This Amendment No. 2 (*Amendment No. 2*) amends and supplements the Tender Offer Statement on Schedule TO (the *Schedule TO*) filed with the Securities and Exchange Commission on July 26, 2016 by MoSys, Inc., a Delaware corporation (*MoSys* or the *Company*), relating to an offer to eligible employees of MoSys and its subsidiaries, subject to specified conditions, to exchange some or all of their outstanding options to purchase shares of MoSys's common stock for fewer replacement stock options with a lower exercise price (the *Offer*).

This Amendment No. 2 is filed by amending only the items of the Schedule TO set forth below.

The information relating to the Offer set forth in the Offer to Exchange filed as Exhibit (a)(1)(A) to the Schedule TO (the *Offer to Exchange*), including all schedules and exhibits thereto, which was previously filed with the Schedule TO, is hereby expressly incorporated by reference into this Amendment No. 2, except that such information is hereby amended and supplemented to the extent specifically provided herein.

Unaffected items in the Schedule TO are not included herein.

Item 1. Summary Term Sheet

Item 1 is amended and supplemented as follows:

Under **Part I. Summary Term Sheet**, the response to question no. 4, "What happens if my service terminates before tendered options are cancelled or the date of grant of the Replacement Options?" is changed to read in its entirety:

If you tender options for exchange under this Offer but before the Offer expires, your service (as an employee) with us terminates for any reason, then your tender will automatically be deemed withdrawn and you will not participate in the option exchange. You will retain your outstanding options in accordance with their current terms and conditions, and you may exercise any vested options during a limited period of time following your termination of service.

The 2010 Plan under which Replacement Options are to be granted requires that individuals receiving a grant must be an employee on the date such grant is made. If you have tendered options for exchange under this Offer and your service with us terminates for any reason before the grant date of the Replacement Option, you will lose all rights to receive any Replacement Options and your surrendered options will be returned to you. You may exercise any such options that have vested prior to termination during a limited period of time following your termination of service.

If you are currently considered an at-will employee, this Offer does not change that status, and your employment may be terminated by us or by you at any time, including before the Offer expires or the tendered options are cancelled, for any reason, with or without cause.

Item 4. Terms of the Transaction; Item 6. Purpose of The Transaction and Plans or Proposal; Item 7. Source and Amount of Funds or Other Consideration.

Under **Part II. Certain Risks of Participating in the Offer Economic Risks**, the following risk factor discussion is deleted:

If, after the cancellation of your Eligible Options but prior to the grant date of your Replacement Options, you cease being an employee for any reason, including your death, you will have no rights to your Eligible Options and you will not receive any Replacement Options.

Once your Eligible Options are cancelled, they are no longer exercisable and you lose all rights to them. If your Eligible Options are cancelled and thereafter your service is terminated for any reason, including your death, you will not be entitled to the Replacement Options or other consideration in exchange for your cancelled Eligible Options, and you will not be able to reclaim your Eligible Options. However, if your service ends prior to the expiration date of the Offer, your tendered Eligible Options will not be accepted by us and you, or your estate or beneficiaries in the event of your death, will retain them on their current terms and conditions.

Under **Part III, Section 6 Acceptance of Options for Exchange and Issuance of Replacement Options**, the first paragraph is revised to read in its entirety as follows:

Upon the terms and subject to the conditions of this Offer, we expect to accept for exchange all Eligible Options properly tendered and not validly withdrawn before the expiration of the Offer. All options accepted by us pursuant to this Offer will be cancelled as of the date of acceptance, and you will no longer have any rights under those options. We expect to grant Replacement Options promptly after our acceptance of the Eligible Options tendered pursuant to this Offer. You will receive new stock option agreement(s) governing the terms of the Replacement Options granted to you, which we will distribute promptly following the expiration date of the Offer. If the expiration date of the Offer is extended, then the cancellation date and Replacement Option grant date will be similarly extended.

Under **Part III, Section 12, Status of Options Accepted by Us in the Offer; Accounting Consequences of the Offer**, the first paragraph is amended to read:

Eligible Options under the 2010 Plan that we accept for exchange pursuant to this Offer will be cancelled as of the expiration date of the Offer and the shares of common stock subject to them will be used to issue the Replacement Options. All Eligible Options that are surrendered under the Offer will be cancelled promptly upon expiration of the Offer, and the shares underlying such Eligible Options will be added back to the 2010 Plan's share reserve in accordance with the applicable plan provisions. We then will grant the Replacement Options.

Item 8. Interest in the Securities of the Subject Company.

Under **Part III, Section 11, Interest of Directors and Officers; Transactions and Arrangements Concerning the Options**, the information in the table of beneficial ownership is amended and supplemented as follows:
