Item 1.01 Entry Into A Material Definitive Agreement

Extension of Closing Deadline for Acquisition of Cochran County Properties

On April 21, 2009, Doral Energy Corp. (the Company) entered into an agreement to modify the terms of their letter agreement (the Letter Agreement) with Miltex Oil Company (Miltex) for the purchase of three oil and gas leases located in Cochran County, Texas (the Cochran County Properties).

The Company has re-negotiated with Miltex the terms of their proposed acquisition of Miltex's six (6) San Andres waterflood units (the Cochran County Properties or the Miltex Properties). The deadline for the Company's proposed acquisition of the Miltex Properties has been changed from April 21, 2009 to May 29, 2009, with extension clauses to adjust the closing date to July 31, 2009, if necessary. The effective date of the proposed Miltex Properties acquisition, however, remains at the original date of March 1, 2009. If closing occurs by the May 29, 2009 scheduled closing date, the revised total acquisition cost of the Miltex Properties will be \$2,635,000 plus 25,000 shares of the Company's common stock, of which \$2,400,000 will be payable to Miltex at closing. If the closing date is extended to June 30, 2009, the Company will pay an additional \$10,000 to Miltex and will issue an additional 25,000 shares of the Company's common stock. If the closing date is extended to July 31, 2009, the Company will pay to Miltex an additional \$50,000. The shares to be issued to Miltex will be issued pursuant to the registration exemptions provided by Regulation D of the Securities Act of 1933 (the Securities Act). The Company has granted piggy-back registration rights to Miltex.

Item 3.02 Unregistered Sale of Equity Securities

On April 21, 2009, under the amended terms of the Letter Agreement described under Item 1.01 above, the Company has agreed to issue 25,000 shares of its common stock to Miltex. If the Company wishes to extend the proposed closing date for the acquisition of the Miltex Properties, the Company will be required to issue an additional 25,000 shares of the Company's common stock to Miltex. Miltex has provided the Company with representations and warranties that it is an accredited investor as defined under Rule 501 promulgated under the Securities Act.
