  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 1.01. Entry Into A Material Definitive Agreement.**

On February 21, 2014, Central Pacific Financial Corp., a Hawaii corporation (the Company or CPF), announced that it had commenced a modified Dutch auction tender offer to purchase for cash up to \$68,800,000 in value of its shares of common stock, no par value (the Shares), at a price not greater than \$21.00 nor less than \$18.50 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions described in an Offer to Purchase and in a related Letter of Transmittal (which together, as they may be amended or supplemented from time to time, constitute the Offer).

Prior to commencement and public announcement of the Offer, on February 20, 2014, the Company entered into repurchase agreements (the Repurchase Agreements) with each of Carlyle Financial Services Harbor, L.P. (Carlyle) and ACMO-CPF, L.L.C. (Anchorage) and together with Carlyle, the Lead Investors), each of whom is the owner of 9,463,095 Shares, pursuant to which the Company agreed to purchase up to \$28,100,000 of Shares from each of the Lead Investors (or an aggregate of \$56,200,000 of Shares) at the purchase price determined pursuant to the Offer (the Share Repurchases). The Share Repurchases are scheduled to close on the eleventh business day following the expiration of the Offer. To the extent that the Offer is not fully subscribed, the \$28,100,000 of Shares to be repurchased under each of the Repurchase Agreements will be proportionately reduced. In addition, each Lead Investor may tender additional Shares in the Offer. The Share Repurchases contemplated by the Repurchase Agreements are conditioned upon, among other matters, the Company purchasing Shares in the Offer.

If the Offer is fully subscribed, the completion of the Offer and the Share Repurchases will result in the repurchase by Central Pacific of \$125 million of Shares in the aggregate. If the Offer is fully subscribed at a purchase price of \$21.00, the maximum purchase price pursuant to the Offer, the completion of the Offer and the Share Repurchases will result in the repurchase by Central Pacific of 5,952,380 Shares, which would represent approximately 14.1% of its issued and outstanding Shares as of February 14, 2014. If the Offer is fully subscribed at a purchase price of \$18.50, the minimum purchase price pursuant to the Offer, the completion of the Offer and the Share Repurchases will result in the repurchase by Central Pacific of 6,756,755 Shares in the aggregate, which would represent approximately 16.0% of its issued and outstanding Shares as of February 14, 2014.

This summary of the Repurchase Agreements may not contain all of the information that is important to an investor and is qualified in its entirety by reference to the actual terms of the Repurchase Agreements, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and are incorporated herein by reference.
