**Item 7.01 Regulation FD Disclosure**

Certain materials regarding Input/Output, Inc. (the Company) attached hereto as Exhibit 99.1 will be made available to analysts and other persons in the future.

The attached material may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include statements as to expectations, beliefs and future financial performance, such as statements relating to the Company's business prospects, future sales, market growth, gross margin and other statements that are not of historical fact. Investors are cautioned that all forward-looking statements are based on management's current expectations and include known and unknown risks, uncertainties and other factors, many of which the Company is unable to predict or control, that may cause the Company's actual results or performance to materially differ from any future results or performance expressed or implied. These risks and uncertainties include the timing and development of the Company's products and services and market acceptance of the Company's new and revised product offerings, and other risk factors disclosed by the Company from time to time in its filings with the U.S. Securities and Exchange Commission, including in its Annual Report on Form 10-K for the year ended December 31, 2004 and its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005. The Company disclaims any intention or obligation to update publicly or revise such statements, whether as a result of new information, future events or otherwise.
