Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Compensation of Officers

The Compensation Committee of our Board of Directors (the Committee) recently completed its annual review of the elements and amount of total compensation of our executive officers. In connection with its review, we retained Meridian Compensation Partners, LLC (Meridian) to serve as a compensation consultant to the Committee. On December 4, 2014, after receiving and considering a report from Meridian which included compensation benchmark data, the Committee approved the following changes to the compensation of our executive officers:

(i) Base Salary:

The annual base salaries of our officers were increased effective as of May 29, 2014 (the date of our initial public offering) to the amounts indicated in the table below. A lump sum payment was made to each officer with respect to the period between the effective date of their base salary increase and December 4, 2014.

Name of Officer and Title		ase Salary	New Base Salary
Terry Lingren			
Chief Executive Officer	\$	200,000	\$ 300,000
Robert Hammond			
Chief Technology Officer	\$	200,000	\$ 250,000
Neal Fenzi			
Chief Operating Officer	\$	175,000	\$ 250,000
John Philpott			
Chief Financial Officer (1)	\$	225,000	\$ 225,000

⁽¹⁾ Mr. Philpott s salary is effective as of June 2, 2014, his start date.

(ii) Equity Performance Bonus

The Committee approved an equity bonus to be paid to our officers listed in the above table in the event that performance goals based on revenue and certain other non-monetary targets are attained in our 2015 fiscal year. In the event the goals are at least partially attained, each officer will receive an equity bonus equal to such officer s applicable new base salary multiplied by a certain percentage, which percentage is based upon the number of goals achieved. The dollar value of each officer s award will then be divided by the average closing price of our common stock for the ten trading days ending on the last trading day of 2015 to determine the number of equity units to be issued to such officer. The equity bonus will consist of shares of our common stock and restricted stock units to be granted pursuant to our Amended and Restated 2014 Omnibus Incentive Plan (the Plan), with 50% of the award being issued in shares of common stock and the remaining 50% being issued in the form of restricted stock units. All issued restricted stock units will be subject to vesting, and will vest on January 1, 2017 subject to the terms of the Plan.
