*Appointment of Mark E. Eck as Executive Vice President and Chief Operating Officer*

On December 23, 2014, Midstates Petroleum Company, Inc. ( the Company ) appointed Mark E. Eck as Executive Vice President and Chief Operating Officer of the Company, effective December 29, 2014.

Pursuant to his offer letter, Mr. Eck's annual base salary as Executive Vice President and Chief Operating Officer will be \$400,000 and his 2015 annual cash bonus opportunity will be 200% of his base salary. Mr. Eck also will be eligible for awards under the Company's 2012 Long-Term Incentive Plan (the LTIP). Mr. Eck will receive a sign-on bonus of \$400,000 in cash, fifty percent of which will be paid upon the commencement of his employment and the remaining fifty percent of which will be paid on the six-month anniversary of the date of his employment; provided, that the sign-on bonus, or any portion thereof will be required to be repaid if he leaves the Company during the one-year period following the date of his employment. In addition, Mr. Eck will receive an award of time-vested restricted stock, which will vest in three equal installments on the first three anniversaries of the commencement of his employment with the Company, subject to his continued employment with the Company. The number of shares of restricted stock granted will be determined by dividing \$400,000 by the 10-trading day average closing price of the Company's common shares prior to the commencement of his employment with the Company.

Mr. Eck, age 56, most recently served as Vice President, Business Development for Samson Resources from December 2012 to October 2013. Prior to that, he served as Vice President, Operations and Midstream for Samson from March 2012 to December 2012 and General Manager, Haynesville from March 2010 to February 2012. Prior to Samson, Mr. Eck served as the Business Development Manager for SM Energy Company from March 2008 to February 2010 and their Manager of Supply Chain Management from April 2007 to February 2008. Before SM Energy, Mr. Eck was the Business Development Manager and Project Engineer for Springfield Underground from 2000 to 2007 and served in various positions with ARCO Oil & Gas Company from 1981 to 2000. Mr. Eck received his Bachelor's degree in Mechanical Engineering from Missouri-Rolla University in 1980. There are no understandings or arrangements between Mr. Eck and any other person pursuant to which Mr. Eck was selected to serve as an executive officer of the Company. There are no relationships between Mr. Eck and the Company or any of its subsidiaries that would require disclosure pursuant to Item 404(a) of Regulation S-K of the Securities Exchange Act of 1934.

A copy of the press release naming Mr. Eck as the Company's Executive Vice President and Chief Operating Officer is attached hereto as Exhibit 99.1 and incorporated herein by reference.

In addition, on December 23, 2014, the Company entered into an employment agreement with Mr. Eck (the Eck Agreement), effective December 29, 2014. The initial term of the Eck

Agreement commences on December 29, 2014 and ends on December 29, 2016, subject to earlier termination upon notice or certain other conditions, and may be extended for successive one-year terms if neither party gives the other party notice of their intention to terminate the Eck Agreement 60 days prior to the end of the term.

The Eck Agreement provides Mr. Eck with certain severance benefits if his employment is terminated due to death or disability, by the Company without Cause (as defined in the Eck Agreement), or by Mr. Eck for Good Reason (as defined in the Eck Agreement), including in connection with a Change in Control (as defined in the Eck Agreement). Specifically, the Eck Agreement provides that, upon a termination of Mr. Eck's employment by the Company without Cause or by Mr. Eck for Good Reason, Mr. Eck will receive, among other benefits, a cash severance payment at least equal to 18 months of his base salary plus one times the average of his prior three annual bonuses (or, if employed for less than three years, the average of his annual bonuses for the years employed or 80% of his base salary if he has not yet received a full year annual bonus). In addition, if Mr. Eck's employment is terminated by the Company without Cause or if Mr. Eck terminates employment for Good Reason, in each case within one year following a Change in Control, then the Company shall provide Mr. Eck (1) a lump sum payment equal to two times the sum of (i) Mr. Eck's annual base salary at the time of termination, plus (ii) the largest annual bonus paid to Mr. Eck during the prior three years and (2) accelerated vesting of all unvested awards under the LTIP.

The foregoing description of the Eck Agreement is not complete and is qualified in its entirety by reference to the complete document, which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

#### ***Retirement of Dexter Burleigh***

On December 19, 2014, Dexter Burleigh, the Company's Senior Vice President - Strategic Planning and Treasury, notified the Company of his intent to retire from his current position, effective January 1, 2015.
