(Pyxis) and Amendment No. 5 to the Note Purchase Agreement between the Company and Pyxis, dated October 23, 2002. Pursuant to the Stock Purchase Agreement, the Company issued and sold to Pyxis an aggregate of 2,750,037 shares of Common Stock for an aggregate purchase price of \$15,615,537, or \$5.6783 per share. Pursuant to Amendment No. 5 to the Note Purchase Agreement, Pyxis has also agreed to extend to the Company a credit line of \$14,384,463 bearing interest at a variable rate equal to the prime rate. The Company may draw against the credit line until August 17, 2008 and all borrowing is due on August 16, 2011. The principal amount of any borrowing under this credit facility is convertible at Pyxis's election into a maximum of 2,533,234 shares of Common Stock, reflecting a conversion price equal to \$5.6783 per share. As a condition to these transactions, the Company plans to conduct a rights offering of 2,533,234 shares of its Common Stock to existing stockholders (other than Pyxis) at a per share price of \$5.6783. Any proceeds received from the rights offering will reduce the availability under the credit facility. The record date for the determination of stockholders entitled to participate in the rights offering is August 17, 2006. The rights offering is expected to be conducted approximately ninety days following the closing of the acquisition described below.

On August 17, 2006, the Company entered into an Asset Purchase Agreement with the Alan James Group, LLC and certain of its affiliates, pursuant to which the Company acquired the assets and business of the Alan James Group. The Company has paid consideration at the closing consisting of approximately \$7,000,000 in cash and 88,055 shares of Common Stock and will pay additional contingent consideration of up to \$1,500,000 in cash and up to 1,628,833 shares of Common Stock over the next three years. This employment agreement is terminable by Mr. Richerson upon one month prior written notice and by us for cause. The agreement also provides that if he is terminated without cause or he terminates his employment for good reason, he shall have the right to receive severance benefits in the amount of his then current base salary and health insurance benefits until the earlier to occur of the expiration of the term of the agreement or eighteen months following the date of termination. In the event of a change of control, all unvested shares of our Common Stock held by Mr. Richerson would automatically vest. In addition, the agreement provides that he will be prohibited, for a period of twelve months following the date of termination of the employment agreement, from accepting employment, or otherwise becoming involved, in any manner, with one of our direct competitors, or from providing services to any person or entity that might conflict with our interests or the interests of our customers or clients.
