Item 1.01 **Entry into a Material Definitive Agreement**

GasCo Revolving Credit Agreement

Dynegy Power, LLC (GasCo), an indirect wholly owned subsidiary of Dynegy Inc. (Dynegy), as Borrower, entered into a revolving credit agreement (the Revolving Credit Agreement), dated January 16, 2013 (the Closing Date), among GasCo, its parent, Dynegy Gas Investments Holdings, LLC (GasCo Holdings), certain subsidiaries of GasCo party thereto from time to time (the Subsidiary Grantors) and, together with GasCo and GasCo Holdings, the Loan Parties), Royal Bank of Canada, as Administrative Agent, RBC Capital Markets, Deutsche Bank Securities Inc., Barclays Bank PLC, Citigroup Global Markets, Inc., Goldman Sachs Bank USA and UBS Securities LLC, as Joint Bookrunners and Joint Lead Arrangers, other financial institutions party thereto as lenders (the Lenders) and other parties signatory thereto as grantors. The proceeds of the loans under the Revolving Credit Agreement will be used for the ongoing working capital requirements and general corporate purposes of GasCo and its subsidiaries. All capitalized terms used herein but not otherwise defined shall have the meanings given to them in the agreements filed herewith.

The Revolving Credit Agreement creates a 364-day senior secured revolving credit facility with commitments in principal amount of \$150 million (the Revolving Credit Facility), which was available on the Closing Date and which commitment amount may be adjusted pursuant to the terms thereof. Amounts borrowed under the Revolving Credit Agreement that are repaid or prepaid may be re-borrowed. The Revolving Credit Agreement will mature on January 15, 2014 (the Maturity Date) and the unpaid outstanding principal amount of each Revolving Loan thereunder will be repaid on or prior to the Maturity Date. GasCo may reduce the aggregate commitments outstanding under the Revolving Credit Facility without premium or penalty upon notice to the Administrative Agent. GasCo must pay the Administrative Agent a commitment fee for the account of the Lenders, which will accrue at a rate of 0.50% per year on the average daily unused amount of each Lender s commitment under the Revolving Credit Facility.

The Revolving Credit Agreement bears interest, at GasCo s option, at either (a) 3.25% per annum plus the Adjusted LIBO Rate, with respect to any Eurodollar Revolving Loan or (b) 2.25% per annum plus the Alternate Base Rate, with respect to any ABR Revolving Loan. GasCo may elect from time to time to convert all or a portion of the Revolving Loans from an ABR Borrowing into a Eurodollar Borrowing or vice versa. The Revolving Credit Agreement requires a mandatory prepayment only in the event the aggregate Revolving Loans exceed the aggregate Revolving Credit Commitments.

The Revolving Credit Agreement contains customary events of default and affirmative and negative covenants including, subject to certain specified exceptions, limitations on amendments to constitutive documents, liens, capital expenditures, acquisitions, subsidiaries and joint ventures, investments, the incurrence of debt, fundamental changes, asset sales, sale-leaseback transactions, hedging arrangements, restricted payments, changes in nature of business, transactions with affiliates, burdensome agreements, amendments of debt and other material agreements, accounting changes, prepayment of indebtedness or repurchases of equity interests and financial covenants specifying minimum thresholds for GasCo s interest coverage ratios and maximum thresholds for GasCo s total leverage ratio. Under the Revolving Credit Agreement, GasCo must maintain a ratio of Consolidated Total Debt (as defined in the Revolving Credit Agreement) to Consolidated Adjusted EBITDA (as defined in the Revolving Credit Agreement) of at least the following levels for the following periods: Period ending June 30, 2013: 7.00:1.00; Period ending September 30, 2013: 5.50:1.00; Period ending December 31, 2013: 4.50:1.00. GasCo must also maintain a ratio of Consolidated Adjusted EBITDA (as defined in the Revolving Credit Agreement) to Consolidated Cash Interest Expense (as defined in the Revolving Credit Agreement) of at least the following levels for the following periods: Period ending June 30, 2013: 1.25:1.00; Period ending September 30, 2013: 1.75:1.00; Period ending December 31, 2013: 2.25:1.00.

The Revolving Credit Agreement limits distributions from GasCo Holdings to \$135 million per year, provided that as of the date of the proposed distribution, all unrestricted cash and unrestricted Permitted Investments of GasCo and its subsidiaries equals at least \$50 million and that

proceeds of the Revolving Loans are not used to make such distributions.

The liens granted by the applicable Loan Parties secure the loans made under the Revolving Credit Agreement on a pari passu basis with the term loan facility of the Loan Parties under the Term Loan Documents and are governed by that certain Intercreditor Agreement and the other Security Documents entered into by GasCo and the other Loan Parties, parties thereto. The Intercreditor Agreement also sets forth the terms upon which payments will be applied amongst the secured parties thereunder, terms for enforcement of security interests and the terms upon which such security interests may be released. In addition, the Subsidiary Guarantors guarantee GasCo's obligations under the

Revolving Credit Agreement to the collateral trustee pursuant to the Guarantee and Collateral Agreement dated as of August 5, 2011 among GasCo, the Subsidiary Guarantors party thereto and Credit Suisse, Cayman Islands Branch, as the collateral trustee (the Collateral Agreement).

The summaries of the Revolving Credit Agreement, the Intercreditor Agreement and the Collateral Agreement are qualified in their entirety by the full text of those agreements, copies of which are attached hereto as Exhibits 10.1, 10.2 and 10.3, respectively, and incorporated herein by reference.
