PROSPECTUS SUMMARY

This summary description about us and our business highlights selected information contained elsewhere in this prospectus or incorporated by reference into this prospectus. It does not contain all the information you should consider before investing in our securities. You should read carefully this prospectus, any accompanying prospectus supplement and any other offering materials, together with the additional information described under "Where You Can Find More Information" and "Incorporation of Certain Information By Reference," each beginning on page 13 of this prospectus.

Our Company

We own and manage retirement communities, assisted living facilities and nursing homes. We deliver skilled nursing, assisted living and home health services through wholly owned separate operating subsidiaries. As of June 30, 2012, we operated 48 facilities, comprised of 38 skilled nursing centers, nine assisted living residences and one independent living/senior housing facility, totaling approximately 4,427 beds/units in operation. Our facilities are located in Arkansas, Alabama, Georgia, Missouri, North Carolina, Ohio and Oklahoma.

We have an ownership interest in 26 of the facilities we operate, consisting of 100% ownership of 18 skilled nursing facilities and eight assisted living facilities. The assisted living facilities that we own operate under the name Hearth & Home, with the tag line "Home is where the hearth is." In addition, we lease 12 of the skilled nursing facilities we operate. We also manage three skilled nursing facilities and one independent living facility for third parties. Furthermore, we are the primary beneficiary in six variable interest entities that own five skilled nursing facilities and one assisted living facility. AdCare and Hearth & Home are our registered trademarks.

We are organized into three main segments: skilled nursing facilities (SNF), assisted living facilities (ALF) and Corporate & Other. The SNF and ALF segments provide services to individuals needing long-term care in nursing home or assisted living settings and management of those facilities. The Corporate & Other segment engages in the management of facilities and provides accounting and information technology services.

2012 Private Placement

On June 28, 2012, we entered into a Securities Purchase Agreement with the certain accredited investors to sell and issue to them in reliance on Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), and Rule 506 of Regulation D promulgated thereunder, an aggregate of \$7,500,000 in principal amount of 8% Subordinated Convertible Notes (the 8% 2012 Notes). The closing of the sale of the 8% 2012 Notes occurred on July 2, 2012 (the 2012 Private Placement).

The 8% 2012 Notes bear interest at a rate of 8.0% per annum, payable quarterly in cash in arrears beginning on September 30, 2012. At any time on or after the six-month anniversary of the date of issuance of the 8% 2012 Notes, the 8% 2012 Notes are convertible into shares of our common stock at an initial conversion price of \$4.17 per share, subject to adjustment for stock dividends, stock splits, combination of shares, recapitalization and other similar events.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form S-3

The 8% 2012 Notes are unsecured and subordinated in right of payment to our existing and future senior indebtedness.

The 8% 2012 Notes mature on July 31, 2015. If at any time on or after the six-month anniversary of the date of issuance of the 8% 2012 Notes, the weighted average price of our common stock for any 20 trading days within a period of 30 consecutive trading days equals or exceeds 200% of the conversion price and the average daily trading volume of our common stock during such 20 days exceeds 50,000 shares, then we may, subject to the satisfaction of certain other conditions, redeem the 8% 2012 Notes in cash at a redemption price equal to the sum of: (i) 100% of the principal amount being redeemed; plus (ii) any accrued and unpaid interest on such principal (the principal amount being redeemed in any context, plus any accrued and unpaid interest thereon, is collectively referred to as the Redemption Amount).

Table of Contents

In addition, the holders of a majority of the aggregate principal amount of the 8% 2012 Notes then outstanding (the Required Holders) may require us to redeem all or a portion of the 8% 2012 Notes upon a change of control transaction, as described in the 8% 2012 Notes, at a redemption price in cash equal to 110% of the Redemption Amount.

During the existence and continuance of an event of default under the 8% 2012 Notes, the outstanding principal amount of the 8% 2012 Notes shall incur interest at a rate of 18% per annum, and the Required Holders may require us to redeem all or any portion of the 8% 2012 Notes at a redemption price in cash equal to the Redemption Amount. An event of default, with respect to each of the 8% 2012 Notes, includes each of the following:

- the suspension from trading or failure of our common stock to be listed on the NYSE MKT or any other national securities exchange for a period of five (5) consecutive trading days or for more than an aggregate of fifteen (15) trading days in any 365-day period;
- our (i) failure to cure a conversion failure by delivery of the required number of shares of our common stock within ten trading days after the applicable conversion date; or (B) notice of our intention not to comply with a request for conversion of any 8% 2012 Notes into shares of our common stock, which request complies with the provisions of the 8% 2012 Notes;
- failure to pay any amount of principal, interest or other amounts by the seventh business day following the date when due under the 8% 2012 Notes;
- specific events of bankruptcy, insolvency, reorganization or liquidation; and
- any event of default occurs with respect to any other 8% 2012 Note.

In connection with the issuance of the 8% 2012 Notes, we entered into a Registration Rights Agreement pursuant to which we have agreed to file, on or before September 14, 2012, the registration statement of which this prospectus forms a part to seek to register the resale of the shares of our common stock issuable upon conversion of the 8% 2012 Notes. In addition, we are required to use commercially reasonable efforts to cause such registration statement to become effective within 120 days of the filing date.

As indicated in this prospectus under Selling Shareholders, several of the buyers of the 8% 2012 Notes also hold our 10% Subordinated Convertible Notes, which were issued in March and April 2011, mature on March 31, 2014, and have a current conversion price of \$5.04 per share (the 10% 2011 Notes).

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form S-3

RISK FACTORS

An investment in our securities involves a high degree of risk and could result in a complete loss of your entire investment. In addition to the lists set forth below, you should carefully consider the specific risks described in our Annual Report on Form 10-K for the year ended December 31, 2011 (the 2011 Annual Report), which is incorporated by reference into this prospectus, the risk factors described under Risk Factors in any applicable prospectus supplement and any risk factors set forth in our other filings with the Securities and Exchange Commission (the SEC) pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), before making an investment decision. As a result, the value of our securities could decline and you could lose part or all of your investment. The foregoing risks are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also materially affect our business, financial condition, results of operations and prospects. See Where You Can Find More Information and Incorporation of Certain Information By Reference beginning on page 13 of this prospectus.

Additional Risks Related to this Offering

The price of our common stock may be subject to volatility.

The market price of our common stock has been, and we expect it to continue to be, subject to significant volatility in response to various factors, many of which are beyond our control, including:

- variations in our operating results;
- changes in the general economy, and more specifically in the economies in which we operate;
- the departure of any of our key executive officers and directors;
- the level and quality of securities analysts coverage for our common stock;
- announcements by us or our competition of significant acquisitions, strategic partnerships or other transactions; and
- changes in federal, state, and local health-care regulations to which we are subject.

Sales of a significant number of shares of our common stock in the public markets, or the perception that such sales could occur, could depress the market price of our common stock and impair our ability to raise capital.

Sales of a substantial number of shares of our common stock or other equity-related securities in the public markets, including the issuance of our common stock upon exercise of our options or warrants or conversion of our 8% 2012 Notes, 10% 2011 Notes or 10% 2010 Notes, could depress the market price of our common stock. Such sales also may impair our ability to raise capital through the sale of additional equity securities in the future at a time and price that our management deems acceptable, if at all.

We do not anticipate declaring any cash dividends on our common stock.

We have never declared or paid cash dividends with respect to our common stock. We currently intend to retain any future earnings to fund the operation and growth of our business. We do not anticipate paying cash dividends on our common stock in the foreseeable future.

Takeover defense provisions may adversely affect the market price of our common stock.

Various provisions of Ohio corporation law and of our corporate governance documents may inhibit changes in control not approved by our Board of Directors and may have the effect of depriving our investors of an

Table of Contents

opportunity to receive a premium over the prevailing market price of our common stock in the event of an attempted hostile takeover. In addition, the existence of these provisions may adversely affect the market price of our common stock. These provisions include:

- a requirement that special meetings of stockholders be called by our Board of Directors, the Chairman, the President, or the holders of shares with voting power of at least 25%;
- staggered terms among our directors with three classes of directors and only one class to be elected each year;
- advance notice requirements for shareholder proposals and nominations; and
- availability of blank check preferred stock.

* Represents less than 1% of the issued and outstanding shares of our common stock as of August 31, 2012.

(1) For purposes of this table, beneficial ownership is determined in accordance with Rule 13d-3 under the Exchange Act, pursuant to which a selling shareholder is deemed to have beneficial ownership of any shares of our common stock that such selling shareholder has the right to acquire within 60 days of August 31, 2012.

(2) The number of shares of our common stock beneficially owned by the selling shareholders prior to the offering and the number of shares of our common stock being offered by this prospectus for the account of the selling shareholders represent shares of our common stock issuable upon conversion of the 8% 2012 Notes, unless otherwise indicated.

(3) Shares of our common stock are beneficially owned directly by the selling shareholder, unless otherwise indicated. Under the terms of the 8% 2012 Notes, 10% 2011 Notes and 10% 2010 Notes, a selling shareholder holding any such notes may not convert such notes to

the extent such conversion would cause such selling shareholder, together with its affiliates, to beneficially own a number of shares of our common stock which

would exceed 4.99% (or 9.99% upon the election of the holder) of our then outstanding shares of our common stock following such conversion, excluding for purposes of such determination the number of shares of our common stock issuable upon (i) conversion of the such notes which have not been converted and (ii) exercise or conversion of the unexercised or unconverted portion of any other of our securities subject to an analogous limitation on conversion or exercise. The number of shares of our common stock beneficially owned by the selling shareholders prior to the offering and after the offering does not reflect this limitation.

(4) In accordance with the terms of a Registration Rights Agreement we entered into in connection with the 2012 Private Placement, this prospectus covers the resale of at least 120% of the maximum number of shares of our common stock issuable upon conversion of the 8% 2012 Notes as of the trading day immediately preceding the date the registration statement of which this prospectus forms a part is initially filed with the SEC. Because the conversion price of the 8% 2012 Notes may be adjusted, the number of shares that will actually be issued upon conversion of the 8% 2012 Notes may be more or less than the number of shares being offered by this prospectus.

(5) Based upon 13,958,132 shares of our common stock outstanding as of August 31, 2012. For the purposes of computing the percentage of outstanding shares of our common stock held by the selling shareholders named above, any shares which any selling shareholder has the right to acquire within 60 days of August 31, 2012, are deemed to be outstanding.

(6) Assumes that all shares of our common stock being offered and registered hereunder are sold, although the selling shareholders are not obligated to sell any such shares.

(7) Represents: (i) 4,796 shares of our common stock issuable upon conversion of 8% 2012 Notes; (ii) 4,960 shares of our common stock issuable upon conversion of 10% 2011 Notes; and (iii) 2,756 shares of our common stock issuable upon exercise of a warrant with an exercise price of \$4.13 per share which expires on September 30, 2013.

(8) David Benaderet, the Trustee of David Benaderet (Revocable Trust), has sole voting and investment control with respect to the shares of our common stock registered hereby for the account of David Benaderet (Revocable Trust).

(9) Represents: (i) 71,942 shares of our common stock issuable upon conversion of 8% 2012 Notes; and (ii) 39,683 shares of our common stock issuable upon conversion of 10% 2011 Notes issued in the name of David H. Benaderet; and (iii) 27,563 shares of our common stock issuable upon exercise of a warrant with an exercise price of \$4.13 per share, which expires on September 30, 2013 issued in the name of David H. Benaderet.

(10) Represents: (i) 9,592 shares of our common stock issuable upon conversion of 8% 2012 Notes; (ii) 2,976 shares of our common stock issuable upon conversion of 10% 2011 Notes; and (iii) 2,756 shares of our common stock issuable upon exercise of a warrant with an exercise price of \$4.13 per share which expires on September 30, 2013.

**DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION
FOR SECURITIES ACT LIABILITIES**

While indemnification for liabilities under the Securities Act is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the SEC, indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not such indemnification is against public policy as expressed in the Securities Act. We will be governed by the final adjudication of the issue.

Table of Contents**PART II****INFORMATION NOT REQUIRED IN THE PROSPECTUS****ITEM 14. Other Expenses of Issuance and Distribution**

The expenses relating to the registration of the securities will be borne by the Registrant. Such expenses (except the SEC registration fee) are estimated to be as follows:

Legal fees and expenses		20,000
Blue sky fees		3,000
Printing and Miscellaneous		9,560

ITEM 15. Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of our officers and directors to the extent currently permitted by the Ohio Revised Code.

Section 1701.13(E) of the Ohio Revised Code (Section 1701.13) provides in regard to indemnification of directors and officers as follows:

(1) A corporation may indemnify or agree to indemnify any person who was or is a party or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him on connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form S-3

(2) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorneys' fees, actually and reasonably incurred by him on connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect to any of the following:

(a) Any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;

- (b) Any action or suit in which the only liability asserted against a director is pursuant to Section 1701.95 of the Ohio Revised Code.
- (3) To the extent that a director, trustee, officer, employee, member, manager, or agent has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in division (E)(1) or (2) of Section 1701.13, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the action, suit, or proceeding.

Such determination shall be made as follows:
- (a) By a majority vote of a quorum consisting of directors of the indemnifying corporation who were not and are not parties to or threatened with the action, suit, or proceeding referred to in division (E)(1) or (2) of Section 1701.13;

- (c) By the shareholders;
- (d) By the court of common pleas or the court in which the action, suit, or proceeding referred to in division (E)(1) or (2) of Section 1701.13 was brought.

Any determination made by the disinterested directors under division (E)(4)(a) or by independent legal counsel under division (E)(4)(b) of Section 1701.13 shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the corporation under division (E)(2) of Section 1701.13, and, within ten days after receipt of such notification, such person shall have the right to petition the court of common pleas or the court in which such action or suit was brought to review the reasonableness of such determination.

- (5) (a) Unless at the time of the director's act or omissions that is the subject of an action, suit, or proceeding referred to in division (E)(1) or (2) of Section 1701.13, the articles or the regulations of a corporation state, by specific reference to this division, that the provisions of this division do not apply to the corporation and unless the only liability asserted against a director in an action, suit, or proceeding referred to in division (E)(1) or (2) of Section 1701.13 is pursuant to section 1701.95 of the Ohio Revised Code, expenses, including attorney's fees, incurred by a director in defending the action, suit, or proceeding shall be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding upon receipt of an undertaking by or on behalf of the director in which he agrees to do both of the following:

on behalf of the director, trustee, officer, employee, member, manager, or agent to repay such amount, if it ultimately is determined that he is not entitled to be indemnified by the corporation.

(6) The indemnification authorized by Section 1701.13 shall not be exclusive of, and shall be in addition to, any other rights granted to those seeking indemnification under the articles, the regulations, any agreement, a vote of shareholders or disinterested directors, or otherwise, both as to action in their official capacities and as to action in another capacity while holding their offices or positions, and shall continue as to a person who has ceased to be a director, trustee, officer, employee, member, manager, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(7) A corporation may purchase and maintain insurance or furnish similar protection, including, but not limited to trust funds, letters of credit, or self-insurance, on behalf of or for any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under Section 1701.13. Insurance may be purchased from or maintained with a person in whom the corporation has a financial interest.

(8) The authority of a corporation to indemnify persons pursuant to division (E)(1) or (2) of Section 1701.13 does not limit the payment of expenses as they are incurred, indemnification, insurance, or other protection that may be provided pursuant to divisions (E)(5), (6) or (7) of Section 1701.13. Divisions (E)(1) or (2) of Section 1701.13 do not create any obligation to repay or return payments made by the corporation pursuant to division (E)(5), (6), or (7).

(9) As used in division (E) of Section 1701.13, corporation includes all constituent entities in a consolidation or merger and the new or surviving corporation, so that any person who is or was a director, officer, employee, trustee, member, manager, or agent of such a constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, shall stand in the same position under Section 1701.13 with respect to the new or surviving corporation as he would if he had serviced the new or surviving corporation in the same capacity.

ITEM 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person

that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public

policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
