The information included or incorporated by reference in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On October 25, 2012, Triton Nautilus Asset Leasing GmbH ( TNAL GMBH ), a wholly-owned indirect Swiss subsidiary of Transocean Ltd. (together with its affiliates, the Company ), entered into a bank credit agreement with a syndicate of lenders and DNB Bank ASA as administrative agent, which established a \$900 million three-year secured revolving credit facility (the New Credit Facility ) that is scheduled to expire on October 25, 2015.

Borrowings under the New Credit Facility are secured by three drilling rigs: Deepwater Champion, Discoverer Americas and Discoverer Inspiration (collectively, the Mortgaged Drilling Rigs ) and are guaranteed by Transocean Ltd. and Transocean Inc. Among other things, the New Credit Facility includes limitations on creating liens, incurring subsidiary debt, transactions with affiliates, sale/leaseback transactions, mergers and the sale of substantially all assets.

The New Credit Facility also includes a covenant imposing a maximum debt to tangible capitalization ratio of 0.6 to 1.0. Commitments and borrowings under the New Credit Facility are subject to mandatory reductions and prepayments, respectively, if a Mortgaged Drilling Rig is sold, an event of loss with respect to a Mortgaged Drilling Rig occurs, a collateral maintenance test is not satisfied or certain other events occur. Borrowings under the New Credit Facility are subject to acceleration upon the occurrence of an event of default.

A default under the Company s public debt indentures, its bank credit agreements, its capital lease contract or any other debt owed by it to unaffiliated entities that exceeds \$125 million could trigger a default under the New Credit Facility and, if not waived by the lenders party thereto, could cause the Company to lose access to the New Credit Facility and result in the foreclosure of those liens securing the New Credit Facility.

TNAL GMBH S commitment fee and lending margin under the New Credit Facility are subject to change based on the credit rating of Transocean Inc. s non-credit enhanced senior unsecured long-term debt supported by the guaranty of Transocean Ltd. ( Debt Rating ). The interest rate margin that is added to LIBOR varies between 0.875% and 2.50% depending on our Debt Rating. Based on our current Debt Rating, the interest rate margin is 2.0%.

We currently have no borrowings outstanding under the New Credit Facility.
