Asset Purchase Agreement

On June 25, 2007, Perficient, Inc. (the “Company”) entered into an Asset Purchase Agreement (the “Purchase Agreement”) by and among the Company, Tier1 Innovation, LLC (“Tier1”), a Colorado limited liability company, and Mark Johnston and Jay Johnson (each a “Principal” and collectively, the “Principals”), pursuant to which the Company purchased substantially all of Tier1’s assets and properties used or held for use in connection with the Business (as such term is defined in the Purchase Agreement) and assumed certain liabilities of Tier1 (the “Acquisition”). The Acquisition closed on June 25, 2007. The consideration paid by the Company to Tier1 in the transaction is approximately \$14.25 million, and includes \$7.125 million in cash and 355,633 shares of the Company's common stock worth \$7.125 million (based on the average closing price of the Company's common stock on the Nasdaq Global Select Market for the thirty trading days immediately preceding the closing date of the Acquisition; GAAP accounting will require using the closing price of the Company's common stock at or near the closing date of the Acquisition in reporting the value of the stock consideration paid in the Acquisition).

The Purchase Agreement contains other customary terms and provisions. The assets acquired in the Acquisition include accounts receivable, personal property, the rights and benefits under certain contracts and intangible assets of Tier1. Prior to the Acquisition, the assets of Tier1 were used to provide information technology consulting and staffing solutions to their customers. The Company intends to continue such uses for the assets acquired in the Acquisition.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K.

The information set forth in Item 1.01 of this Current Report on Form 8-K regarding the Purchase Agreement and the Acquisition is incorporated by reference into this Item 2.01.

**Item Unregistered Sales of Equity Securities.
3.02**

As described under Item 1.01 of this Current Report on Form 8-K, on June 25, 2007, the Company issued 355,633 shares of the Company's common stock (or \$7.125 million based on the average closing price of the Company's common stock on the Nasdaq Global Select Market for the thirty trading days immediately preceding the closing date of the Acquisition) to Tier1 as part of the total consideration for the Acquisition. The shares were issued in reliance on an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), provided by Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

On June 26, 2007, the Company's shareholders approved the Perficient, Inc. Omnibus Incentive Plan (the "Incentive Plan"). The purposes of this plan are to attract and retain able persons as employees and provide such employees with incentive and reward opportunities designed to enhance our profitable growth. Under the Incentive Plan, the Compensation Committee of the Company may provide grants of performance awards, annual incentive awards, discretionary awards, or a combination of such awards. Awards granted under the Incentive Plan may be paid in cash or shares of our common stock. All of the Company's employees and officers are eligible to participate in and receive awards under the Incentive Plan.

Since all awards will be made at the discretion of the Compensation Committee, it is not possible to determine the amount, timing or recipients of future awards. Therefore, it is not presently possible to determine the benefits or amounts that will be received by particular eligible persons or groups pursuant to the Incentive Plan in the future. However, the Compensation Committee has established performance goals with respect to Annual Incentive Awards for 2007. If all of the goals are attained the currently estimated maximum amount payable pursuant to those Annual Incentive Awards based upon current base salaries of the participants is set forth in the following table:

Name and Principal Position	Maximum Dollar Amount Payable Upon Attainment of 2007 Performance Goals
John T. McDonald Chairman and Chief Executive Officer	\$855,000
Jeffrey S. Davis President and Chief Operating Officer	\$855,000
Paul E. Martin Chief Financial Officer	\$193,500
Timothy J. Thompson Vice President of Client Development	\$0
Richard T. Kalbfleish Controller, Vice President of Finance and Administration	\$64,350

The Compensation Committee will administer the Incentive Plan pursuant to its terms and all applicable state, federal, or other rules or laws, except in the event our Board of Directors chooses to take action under the Incentive Plan. Performance awards and Annual Incentive Awards may be subject to performance goals consisting of one or more of the following business criteria applicable to us on a consolidated basis and/or (excluding total stockholder return and earnings per share criteria) for specified subsidiaries or business or geographical units: (i) earnings per share (including cash earnings per share and GAAP earnings per share); (ii) increase in revenues; (iii) increase in cash flow; (iv) increase in cash flow return; (v) return on net assets, return on assets, return on investment, return on capital, or return on equity; (vi) economic value added; (vii) operating margin or contribution margin; (viii) net income; net income per share; pretax earnings; pretax earnings before interest, depreciation and amortization; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; or

operating income; (ix) total stockholder return; (x) debt reduction; and (xi) any of the above or similar goals determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Compensation Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of comparable companies, including the group selected by us for purposes of the stock performance graph contained in this proxy statement. Cash earnings per share is a performance measure defined as net income plus amortization of intangibles and stock compensation, including related tax effects, divided by shares used in computing diluted net income per share, which is not in compliance with Generally Accepted Accounting Principles.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Incentive Plan, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
