**RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

On April 22, 2004, Gilead Sciences, Inc., a Delaware corporation, issued a press release announcing earnings for the quarter ended March 31, 2004. A copy of the earnings press release is filed as Exhibit 99.1 to this report.

Each non-GAAP financial measure presented in the earnings press release is included because our management uses this information to monitor and evaluate on-going results and trends excluding certain items. Our management believes the non-GAAP information is also useful for investors because the gain on equity investment relating to the Eyetech Pharmaceuticals, Inc. public offering completed in the first quarter of 2004 was the result of a transaction that is unusual due to its nature, size and infrequency. Consequently, excluding this item from our results provides users of the financial statements an important insight into our results and related trends that affect our core business.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
