Attached hereto as Exhibit 5 is a copy of the joint Schedule 13D filing agreement between the Reporting Persons.

The principal business of TAM, a registered investment advisor under Section 203 of the Investment Advisors Act of 1940, as amended, is to invest funds on a discretionary basis on behalf of investment companies registered under the Investment Company Act of 1940, as amended, and on behalf of individually managed separate accounts. **(d) and (e)**

Neither of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the other persons named in this Item 2, has during the last five years (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was, or is, subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration**

The Reporting Persons originally acquired shares of Common Stock for investment purposes and previously reported their beneficial ownership of such shares on Schedule 13G. The Reporting Persons are now reporting their beneficial ownership of the shares of Common Stock on Schedule 13D to reflect the shares issued to TAVF in the transaction described below.

On December 2, 2003, TAVF executed a Note Purchase Agreement (the Note Purchase Agreement ) among the Issuer, Third Avenue Trust, on behalf of TAVF, D.E. Shaw Laminar Portfolios, L.L.C. ( Laminar ) and SZ Investments, L.L.C. ( SZI ), pursuant to which each of TAVF, Laminar and SZI has agreed, severally, to provide the Issuer with a bridge loan in the aggregate principal amount of \$40,000,000 (the Bridge Loan ). In connection with such transaction, the Issuer issued (i) an aggregate of 5,120,853 shares of its Common Stock which represent consideration for TAVF, Laminar and SZI agreeing to provide the Bridge Loan, to TAVF, Laminar and SZI (the Allocation Shares ), of which 1,280,213 were issued to TAVF (the TAVF Allocation Shares ), and (ii) convertible notes, which are convertible for the Issuer s Common Stock in certain specified and limited circumstances, in an aggregate principal amount of \$40,000,000 to TAVF, Laminar and SZI, including \$10,000,000 to TAVF (the TAVF Note ), which were issued in consideration for the Bridge Loan. Pursuant to the Note Purchase Agreement, the Issuer has agreed to use the proceeds of the Bridge Loan (a) to purchase the equity of Covanta Energy Corporation ( Covanta ) pursuant to a reorganization plan under Chapter 11 proceedings in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court ), (b) to pay fees and expenses related to the acquisition of Covanta and (c) for general corporate purposes. In the event the purchase of Covanta does not occur for any reason other than any default of the Issuer, the Issuer has the right to redeem all of the Allocation Shares issued to TAVF, Laminar and SZI pursuant to the Note Purchase Agreement for aggregate consideration of \$4.00.

The Note Purchase Agreement is referenced herein as Exhibit 1 and is incorporated by reference herein.

All funds used in providing TAVF s portion of the Bridge Loan were obtained from the working capital of TAVF.

**Item 4.****Purpose of Transaction**

The acquisition of the TAVF Allocation Shares and the TAVF Note were effected for the purpose of investing in the Issuer. Pursuant to the Note Purchase Agreement, the Issuer intends to use such funds to purchase the equity of Covanta, pay fees and expenses related thereto and for the Issuer's general corporate purposes.

Upon the Bankruptcy Court's approval of the reorganization plan and after closing of the acquisition of Covanta, the Issuer has agreed to use all commercially reasonable efforts to initiate a rights offering (the Possible Rights Offering). In connection with the Possible Rights Offering, each of TAVF, Laminar and SZI would have the right to acquire additional shares of the Issuer's Common Stock and each has agreed to fully exercise such right, if available. The Issuer has agreed to use the proceeds of the Possible Rights Offering to prepay the convertible notes. To the extent the proceeds of the Possible Rights Offering are insufficient to prepay all of the principal amount of the convertible notes outstanding, the convertible notes will automatically convert into shares of the Issuer's Common Stock at a conversion price of \$1.53 per share; provided, however, that the notes will remain outstanding to the extent conversion would result in an ownership change of the Issuer under the Internal Revenue Code. TAVF's ability to acquire additional Common Stock of the Issuer pursuant to the Note Purchase Agreement, as set forth above, is conditional upon several factors, including in certain circumstances, the closing of the acquisition of Covanta and the consummation of the Possible Rights Offering by the Issuer. The total number of shares TAVF would be able to acquire pursuant to the Note Purchase Agreement is based on facts to be determined in the future. Pursuant to the Note Purchase Agreement, after the closing of the acquisition of Covanta and the completion of the Possible Rights Offering by the Issuer, TAVF believes it would own a maximum of approximately 14.75% of the Common Stock of the Issuer (including the Subject Shares (as defined in Item 5 below)), assuming 0% public participation in the Possible Rights Offering.

In connection with the Note Purchase Agreement, the Issuer has granted TAVF, Laminar and SZI certain registration rights, as set forth in a Registration Rights Agreement dated as of December 2, 2003, by and among the Issuer, TAVF, Laminar and SZI (the Registration Rights Agreement). The Registration Rights Agreement is referenced herein as Exhibit 2 and is incorporated by reference herein.

The Note Purchase Agreement provides that, prior to the Possible Rights Offering, TAVF will not acquire Common Stock otherwise than pursuant to such agreement.

The Note Purchase Agreement contains certain restrictive covenants pursuant to which the Issuer has agreed not to, without the consent of holders of 66 2/3% of the principal amount of the convertible notes issued to TAVF, Laminar and SZI, among other things, pay dividends on any of its securities until the convertible notes are converted or repaid in full.

As is applicable to all holders of 5% or more of Issuer's Common Stock, TAVF (and thereby TAM) will be subject to restrictions contained in Issuer's Certificate of Incorporation, which limit stock transfers by 5% or greater shareholders and prohibits parties from acquiring 5% or more of Issuer's Common Stock without the Issuer's consent.

The summaries contained in this Schedule 13D of certain provisions of each of the Note Purchase Agreement, the Registration Rights Agreement and all other documents attached hereto as exhibits are not intended to be complete and are qualified in their entirety by each respective agreement incorporated herein by reference. The summary contained in this Schedule 13D of certain provisions of the Issuer's Certificate of Incorporation is not intended to be complete and is qualified in its entirety by the Certificate of Incorporation, as amended, filed by the Issuer as an exhibit to the Issuer's Annual Report on Form 10-K for the period ended December 31, 1999.

Subject to the Issuer's Certificate of Incorporation, TAVF intends to continue to review its investment in the Common Stock and, from time to time depending upon certain factors, including without limitation the financial performance of the Issuer, the availability and price of shares of Common Stock, other general market and investment conditions, and any restrictions under applicable law may determine to acquire through open market purchases or otherwise additional shares of Common Stock, or may determine to sell through the open market or otherwise, in each case, subject to the limitations of the Note Purchase Agreement.

Except as stated above, neither of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the other persons named in Item 2 hereto, has any plans or proposals of the types referred to in clauses (a) through (j) of Item 4 of Schedule 13D, as promulgated by the Securities and Exchange Commission.

TAM has beneficial ownership of the Subject Shares pursuant to the Note Purchase Agreement; provided, however, that it is not able to transfer such shares prior to the earlier of July 15, 2004 and the closing of the Possible Rights Offering.
