Item 1.01 Entry into a Material Definitive Agreement

On November 18, 2006, Hawaiian Airlines, Inc., a Delaware corporation and wholly-owned subsidiary of the registrant (Hawaiian), entered into a letter of intent with AWAS Aviation Services, Inc. providing for (i) the purchase of three Boeing 767-300ER aircraft, each with two Pratt & Whitney Model PW4060 engines (the Aircraft), (ii) amendments to certain of its lease agreements with AWMS I, a Delaware statutory business trust (AWMS I), related to four of its Boeing 767-300ER aircraft (the Amendments), and (iii) the grant of an option to purchase three spare aircraft engines (collectively, the Transaction). The letter of intent became binding on November 24, 2006 upon the approval of the respective Boards of Directors of the parties.

Under the terms of the letter of intent, Hawaiian will pay an aggregate purchase price of approximately \$150 million. The closing of such purchase is subject to certain conditions, which include, among others, negotiation and execution of a definitive purchase and sale agreement, and the receipt by Hawaiian of third-party financing to fund the purchase of the Aircraft.

Each Aircraft is currently being leased by Hawaiian from AWMS I pursuant to a lease agreement that provides AWMS I with the option for an early termination of the lease agreement. Under the terms of the letter of intent, the Amendments will provide for the elimination of AWMS I s early termination option from each of the subject lease agreements. In addition, the Amendments will, among other things, shorten the term of the subject lease agreements and modify the monthly rent due under the subject lease agreements. In connection with the purchase of the Aircraft and the Amendments, AWMS I will grant Hawaiian an option (the Purchase Options) to purchase three spare aircraft engines (the Spare Engines) currently being leased by Hawaiian from AWMS I.

The aircraft purchases transactions are scheduled to close on or prior to December 29, 2006.
