2014 ANNUAL MEETING OF STOCKHOLDERS

February 18, 2014

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Standard Financial Corp. to be used at the 2014 Annual Meeting of Stockholders of Standard Financial Corp., which will be held at the Doubletree Hotel Pittsburgh/Monroeville Convention Center, 101 Mall Boulevard, Monroeville, Pennsylvania 15146, on February 18, 2014, at 9:00 a.m., Eastern time, and all adjournments of the annual meeting. In this Proxy Statement, the terms *we*, *our*, and *us* refer to Standard Financial Corp. unless the context indicates another meaning.

Information About the Notice of Internet Availability of Proxy Materials:

Instead of mailing a printed copy of our proxy materials, including our Annual Report, to each stockholder of record, we have decided to provide access to these materials in a fast and efficient manner via the Internet. This reduces the amount of paper necessary to produce these materials, as well as the costs associated with mailing these materials to all stockholders. On January 7, 2014, we began mailing a Notice of Internet Availability of Proxy Materials (the *Notice*) to stockholders of record as of January 2, 2014, and we posted our proxy materials on the website referenced in the Notice (<http://www.standardbankpa.com/stndproxy>). As more fully described in the Notice, stockholders may choose to access our proxy materials on the Internet or may request a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. For those who previously requested printed proxy materials or electronic materials on an ongoing basis, you will receive those materials as you requested.

Proxy Voting

Your vote is important. Please vote your proxy promptly so your shares can be represented, even if you plan to attend the annual meeting. You can vote by Internet, by telephone, or by requesting a printed copy of the proxy materials and using the proxy card. The Notice provided to you contains the necessary codes to vote online or by telephone. If you wish to vote via the Internet, please go to <https://www.rtcoproxy.com/stnd>. If you wish to vote by telephone, please call 1-866-411-6680 using a touch-tone phone and follow the prompted instructions. You may also vote by mail by requesting a paper proxy card using the instructions provided in the Notice. Finally, you may vote in person at the Annual Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our shares of common stock, par value \$0.01 per share, as of the close of business on January 2, 2014 are entitled to one vote for each share then held. As of January 2, 2014, there were 2,990,997 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

As to the election of directors, a stockholder may cast their vote FOR BOTH NOMINEES proposed by the Board, to WITHHOLD AUTHORITY FOR BOTH NOMINEES or to vote FOR one or more of the nominees being proposed. Directors are elected by a plurality of votes cast at the annual meeting, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of S.R. Snodgrass, A.C. as our independent registered public accounting firm, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on the ratification. The affirmative vote of a majority of the votes cast at the annual meeting is required for the ratification of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2014, without regard to either broker non-votes or proxies marked ABSTAIN.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

Due to the deregistration of Standard Financial Corp.'s common stock from the reporting requirements of the Securities Exchange Act of 1934, we are no longer required to conduct a non-binding, advisory vote on executive compensation from our stockholders. Accordingly, our Board of Directors determined not to conduct such a vote this year.

As provided in Section D of Article 5 of our Articles of Incorporation, record holders who beneficially own in excess of 10% of the outstanding shares of our common stock are not entitled to vote any shares held in excess of the 10% limit. Subject to certain exceptions, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person. The Board of Directors of Standard Financial Corp. is authorized to construe and apply the provisions of Section D of Article 5 of the Articles of Incorporation, and to make all determinations it deems necessary or desirable to implement them, including determining the number of shares beneficially owned by any person, and to demand certain information from any person who is reasonably believed to beneficially own stock in excess of the 10% limit and reimbursement for all expenses incurred by Standard Financial Corp. in connection with an investigation conducted by the Board of Directors pursuant to the provisions of Article 5, Section D of the Articles of Incorporation.

If you have selected a broker, bank, or other intermediary to hold your common stock rather than having the shares directly registered in your name with our transfer agent, Registrar and Transfer Company, you will receive instructions directly from your broker, bank, or other intermediary in order to vote your shares. Your brokerage firm may also provide the ability to vote your proxy by telephone or online. Please be advised that if you choose not to vote your proxy, your brokerage firm has the authority under applicable stock market rules to only vote your shares FOR or AGAINST routine matters. The election of directors is deemed to be a non-routine matter. Accordingly, we urge you to vote by following the instructions provided by your broker, bank, or other intermediary.

Persons and groups who beneficially own in excess of 5% of our shares of common stock were required to file certain reports with the Securities and Exchange Commission regarding such ownership pursuant to the Securities Exchange Act of 1934. The following table sets forth, as of January 2, 2014, the shares of our common stock beneficially owned by each person known to us who was the beneficial owner of more than 5% of the outstanding shares of our common stock.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies solicited on behalf of our Board of Directors will be voted in accordance with the directions given thereon. **You can vote online at www.rtcoproxy.com/std, by telephone at 1-866-411-6680 toll-**

free on a touch-tone phone, or by requesting a printed copy of the proxy materials and proxy card. Proxies we receive that are signed, but contain no instructions for voting, will be voted FOR the proposals set forth in this Proxy Statement for consideration at the annual meeting.

Proxies may be revoked by sending written notice of revocation to the Secretary of Standard Financial Corp. at the address shown above, or by returning a duly executed proxy bearing a later date by mail, or voting on a later date by Internet or telephone. The presence at the annual meeting of any stockholder who had given a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the annual meeting or delivers a written revocation to the Secretary prior to the voting of such proxy.

SOLICITATION OF PROXIES

Standard Financial Corp. will bear the entire cost of soliciting proxies from you. We will also reimburse brokers, fiduciaries, and custodians for their costs in forwarding proxy materials to beneficial owners of our stock. Other proxy solicitation expenses that we will pay include those for preparing, mailing, returning, and tabulating the proxies. Standard Financial Corp. has not retained a proxy solicitor. If necessary, Standard Financial Corp. may use several of its regular employees, who will not be specifically compensated, to solicit proxies from stockholders, personally or by telephone, facsimile or letter. We will reimburse their expenses for doing this.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members, and is divided into three classes. Our bylaws provide that one class of directors is to be elected annually. Our directors are generally elected to serve for a three-year period, or a shorter period if the director is elected to fill a vacancy, and until their respective successors shall have been elected and shall qualify. Two directors will be elected at the annual meeting and will serve until their successors have been elected and qualified. The Nominating and Corporate Governance Committee has nominated William T. Ferri and David C. Mathews to serve as directors for three-year terms. Each individual is currently a member of the Board of Directors.

The table below sets forth certain information regarding the composition of our Board of Directors, including the terms of office of Board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to a nominee) will be voted at the annual meeting for the election of the nominees identified below. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Nominating and Corporate Governance Committee may recommend. At this time, the Board of Directors knows of no reason why the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

Board Independence

The Board of Directors has determined that each of our directors, with the exception of directors Timothy Zimmerman and David Mathews, is independent as defined in the listing rules of the Nasdaq Stock Market. Messrs. Zimmerman and Mathews are not independent because they are employees of Standard Bank.

At September 30, 2013, Standard Bank had two loans outstanding to entities in which Director Ferri had an ownership interest, with an aggregate balance of \$527,548 and one loan to Director Rennie with a balance of \$117,000, respectively. Each of these loans were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public, and did not involve more than the normal risk of collectability or present other unfavorable features. At September 30, 2013, Standard Bank had no additional loans outstanding with any of its directors or executive officers.

Board Leadership Structure and Risk Oversight

Our Board of Directors is chaired by Terence L. Graft, who is a non-executive director. This structure ensures a greater role for the independent directors in the oversight of Standard Financial Corp. and Standard Bank, and active

participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

The Board of Directors is actively involved in oversight of risks that could affect Standard Financial Corp. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding such committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within Standard Financial Corp. Risks relating to the direct operations of Standard Bank are further overseen by the Board of Directors of Standard Bank, which consists of the same individuals who serve on the Board of Directors of Standard Financial Corp. The Board of Directors of Standard Bank also has additional committees that conduct risk oversight and they typically meet jointly with the committees of Standard Financial Corp. All committees are responsible for the establishment of policies that guide management and staff in the day-to-day operation of Standard Financial Corp. and Standard Bank, such as lending, risk management, asset/liability management, investment management and others.

Meetings and Committees of the Board of Directors

The business of Standard Financial Corp. is conducted at regular and special meetings of the full Board and its standing committees. In addition, our independent directors meet in executive sessions. The standing committees consist of the Executive, Audit, Compensation and Nominating and Corporate Governance Committees. During the fiscal year ended September 30, 2013, the Board of Directors of Standard Financial Corp. met at six regular meetings and had no special meetings. No member of the Board or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which he or she has been a director); and (ii) the total number of meetings held by all committees of the board on which he or she served (during the periods that he served).

The duties and responsibilities of the Executive, Compensation, Audit and Nominating and Corporate Governance Committees are as follows:

Executive Committee. The Board of Directors has delegated to the Executive Committee the power and authority to act on its behalf in between Board meetings. The Board has designated the president and two or more of the other directors to constitute the Executive Committee. The current members of the Executive Committee consist of Director Graft, who serves as Chairman, and Directors Ferri, Mathews, Walker and Zimmerman. The Executive Committee met six times in fiscal year 2013.

Compensation Committee. The Compensation Committee is composed of independent (as defined in the Nasdaq corporate governance listing standards), non-employee directors. The current members of the Compensation Committee consist of Directors Graft, who serves as Chairman, Ferri and Walker. The Compensation Committee has a written charter, which is available on our website at www.standardbankpa.com. The Compensation Committee met three times during the fiscal year ended September 30, 2013.

Pursuant to the Compensation Committee's Charter, the Compensation Committee approves the compensation objectives for Standard Financial Corp. and Standard Bank and establishes the compensation for the President and Chief Executive Officer and other executives. Our President and Chief Executive Officer provide recommendations to the Compensation Committee on matters of compensation philosophy, plan design and the general guidelines for employee compensation. These recommendations are then considered by the Compensation Committee. However, Mr. Zimmerman does not vote on and is not present for any discussion of his own compensation.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

The Compensation Committee, in performing its duties and responsibilities with respect to director and executive officer compensation, relies on the assistance of our Human Resources Department. In addition, during the fiscal year ended September 30, 2013, the Compensation Committee retained Pearl Meyer and Partners to provide market survey salary data and recommendations with respect to Board and senior executive management compensation.

Audit Committee. The Audit Committee consists of Directors Walker, who serves as Chairman, Cofer, Ferri and Rennie. Each member of the Audit Committee is independent as defined in the Nasdaq corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3. The Board of Directors has determined that Mr. Walker qualifies as an audit committee financial expert as that term is used in the rules and regulations of the Securities and Exchange Commission. Information with respect to the experience of Mr. Walker is included in

Directors. Our Audit Committee has a written charter, which is available on our website at www.standardbankpa.com. The Audit Committee of Standard Financial Corp. met four times during the fiscal year ended September 30, 2013.

Among other activities, the Audit Committee assists the Board of Directors in overseeing the integrity of our financial statements; overseeing our compliance with legal and regulatory requirements; overseeing the independent registered public accountant's qualifications and independence; overseeing the performance of our independent registered public accountant and of our internal audit function; and overseeing our system of disclosure controls and system of internal controls regarding finance, accounting, and legal compliance.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of at least three directors who are independent as defined in the Nasdaq corporate governance listing standards. The current members of the Nominating and Corporate Governance Committee consist of Directors Cofer, who serves as Chairman, Graft and Rennie. The Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.standardbankpa.com. The Nominating and Corporate Governance Committee of Standard Financial Corp. met one time during the fiscal year ended September 30, 2013.

Pursuant to the Nominating and Corporate Governance Committee charter, the Nominating and Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as Board members, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing our corporate governance guidelines. The Nominating and Corporate Governance Committee also considers and recommends the nominees for director to stand for election at our annual meeting of stockholders.

If the candidate is deemed eligible for election to the Board of Directors, the Committee will consider the following criteria in selecting nominees, as described in more detail in the Committee's Criteria for Director Nominees:

- contribution to the board;
- experience;
- familiarity with and participation in local community;
- integrity;
- stockholder interests and dedication; and
- independence.

The Committee will also consider any other factors it deems relevant to a candidate's nomination, including the extent to which the candidate helps the Board of Directors reflect the diversity of our stockholders, employees, customers and communities. The Committee also may consider the current composition and size of the Board of Directors, the balance of management and independent directors, and the need for audit committee expertise.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

The Committee may weigh the foregoing criteria differently in different situations, depending on the composition of the Board of Directors at the time. The Board of Directors will maintain at least one director who meets the definition of "audit committee financial expert" under Securities and Exchange Commission regulations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating and Corporate Governance Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

In addition to meeting these qualifications, a person is not qualified to serve as a director if he or she: (1) is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year, (2) is a person against whom a banking agency has, within the past ten years, issued a cease and desist order for conduct involving dishonesty or breach of trust and that order is final and not subject to appeal, or (3) has been found either by a regulatory agency whose decision is final and not subject to appeal or by a court to have (i) breached a fiduciary duty involving personal profit, or (ii) committed a willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency. In addition, no person may serve on the Board of Directors and at the same time be a director or officer of another co-operative bank, credit union, savings bank, savings and loan association, bank, trust company or holding company thereof (in each case whether chartered under state, federal or other law) that engages in business activities in the same market area as Standard Financial Corp. or any of its subsidiaries or in any county contiguous to such market area. At least two-thirds

of the members of the Board of Directors must be residents of Pennsylvania or reside within a 100-mile radius of an office of Standard Bank. No person 75 years or older shall be eligible for election, re-election, appointment or reappointment to the Board of Directors, unless such person was a director of Standard Bank on June 1, 1998.

The Committee does not have a formal policy or specific guidelines regarding diversity among Board members, and generally views and values diversity from the perspective of professional and life experiences, as well as geographic location, representative of the markets in which we do business. The Committee recognizes that diversity in professional and life experiences may include consideration of gender, race, or national origin, in identifying individuals who possess the qualifications that the Committee believes are important to be represented on the Board.

Procedures for the Recommendation of Director Nominees by Stockholders. The Nominating and Corporate Governance Committee has adopted procedures for the submission of recommendations for director nominees by stockholders. Stockholders can submit the names of qualified candidates for Director by writing to us at 2640 Monroeville Boulevard, Monroeville, Pennsylvania 15146, Attention: Corporate Secretary. Edgar Filing: Standard Financial Corp. - Form DEF 14A

- Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in our Bylaws.

A stockholder of Standard Financial Corp. who wants to communicate with the Board of Directors or with any individual director may write to: Board of Directors, Standard Financial Corp., 2640 Monroeville Boulevard, Monroeville, Pennsylvania 15146, Attention: Corporate Secretary. The letter should indicate that the author is a stockholder of Standard Financial Corp. and, if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

- Forward the communication to the Director or Directors to whom it is addressed;
- Attempt to handle the inquiry directly (for example, where it is a request for information about Standard Financial Corp. or it is a stock-related matter); or

- Not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board or Executive Committee meeting, the Corporate Secretary shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors on request.

Attendance at Annual Meetings of Stockholders

Although we do not have a formal written policy regarding director attendance at annual meetings of stockholders, it is expected that directors will attend these meetings absent unavoidable scheduling conflicts. Six directors attended the 2013 Annual Meeting of Stockholders.

Code of Ethics

The Board of Directors has adopted a Code of Ethics for Senior Officers that is applicable to our senior financial officers, including our principal executive officer, principal financial officer, principal accounting officer and all officers performing similar functions. A copy of the Code of Ethics for Senior Officers can be found in the Investor Relations Corporate Governance section of our website, www.standardbankpa.com.

Audit Committee Report

The Audit Committee has issued a report that states as follows:

- we have reviewed and discussed with management and the independent registered public accounting firm our audited consolidated financial statements for the fiscal year ended September 30, 2013;
- we have discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended; and
- we have received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communication with the Audit Committee concerning independence, and have discussed with the independent registered public accounting firm their independence.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2013 for filing with the Securities and Exchange Commission. This report has been provided by the Audit Committee, which consists of Directors Walker (Chairman), Cofer, Ferri and Rennie.

Section 16(a) Beneficial Ownership Reporting Compliance

Our common stock was registered pursuant to Section 12(b) of the Securities Exchange Act of 1934 during most of fiscal 2013. The officers and directors of Standard Financial Corp. and beneficial owners of greater than 10% of our shares of common stock (10% beneficial owners) were required to file reports on Forms 3, 4 and 5 with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership. Securities and Exchange Commission rules require disclosure in our Proxy Statement and Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of the shares of our common stock to file a Form 3, 4 or 5 on a timely basis. Based on our review of such ownership reports, we believe that no officer, director or 10% beneficial owner of Standard Financial Corp. failed to file such ownership reports on a timely basis for the fiscal year ended September 30, 2013.

Employment Agreements. Standard Financial Corp. and Standard Bank entered into an employment agreement with each of Timothy K. Zimmerman, Colleen M. Brown and Paul A. Knapp (referred to below as the executives or executive) effective October 6, 2010. Our continued success depends to a significant degree on the skills and competence of these officers, and the employment agreements are intended to ensure that we maintain a stable management base following the offering. The discussion below addresses the employment agreements entered into with the executives.

The employment agreement with Mr. Zimmerman provides for a three-year term and the employment agreements with Ms. Brown and Mr. Knapp provide for a two-year term, subject to daily renewal. The current base salaries are \$290,604 for Mr. Zimmerman, \$157,600 for Ms. Brown and \$108,200 for Mr. Knapp. The agreements also provide for participation in employee benefit plans and programs maintained for the benefit of senior management personnel, including discretionary bonuses, participation in stock-based benefit plans, and certain fringe

benefits as described in the agreements.

Upon termination of an executive's employment for cause, as defined in each of the agreements, the executive will receive no further compensation or benefits under the agreement. If we terminate the executive for reasons other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason constructive termination (as defined in each of the agreements), the executive will receive an amount equal to the base salary, cash bonus and employer contributions to benefit plans that would have been payable for the remaining term of the agreement, payable in a lump sum. We will also continue to pay for each executive's life, health, vision and dental coverage for up to three years (two years for Ms. Brown and Mr. Knapp), with the executive responsible for his or her share of the employee insurance premium.

In the event of a change in control, followed within 12 months by the executive's termination for a reason other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason constructive termination (as defined in each of the agreements), the executive will receive an amount equal to the greater of (a) the payments described in the immediately preceding paragraph, or (b) an amount equal to the

three times (two times for Ms. Brown and Mr. Knapp) annual compensation (as defined in each of the agreements, and includes taxable income and employer contributions to tax-qualified and non-qualified deferred compensation plans) that would have been payable for 36 months (24 months for Ms. Brown and Mr. Knapp), payable in a lump sum. We will also continue to pay for each executive's life, health, vision and dental coverage for up to three years (two years for Ms. Brown and Mr. Knapp), with the executive responsible for the executive's share of the employee insurance premium.

Upon termination of employment that would entitle the executive to a severance payment (other than a termination in connection with a change in control), the executive will be required to adhere to a one-year non-competition provision. The executive will be required to release us from any and all claims in order to receive any payments and benefits under their agreements. We will agree to pay all reasonable costs and legal fees of the executives in relation to the enforcement of the employment agreements, provided the executives succeed on the merits in a legal judgment, arbitration proceeding or settlement. The employment agreements also provide for indemnification of the executives to the fullest extent legally permissible.

Assuming the executives had been terminated in connection with a change in control, Mr. Zimmerman, Ms. Brown and Mr. Knapp would have received aggregate severance payments of approximately \$1,118,000, \$397,000 and \$272,000, respectively, based upon each executive's current level of compensation.

Change in Control Agreements. Standard Bank entered into change-in-control agreements with three additional officers effective October 6, 2010. The change-in-control agreements provide a benefit in the event of involuntary termination of employment or resignation for a good reason (as defined in each of the agreements) equal to two times the sum of the executive's base salary and the highest bonus earned during the prior three years, payable in a lump sum, and the continuation of non-taxable medical and dental coverage for a two-year period, with the executive responsible for his or her share of the employee premium. The amount of the payment to be made in connection with a change in control will be reduced, if necessary, to an amount that is \$1.00 less than the amount that would otherwise be an excess parachute payment under Section 280G of the Internal Revenue Code of 1986, as amended.

Cash Incentives/Bonuses. The purpose of offering cash incentives is to provide structured annual cash award opportunities to key management personnel for their contributions to the achievement of strategic organizational objectives of Standard Financial Corp as well as specific individual performance goals. The participants' incentives are determined primarily based on company-wide performance measures, and are adjusted at the discretion of the Compensation Committee. The company-wide performance measures include profitability, asset quality, risk management and peer group comparison components. The target amount of the bonus for the participants is the sum of the percentage achievement of company-wide performance measures and individual performance goals expressed as a percentage of base salary, with a target incentive of 25% for Mr. Zimmerman, 17.5% for Ms. Brown and 15% for Mr. Knapp.

Phantom Stock Agreements. Standard Bank entered into substantially identical Phantom Stock Appreciation Rights Agreements (Phantom Stock Agreement) with executives and directors in 2002 to provide participants with an incentive opportunity to share in Standard Bank's performance and value creation. Directors Graft, Walker, Cofer and our Named Executive Officers, Mr. Zimmerman, Ms. Brown and Mr. Knapp, have each entered into a Phantom Stock Agreement. Under each Phantom Stock Agreement, a participant was initially credited with a one-time allocation of phantom stock. Phantom stock is used solely as a measurement tool and it represents a *hypothetical* share of Standard Bank (Phantom Stock). Each year, a participant's phantom stock account is credited with a dollar amount equal to the annual appreciation in the Phantom Stock share price times the number of shares of Phantom Stock initially credited to the participant. The Phantom Stock share price is determined by dividing the Capital Account, as defined in the Phantom Stock Agreement, by the total number of outstanding Phantom Stock shares. Participants were entitled to the appreciation in the price of the Phantom Stock, and not the value of the one-time grant of Phantom Stock that was credited to the participants' accounts in connection with implementing the Phantom Stock Agreements.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

In connection with the mutual to stock conversion on October 6, 2010, the Phantom Stock Agreements were frozen with no future benefits accruing. Participants began to receive cash distributions pursuant to their

distribution elections, commencing on January 1, 2012. A participant's interest in his or her phantom stock account vested over 5 years, at 20% each year, and consequently all directors and executives are 100% vested.

Equity Incentive Plan. In 2012, our stockholders approved the Standard Financial Corp. 2012 Equity Incentive Plan (the "Equity Incentive Plan"), which provides officers, employees and directors of Standard Financial Corp. with additional incentives to promote our growth and performance. Most of the companies that we compete with for directors and management-level employees are public companies that offer equity compensation as part of their overall director and officer compensation programs. By approving the Equity Incentive Plan, our stockholders have given us the flexibility we need to continue to attract and retain highly qualified officers and directors by offering a competitive compensation program that is linked to the performance of our common stock.

The Equity Incentive Plan authorizes the issuance of up to 486,943 shares of Standard Financial Corp. common stock pursuant to grants of restricted stock awards, incentive stock options and non-qualified stock options; provided, however, that the maximum number of shares of stock that may be delivered pursuant to the exercise of stock options is 347,817 (all of which may be granted as incentive stock options) and the maximum number of shares of stock that may be issued as restricted stock awards is 139,126.

The Equity Incentive Plan is administered by the members of Standard Financial Corp.'s Compensation Committee of the Board of Directors (the "Committee") who are "Disinterested Board Members," as defined in the Equity Incentive Plan. The Committee has the authority and discretion to select the persons who will receive awards; establish the terms and conditions relating to each award; adopt rules and regulations relating to the Equity Incentive Plan; and interpret the Equity Incentive Plan. The Equity Incentive Plan also permits the Committee to delegate all or any portion of its responsibilities and powers.

Our employees and outside directors are eligible to receive awards under the Equity Incentive Plan. Awards may be granted in a combination of restricted stock awards, incentive stock options and non-qualified stock options. The exercise price of stock options granted under the Equity Incentive Plan may not be less than the fair market value on the date the stock option is granted. Stock options are subject to vesting conditions and restrictions as determined by the Committee.

The Committee approved awards under the Equity Incentive Plan on July 26, 2012. All stock options and restricted stock awards are subject to time-based vesting. The stock option grants and time-based restricted stock awards made to date vest over a five-year period, with 20% of the awards vesting each year. The recipients of restricted stock awards are entitled to receive the cash dividends paid on all restricted stock awards, whether such awards are vested or not.

Stock awards under the Equity Incentive Plan will be granted only in whole shares of common stock. All restricted stock and stock option grants will be subject to conditions established by the Committee that are set forth in the award agreement. All awards granted under the Equity Incentive Plan will vest upon death, disability or involuntary termination of employment or service following a change in control (as defined in the Equity Incentive Plan) of Standard Financial Corp.

Tax-Qualified Benefit Plans

Edgar Filing: Standard Financial Corp. - Form DEF 14A

401(k) Plan. Standard Bank participates in the Pentegra Financial Institutions Thrift Plan, a multi-employer 401(k) plan, which provides benefits to substantially all of our employees (the 401(k) Plan). Employees of Standard Bank who are 21 or older and have completed one year of service are eligible to participate in the 401(k) Plan (Participants). Participants may contribute up to 50% of their annual compensation to the 401(k) Plan on a pre-tax basis, subject to limits prescribed by law. Standard Bank provides a 401(k) match equal to 50% of the Participant s salary deferral on the first 6% of compensation, for a maximum employer matching contribution of 3% of a Participant s pre-tax compensation. Employer contributions are subject to a six-year graded vesting schedule, with 20% vesting after two years of service and an additional 20% vest after each following year of credited service, so that a participant is 100% vested after six years of credited service. Participants are always 100% vested in their salary deferrals. Participants will also become 100% vested in the employer contributions allocated to their accounts upon attainment of normal retirement age or in the event of the participant s death or disability. Participants may invest their accounts in the investment options provided under the 401(k) Plan. Participants may request a

withdrawal from their accounts in the event they incur a financial hardship. A Participant will become eligible for distribution of his or her 401(k) Plan benefit upon termination of employment and a Participant that satisfies certain eligibility requirements may request distributions of certain portions of their account balance while employed. Participants may elect to receive payments of their benefits in a lump sum or in installments, provided that their account balance equal or exceeds \$500. During the fiscal years ended September 30, 2013 and 2012, Standard Bank recognized \$87,000 and \$91,000, respectively, as a 401(k) Plan expense.

Defined Benefit Pension Plan. Standard Bank participates in the Pentegra Defined Benefit Plan for Financial Institutions Retirement Fund, a multi-employer pension plan (the Pentegra DB Plan). Effective August 1, 2005, the annual benefit provided to employees under the Pentegra DB Plan was frozen. Freezing the Pension Plan eliminated all future benefit accruals; however, the accrued benefit as of August 1, 2005 remains. During the fiscal years ended September 30, 2013 and 2012, Standard Bank recognized \$152,000 and \$165,000, respectively, as pension expense and made \$89,000 and \$141,000, respectively, as contributions to the Pentegra DB Plan. Standard Bank may maintain or terminate the Pension Plan as circumstances warrant.

Employee Stock Ownership Plan. In connection with the mutual to stock conversion, Standard Bank adopted an Employee Stock Ownership Plan (ESOP) for eligible employees. Eligible employees commenced participation in the ESOP on the later of October 6, 2010 or upon the first entry date commencing on or after the eligible employee's completion of 1,000 hours of service during a continuous 12-month period and the attainment of age 21.

The ESOP trustee purchased, on behalf of the ESOP, 178,254 shares of Standard Financial Corp. common stock issued in the offering and an additional 100,000 shares in the secondary market, for a total of 278,254 shares. The ESOP funded its stock purchase with a loan from Standard Financial Corp. equal to the aggregate purchase price of the common stock. The loan is repaid principally through Standard Bank's contribution to the ESOP and dividends payable on common stock held by the ESOP over the 20 year term of the loan. The interest rate for the loan is an annually adjustable rate equal to the prime rate, as published in *The Wall Street Journal*, which is currently 3.25%.

The trustee holds the shares purchased by the ESOP in an unallocated suspense account, and shares are released from the suspense account on a pro-rata basis as we repay the loan. The trustee will allocate the shares released among participants on the basis of each participant's proportional share of compensation relative to all participants. Participants will become 100% vested upon the completion of six years of service. Participants who were employed by Standard Bank immediately prior to the offering received credit for vesting purposes for years of service prior to adoption of the ESOP. Participants also will become fully vested automatically upon normal retirement, death or disability, a change in control, or termination of the ESOP. Generally, participants receive distributions from the ESOP upon separation from service.

The ESOP permits participants to direct the trustee as to how to vote the shares of common stock allocated to their accounts. The trustee votes unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee's fiduciary responsibilities.

Under applicable accounting requirements, we record a compensation expense for the ESOP at the fair value of the shares as they are committed to be released from the unallocated suspense account to participants' accounts. The compensation expense resulting from the release of the common stock from the suspense account and allocation to plan participants result in a corresponding reduction in Standard Financial Corp.'s earnings. During the fiscal years ended September 30, 2013 and 2012, Standard Bank recognized \$268,000 and \$229,000, respectively, as ESOP expense.

Transactions With Certain Related Persons

The Sarbanes-Oxley Act of 2002 generally prohibits us from making loans to our executive officers and directors, but it contains a specific exemption from such prohibition for loans made by Standard Bank to our executive officers and directors in compliance with federal banking regulations.

At September 30, 2013, all of Standard Bank's loans to our directors and executive officers were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Standard Bank, and did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original terms at September 30, 2013, and were made in compliance with federal banking regulations. Pursuant to Standard Financial Corp.'s Policy and Procedures for Approval of Related Person Transactions, the Audit Committee periodically reviews, no less frequently than twice a year, a summary of

transactions in excess of \$25,000 with directors, executive officers and their family members, for the purpose of determining whether the transactions are in compliance with our policies and should be ratified and approved.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended September 30, 2013 was S.R. Snodgrass, A.C. Our Audit Committee has approved the engagement of S.R. Snodgrass, A.C. to be our independent registered public accounting firm for the fiscal year ending September 30, 2014, subject to the ratification of the engagement by our stockholders. At the annual meeting, the stockholders will consider and vote on the ratification of the engagement of S.R. Snodgrass, A.C. for the fiscal year ending September 30, 2014. A representative of S.R. Snodgrass, A.C. is expected to attend the annual meeting to respond to appropriate questions and to make a statement if he or she so desires.

Even if the selection of the independent registered public accounting firm is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interest of Standard Financial Corp. and its stockholders.

Edgar Filing: Standard Financial Corp. - Form DEF 14A

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to tax consulting services rendered, is compatible with maintaining the independence of S.R. Snodgrass, A.C. The Audit Committee concluded that performing such services does not affect the independence of S.R. Snodgrass, A.C. in performing its function as our independent registered public accounting firm.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm, either by approving an engagement prior to the engagement or pursuant to a pre-approval policy with respect to particular services. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee when expedition of services is necessary. The independent registered public accounting firm and management are required to report periodically to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. All audit-related fees, tax fees and all other fees described above were approved either as part of our engagements of S.R. Snodgrass, A.C. or pursuant to the pre-approval policy described above.

Vote Required

In order to ratify the selection of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2014, at least a majority of the votes cast at the annual meeting must vote in favor of such ratification. The Audit Committee of the Board of Directors recommends a vote **FOR** the ratification of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2014.
