NEWS RELEASE

**GTECH S.P.A. SIGNS AGREEMENT FOR 800 MILLION FOUR-YEAR
TERM LOAN FACILITIES;**

ADDITIONAL REDUCTION IN BRIDGE FACILITY COMMITMENT

FOR ACQUISITION OF IGT TO \$4.9 BILLION FROM THE ORIGINAL AMOUNT OF \$10.7 BILLION

ROME (ITALY) and PROVIDENCE, RHODE ISLAND (U.S.), January 30, 2015 GTECH S.p.A. ("GTECH") entered into a 800 million four-year senior facilities agreement with BNP Paribas, Intesa Sanpaolo, Mediobanca and UniCredit.

The agreement provides for two 400 million term loan facilities to GTECH which may be used for general corporate purposes, including repayment of existing indebtedness. Upon completion of the previously announced merger of GTECH with and into Georgia Worldwide PLC ("NewCo") which is being effected in connection with the acquisition by GTECH of International Game Technology ("IGT"), NewCo will become the borrower under one of the term loan facilities and a principal Italian operating subsidiary will become the borrower under the other term loan facility.

Subject to customary limitations, both facilities are fully and unconditionally guaranteed by GTECH Corporation and, upon completion of the GTECH-NewCo merger, will be fully and unconditionally guaranteed by certain subsidiaries of NewCo. Upon completion of the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

GTECH-NewCo merger, the term loan facility borrowed by the principal Italian operating subsidiary will be fully and unconditionally guaranteed by NewCo.

The term loans will be repayable in full at maturity and will bear a variable interest rate based on certain credit ratings. The agreement provides for standard covenants and restrictions which are substantially identical to those found in the senior facilities agreement dated November 4, 2014 for the multicurrency revolving credit facilities made available to GTECH and GTECH Corporation.

Following the outcome of the previously announced tender offer and consent solicitation with respect to GTECH S.p.A. s 750,000,000 Subordinated Interest-Deferrable Capital Securities due 2066, the commitment for GTECH s 364-day senior bridge term loan credit facility (the Bridge Facility) for the financing of the acquisition of IGT has been further reduced to \$4.9 billion (the original amount was \$10.7 billion).

This communication contains forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning IGT, GTECH, Georgia Worldwide PLC (**NewCo**), the proposed transactions and other matters. These statements may discuss goals, intentions and expectations as to future plans, trends, events, results of operations or financial condition, or otherwise, based on current beliefs of the management of NewCo, IGT and GTECH as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as aim, anticipate, believe, plan, could, would, should, , continue , estimate, expect, forecast, future, guidance, intend, may, will, possible, potential, predict, project or the ne. them. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in GTECH s forward-looking statements and from past results, performance or achievements. These forward-looking statements are subject to various risks and uncertainties, many of which are outside the parties control. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) failure to obtain applicable regulatory or shareholder approvals in a timely manner or otherwise; failure to satisfy other closing conditions to the proposed transactions; risks that the new businesses will not be integrated successfully or that the combined companies will not realize estimated cost savings, value of certain tax assets, synergies and growth or that such benefits may take longer to realize than expected; failure to realize anticipated benefits of the combined operations; risks relating to unanticipated costs of integration; reductions in customer spending, a slowdown in customer payments and changes in customer demand for products and services; unanticipated changes relating to competitive factors in the industries in which the companies operate; ability to hire and retain key personnel; the potential impact of announcement or consummation of the proposed transactions on relationships with third parties, including customers, employees and competitors; ability to attract new customers and retain existing customers in the manner anticipated; reliance on and integration of information technology systems; changes in legislation or governmental regulations affecting the companies; international, national or local economic, social or political conditions that could adversely affect the companies or their customers; conditions in the credit markets; risks associated with assumptions the parties make in connection with the parties critical accounting estimates and legal proceedings; and the parties international operations, which are subject to the risks of currency fluctuations and foreign exchange controls. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties that affect the parties businesses, including those described in NewCo s registration statement on Form F-4 and other documents filed from time to time with the

Securities and Exchange Commission (the **SEC**) and those described in GTECH's annual reports, registration documents and other documents filed from time to time with the Italian financial market regulator (CONSOB), as well as those included in IGT's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Except as required under applicable law, the parties do not assume any obligation to update these forward-looking statements. Nothing in this announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings per GTECH share or IGT share for the current or any future financial years or those of the combined group, will necessarily match or exceed the historical published earnings per GTECH share or IGT share, as applicable. All forward-looking statements contained in this communication are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to GTECH, or persons acting on its behalf, are expressly qualified in its entirety by the cautionary statements contained throughout this communication. As a result of these risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements.

Important Information for Investors and Shareholders

This communication is not intended to and does not constitute an offer to sell or the solicitation of an offer to subscribe for or buy or an invitation to purchase or subscribe for any securities or the solicitation of any vote in any jurisdiction pursuant to the proposed transactions or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended, and applicable European regulations. Subject to certain exceptions to be approved by the relevant regulators or certain facts to be ascertained, the public offer will not be made directly or indirectly, in or into any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction, or by use of the mails or by any means or instrumentality (including without limitation, facsimile transmission, telephone and the internet) of interstate or foreign commerce, or any facility of a national securities exchange, of any such jurisdiction.
