## Item 1.01 Entry into a Material Definitive Agreement

### *Equity Purchase and Contribution Agreement*

On October 22, 2017, Select Medical Holdings Corporation (Select) announced that Concentra Group Holdings, LLC (Concentra), a joint venture between Select Medical Corporation, a wholly owned subsidiary of Select (SMC), Welsh, Carson, Anderson & Stowe XII, L.P. (WCAS) and other minority equity holders, and certain of its subsidiaries have entered into an equity purchase and contribution agreement (the Purchase Agreement) with Dignity Health Holding Corporation (DHHC) and U.S. HealthWorks, Inc. (U.S. HealthWorks) to acquire all of the issued and outstanding shares of stock of U.S. HealthWorks from DHHC (the Transaction).

The Transaction values U.S. HealthWorks at \$753 million, subject to certain customary adjustments for working capital, cash, debt, transaction expenses and other items in accordance with the terms of the Purchase Agreement. DHHC will receive a 20% equity interest in the combined entity, valued at \$238 million, and the remainder of the purchase price in cash. In connection with closing the Transaction, Concentra will also redeem certain of the outstanding equity interests from its existing minority equity holders (including WCAS), such that SMC will retain a majority voting interest in the combined entity following the closing of the Transaction. The Transaction, which is expected to close in the first quarter of 2018, is subject to a number of closing conditions, including clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act).

Concentra expects to finance the Transaction and related expenses using a proposed \$555.0 million senior secured incremental term facility under its existing credit facility and a proposed \$240.0 million second lien term facility, for which JP Morgan Chase, N.A. has provided Concentra with a debt commitment letter. Should the Purchase Agreement be terminated by DHHC under specified conditions, including circumstances where Concentra is required to close the Transaction under the Purchase Agreement and there is a failure of the debt financing to be funded in accordance with its terms, a reverse termination fee of \$25.0 million would be payable by Concentra to DHHC. Similarly, should the Purchase Agreement be terminated by DHHC or Concentra after July 22, 2018 and the only unsatisfied conditions to closing are the expiration or termination of the HSR Act waiting period and/or the non-existence of an injunction restraining the Transaction that is attributable to antitrust laws, then a termination fee of \$17.5 million would be payable by Concentra to DHHC. In no event shall DHHC be entitled to both fees.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement. A copy of the Purchase Agreement is attached to this Current Report on Form 8-K as Exhibit 2.1 and is incorporated by referenced herein.

## Item 7.01 Regulation FD Disclosure.

On October 23, 2017, Select and DHHC issued a joint press release announcing the execution of the Purchase Agreement. A copy of the press release is attached to this report as Exhibit 99.1.

The information in this Current Report on Form 8-K (including Exhibit 99.1) under Item 7.01 is being furnished solely to satisfy the requirements of Regulation FD and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as

amended (the Exchange

Act ) or otherwise subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended or the Exchange Act.
