PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

JUNE 14, 2007

About this Proxy Statement

Our Board of Directors is soliciting proxies to be used at our 2007 Annual Meeting of Stockholders. The meeting will be held at the offices of Morgan, Lewis & Bockius LLP, 1701 Market Street, Philadelphia, Pennsylvania 19103 on Thursday, June 14, 2007, at 6:00 p.m. local time. This proxy statement, the notice of annual meeting and the form of proxy will be mailed to stockholders beginning on or about April 20, 2007.

VOTING PROCEDURES

Who Can Vote

Only RCM common stockholders at the close of business on the record date, April 19, 2007, may vote at the annual meeting. You are entitled to cast one vote for each share of RCM common stock that you owned as of the close of business on the record date. At the close of business on the record date, there were 11,931,126 shares of RCM common stock outstanding.

How You Can Vote

You can vote by:

- marking your proxy card, dating and signing it, and returning it in the postage-paid envelope we have provided, or
- attending the meeting and voting in person.

How You Can Revoke Your Proxy or Change Your Vote

You can revoke your proxy at any time before it is voted at the meeting by:

- sending a written notice that you have revoked your proxy to our Secretary, Stanton Remer, at 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109-4613,
- submitting a later-dated proxy card, or
- attending the meeting, giving our Secretary written notice of your revocation and voting your shares.

If a bank, broker or other holder of record holds your shares in its name, you must obtain a proxy card executed in your favor from the holder of record to be able to vote your shares at the meeting.

General Information on Voting

A quorum must exist for voting to take place at the meeting. A quorum exists if holders of a majority of the outstanding shares of our common stock are present at the meeting in person or are represented by proxy at the meeting. Shares represented by a proxy marked "abstain" or "withheld" on any matter will be considered present at the meeting for purposes of determining whether there is a quorum, but will not be considered as votes FOR or AGAINST that matter. Shares represented by a proxy as to which there is a "broker non-vote" (that is, where a broker holding your shares in "street" or "nominee" name indicates to us on a proxy that you have given the broker the discretionary authority to vote your shares on some but not all matters), will be considered present at the meeting for purposes of determining a quorum but will not be voted on matters as to which there is a "broker non-vote." Abstentions and "broker non-votes" will therefore have no effect on the outcome of any vote taken at the meeting.

The director nominees will be elected by a plurality of the votes cast for the election of directors at the meeting. Thus, the nominees who receive the most votes will be elected as a director. All other matters to be voted upon at the meeting must be approved by a majority of the votes cast on those matters.

Shares that have been properly voted and not revoked will be voted at the meeting in accordance with the instructions on your proxy card. If you sign your proxy card but do not mark your choices, Leon Kopyt or Stanton Remer, the persons named on the enclosed proxy card, will vote the shares represented by your proxy card:

- FOR the persons we nominated for election as director;
- FOR the adoption of the Company's 2007 Omnibus Equity Compensation Plan; and
- FOR the ratification of our Audit Committee's appointment of Grant Thornton LLP as our independent accountants for our fiscal year ending December 29, 2007.

If any other matters are properly presented at the meeting for consideration, Mr. Kopyt and Mr. Remer will have the discretion to vote on those matters for you. Currently, we are not aware of any such matters.

Costs of Solicitation

We will pay for preparing, assembling and mailing this proxy statement. Our directors, officers and employees may solicit proxies through the mails, direct communication or otherwise. None of our directors, officers or employees will receive additional compensation for soliciting proxies. We may reimburse brokerage firms and other custodians, nominees or fiduciaries for their reasonable expenses for forwarding proxy and solicitation materials to stockholders.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the *Committee*) of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the executives is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to its executives, including the actively-employed named executive officers, are similar to those provided to other executive officers.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2006, as well as the other individuals included in the Summary Compensation Table on page 13, are referred to as the named executive officers.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Committee believes executive compensation packages provided by the Company to its executives, including the named executive officers, should include both cash and stock-based compensation that reward performance as measured against established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation decisions for the Chief Executive Officer and Chief Financial Officer and approves recommendations regarding equity awards to all elected officers of the Company. Decisions regarding the non-equity compensation of other executives are recommended to the Committee by the Chief Executive Officer.

The Chief Executive Officer annually reviews the performance of each executive (other than the Chief Executive Officer and the Chief Financial Officer whose performance is reviewed by the Committee). The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Committee. The Committee can exercise its discretion in modifying any recommended adjustments or awards to executives.

Setting Executive Compensation

Based on the foregoing objectives, the Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and reward the executives for achieving such goals.

Functions of the Compensation Committee

The compensation committee's primary functions include:

- reviewing, approving and determining the salaries, bonuses and other benefits of RCM's directors and executive officers,

- recommending to RCM's Board amendments to existing stock option plans and the adoption of new stock option plans,
- negotiating, reviewing, approving and determining the adoption of, or amendments to, any compensatory plans, arrangements or agreements between RCM and its executives, and
- establishing and reviewing management perquisites.

Components of Compensation

The compensation committee generally structures RCM executives' compensation through a combination of the following:

- *Base Salary:* As a general rule, the compensation committee establishes base salaries for RCM's executives based upon the individual's performance and contribution to RCM. The Committee takes into account base salaries of executives in comparable positions in companies similar to RCM. Some of RCM's executives are parties to employment agreements. The salaries of those executives are based on their agreements.
- *Annual Incentive Compensation:* The compensation committee provides annual incentive awards to RCM's executives to reward their contributions to RCM. Mr. Kopyt's bonus is based solely on RCM's EBITDA. Mr. Remer's bonus is determined based on a combination of EBITDA and certain other factors at the discretion of the chief executive officer. The bonuses of all other executives are determined based on RCM's operating income and certain other factors at the discretion of the chief executive officer, based on the guidelines established by the compensation committee.
- *Long-Term Incentive Compensation:* The compensation committee periodically grants stock options and other RCM securities to RCM executives. The compensation committee intends the grants to be a significant portion of the total executive compensation. The grants are designed to align the interests of each RCM executive with those of the stockholders, and provide each executive with a significant incentive to manage RCM from the perspective of an owner with an equity stake in the business. Grants typically permit executives to acquire RCM's common stock at a fixed price per share (generally, the market price on the grant date) over a specified period of time (usually up to ten years). The grants provide a return to the executive only if the market price of the shares appreciates over the option term.

The compensation committee bases the size of each executive's option grant upon the executive's:

- position with RCM,
- potential for future responsibility over the option term,
- performance in recent periods, and
- current holdings of RCM stock and options.

The compensation committee believes that RCM's financial performance is a better indicator of executive achievement than its stock price. The compensation committee examines a number of financial indicators in assessing RCM's performance, including:

- net sales,
- operating income,

- net income, and

9

- earnings per share.

The compensation committee does not base compensation decisions upon any precise formula or accord any one factor greater weight than the other factors.

Compensation of Leon Kopyt, RCM's Chief Executive Officer

Leon Kopyt, RCM's Chief Executive Officer, participates in the same programs as RCM's other executives, and receives compensation based on: the same factors as RCM's other executives, his employment agreement and a termination benefits agreement. Mr. Kopyt's overall compensation reflects his degree of policy and decision-making authority and his level of responsibility with respect to RCM's strategic direction and financial and operational results. Mr. Kopyt's compensation for 2006 was determined based on a study of the compensation of chief executive officers of other companies in the information technology industry, which have financial and corporate characteristics similar to those of RCM. Mr. Kopyt's compensation components for RCM's fiscal year ended December 30, 2006 were as follows:

- *Base Salary:* Mr. Kopyt received a base salary of \$525,000.
- *Annual Incentive Compensation:* Pursuant to Mr. Kopyt's incentive compensation arrangement, Mr. Kopyt received a \$100,000 bonus for the fiscal year ended December 30, 2006 based on the Company's earnings before interest, income taxes, depreciation, and amortization (EBITDA). The bonus represented 19.05% of the base salary.
- *Long-Term Incentive Compensation:* Mr. Kopyt did not receive any long term compensation awards during the fiscal year ended December 30, 2006.

Deductibility Of Executive Compensation

Section 162(m) of the Internal Revenue Code limits the amount of executive compensation RCM may deduct for federal income tax purposes. In general, Section 162(m) only allows a publicly held corporation to deduct up to one million dollars per year of compensation paid to certain executives. The executives whose compensation is subject to limitation under Section 162(m) are those executives who, as of the close of a corporation's taxable year, are either the chief executive officer (or an individual acting in such capacity), or an executive whose compensation is required to be reported to stockholders under the Securities Exchange Act of 1934 by reason of that executive being among the four highest compensated officers of a corporation for the taxable year (other than the chief executive officer). Performance-based compensation is not, however, subject to this deduction limitation if it meets certain requirements. One of the requirements is that performance-based compensation be payable only on the attainment of performance goals that have been approved by a corporation's stockholders. Compensation attributable to the exercise of options that are granted with an exercise price at or above the fair market value of the stock subject to the option under a stockholder-approved stock option plan meeting certain requirements is also qualified as performance-based compensation. The compensation committee has generally attempted to structure the compensation it pays to RCM's executives subject to Section 162(m) so that compensation that would exceed the one million dollar limitation otherwise imposed under Section 162(m) will qualify for the exemption noted above for performance-based compensation.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments in accordance with the requirements of FASB Statement 123(R).

COMPENSATION COMMITTEE REPORT

Compensation Committee

Robert B. Kerr

Compensation of Directors

Our employee directors do not receive any compensation for serving on our Board or its committees, other than the compensation they receive for serving as employees of RCM.

The Board of Directors has approved a compensation package for non-employee directors, which became effective in May 2000. Under the arrangement, each non-employee director receives a retainer fee of \$24,000 per year as compensation for service on the Board. In addition to the retainer fee, each eligible non-employee director is paid meeting attendance fees of \$750 for each Board Meeting and \$300 for each Committee Meeting in excess of four that is held on a date other than the date of a Board Meeting.

All employee and non-employee directors also are eligible to receive options to purchase our common stock and stock appreciation rights under our stock option plans.

The following table lists cash and other compensation paid to, or accrued by us for, our board of directors for our fiscal year ended December 30, 2006.

Director Summary Compensation Table (1)

Name and Principal Position	Fees earned or Paid in Cash	Stock Awards	Option Awards(2)	All Other Compensation	Total
Norman S. Berson (3)			\$ 22,359		\$ 22,359
David Gilfor	\$ 26,600		\$ 16,770		\$ 43,370
Robert B. Kerr	\$ 26,250		\$ 16,770		\$ 43,020

(1) Leon Kopyt, the Company's Chairman and Chief Executive Officer, and Stanton Remer, the Company's Executive Vice President and Chief Financial Officer, are not included in this table as they are employees of the Company and thus receive no compensation for their services as Directors. The compensation received by Messrs. Kopyt and Remer as employees of the Company are shown in the Summary Compensation Table on page 11.

(2) Reflects the dollar amount recognized for financial statement purposes for fiscal year ended December 30, 2006 in accordance with FAS 123 (R), and thus includes amounts from awards granted in and prior to 2006. As of December 30, 2006, each Director has the following number of options outstanding: Norman S. Berson: 60,000; David Gilfor: 35,000; Robert B. Kerr: 55,000.

(3) Mr. Berson has elected not to receive fees for his participation as a board member. Fees paid to the law firm in which Mr. Berson is a member were \$4,175 for the year ended December 30, 2006.

Employment Agreements

Mr. Kopyt's employment agreement provides for an annual base salary of \$525,000, vacation time and other customary benefits. In addition, the agreement provides that Mr. Kopyt's annual bonus will be based on our EBITDA, defined as earnings before interest, taxes, depreciation and amortization.

Mr. Kopyt's employment agreement is for a term of three years and automatically extends each year for an additional one-year period. This employment agreement is terminable upon Mr. Kopyt's death or disability, or for cause, as defined in the agreement.

Change in Control and Termination of Employment Arrangements for Mr. Kopyt

Mr. Kopyt has an agreement with us that provides him with benefits upon a change in control of RCM. Under this agreement, the remaining term of Mr. Kopyt's employment is extended for five years upon a change in control. If, during the term of Mr. Kopyt's employment following a change in control, RCM terminates Mr. Kopyt's employment other than for cause, as defined in the agreement, or Mr. Kopyt terminates his own employment for good reason, also as defined in the agreement, the provisions below will apply. The agreement defines "good reason" as, among other things, a material change in Mr. Kopyt's salary, title or reporting responsibilities, or a change in RCM's office location that requires Mr. Kopyt to

relocate. This agreement includes the following provisions, each of which is effective upon Mr. Kopyt's termination other than for cause or for good reason, in either case following a change in control:

- RCM must pay to Mr. Kopyt a lump sum equal to the total amount of his salary and bonus for the remainder of the five-year term.
- RCM must pay to Mr. Kopyt an amount equal to the sum of all penalties he is assessed (including excise taxes imposed on certain parachute payments) and taxes he incurs as a result of the benefits he will receive under the agreement.

Severance Agreement for Mr. Kopyt

The Company is party to a Severance Agreement with Mr. Kopyt, dated June 10, 2002, (the "Severance Agreement"). The agreement provides for certain payments to be made to Mr. Kopyt and for the continuation of Mr. Kopyt's employee benefits for a specified time after his service with the Company is terminated other than for cause, as defined in the Severance Agreement. Amounts payable to Mr. Kopyt under the Severance Agreement would be offset and reduced by any amounts received by Mr. Kopyt after his termination of employment under his current employment and termination benefits agreements, which are supplemented and not superseded by the Severance Agreement. If Mr. Kopyt had been terminated as of December 30, 2006, then under the terms of the Severance Agreement, and after offsetting any amounts that would have been received under his current employment and termination benefits agreements, he would have been entitled to a lump sum cash payment of \$1,920,833, inclusive of employee benefits.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

We believe that, during our fiscal year ended December 30, 2006, our executive officers and directors made all required filings under Section 16(a) of the Securities Exchange Act on a timely basis. Our belief is based solely on:

- our review of copies of forms filed pursuant to Section 16(a) and submitted to us during and with respect to our fiscal year ended December 30, 2006 and
- representations from the Company's directors, executive officers and beneficial owners of more than 10% of RCM Stock that they have complied with all Section 16(a) filing requirements with respect to 2006.

BOARD MEETINGS AND COMMITTEES

Our Board of Directors has an executive committee, an audit committee and a compensation committee. The committees report their actions to the full Board at the Board's next regular meeting. The following table shows on which of our Board's committees each of our directors served.

Our Board of Directors held five meetings in the fiscal year ended December 31, 2005. The Company does not have a specific written policy with regard to attendance of directors at our annual meetings of stockholders, although board member attendance is strongly encouraged. Each of our five directors attended all Board meetings, including the 2005 Annual Meeting, and all meetings of the committees on which each director served. At each meeting of the Board of Directors, there was an executive session attended only by the Independent Directors.

15

Internal Revenue Service. The Board of Directors has further determined that Robert B. Kerr, Chair of the Audit Committee, is an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K promulgated by the Commission.

Director Nominations

Due to its relatively small size, the Board of Directors does not have a separate nominating committee. Nominees for election to the Board of Directors are selected by a majority of our Independent Directors. The Independent Directors do not have a charter relating to the nominating process. They seek nominees with the highest personal and professional character and integrity, who possess appropriate characteristics, skills, experience and time to make a significant contribution to the Board of Directors, the Company and its stockholders.

The Independent Directors consider recommendations for nominations from a variety of sources, including directors, business contacts, legal counsel, community leaders and members of management. In addition, the Independent Directors consider stockholder recommendations for director nominees that are received in a timely manner. Nominees proposed by shareholders will be considered using the same criteria and in the same manner as all other nominees. All such stockholder recommendations should be submitted in writing in care of Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109 no later than December 29, 2007.

Communications with the Board

Stockholders may send communications to the Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific committee of the Board of Directors, in care of Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. In general, all stockholder communications sent to our Secretary for forwarding to the Board of Directors or to specified Board members will be forwarded in accordance with the sender's instructions. However, our Secretary reserves the right not to forward any personally abusive or otherwise inappropriate materials.

PROPOSAL 2

**APPROVAL OF THE RCM TECHNOLOGIES, INC.
2007 OMNIBUS EQUITY COMPENSATION PLAN**

On April 12, 2007, the Board of Directors adopted, subject to stockholder approval at the 2007 Annual Meeting, the RCM Technologies, Inc. 2007 Omnibus Equity Compensation Plan (the "Plan"). The Board of Directors has directed that the proposal to approve the Plan be submitted to our stockholders for their approval at the 2007 Annual Meeting. Also, stockholder approval is being sought (i) so that the compensation attributable to grants under the Plan may qualify for an exemption from the \$1 million deduction limit under Section 162(m) of the Internal Revenue Code (the "Code") (see discussion of Section 162(m) under the section entitled "Federal Income Tax Consequences" beginning on page 21 of this proxy statement), (ii) in order for incentive stock options to meet the requirements of the Code, and (iii) in order to meet the NASDAQ corporate governance listing standards.

The Plan is intended to replace our 1996 Executive Stock Option Plan (the 1996 Plan), which terminated by its terms on January 1, 2007. In addition to the 1996 Plan, we maintain the 2000 Incentive Stock Option Plan (the 2000 Plan), and have outstanding grants of stock options under our 1994 Non-Employee Directors Stock Option Plan (the 1994 Plan) and our 1992 Employee Stock Option Plan (the 1992 Plan). As of March 31, 2007, there were outstanding options to purchase 73,455 shares under the 1992 Plan, 70,000 shares under the 1994 Plan, 988,545 shares under the 1996 Plan, and 493,000 shares under the 2000 Plan. In addition, there are 34,194 shares available for issuance under our 2000 Plan for future grants.

The Board of Directors believes that the approval of the Plan by our stockholders will further our compensation structure and strategy by providing us with the ability to grant different forms of equity awards, as well as increase the pool of shares of our common stock available for grant. Our ability to attract, retain and motivate top quality employees, non-employee directors, and consultants is material to our success, and the Board of Directors has concluded that this would be enhanced by our ability to make grants under the Plan. In addition, the Board of Directors believes that our interests and the interests of our stockholders will be advanced if we can offer our employees, non-employee directors, and consultants the opportunity to acquire or increase their proprietary interests in us.

The material terms of the Plan are summarized below. This summary of the Plan is not intended to be a complete description of the Plan and is qualified in its entirety by the actual text of the Plan to which reference is made, which is attached to this proxy as Annex A.

Material Features of the Plan

General. The Plan provides that grants may be in any of the following forms: (i) incentive stock options, (ii) nonqualified stock options (incentive stock options and nonqualified stock options collectively are referred to as options), (iii) stock appreciation rights (SARs), (iv) stock units, (v) performance shares, (vi) stock awards, and (vii) other stock-based awards.

Subject to adjustment in certain circumstances as described below, the aggregate number of shares of common stock that may be issued or transferred under the Plan is 700,000 shares; provided however, that no more than 350,000 shares of our common stock in the aggregate may be issued pursuant to grants of stock awards, stock units, performance shares and other stock-based awards. If and to the extent options and SARs granted under the Plan terminate, expire or are cancelled, forfeited, exchanged, or surrendered without having been exercised or if any stock awards, stock units, performance shares, or other stock-based awards are forfeited or terminated, or otherwise not paid in full, the shares subject to such grants which have not been issued will become available again for purposes of the Plan. To the extent any grants are paid in cash, and not in shares of common stock any shares reserved for issuance pursuant to such grants will again be available for grant under the Plan. To the extent SARs are exercised under the Plan, the total number of shares of common stock subject to the exercised portion of the SAR will count against the number of shares reserved for issuance under the Plan if shares of common stock are paid out upon exercise of the SAR.

The Plan provides that the maximum aggregate number of shares of common stock that may be made with respect to grants to any individual during any fiscal year is 300,000 shares, subject to adjustment as described below.

If approved by the stockholders, the Plan will become effective on June 15, 2007.

Administration. The Plan is administered and interpreted by our Compensation Committee; however, an independent committee of the Board of Directors will make grants under the Plan to our non-employee directors. The Compensation Committee has the authority to (i) determine the individuals to whom grants will be made under the Plan, (ii) determine the type, size, and terms of the grants, (iii) determine the time

when grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the possible acceleration of exercisability upon death, disability, retirement or a change in control, (iv) amend the terms of any previously issued grant, subject to the limitations described below, (v) adopt guidelines separate from the Plan that set forth the specific terms and conditions for grants under the Plan, and (vi) deal with any other matters arising under the Plan. The determinations of the Compensation Committee are made in its sole discretion and are final, binding, and conclusive. The Compensation Committee presently consists of Messrs Gilfor and Kerr, each of whom is a non-employee director. Day-to-day administrative functions of the Plan may be performed by our employees, as approved by the Compensation Committee.

Eligibility for Participation. All of our employees (including officers and members of the Board of Directors) and the employees of our subsidiaries are eligible for grants under the Plan. Our non-employee directors, including non-employee directors of our subsidiaries, are also eligible to receive grants under the Plan. All of our consultants, including consultants of our subsidiaries, are also eligible to receive grants under the Plan. As of March 31, 2007, approximately 2,200 employees, three non-employee directors, and 300 consultants will be eligible to receive grants under the Plan.

Types of Awards

Stock Options

The Compensation Committee may grant options intended to qualify as incentive stock options within the meaning of Section 422 of the Code (ISOs), so-called nonqualified stock options that are not intended to so qualify (NQSOs), or any combination of ISOs and NQSOs. Anyone eligible to participate in the Plan may receive a grant of NQSOs. Only our employees and employees of our subsidiaries may receive a grant of ISOs.

The Compensation Committee fixes the exercise price per share for options on the date of grant. The exercise price of any option granted under the Plan will be equal to or greater than the fair market value of the underlying shares of common stock on the date of grant; however, if a participant who will be granted an ISO is a person who holds more than 10% of the total combined voting power of all classes of our outstanding stock or any of our subsidiaries, the exercise price per share of an ISO granted to such person must be at least 110% of the fair market value of a share of common stock on the date of grant. To the extent that the aggregate fair market value of shares of common stock, determined on the date of grant, with respect to which ISOs become exercisable for the first time by a participant during any calendar year exceeds \$100,000, such ISOs will be treated as NQSOs.

The Compensation Committee determines the term of each option, provided, however, that the term may not exceed ten years from the date of grant and, if the recipient of an ISO is a person who holds more than 10% of the combined voting power of all classes of our outstanding stock or any of our subsidiaries, the term for such person may not exceed five years from the date of grant. The vesting period for options commences on the date of grant and ends on such date as is determined by the Compensation Committee, in its sole discretion, which is specified in the grant letter. Options may be exercised while the participant is employed by us or providing service to us or within a specified period of time after termination of such employment or service, as determined by the Compensation Committee. A participant may exercise an option by delivering notice of exercise to us or our designated agent. The participant will pay the exercise price and any withholding taxes for the option: (i) in cash or by certified or cashier's check, (ii) with the approval of the Compensation Committee, by delivering shares of our common stock already owned by the participant and having a fair market value on the date of exercise equal to the exercise price or through attestation to ownership of such shares, (iii) in cash, on the T+3 settlement date that occurs after the exercise date specified in the notice of exercise, or (iv) by such other method as the Compensation Committee may approve, to the extent permitted by applicable law.

SARs

The Compensation Committee may grant SARs to anyone eligible to participate in the Plan. Upon exercise of an SAR, the participant will receive an amount equal to the excess of the fair market value of the common stock on the date of exercise over the base amount set forth in the grant letter. Such payment to the participant will be in cash, in shares of common stock, or in a combination of cash and shares of common stock, as determined by the Compensation Committee. The Compensation Committee will determine the period when SARs vest and become exercisable, the base amount for SARs, and whether SARs will be granted in connection with, or independently of, any options. SARs may be exercised while the participant is employed by us or providing service to us or within a specified period of time after termination of such employment or service, as determined by the Compensation Committee.

Stock Units

The Compensation Committee may grant stock units to anyone eligible to participate in the Plan. Each stock unit provides the participant with the right to receive a share of common stock or an amount based on the value of a share of common stock at a future date. The Compensation Committee determines the number of stock units that will be granted, whether stock units will become payable if specified performance goals or other conditions are met, and the other terms and conditions applicable to the stock units. Stock units may be paid at the end of a specified period or deferred to a date authorized by the Compensation Committee. If a stock unit becomes distributable, it will be paid to the participant in cash, in shares of common stock, or in a combination of cash and shares of common stock, as determined by the Compensation Committee. No performance-based Stock Units shall vest over a period of less than one year and all time-based Stock Units shall vest over a period of not less than three years.

Performance Shares

The Compensation Committee may grant performance shares to anyone eligible to participate in the Plan. Each performance share provides the participant with the right to receive a share of common stock or an amount based on the value of a share of common stock if specified performance goals are met. The Compensation Committee determines the number of performance shares that will be granted, the performance goals, the target amount that will be paid, and the other terms and conditions applicable to the performance shares. Payments with respect to performance shares will be made in cash, in shares of common stock, or in a combination of cash and shares of common stock, as determined by the Compensation Committee. All Performance Shares shall vest over a period of not less than one year.

Stock Awards

The Compensation Committee may grant stock awards to anyone eligible to participate in the Plan. The Compensation Committee may require that participants pay consideration for the stock awards and may impose restrictions on the stock awards. If restrictions are imposed on stock awards, the Compensation Committee will determine whether they will lapse over a period of time or according to such other criteria as the Compensation Committee determines appropriate. The Compensation Committee determines the number of shares of common stock subject to the grant of stock awards and the other terms and conditions of the grant. Unless the Compensation Committee determines otherwise, a participant will have the right to vote shares of common stock and to receive dividends or other distributions paid on such shares during the restriction period. The Compensation Committee may determine that a participant's entitlement to dividends or other distributions with respect to stock awards will be subject to the achievement of performance goals or other conditions. All performance-based Stock Awards shall vest over a period of not less than one year and all time-based Stock Awards shall vest over a period of not less than three years.

Other Stock-Based Awards

The Compensation Committee may grant other types of stock-based awards that would not otherwise constitute options, SARs, stock units, performance shares, and stock awards. The Compensation Committee may grant other stock-based awards to anyone eligible to participate in the Plan. These grants will be cash-based or based on or measured by shares of our common stock and will be payable in cash, in shares of our common stock, or in a combination of cash and shares of our common stock. The terms and conditions for these grants will be determined by the Compensation Committee. All performance-based Other Stock Based Awards shall vest over a period of not less than one year and all time-based Other Stock Based Awards shall vest over a period of not less than three years.

Qualified Performance Compensation. The Plan permits the Compensation Committee to impose and specify objective performance goals that must be met with respect to grants of stock units, performance shares, stock awards, and other stock-based awards to employees. The Compensation Committee will determine the performance periods for the performance goals. Forfeiture of all or part of any such grant will occur if the performance goals are not met, as determined by the Compensation Committee. Prior to, or soon after the beginning of, the performance period, the Compensation Committee will establish in writing the performance goals that must be met, the applicable performance periods, the amounts to be paid if the performance goals are met, and any other conditions.

The performance goals, to the extent designed to meet the requirements of Section 162(m) of the Code, will be based on one or more of the following measures: common stock price, earnings per share of common stock, net earnings, operating earnings, return on assets, stockholder return, return on equity, growth in assets, unit volume, sales, market share, or strategic business criteria consisting of one or more objectives based on meeting specific revenue goals, market penetration goals, geographic business expansion goals, cost goals, or goals relating to acquisitions or divestitures. The foregoing measures may be based on the employee's business unit or our performance, our subsidiaries, us and our subsidiaries as a whole, or a combination of the foregoing.

Deferrals. The Compensation Committee may permit or require participants to defer receipt of the payment of cash or the delivery of shares of common stock that would otherwise be due to the participant in connection with a grant under the Plan. The Compensation Committee will establish the rules and procedures applicable to any such deferrals.

Adjustment Provisions. If there is any change in the number or kind of shares of common stock by reason of a stock dividend, spinoff, recapitalization, stock split, or combination or exchange of shares; by reason of a merger, reorganization, or consolidation; by reason of a recapitalization or change in par value or by reason of any other extraordinary or unusual event affecting the outstanding shares of common stock as a class without our receipt of consideration, or if the value of outstanding shares of common stock is substantially reduced as a result of a spinoff or our payment of an extraordinary dividend or distribution, the number of shares of common stock available for grants, the limit on the number of shares of common stock for which any individual may receive pursuant to grants in any fiscal year, the number of shares covered by outstanding grants, the kind of shares to be issued or transferred under the Plan, and the price per share or the applicable market value of such grants will be equitably adjusted by the Compensation Committee, in such manner as the Compensation Committee deems appropriate, to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of common stock in order to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such grants.

Change in Control. In the event of a change in control, grants will automatically become fully vested and exercisable, as applicable, but only with respect to those participants who, in the good faith determination and sole discretion of the Compensation Committee, are likely to have their relationship with us or our successor terminated (including a constructive termination through a significant decrease in authority, responsibility or overall total compensation) as a result of such change in control.

If a change in control occurs where we are not the surviving corporation (or we survive as a subsidiary of another corporation), unless the Compensation Committee determines otherwise, all outstanding options and SARs that are not exercised will be assumed by, or replaced with comparable options and rights by, the surviving corporation (or a parent or subsidiary of the surviving corporation), and other grants that remain outstanding will be converted to similar grants of the surviving corporation (or a parent or subsidiary of the surviving corporation).

Further, in the event of a change in control, the Compensation Committee may take any of the following actions: (i) determine that outstanding options and SARs will automatically accelerate and become fully or partially exercisable; (ii) determine that the restrictions and conditions on outstanding stock awards will fully or partially lapse; (iii) provide that participants holding outstanding performance shares will receive payment in settlement of all or a portion of such performance shares, in an amount determined by the Compensation Committee, based on the participant's target payment for the performance period and the portion of the performance period that precedes the change in control; (iv) determine that outstanding stock units will become payable in cash or common stock in an amount not less than their target amount, as determined by the Compensation Committee; (v) provide that other stock-based awards will become payable, in full or in part, in cash or common stock, in amounts determined by the Compensation Committee; (vi) require the surrender of outstanding options and SARs for payment in cash, common stock or other property, equal to the difference between the exercise price or base amount and the fair market value of the common stock; (vii) after providing participants with the ability to exercise their outstanding options and SARs, terminate such options and SARs; and/or (viii) with respect to outstanding stock units, performance shares or other stock-based awards, provide for a payment in settlement of such grants in an amount and form determined by the Compensation Committee.

Foreign Participants. If any individual who receives a grant under the Plan is subject to taxation in countries other than the United States, the Plan provides that the Compensation Committee may make grants to such individuals on such terms and conditions as the Compensation Committee determines appropriate to comply with the laws of the applicable countries.

Repricing of Options. The Plan includes a restriction providing that, without stockholder approval, neither the Compensation Committee nor the Board of Directors can amend or replace options previously granted under the Plan in a transaction that constitutes a repricing, as that term is defined under the NASDAQ corporate governance listing standards. Adjustments to the exercise price or number of shares of common stock subject to an option to reflect the effects of a stock split or other extraordinary corporate transaction will not constitute a repricing.

Amendment and Termination of the Plan. The Board of Directors may amend or terminate the Plan at any time, subject to stockholder approval if such approval is required under any applicable laws or stock exchange requirements. No grants may be issued under the Plan after June 15, 2016.

Grants Under the Plan. No grants have been awarded under the Plan. It is currently not possible to predict the number of shares of common stock that will be granted or who will receive any grants under the Plan after stockholder approval at the meeting.

The last sales price of our common stock on April 9, 2007 was \$7.81 per share.

Federal Income Tax Consequences

The federal income tax consequences arising with respect to grants awarded under the Plan will depend on the type of grant. The following provides only a general description of the application of federal income tax laws to certain grants under the Plan. This discussion is intended for the information of stockholders considering how to vote at the meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of grants made, the identity of the recipients, and the method of

payment or settlement. The summary does not address the effects of other federal taxes (including possible golden parachute excise taxes) or taxes imposed under state, local, or foreign tax laws.

From the recipients' standpoint, as a general rule, ordinary income will be recognized at the time of payment of cash or delivery of actual shares of common stock. Future appreciation on shares of common stock held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares of common stock are sold. We, as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and we will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient.

Exceptions to these general rules may arise under the following circumstances: (i) if shares of common stock, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment-, service-, or performance-related condition, ordinary income taxation and our tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to ignore the risk of forfeiture); (ii) if an employee is granted an option that qualifies as an incentive stock option, no ordinary income will be recognized, and we will not be entitled to any tax deduction, if shares of common stock acquired upon exercise of such option are held more than the longer of one year from the date of exercise and two years from the date of grant; (iii) we will not be entitled to a tax deduction for compensation attributable to grants to our chief executive officer or any of our four other most highly compensated officers, if and to the extent such compensation does not qualify as performance-based compensation under Section 162(m) of the Code, and such compensation, along with any other non-performance-based compensation paid in the same calendar year, exceeds \$1 million; and (iv) a grant may be taxable to the recipient at 20 percentage points above ordinary income tax rates at the time it becomes vested, plus interest, even if that is prior to the delivery of the cash or common stock in settlement of the grant, if the grant constitutes deferred compensation under Section 409A of the Code, and the requirements of Section 409A of the Code are not satisfied.

Section 162(m) of the Code generally disallows a publicly held corporation's tax deduction for compensation paid to its chief executive officer or any of its four other most highly compensated officers in excess of \$1,000,000 in any year. Compensation that qualifies as performance-based compensation is excluded from the \$1,000,000 deductibility cap and therefore remains fully deductible by the corporation that pays it. We intend that options and SARs will qualify as performance-based compensation. Stock units, performance shares, stock awards, and other stock-based awards granted under the Plan will only qualify as performance-based compensation when the Compensation Committee conditions such grants on the achievement of specific performance goals in accordance with the requirements of Section 162(m) of the Code.

The Plan provides that we have the right to require the recipient of any grant under the Plan to pay to us an amount necessary to satisfy our federal, state, or local tax withholding obligations with respect to such grants. We may withhold from other amounts payable to such individual an amount necessary to satisfy these obligations. If the Compensation Committee permits, a participant may satisfy our withholding obligation by having shares acquired pursuant to the grant withheld, provided that the number of shares withheld does not exceed the individual's minimum applicable withholding tax rate for federal, state, and local tax liabilities. The Plan also provides that the Compensation Committee may permit a participant to satisfy our withholding obligation that exceeds the minimum applicable withholding tax rate by transferring to us previously acquired shares of our common stock.

Votes Required for Approval of Proposal No. 2

The affirmative vote of a majority of the votes cast by all the stockholders entitled to vote for this proposal will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to this proposal will be counted for purposes of determining whether there is a quorum. However, under Nevada

law, a proxy marked ABSTAIN is not considered a vote cast. Accordingly, an abstention will have no effect on the approval of this proposal.

Recommendation of the Board of Directors

THE BOARD HAS UNANIMOUSLY APPROVED THE 2007 OMNIBUS EQUITY COMPENSATION PLAN AND RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF PROPOSAL NO. 2.

PROPOSAL 3

**RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT ACCOUNTANTS**

Our Audit Committee has selected Grant Thornton LLP to act in the capacity of independent accountants for the current fiscal year. Ratification and approval by the stockholders will be sought by the Board of Directors for the selection of Grant Thornton LLP as independent accountants to audit our accounts and records for the fiscal year ending December 29, 2007, and to perform other appropriate services. The affirmative vote of a majority of the outstanding shares of our voting stock is required to ratify the selection of Grant Thornton LLP. In the event that a majority of the shares voted at the Annual Meeting do not vote for ratification of the selection of Grant Thornton LLP, the Audit Committee will reconsider such selection.

Representatives of Grant Thornton LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by stockholders.

Fees Billed by Grant Thornton LLP during 2006 and 2005

Audit Fees. Fees billed to the Company by Grant Thornton LLP during 2006 and 2005 for audit services rendered by Grant Thornton LLP for the audit of the Company's annual financial statements for such years, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q during such years, and for services that are normally provided by Grant Thornton LLP in connection with statutory and regulatory filings or engagements, totaled \$169,000 and \$149,000, respectively.

Audit-Related Fees. Fees billed to the Company by Grant Thornton LLP during 2006 and 2005 for audit-related services that were reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the preceding paragraph totaled \$0 and \$10,700, respectively.

Tax Fees. Fees billed to the Company by Grant Thornton LLP during 2006 and 2005 for professional services rendered for tax compliance, tax advice and tax planning totaled \$25,300 and \$37,000 respectively.

All Other Fees. Grant Thornton LLP was engaged by the Company during 2006 and 2005 to perform certain non-audit services. The aggregate fees billed by Grant Thornton LLP for those other services during 2006 and 2005 were \$37,700 and \$16,400, respectively. In fiscal year 2006 and 2005, the fees of \$0 and \$16,400, respectively, related to the audit of the Company's 401(k) plan.

The Audit Committee has considered whether Grant Thornton LLP's provision of services other than professional services rendered for the audit and review of our financial statements is compatible with maintaining Grant Thornton LLP's independence, and has determined that it is so compatible.

The Audit Committee has been informed by Grant Thornton LLP that less than 50 percent of the hours expended on Grant Thornton LLP's engagement to audit our financial statement for the fiscal year ended December 30, 2006 were attributed to work performed by persons other than Grant Thornton LLP's full-time, permanent employees.

All audit, audit-related, tax and other services were pre-approved by the Audit Committee pursuant to applicable regulations. The Audit Committee currently pre-approves all engagements of the Company's accountants to provide both audit and non-audit services, and has not established formal pre-approval policies or procedures. The Audit Committee did not approve any non-audit services pursuant to Rule 2-01(c)(7)(i)(C) of Regulation S-X during 2006.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION AND APPROVAL OF THE SELECTION OF GRANT THORNTON LLP AS OUR INDEPENDENT ACCOUNTANTS FOR FISCAL 2007.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's outside auditors all financial statements prior to their issuance. Management advised the Committee in each case that all financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant accounting issues with the Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*.

The Committee also discussed with Grant Thornton LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures made to the Committee pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

In addition, the Committee reviewed major initiatives and programs aimed at strengthening the effectiveness of the Company's internal control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 30, 2006 for filing with the Securities and Exchange Commission.

CORPORATE GOVERNANCE MATTERS

Stockholder Communications with the Board. Stockholders may send communications to the Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific committee of the Board of Directors, care of Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. In general, all stockholder communications sent to our Secretary for forwarding to the Board of Directors, or to specified Board members, will be forwarded in accordance with the sender's instructions. However, our Secretary reserves the right to not forward to Board members any abusive, threatening or otherwise inappropriate materials.

Director Attendance at Annual Meetings. The Company encourages all of the directors to attend the annual meeting of stockholders. The 2006 Annual Meeting of Stockholders was attended by all of the directors.

Code of Conduct and Code of Ethics. We have adopted a Code of Conduct applicable to all of our directors, officers and employees. In addition, we have adopted a Code of Ethics, within the meaning of applicable Commission rules, applicable to our Chief Executive Officer, Chief Financial Officer and Controller. Both our Code of Conduct and Code of Ethics are available free of charge by sending a written request to Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. If we make any amendments to either of these Codes (other than technical, administrative, or other non-substantive amendments), or waive (explicitly or implicitly) any provision of the Code of Ethics to the benefit of our Chief Executive Officer, Chief Financial Officer or Controller, we will disclose the nature of the amendment or waiver, its effective date and to whom it applies in the investor relations portion of our website at www.rcmt.com, or in a report on Form 8-K that we file with the Commission.

Related Party Transaction Approval Policy. Our Code of Conduct mandates that officers and directors bring promptly to the attention of our Compliance Officer, currently our Chief Financial Officer, any transaction or series of transactions that may result in a conflict of interest between that person and the Company. Furthermore, our Audit Committee must review and approve any related party transaction as defined in Item 404(a) of Regulation S-K, promulgated by the Securities and Exchange Commission, before it is consummated. Following any disclosure to our Compliance Officer, the Compliance Officer will then typically review with the Chairman of our Audit Committee the relevant facts disclosed by the officer or director in question. After this review, the Chairman of the Audit Committee and the Compliance Officer determine whether the matter should be brought to the Audit Committee or the full Board of Directors for approval. In considering any such transaction, the Audit Committee or the Board of Directors, as the case may be, will consider various relevant factors, including, among others, the reasoning for the Company to engage in the transaction, whether the terms of the transaction are arm's length and the overall fairness of the transaction to the Company. If a member of the Audit Committee or the Board is involved in the transaction, he or she will not participate in any of the discussions or decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

 - (v) There is a Change in Control of RCM of a nature that would be required to be reported in response to item 1(a) of Current Report on Form 8-K or item 6(e) of Schedule 14A of Regulation 14A or any similar item, schedule or form under the Exchange Act, as in effect at the time of the change, whether or not RCM is then subject to such reporting requirement;
 - (vi) RCM is a subject of a Rule 13e-3 transaction as that term is defined in Exchange Act Rule 13e-3; or
 - (vii) There has occurred a change in control, as such term (or any term of like import) is defined in any of the following documents which is in effect with respect to RCM at the time in question: any note, evidence of indebtedness or agreement to lend funds to RCM, any option, incentive or employee benefit plan of RCM or any employment, severance, termination or similar agreement with any person who is then an employee of the Company.

Section 3. **Administration**

- (a) **Committee**. The Plan shall be administered and interpreted by the Committee. Day to day administrative functions may be performed by employees of RCM, as approved by the Committee.
- (b) **Committee Authority**. The Committee shall have the sole authority to (i) determine the Employees, Consultants and Non-Employee Directors to whom Grants shall be made under the Plan; (ii) determine the type, size and terms of the Grants to be made to each Participant; (iii) determine the time when the Grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the possible acceleration of exercisability and vesting, which acceleration may only occur upon death, disability, retirement or a Change in Control (as defined below); (iv) amend the terms of any previously issued Grant, subject to the provisions of Section 19; (v) adopt guidelines separate from the Plan that set forth the specific terms and conditions for Grants under the Plan; and (vi) deal with any other matters arising under the Plan. However, the Board may ratify or

approve any Grants as it deems appropriate and has the authority to administer the Plan. To the extent that the Board makes Grants and administers the Plan, references in the Plan to the Committee shall be deemed to refer to the Board.

(c) Committee Determinations. The Committee shall have full power and express discretionary authority to administer and interpret the Plan, to make factual determinations and to adopt or amend such rules, regulations, agreements and instruments for implementing the Plan and for the conduct of its business as it deems necessary or advisable, in its sole discretion. The Committee's interpretations of the Plan and all determinations made by the Committee pursuant to the powers vested in it hereunder shall be conclusive and binding on all persons having any interest in the Plan or in any Grants awarded hereunder. All powers of the Committee shall be executed in its sole discretion, in the best interest of RCM, not as a fiduciary, and in keeping with the objectives of the Plan and need not be uniform as to similarly situated individuals.

*Section 4. **Grants***

Grants under the Plan may consist of Options, SARs, Stock Units, Performance Shares, Stock Awards and Other Stock-Based Awards. All Grants shall be subject to the terms and conditions set forth herein and to such other terms and conditions consistent with the Plan as the Committee deems appropriate and as are specified in writing by the Committee in separate guidelines or to the individual in the Grant Letter or an amendment to the guidelines or Grant Letter. The Committee shall approve the form and provisions of each Grant Letter. Grants under a particular Section of the Plan need not be uniform as among the Participants. All Grants shall be made conditional upon the Participant's acknowledgement, in writing or by acceptance of the Grant, that all decisions and determinations of the Committee shall be final and binding on the Participant, his or her beneficiaries, and any other person having or claiming an interest under such Grant.

*Section 5. **Shares of Stock Subject to the Plan***

(a) Shares Authorized. Subject to adjustment as described below, the aggregate number of shares of Stock that may be issued or transferred under the Plan is 700,000 shares; provided, however, that no more than 350,000 shares of Stock, in the aggregate, may be issued pursuant to grants of Stock Awards, Stock Units, Performance Shares and Other Stock-Based Awards. The Shares may be authorized, but unissued, shares of Stock or reacquired shares of Stock, including shares purchased by RCM on the open market for purposes of the Plan. Grants paid in cash shall not count against the foregoing share limits.

(b) Share Counting. For administrative purposes, when the Committee makes a Grant payable in Stock, the Committee shall reserve shares of Stock equal to the maximum number of shares of Stock that may be payable under the Grant. If and to the extent Options or SARs granted under the Plan terminate, expire, or are canceled, forfeited, exchanged or surrendered without having been exercised or if any Stock Awards, Stock Units, Performance Shares or Other Stock-Based Awards are forfeited or terminated, or otherwise not paid in full, the shares subject to such Grants which have not been issued shall again be available for purposes of the Plan. To the extent any Grants are paid in cash, and not in shares of Stock, any shares previously reserved for issuance or transfer pursuant to such Grants shall again be available for issuance or transfer under the Plan. To the extent SARs are exercised under the Plan, the total number of shares of Stock subject to the exercised portion of the SAR shall count against the number of shares reserved for issuance under the Plan if shares of Stock are paid out upon exercise of the SAR.

(c) Individual Limits. All Grants under the Plan shall be expressed in shares of Stock. The maximum aggregate number of shares of Stock with respect to which all Grants may be made under the Plan to any individual during any fiscal year shall be 300,000 shares, subject to adjustment as described below. The individual limit described in this subsection (c) shall apply without regard to whether the

Grants are to be paid in Stock or in cash. All cash payments shall equal the Fair Market Value of the shares of Stock to which the cash payment relates.

(d) **Adjustments.** If there is any change in the number or kind of shares of Stock outstanding (i) by reason of a stock dividend, spinoff, recapitalization, stock split, or combination or exchange of shares; (ii) by reason of a merger, reorganization or consolidation; (iii) by reason of a reclassification or change in par value; or (iv) by reason of any other extraordinary or unusual event affecting the outstanding Stock as a class without RCM's receipt of consideration, or if the value of outstanding shares of Stock is substantially reduced as a result of a spinoff or RCM's payment of an extraordinary dividend or distribution, the maximum number of shares of Stock available for issuance under the Plan, the maximum number of shares of Stock for which any individual may receive pursuant to Grants in any year, the number of shares covered by outstanding Grants, the kind of shares to be issued or transferred under the Plan, and the price per share or the applicable market value of such Grants shall be equitably adjusted by the Committee, in such manner as the Committee deems appropriate, to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of Stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such outstanding Grants; provided, however, that any fractional shares resulting from such adjustment shall be eliminated. In addition, in the event of a Change in Control, the provisions of Section 17 of the Plan shall apply. Any adjustments to outstanding Grants shall be consistent with section 409A and 422 of the Code, to the extent applicable. Any adjustments determined by the Committee shall be final, binding and conclusive.

Section 6. Eligibility for Participation

(a) **Eligible Persons.** All Employees, including Employees who are officers or members of the Board, and all Non-Employee Directors shall be eligible to participate in the Plan. Consultants are eligible to participate in the Plan if they perform bona fide services for the Company, the services are not in connection with the offer or sale of securities in a capital-raising transaction, and the Consultants do not directly or indirectly promote or maintain a market for RCM's securities.

(b) **Selection of Participants.** The Committee shall select the Employees, Consultants and Non-Employee Directors to receive Grants and shall determine the terms and conditions of the Grant and the number of shares of Stock subject to each Grant.

Section 7. Options

(a) **General Requirements.** The Committee may grant Options to any Employee, Consultant or Non-Employee Director upon such terms and conditions as the Committee deems appropriate under this Section 7.

(b) **Number of Shares.** The Committee shall determine the number of shares of Stock that will be subject to each Grant of Options to Employees, Consultants and Non-Employee Directors.

(c) **Type of Option and Price.**

(i) The Committee may grant Incentive Stock Options or Nonqualified Stock Options or any combination of Incentive Stock Options and Nonqualified Stock Options. Incentive Stock Options may be granted only to Employees of RCM or its Parent or Subsidiaries. Nonqualified Stock Options may be granted to Employees, Consultants and Non-Employee Directors.

(ii) The Option Price shall be determined by the Committee and may be equal to or greater than the Fair Market Value of the shares of Stock subject to the Grant on the Date of Grant; provided, however, that an Incentive Stock Option may not be granted to an Employee who, at the Date of Grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of RCM or any Parent or Subsidiary, unless the Option Price is not less than 110% of the Fair Market Value on the Date of Grant.

(d) Option Term. The Committee shall determine the term of each Option. The term of an Option shall not exceed ten years from the Date of Grant. However, an Incentive Stock Option that is granted to an Employee who, at the Date of Grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of RCM, or any Parent or Subsidiary, may not have a term that exceeds five years from the Date of Grant.

(e) Exercisability of Options. Options shall become exercisable in accordance with such terms and conditions as may be determined by the Committee and specified in the Grant Letter. The Committee may accelerate the exercisability of any or all outstanding Options at any time for any reason.

(f) Termination of Employment or Service. Except as provided in the Grant Letter, an Option may only be exercised while the Participant is employed by, or providing service to, the Company. The Committee shall specify in the Grant Letter under what circumstances and during what time periods a Participant may exercise an Option after termination of employment or service.

(g) Exercise of Options. A Participant may exercise an Option that has become exercisable, in whole or in part, by delivering a notice of exercise to RCM or its designated agent. The Participant shall pay the Option Price and any withholding taxes for the Option (i) in cash or by certified or cashier's check; (ii) with the approval of the Committee, by delivering shares of Stock owned by the Participant and having a Fair Market Value on the date of exercise equal to the Option Price or by attestation (on a form prescribed by the Committee) to ownership of shares of Stock having an aggregate Fair Market Value on the date of exercise equal to the Option Price; (iii) in cash, on the T+3 settlement date that occurs after the exercise date specified in the notice of exercise, provided that the Participant exercises the Option through an irrevocable agreement with a registered broker and the payment is made in accordance with procedures permitted by Regulation T of the Federal Reserve Board and such procedures do not violate applicable law; or (iv) by such other method as the Committee may approve, to the extent permitted by applicable law. Shares of Stock used to exercise an Option pursuant to subsection (ii) shall have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to RCM with respect to the Option. Payment for the shares pursuant to the Option, and any required withholding taxes, must be received by the time specified by the Committee depending on the type of payment being made.

(h) Limits on Incentive Stock Options. Each Incentive Stock Option shall provide that if the aggregate Fair Market Value on the Date of Grant with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year, under the Plan or any other stock option plan of RCM or a Parent or Subsidiary, exceeds \$100,000, then the Option, as to the excess, shall be treated as a Nonqualified Stock Option.

Section 8. SARs

(a) General Requirements. The Committee may grant SARs to any Employee, Consultant or Non-Employee Director, upon such terms and conditions as the Committee deems appropriate under this Section 8. Each SAR shall represent the right of the Participant to receive, upon settlement of the SAR, shares of Stock or cash equal to the amount by which the Fair Market Value of a share of Stock on the date of exercise of the SAR exceeds the base amount of the SAR as described below in Section 8(c).

(b) Terms of SARs. The Committee shall determine the terms and conditions of SARs and may grant SARs separately from or in tandem with any Option (for all or a portion of the applicable Option). Tandem SARs may be granted either at the time the Option is granted or any time thereafter while the Option remains outstanding; provided, however, that in the case of an Incentive Stock Option, SARs may be granted only at the time of the grant of the Incentive Stock Option. The Committee will determine the number of SARs to be granted, the base amount, the vesting and other restrictions applicable to SARs and the period during which SARs will remain exercisable.

(c) Base Amount. The Committee shall establish the base amount of the SAR at the time the SAR is granted; provided, however, that the base amount shall not be less than the Fair Market Value of a share of Stock on the Date of Grant.

(d) Payment With Respect to SARs. The Committee shall determine whether the appreciation in an SAR shall be paid in the form of cash, in Stock, or in a combination of the two, in such proportion as the Committee deems appropriate. For purposes of calculating the number of shares of Stock to be received, Stock shall be valued at its Fair Market Value on the date of exercise of the SAR. If shares of Stock are to be received upon exercise of an SAR, cash shall be delivered in lieu of any fractional share.

(e) Requirement of Employment or Service. The Committee shall determine in the Grant Letter under what circumstances a Participant may retain SARs after termination of the Participant's employment or service, and the circumstances under which SARs may be forfeited.

*Section 9. **Stock Units***

(a) General Requirements. The Committee may grant Stock Units to any Employee, Consultant or Non-Employee Director, upon such terms and conditions as the Committee deems appropriate under this Section 9. Each Stock Unit shall represent the right of the Participant to receive a share of Stock or an amount based on the value of a share of Stock. All Stock Units shall be credited to accounts on RCM's records for purposes of the Plan.

(b) Terms of Stock Units. The Committee may grant Stock Units that are payable if specified performance goals or other conditions are met, or under other circumstances. Stock Units may be paid at the end of a specified period, or payment may be deferred to a date authorized by the Committee. The Committee shall determine the number of Stock Units to be granted and the requirements applicable to such Stock Units; provided, however, that no performance-based Stock Units shall vest earlier than one year after the date of grant and no time-based Stock Units shall fully vest over a period that is less than three years after the date of grant.

(c) Payment With Respect to Stock Units. Payment with respect to Stock Units shall be made in cash, in Stock, or in a combination of the two, as determined by the Committee. The Grant Letter shall specify the maximum number of shares that shall be paid under the Stock Units.

(d) Requirement of Employment or Service. The Committee shall determine in the Grant Letter under what circumstances a Participant may retain Stock Units after termination of the Participant's employment or service, and the circumstances under which Stock Units may be forfeited.

*Section 10. **Performance Shares***

(a) General Requirements. The Committee may grant Performance Shares to an Employee, Consultant or Non-Employee Director, upon such terms and conditions as the Committee deems appropriate under this Section 10. Each Performance Share shall represent the right of the Participant to receive a share of Stock or an amount based on the value of a share of Stock, if specified performance goals are met. All Performance Shares shall be credited to accounts on RCM's records for purposes of the Plan.

(b) Terms of Performance Shares. The Committee shall establish the performance goals and other conditions for payment of Performance Shares. Performance Shares may be paid at the end of a specified performance or other period, or payment may be deferred to a date authorized by the Committee. The Committee shall determine the number of Performance Shares to be granted and the requirements applicable to such Performance Shares; provided, however, that no Performance Shares shall vest earlier than one year after the date of grant.

(c) Payment With Respect to Performance Shares. Payment with respect to Performance Shares shall be made in cash, in Stock, or in a combination of the two, as determined by the Committee. The Committee shall establish in the Grant Letter a target amount to be paid under a Performance Share based on achievement of the performance goals.

(d) Requirement of Employment or Service. The Committee shall determine in the Grant Letter under what circumstances a Participant may retain Performance Shares after termination of the Participant's employment or service, and the circumstances under which Performance Shares may be forfeited.

*Section 11. **Stock Awards***

(a) General Requirements. The Committee may issue or transfer shares of Stock to an Employee, Consultant or Non-Employee Director under a Stock Award, upon such terms and conditions as the Committee deems appropriate under this Section 11. Shares of Stock issued or transferred pursuant to Stock Awards may be issued or transferred for cash consideration or for no cash consideration, and subject to restrictions or no restrictions, as determined by the Committee. The Committee may establish conditions under which restrictions on Stock Awards shall lapse over a period of time or according to such other criteria as the Committee deems appropriate, including restrictions based upon the achievement of specific performance goals; provided, however, that no performance-based Stock Awards shall vest earlier than one year after the date of grant and no time-based Stock Awards shall fully vest over a period that is less than three years after the date of grant.

(b) Number of Shares. The Committee shall determine the number of shares of Stock to be issued or transferred pursuant to a Stock Award and any restrictions applicable to such shares.

(c) Requirement of Employment or Service. The Committee shall determine in the Grant Letter under what circumstances a Participant may retain Stock Awards after termination of the Participant's employment or service, and the circumstances under which Stock Awards may be forfeited.

(d) Restrictions on Transfer. While Stock Awards are subject to restrictions, a Participant may not sell, assign, transfer, pledge or otherwise dispose of the shares of a Stock Award except upon death as described in Section 16. Each certificate, or electronic book entry equivalent, for a share of a Stock Award shall contain a legend giving appropriate notice of the restrictions in the Grant. The Participant shall be entitled to have the legend removed when all restrictions on such shares have lapsed. The Committee may retain possession of any stock certificates for Stock Awards until all restrictions on such shares have lapsed.

(e) Right to Vote and to Receive Dividends. Unless the Committee determines otherwise, the Participant shall have the right to vote shares subject to Stock Awards and to receive any dividends or other distributions paid on such shares during the restriction period. The Committee may determine that a Participant's entitlement to dividends or other distributions with respect to a Stock Award shall be subject to achievement of performance goals or other conditions.

*Section 12. **Other Stock-Based Awards***

The Committee may grant other awards that are cash-based or based on, measured by or payable in Stock to Employees, Consultants or Non-Employee Directors, on such terms and conditions as the Committee deems appropriate under this Section 12; provided, however, that no performance-based Other Stock-Based Awards shall vest earlier than one year after the date of grant and no time-based Other Stock-Based Awards shall fully vest over a period that is less than three years after the date of grant. Other Stock-Based Awards may be granted subject to achievement of performance goals or other conditions and may be payable in Stock or cash, or in a combination of the two, as determined by the Committee in the Grant Letter.

Section 13. Qualified Performance-Based Compensation

- (a) **Designation as Qualified Performance-Based Compensation.** The Committee may determine that Stock Units, Performance Shares, Stock Awards or Other Stock-Based Awards granted to an Employee shall be considered qualified performance-based compensation under section 162(m) of the Code. The provisions of this Section 13 shall apply to any such Grants that are to be considered qualified performance-based compensation under section 162(m) of the Code. To the extent that Grants of Stock Units, Performance Shares, Stock Awards or Other Stock-Based Awards designated as qualified performance-based compensation under section 162(m) of the Code are made, no such Grant may be made as an alternative to another Grant that is not designated as qualified performance based compensation but instead must be separate and apart from all other Grants made.
- (b) **Performance Goals.** When Stock Units, Performance Shares, Stock Awards or Other Stock-Based Awards that are to be considered qualified performance-based compensation are granted, the Committee shall establish in writing (i) the objective performance goals that must be met; (ii) the period during which performance will be measured; (iii) the maximum amounts that may be paid if the performance goals are met; and (iv) any other conditions that the Committee deems appropriate and consistent with the Plan and the requirements of section 162(m) of the Code for qualified performance-based compensation. The performance goals shall satisfy the requirements for qualified performance-based compensation, including the requirement that the achievement of the goals be substantially uncertain at the time they are established and that the performance goals be established in such a way that a third party with knowledge of the relevant facts could determine whether and to what extent the performance goals have been met. The Committee shall not have discretion to increase the amount of compensation that is payable upon achievement of the designated performance goals, but the Committee may reduce the amount of compensation that is payable upon achievement of the designated performance goals.
- (c) **Criteria Used for Objective Performance Goals.** The Committee shall use objectively determinable performance goals based on one or more of the following criteria: Stock price, earnings per share of Stock, net earnings, operating earnings, return on assets, stockholder return, return on equity, growth in assets, unit volume, sales, market share, or strategic business criteria consisting of one or more objectives based on meeting specific revenue goals, market penetration goals, geographic business expansion goals, cost goals, or goals relating to acquisitions or divestitures. The performance goals may relate to the Participant's business unit or the performance of RCM, a Subsidiary, or RCM and its Subsidiaries as a whole, or any combination of the foregoing. Performance goals need not be uniform as among Participants.
- (d) **Timing of Establishment of Goals.** The Committee shall establish the performance goals in writing either before the beginning of the performance period or during a period ending no later than the earlier of (i) 90 days after the beginning of the performance period or (ii) the date on which 25% of the performance period has been completed, or such other date as may be required or permitted under applicable regulations under section 162(m) of the Code.
- (e) **Certification of Results.** The Committee shall certify and announce the results for the performance period to all Participants after RCM announces RCM's financial results for the performance period. The Committee shall determine the amount, if any, to be paid pursuant to each Grant based on the achievement of the performance goals and the terms of each Grant Letter.
- (f) **Death, Disability or Other Circumstances.** The Committee may provide in the Grant Letter that Grants shall be payable, in whole or in part, in the event of the Participant's death or disability, a Change in Control or under other circumstances consistent with the Treasury regulations and rulings under section 162(m) of the Code.

*Section 14. **Deferrals***

The Committee may permit or require a Participant to defer receipt of the payment of cash or the delivery of shares of Stock that would otherwise be due to the Participant in connection with any Grant. The Committee shall establish rules and procedures for such deferrals, which shall be consistent with the requirements of section 409A of the Code and the corresponding Treasury regulations and rulings.

*Section 15. **Withholding of Taxes***

(a) **Required Withholding.** All Grants under the Plan shall be subject to applicable federal (including FICA), state and local tax withholding requirements. RCM may (i) require that the Participant or other person receiving or exercising Grants pay to the Company the amount of any federal, state or local taxes that the Company is required to withhold with respect to such Grants, or (ii) deduct from other wages paid by the Company the amount of any withholding taxes due with respect to such Grants.

(b) **Election to Withhold Shares.** If the Committee so permits, a Participant may elect to satisfy the Company's tax withholding obligation with respect to Grants paid in Stock by having shares withheld, at the time such Grants become taxable, up to an amount that does not exceed the minimum applicable withholding tax rate for federal (including FICA), state and local tax liabilities. In addition, with respect to any required tax withholding amount that exceeds the minimum applicable withholding tax rate, the Committee may permit a Participant to satisfy such tax withholding obligation with respect to such excess amount by providing that the Participant may elect to deliver to RCM shares of Stock owned by the Participant that have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to RCM. The elections described in this subsection (b) must be in a form and manner prescribed by the Committee and may be subject to the prior approval of the Committee.

*Section 16. **Transferability of Grants***

(a) **In General.** Except as provided in this Section 16, only the Participant may exercise rights under a Grant during the Participant's lifetime. A Participant may not transfer those rights except by will or by the laws of descent and distribution, or, with respect to Grants other than Incentive Stock Options, if permitted in any specific case by the Committee, pursuant to a domestic relations order. When a Participant dies, the Successor Participant may exercise such rights in accordance with the terms of the Plan. A Successor Participant must furnish proof satisfactory to RCM of his or her right to receive the Grant under the Participant's will or under the applicable laws of descent and distribution.

(b) **Transfer of Nonqualified Stock Options.** Notwithstanding the foregoing, the Committee may provide in a Grant Letter that a Participant may transfer Nonqualified Stock Options to family members or other persons or entities, consistent with applicable securities laws, according to such terms as the Committee may determine; provided that the Participant receives no consideration for the transfer of a Nonqualified Stock Option and the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer.

*Section 17. **Consequences of a Change in Control***

(a) **Assumption of Grants.** Upon a Change in Control where RCM is not the surviving corporation (or survives only as a subsidiary of another corporation), unless the Committee determines otherwise, all outstanding Options and SARs that are not exercised shall be assumed by, or replaced with comparable options and rights by, the surviving corporation (or a parent or subsidiary of the surviving corporation), and other Grants that remain outstanding shall be converted to similar grants of the surviving corporation (or a parent or subsidiary of the surviving corporation).

(b) Acceleration of Exercisability/Vesting. In the event of a Change in Control, Grants will automatically become fully exercisable and/or vested, as applicable, but only with respect to those Participants who, in the good faith determination and sole discretion of the Committee, are likely to have their relationship with the Company or a successor to the Company terminated (including a constructive termination through a significant decrease in authority, responsibility or overall total compensation) as a result of such Change in Control. This subsection (b) shall be in addition to, and not in lieu of, the actions the Committee may take pursuant to subsection (c) below.

(c) Other Alternatives. Notwithstanding the foregoing, in the event of a Change in Control, the Committee may take any of the following actions with respect to any or all outstanding Grants, without the consent of any Participant: (i) determine that outstanding Options and SARs shall accelerate and become exercisable, in whole or in part; (ii) determine that the restrictions and conditions on outstanding Stock Awards shall lapse, in whole or in part; (iii) provide that Participants holding outstanding Performance Shares shall receive payment, in whole or in part, in settlement of such Performance Shares, in an amount determined by the Committee, based on the Participant's target payment for the performance period and the portion of the performance period that precedes the Change in Control; (iv) determine that outstanding Stock Units shall become payable, in whole or in part, in cash, Stock or other property in an amount not less than their target amount, as determined by the Committee; (v) provide that Other Stock-Based Awards shall become fully payable, in whole or in part, in cash, Stock or other property, in amounts determined by the Committee; (vi) the Committee may require that Participants surrender their outstanding Options and SARs in exchange for a payment by RCM, in cash, Stock or other property, as determined by the Committee, in an amount equal to the amount by which the then Fair Market Value subject to the Participant's unexercised Options and SARs exceeds the Option Price of the Options or the base amount of the SARs, as applicable; (vii) after giving Participants an opportunity to exercise their outstanding Options and SARs, the Committee may terminate any or all unexercised Options and SARs at such time as the Committee deems appropriate; and (viii) with respect to Participants holding Stock Units, Performance Shares or Other Stock-Based Awards, the Committee may determine that such Participants shall receive a payment in settlement of such Stock Units, Performance Shares or Other Stock-Based Awards, in such amount and form as may be determined by the Committee. Such acceleration, surrender, termination or settlement shall take place as of the date of the Change in Control or such other date as the Committee may specify.

*Section 18. **Requirements for Issuance of Shares***

No shares of Stock shall be issued or transferred in connection with any Grant hereunder unless and until all legal requirements applicable to the issuance of such shares have been complied with to the satisfaction of the Committee. The Committee shall have the right to condition any Grant made to any Participant hereunder on such Participant's undertaking in writing to comply with such restrictions on his or her subsequent disposition of such shares of Stock as the Committee shall deem necessary or advisable, and certificates representing such shares may be legended to reflect any such restrictions. Certificates representing shares of Stock issued or transferred under the Plan will be subject to such stop-transfer orders and other restrictions as may be required by applicable laws, regulations and interpretations, including any requirement that a legend be placed thereon.

*Section 19. **Amendment and Termination of the Plan***

(a) Amendment. The Board may amend or terminate the Plan at any time; provided, however, that the Board shall not amend the Plan without approval of the stockholders of RCM if such approval is required in order to comply with the Code or applicable laws, or to comply with applicable stock exchange requirements. No amendment or termination of this Plan shall, without the consent of the Participant, impair any rights or obligations under any Grant previously made to the Participant, unless such right has been reserved in the Plan or the Grant Letter, or except as provided in Section 20(b) below.

(b) No Repricing Without Stockholder Approval. Notwithstanding anything in the Plan to the contrary, without the prior approval of RCM's stockholders, no Grant under the Plan may be repriced, replaced, regranted through cancellation or modified if the effect would be to reduce the exercise price for the shares underlying such Grant; provided, however, that the foregoing shall not apply to any adjustment made to a Grant pursuant to Section 5(d) of the Plan. In addition, without the prior approval of RCM's stockholders, the Committee may not cancel an outstanding Grant that is underwater for the purpose of granting a replacement Grant of a different type.

(c) Stockholder Approval for Qualified Performance-Based Compensation. If Stock Units, Performance Shares, Stock Awards or Other Stock-Based Awards are granted as qualified performance-based compensation under Section 13 above, the Plan must be reapproved by RCM's stockholders no later than the first stockholders meeting that occurs in the fifth year following the year in which the stockholders previously approved the provisions of Section 13, if additional Grants are to be made under Section 13 and if required by section 162(m) of the Code or the regulations thereunder.

(d) Termination of Plan. The Plan shall terminate on the day immediately preceding the tenth anniversary of its Effective Date, unless the Plan is terminated earlier by the Board or is extended by the Board with the approval of the stockholders. The termination of the Plan shall not impair the power and authority of the Committee with respect to an outstanding Grant.

Section 20. Miscellaneous

(a) Grants in Connection with Corporate Transactions and Otherwise. Nothing contained in this Plan shall be construed to (i) limit the right of the Committee to make Grants under this Plan in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business or assets of any corporation, firm or association, including Grants to employees thereof who become Employees, or for other proper corporate purposes, or (ii) limit the right of RCM to grant stock options or make other awards outside of this Plan. Without limiting the foregoing, the Committee may make a Grant to an employee of another corporation who becomes an Employee by reason of a corporate merger, consolidation, acquisition of stock or property, reorganization or liquidation involving RCM in substitution for a grant made by such corporation. The terms and conditions of the substitute Grants may vary from the terms and conditions required by the Plan and from those of the substituted stock incentives. The Committee shall prescribe the provisions of the substitute Grants.

(b) Compliance with Law. The Plan, the exercise of Options and the obligations of RCM to issue or transfer shares of Stock under Grants shall be subject to all applicable laws and to approvals by any governmental or regulatory agency as may be required. With respect to persons subject to section 16 of the Exchange Act, it is the intent of RCM that the Plan and all transactions under the Plan comply with all applicable provisions of Rule 16b-3 or its successors under the Exchange Act. In addition, it is the intent of RCM that the Plan and applicable Grants comply with the applicable provisions of sections 162(m), 409A and 422 of the Code. To the extent that any legal requirement of section 16 of the Exchange Act or sections 162(m), 409A or 422 of the Code as set forth in the Plan ceases to be required under section 16 of the Exchange Act or sections 162(m), 409A or 422 of the Code, that Plan provision shall cease to apply. The Committee may revoke any Grant if it is contrary to law or modify a Grant to bring it into compliance with any valid and mandatory government regulation. The Committee may also adopt rules regarding the withholding of taxes on payments to Participants. The Committee may, in its sole discretion, agree to limit its authority under this Section.

(c) Enforceability. The Plan shall be binding upon and enforceable against RCM and its successors and assigns.

(d) Funding of the Plan; Limitation on Rights. This Plan shall be unfunded. Neither RCM nor any other Company shall be required to establish any special or separate fund or to make any other

segregation of assets to assure the payment of any Grants under this Plan. Nothing contained in the Plan and no action taken pursuant hereto shall create or be construed to create a fiduciary relationship between RCM or any other Company and any Participant or any other person. No Participant or any other person shall under any circumstances acquire any property interest in any specific assets of RCM or any other Company. To the extent that any person acquires a right to receive payment from RCM hereunder, such right shall be no greater than the right of any unsecured general creditor of RCM.

(e) Rights of Participants. Nothing in this Plan shall entitle any Employee, Consultant, Non-Employee Director or other person to any claim or right to receive a Grant under this Plan. Neither this Plan nor any action taken hereunder shall be construed as giving any individual any rights to be retained by or in the employment or service of the Company.

(f) No Fractional Shares. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Grant. The Committee shall determine whether cash, other awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(g) Employees Subject to Taxation Outside the United States. With respect to Participants who are subject to taxation in countries other than the United States, the Committee may make Grants on such terms and conditions as the Committee deems appropriate to comply with the laws of the applicable countries, and the Committee may create such procedures, addenda and subplans and make such modifications as may be necessary or advisable to comply with such laws.

(h) Governing Law. The validity, construction, interpretation and effect of the Plan and Grant Letters issued under the Plan shall be governed and construed by and determined in accordance with the laws of the State of Nevada, without giving effect to the conflict of laws provisions thereof.
