(a) Not applicable.

(b) Not applicable.

(c) Effective May 5, 2008, the Board of Directors of KEMET Corporation (the Company) approved certain additions and modifications to the compensation plan of its Chief Executive Officer, Per-Olof Loof. These additions and modifications are as follows:

a. The annual base salary for the fiscal year ending March 31, 2009 (FY2009) is established at \$585,000. (This is unchanged from the preceding fiscal year.)

b. An annual bonus plan based upon the achievement of certain target financial metrics for FY 2009 has been established. Mr. Loof has the potential to receive a bonus of up to 100% of his annual base salary (the Target Bonus), which is subject to a multiplier equal to 2.0 times the Target Bonus, in each case if the target financial metrics are met or are exceeded by defined parameters. (The maximum bonus payable for FY2009 is, therefore, 2.0 times Mr. Loof's annual base salary.)

c. A long-term incentive plan (LTIP) based upon the achievement of certain target financial metrics for the combined FY2009-FY2010 time period has been established. Mr. Loof has the potential to receive a bonus of up to 100% of his annual base salary (the Target Bonus), which is subject to a multiplier equal to 2.0 times the Target Bonus, in each case if the target financial metrics are met or are exceeded by defined parameters. (The maximum bonus payable for FY2009-FY2010 time period pursuant to the LTIP is, therefore, 2.0 times Mr. Loof's annual base salary.) If the bonus were earned, it would be paid in the form of restricted shares of common stock of the Company based on the closing price of the stock on the date of approval which was \$4.17. Such shares of restricted stock cannot be sold by Mr. Loof while he remains an employee of the Company. The LTIP includes a net share settlement provision whereby shares of restricted stock may be surrendered by Mr. Loof to the Company to satisfy his withholding tax obligations.

d. Under the terms of a previously disclosed short-term incentive plan for FY2008 (the Short-Term Plan), Mr. Loof met certain of the criteria necessary for him to be eligible for the payment of a bonus in the amount of \$117,000. Based upon the financial performance of the Company during FY2008, Mr. Loof advised the Board of Directors of the Company that he was forfeiting his right to receive such payment.

e. Under the terms of a previously disclosed long-term incentive plan for the combined FY2007-FY2008 time period (the Long-Term Plan), Mr. Loof met the criteria of the Long-Term Plan and became eligible to receive a bonus in the amount of \$518,880 payable in shares of restricted stock of the Company. Effective May 5, 2008, the Board of Directors of the Company approved the payment of this bonus amount.
