Forgent Networks, Inc. (the Company) was unable to file its Form 10-K for the fiscal year ended July 31, 2008 by the prescribed due date of October 29, 2008 because the Company was unable to complete its financial statements and the assessment by its management of its internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002 and the rules of the Public Company Accounting Oversight Board. As a result of the intensive efforts required to comply with the requirements of the Sarbanes-Oxley Act, including those under Section 404, the Company could not complete these activities by the prescribed filing deadline without unreasonable effort and expense. The Company continues to dedicate significant resources to the completion of these activities and the Form 10-K and expects to file the Form 10-K by November 13, 2008.
