Item 1.01. Entry into a Material Definitive Agreement.

On August 10, 2005, the Compensation Committee awarded a total of 3.5 units under our Key Employee Award Program (the Program) to two executive officers in recognition of significant increases in their responsibilities after a reorganization of our executive management team in the first quarter of 2005. The reorganization and the subsequent resignation of another Program participant resulted in the forfeiture of a total of eleven previously granted units under the Program. We issued the 3.5 units to Mr. Brian Landrum, Senior Vice President, Customer Operations and Information Technology (2 units), and Mr. David Freysinger, Senior Vice President, Generation Operations (1.5 units). The option component of each unit has an exercise price of \$12.625, the average of the high and low price of our common stock on August 10, 2005. In February 2005, Mr. Landrum assumed, in addition to his then current responsibilities, responsibility for managing our commercial operations and origination activities. In addition, we appointed Mr. Freysinger as a member of the Reliant Leadership Team, our executive management committee. As a result of the reorganization, Mr. Landrum and Mr. Freysinger became the executive officers responsible for the management of the activities of our wholesale business segment.

The Compensation Committee approved an amendment to the Program to permit the issuance of the 3.5 units. In addition, the amendment prohibits the issuance of any additional units or reallocation of any existing units under the Program and clarifies that the Program will terminate on December 31, 2006.

For additional information regarding the Program, see the proxy statement for our 2005 annual meeting of stockholders and the amendment filed as Exhibit 10.1 to this Form 8-K.
