievement of development and commercial milestones. Once the product has been approved by the Food and Drug Administration for sale in the United States, Aratana will pay us a tiered double digit royalty on net sales made in the United States. If the product is approved by foreign regulatory agencies for sale outside of the United States, Aratana will pay us a tiered double digit royalty on such net sales. Royalty rates will be reduced by a certain percentage upon the entry of a generic competitor for animal health indications into a jurisdiction or if Aratana must pay royalties to third parties under certain circumstances.

Consulting Agreement with Gary Pace

In June 2011, we entered into an agreement with Gary Pace, one of our directors, to provide consulting services for manufacturing-related activities at a monthly fee of \$5,000, not to exceed \$60,000 annually. In connection with these services, Dr. Pace received an option to purchase 10,000 shares of our common stock at an exercise price of \$11.02 per share. In April 2012, we entered into an amended and restated consulting agreement with Dr. Pace, pursuant to which Dr. Pace will provide consulting services at the rate of \$10,000 per month and received an option to purchase 20,000 shares of common stock at an exercise price of \$11.02 per share pursuant to the amended and restated consulting agreement. The amendment also removed the stipulation that Dr. Pace's total yearly consulting fees could not exceed \$60,000. In August 2012, we and Dr. Pace further amended and restated the consulting agreement, whereby Dr. Pace will provide consulting services at the rate of \$15,000 per month and received an option to purchase 70,000 shares of common stock at an exercise price of \$16.67 per share pursuant to the amended and restated consulting agreement. Under this amendment, Dr. Pace will be eligible to receive a bonus up to \$0.2 million, contingent upon the date of FDA approval of our Suite C manufacturing facility for EXPAREL. In fiscal year 2012, we paid \$187,419 in total fees and expense reimbursements to Dr. Pace pursuant to the consulting agreement.

Policies and Procedures for Related Person Transactions

Our board of directors has adopted a written related person transaction policy which sets forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds the lesser of (1) \$120,000 or (2) one percent of the average of our total assets at year end for the last two completed fiscal year, and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness, and employment by us of a related person.

Any related person transaction proposed to be entered into by us is required to be reported to our chief financial officer and will be reviewed and approved by the audit committee in accordance with the terms of the policy, prior to effectiveness or consummation of the transaction, whenever practicable. If our chief financial officer determines that advance approval of a related person transaction is not practicable under the circumstances, the audit committee will review and, in its discretion, may ratify the related person transaction at the next meeting of the audit committee, or at the next meeting following the date that the related person transaction comes to the attention of our chief financial officer. Our chief financial officer, however, may present a related person transaction arising in the

Table of Contents

time period between meetings of the audit committee to the chair of the audit committee, who will review and may approve the related person transaction, subject to ratification by the audit committee at the next meeting of the audit committee.

In addition, any related person transaction previously approved by the audit committee or otherwise already existing that is ongoing in nature will be reviewed by the audit committee annually to ensure that such related person transaction has been conducted in accordance with the previous approval granted by the audit committee, if any, and that all required disclosures regarding the related person transaction are made.

Transactions involving compensation of executive officers will be reviewed and approved by the compensation committee in the manner specified in the charter of the compensation committee.

A related person transaction reviewed under this policy will be considered approved or ratified if it is authorized by the audit committee in accordance with the standards set forth in our related person transaction policy after full disclosure of the related person's interests in the transaction. As appropriate for the circumstances, the audit committee will review and consider:

the related person's interest in the related person transaction;

the approximate dollar value of the amount involved in the related person transaction;

the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of business;

whether the transaction with the related person is proposed to be, or was, entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party;

the purpose of, and the potential benefits to us of, the transaction; and

any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to stockholders in light of the circumstances of the particular transaction.

The audit committee reviews all relevant information available to it about the related person transaction. The audit committee may approve or ratify the related person transaction only if the audit committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, our best interests. The audit committee may, in its sole discretion, impose conditions as it deems appropriate on us or the related person in connection with approval of the related person transaction. All transactions disclosed above were reviewed and approved by the audit committee in accordance with our related person transaction policy.

Indemnification of Officers and Directors

Our amended and restated certificate of incorporation and amended and restated bylaws, provide that we indemnify each of our directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Further, we have entered into indemnification agreements with each of our directors and officers, and we have purchased a policy of directors' and officers' liability insurance that insures our directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

PRINCIPAL STOCKHOLDERS

The following table sets forth information, to the extent known by us or ascertainable from public filings, regarding the beneficial ownership of our common stock as of April 1, 2013 (except where otherwise noted), by:

each of our directors;

each of our named executive officers;

each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock; and

all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with SEC rules. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities and include shares of common stock issuable upon the exercise of stock options and warrants that are immediately exercisable or exercisable within 60 days of April 1, 2013. Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them, subject to applicable community property laws. The information is not necessarily indicative of beneficial ownership for any other purpose.

Percentage ownership calculations for beneficial ownership are based on 32,934,105 shares outstanding at the close of business on April 1, 2013. Except as otherwise indicated in the table below, addresses of named beneficial owners are in care of Pacira Pharmaceuticals, Inc., 5 Sylvan Way, Suite 100, Parsippany, New Jersey 07054.

In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed shares of common stock subject to options and warrants held by that person that are currently exercisable or exercisable within 60 days of April 1, 2013 to be outstanding. We did not deem these shares outstanding, however, for the purpose of

computing the percentage ownership of any other person. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under U.S. securities laws, directors, executive officers, and persons holding more than 10 percent of Pacira common stock must report their initial ownership of the common stock and any changes in that ownership in reports that must be filed with the SEC. Copies of these reports also must be furnished to Pacira. The SEC has designated specific deadlines for these reports, and Pacira must identify in this proxy statement those persons who did not file these reports when due.

Based solely on an examination of these reports and on written representations provided to Pacira, all directors, executive officers, and 10 percent owners timely filed all reports regarding transactions in Pacira's securities required to be filed for 2012 by Section 16(a) under the Exchange Act.

HOUSEHOLDING

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our documents, including the annual report to stockholders, proxy statement and Notice of Internet Availability of Proxy Materials, may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you upon written or oral request to Pacira Pharmaceuticals, Inc., 5 Sylvan Way, Suite 100, Parsippany NJ, 07054 Attention: Secretary, telephone: (973) 254-3560. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

STOCKHOLDER PROPOSALS

A stockholder who would like to have a proposal considered for inclusion in our 2014 proxy statement must submit the proposal so that it is received by us no later than December 26, 2013. SEC rules set standards for eligibility and specify the types of stockholder proposals that may be excluded from a proxy statement. Stockholder proposals should be addressed to Pacira Pharmaceuticals, Inc., 5 Sylvan Way, Suite 100, Parsippany NJ, 07054 Attention: Secretary.

For stockholder proposals submitted outside of the SEC proposal rules, our Bylaws require that advance written notice in proper form of stockholder proposals for matters to be brought before an annual stockholders meeting be received by the Secretary of Pacira not less than 90 days or more than 120 days before the first anniversary date of the immediately preceding annual stockholders meeting. Accordingly, notice of stockholder proposals for the 2013 Annual Meeting of Stockholders must be received by Pacira between February 11, 2014, and March 13, 2014.

OTHER MATTERS

Our board of directors does not know of any other matters to be brought before the Annual Meeting. If any other matters not mentioned in this proxy statement are properly brought before the meeting, the individuals named in the enclosed proxy intend to use their discretionary voting authority under the proxy to vote the proxy in accordance with their best judgment on those matters.
