### **WEIS MARKETS REPORTS INCREASED 4TH QUARTER SALES AND NET INCOME**

(SUNBURY, PA) - Weis Markets, Inc. (NYSE:WMK) today said its fourth quarter sales increased 3.1% to \$537 million and that its comparable store sales were up 3.1% during the 13 week period ending December 25, 2004 compared to the same period in 2003.

The Company's fourth quarter results represent the 14th consecutive quarterly increase in its comparable store sales.

The Company's fourth quarter net income increased 6.7% to \$15.1 million. Fourth quarter basic and diluted earnings per share increased to \$.56 per share compared to \$.52 per share for the same period in 2003.

The Company said its fourth quarter sales were positively impacted by:

- The continuing strong performance of its perishable departments and core center store categories.
- Aggressive and targeted promotional activity in key markets.

The Company's fourth quarter net income was affected by:

- A 30.3% increase in associate medical insurance costs. The Company is currently self-insured for the majority of its associate health-care benefit programs.
- A \$1.1 million write-off of a former store site owned by the Company that was demolished and replaced in the fourth quarter of 2004.

## Edgar Filing: WEIS MARKETS INC - Form 8-K

The reduction in the Company's effective tax rate from 2003 to 2004 was due to a change in estimate related to the final settlement of certain income tax audits during 2004, which resulted in a \$2.5 million increase in net income.

### **Fiscal 2004 Results**

For the 52-week period ending December 25, 2004, Company sales increased 2.7% to \$2.1 billion and comparable store sales increased 3.0%. In 2004, the Company's net income increased 4.8% to \$57.2 million and its basic and diluted earnings per share increased \$.10 to \$2.11 per share.

In addition to the reasons detailed in the fourth quarter summary, the Company's year-to-date net income was affected by a pre-tax impairment loss of \$1.4 million on a closed store facility sold in July 2004.

Founded in 1912, Weis Markets currently operates 157 stores in six states: Pennsylvania, Maryland, New Jersey, New York, Virginia and West Virginia. Weis Markets also owns SuperPetz, a pet supply superstore chain with 33 units in eleven states.

*In addition to historical information, this news release may contain forward-looking statements. Any forward-looking statements contained herein are subject to certain risks and uncertainties that could cause actual results to differ materially from those projected. For example, risks and uncertainties can arise with changes in: general economic conditions, including their impact on capital expenditures; business conditions in the retail industry; the regulatory environment; rapidly changing technology and competitive factors, including increased competition with regional and national retailers; and price pressures.*

*The Company undertakes no obligation to publicly revise or update these forward-looking statements to reflect events or circumstances that arise after the date hereof other than through its periodic filings with the Securities and Exchange Commission that are available to the public.*
