Item 1.01 **Entry into a Material Definitive Agreement.**

On September 26, 2014, KapStone Paper and Packaging Corporation (the Company), as servicer, entered into a Receivables Purchase Agreement (the Receivables Purchase Agreement) with (i) KapStone Receivables, LLC (the SPV), a Delaware limited liability company and wholly owned, bankruptcy remote subsidiary of the Company, (ii) the financial institutions from time to time party thereto as purchasers (the Purchasers) and (iii) Wells Fargo Bank, N.A., as administrative agent (Wells Fargo). In addition, on September 26, 2014, the Company, the SPV and KapStone Kraft Paper Corporation, KapStone Container Corporation, KapStone Charleston Kraft LLC and Longview Fibre Paper and Packaging, Inc., as sellers (collectively, the Originators), entered into a Receivables Sale Agreement (the Receivables Sale Agreement). Together, the Receivables Purchase Agreement and the Receivables Sale Agreement establish the primary terms and conditions of an accounts receivable securitization program (the Securitization).

Pursuant to the Securitization, (i) the Originators will sell or contribute certain of their respective accounts receivable (the Receivables) and certain related assets to the SPV, a portion of the purchase price of which will be paid from the proceeds of subordinated debt advanced by the Originators to the SPV, (ii) the Purchasers have committed to purchase undivided interests in the Receivables in the aggregate principal amount of up to \$175,000,000, which interests shall be secured by the Receivables, (iii) the Company will service and administer the Receivables on behalf of the SPV and (iv) the Company will provide a performance guaranty to the SPV in respect of the obligations of the Originators under the Receivables Sale Agreement, including without limitation, obligations to pay purchase price credits and indemnity obligations. The Purchasers receive yield on their investments based on a spread over the LIBOR rate for each day that their investments in the Receivables are outstanding, as well as a fee calculated on the unused portion of their commitments.

The Receivables Purchase Agreement will terminate in one year, unless terminated earlier pursuant to its terms. The Securitization contains certain customary representations and warranties and affirmative covenants, including as to the eligibility of the Receivables being sold, as well as customary reserves and concentration limits and termination events and servicer termination events tied to collateral performance and certain defaults. The foregoing description of the Securitization is qualified in its entirety by reference to the full text of each of the Receivables Purchase Agreement and Receivables Sale Agreement, copies of which are respectively attached as Exhibit 10.1 and Exhibit 10.2 hereto and are incorporated herein by reference.

Item 2.03 **Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

The disclosure provided in Item 1.01 of this Current Report on Form 8-K is incorporated by reference.

Item 8.01 **Other Events.**

On October 1, 2014, the Company issued a press release, a copy of which is attached hereto as Exhibit 99.1 and is incorporated by reference, announcing the Securitization.
