Audit Committee Report

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of Fund's financial statements, reporting process, and the independent registered public accounting firm (the independent accountants) and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent accountant's qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the Charter) that was most recently

Edgar Filing: Clough Global Opportunities Fund - Form DEF 14A

reviewed and approved by the Board of Trustees on December 10, 2008. The Charter is available at the Fund's website, www.cloughglobal.com. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board of Trustees and to the Audit

Edgar Filing: Clough Global Opportunities Fund - Form DEF 14A

Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit Committee.

In performing its oversight function, at a meeting held on May 13, 2009, the Audit Committee reviewed and discussed with management of the Fund and the independent accountants, Deloitte & Touche LLP, the audited financial statements of the Fund as of and for the fiscal year ended March 31, 2009, and discussed the audit of such financial statements with the independent accountants.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 114, (*The Auditor's communication with those charged with Governance*) as currently modified or supplemented. The Audit Committee also received from the independent accountants the written disclosures and statements required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as adopted by the Public Company Accounting Oversight Board in Rule 3600T and discussed the relationship between the independent accountants and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended March 31, 2009.

The aggregate fees billed in each of the last two fiscal years for products and services provided by Deloitte other than services reported in above under Audit Fees, Audit Related Fees and Tax Fees for fiscal years 2009 and 2008 were \$0 and \$8,000, respectively. The fees billed for fiscal year 2008 were for agreed-upon procedures performed by Deloitte related to asset coverage requirements for the Preferred shares which were redeemed in 2008.

The Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accountant to the Fund and all non-audit services to be provided by the independent registered public accountant to the Fund's investment adviser and service providers controlling, controlled by or under common control with the Fund's investment adviser (affiliates) that provide on-going services to the Fund (a Covered Services Provider), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the investment adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the investment adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent accountants during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related and tax services described above for which Deloitte billed the Fund fees for the fiscal year ended March 31, 2009, were pre-approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's officers and Trustees, officers and Directors of the investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's Common Shares to file reports of ownership and changes in ownership with the SEC and the NYSE Amex and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the reports filed with the SEC and upon representations that no Forms 5 were required to be filed, the Fund believes that during fiscal year ended March 31, 2009, all Section 16(a) filing requirements applicable to Fund officers, Trustees and greater than 10% beneficial

owners were complied with except in two instances. The initial statement of beneficial ownership of securities on Form 3 of Ms. Lauren E. Motley, Assistant Treasurer, was not filed within ten days after the event by which Ms. Motley became a reporting person. The initial statement of beneficial ownership of securities of Ms. Motley has since been filed with the SEC. Ms. Motley has no beneficial ownership of securities in the Fund. A statement of change of beneficial ownership on Form 4 of Mr. Andrew C. Boynton, a Trustee of the Fund, was not filed before the end of the second business day following the day on which a transaction resulting in a change in beneficial ownership was executed. The statement of change of beneficial ownership of Mr. Boynton has since been filed with the SEC.

Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report dated September 30, 2009.

OTHER MATTERS TO COME BEFORE THE MEETING

All shareholder communications received by the Secretary will be forwarded promptly to the full Board, the relevant Board committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is purely ministerial in nature.
