**Preferred Stock Offering**

*Preferred Stock Purchase Agreement*

On March 23, 2018, Jaguar Health, Inc. (the Company) entered into a Stock Purchase Agreement (the Preferred Stock Purchase Agreement) with Sagard Capital Partners, L.P. (Sagard) pursuant to which the Company, in a private placement, agreed to issue and sell to Sagard 5,524,926 shares (the Preferred Shares) of the Company's Series A Convertible Participating Preferred Stock, \$0.0001 par value per share (the Preferred Stock), for an aggregate purchase price of \$9,199,001 (the Preferred Stock Offering). The Company intends to use the proceeds from the Preferred Stock Offering for ongoing commercialization activities for Mytesi® in connection with the product's currently FDA-approved indication and for general corporate purposes.

The Preferred Stock Purchase Agreement also provides for customary representations, warranties and covenants among the parties. Among other things, the Preferred Stock Purchase Agreement requires that the Company (i) file prior to the initial closing a certificate of designation providing for the rights, preferences and privileges of the Preferred Shares with the Secretary of State of the State of Delaware (the Certificate of Designation) and (ii) enter into a Registration Rights Agreement (as defined below) with Sagard providing for the registration of shares of the Company's common stock, par value \$0.0001 per share (the Common Stock), issuable upon conversion of the Preferred Shares (the Conversion Shares). In addition, so long as Sagard or its affiliates own, in the aggregate, no less than 50% or more of the cumulative amount of the Preferred Shares and Conversion Shares issued in the Preferred Stock Offering, Sagard and its affiliates have the right to purchase (x) 100% of the first \$10 million of any new securities issued by the Company and thereafter (y) a pro rata portion of any new securities that the Company may issue from time to time, subject to certain exceptions specified in the Preferred Stock Purchase Agreement, including but not limited to the Company's right to issue an additional \$2.0 million of Common Stock on terms consistent with the Common Stock Offering (described below) within 20 business days of the closing of the Preferred Stock Offering. The Preferred Shares are subject to a 12-month lock-up period, which period may be shortened in limited circumstances specified in the Preferred Stock Purchase Agreement.

The Preferred Stock Purchase Agreement also provides that Sagard has the right to designate at least one non-voting observer (subject to increase to two if at any time two designees of the Preferred Shares and the Conversion Shares are not represented on the Board) to attend meetings of the Board, the board of directors of any subsidiary of the Company and each committee of any of the foregoing (a Board Observer). In addition, at such time as no shares of Preferred Stock are outstanding, and so long as Sagard holds (i) at least 35% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Preferred Stock Offering, Sagard shall be entitled thereunder to nominate two directors of the Company (each, a Series A Director) and (ii) less than 35% but at least 20% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Preferred Stock Offering, Sagard shall be entitled thereunder to nominate one director of the Company.

Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with the Company's obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640). The Preferred Stock Purchase Agreement provides that, if one Series A Director may not be appointed due to compliance with Nasdaq Listing Rule 5640, then Sagard shall be entitled to designate one Board Observer to attend meetings of the Board, the board of directors of any subsidiary of the Company and each committee of any of the foregoing as an observer.

## Edgar Filing: Jaguar Health, Inc. - Form 8-K

The offer and sale of the Preferred Shares will not be registered under the Securities Act of 1933, as amended (the Securities Act), in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder.

### *Series A Preferred Stock*

The Certificate of Designation authorizes 5,524,926 shares of Preferred Stock and provides for the rights, preferences and privileges of such Preferred Stock. Any reference to share prices in the below description of the Preferred Stock, including but not limited to the conversion price for the Preferred Shares and the amount of the liquidation preference per share, is subject to adjustment in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization, as further described in the Certificate of Designation.

### *Dividends*

Holders of shares of Preferred Stock are entitled to participate equally and ratably with the holders of shares of Common Stock in all dividends paid and distributions made to the holders of Common Stock on the shares of Common Stock on an as converted basis.

### *Election of Directors and Voting Rights*

The holders of a majority of the outstanding shares of Preferred Stock are entitled to elect two (2) members of the Company's Board of Directors. Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with the Company's obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640).

The holders of shares of Preferred Stock have the right to vote with holders of shares of the Common Stock, voting together as one class on all other matters, with each share of Preferred Stock entitling the holder thereof to cast that number of votes per share as is equal to the aggregate number of shares of Common Stock into which it is then convertible, using the market value of the Common Stock on the date of the Preferred Stock Agreement as the conversion price; provided that, at any time prior to the time the Company obtains stockholder approval, as required pursuant to Nasdaq Rule 5635(b), no holder (together with such holder's attribution parties) is permitted to have a number of votes in excess of such aggregate number of votes granted to the holders of 19.99% of the shares of Common Stock then outstanding (including any votes with respect to any shares of Common Stock and Preferred Stock beneficially owned by the holder or such holder's attribution parties).

*Voluntary Conversion*

Each share of Preferred Stock is initially convertible into nine shares of Common Stock at an effective conversion price of \$0.185 per share (based on an original price per Preferred Share of \$1.665), provided that, at any time prior to the time the Company obtains stockholder approval, as required pursuant to Nasdaq Rule 5635(b) any conversion of Preferred Stock by a holder into shares of the Common Stock would be prohibited if, as a result of such conversion, the holder, together with such holder's attribution parties, would beneficially own more than 19.99% of the total number of shares of the Common Stock issued and outstanding after giving effect to such conversion. Subject to certain limited exceptions, the shares of Preferred Stock cannot be offered, pledged or sold by Sagard for one year from the date of issuance. The conversion price is subject to certain adjustments in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization.

*Mandatory Conversion*

The shares of Preferred Stock will be mandatorily converted upon the date and time, or the occurrence of an event, specified by vote or written consent of the holders of a majority of the then outstanding shares of Preferred Stock at a conversion price of \$0.185 per share. In each case, shares of Common Stock will be held in abeyance to the extent necessary to satisfy limitations on beneficial ownership as described under *Voluntary Conversion* above.

*Optional Redemption*

At any time after the first anniversary of the issuance of the Preferred Shares, so long as certain call conditions specified in the Certificate of Designation have been satisfied, the Company shall have the right to offer to redeem shares of Preferred Stock at a share price equal to two times the original share issue price of the Preferred Shares. The Company is only permitted to exercise this right to redeem two times, the first of which must be for an aggregate redemption price of \$9,199,001 and the second of which must be for all remaining shares of Preferred Stock remaining. If a holder of Preferred Shares fails to accept the Company's redemption offer, such holder's shares of Preferred Stock shall be automatically converted into shares of Common Stock pursuant to the terms of *Mandatory Conversion* as described above.

*Mandatory Redemption*

If (i) the Company's consolidated net revenues attributable to the Mytesi products ( *Mytesi Revenues* ) for the six-month period ended March 31, 2021 are less than \$22 million, (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately prior to the Measurement Date (as defined below) is less than \$1.00 or (iii) the Company fails to file with the U.S. Securities and Exchange Commission (the *SEC* ) on or before June 30, 2021 its quarterly report on Form 10-Q for the three months ended March 31, 2021, then the holders of at least a majority of shares of Preferred Stock then outstanding may require the Company to redeem all shares of Preferred Stock then outstanding at a per share purchase price equal to \$2.3057. For purposes of the foregoing sentence, *Measurement Date* means the later of (x) April 30, 2021 and (y) the date on which the Company files its quarterly report on Form 10-Q for the three months ended March 31, 2021 (but in no event later than June 30, 2021).

## Edgar Filing: Jaguar Health, Inc. - Form 8-K

The mandatory redemption right described above shall terminate if, prior to the Measurement Date, both (i) the Mytesi Revenues for any six-month period ending at the end of a calendar quarter are equal to or exceed \$22 million and (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately preceding the end of such calendar quarter is equal to or greater than \$1.00.

(Y) except in the case of a Deemed Liquidation Event (as defined in the Certificate of Designation and described below) in which holders of Preferred Stock receive, concurrently with the consummation of such Deemed Liquidation Event, a cash payment pursuant to Sections 2.1 and 2.4 of the Certificate of Designation in full, in an amount equal to the Fundamental Change Price as defined in the Certificate of Designation that would otherwise be payable, the Company or any of its subsidiaries enters into any transaction of merger or consolidation (except that a person may be merged with or into the Company or another wholly-owned subsidiary thereof so long as the Company or another wholly-owned subsidiary is the continuing or surviving person), or conveys, sells, leases, subleases (as lessor or sublessor), exchanges, transfers or otherwise disposes of, in one transaction or a series of transactions, all or substantially all of the consolidated business, assets or property of the Company and its subsidiaries.

The Fundamental Change Price for each share of Preferred Stock, as of any date, shall be calculated as the sum of (i) the amount payable in respect of such share under Section 2.1 of the Certificate of Designation in the event of a Liquidation Event as of such date, plus (ii) any and all accrued and unpaid dividends upon the Preferred Stock, whether or not declared, as of the date of the Fundamental Change, plus (iii) the Participation Amount as defined in the Certificate of Designation.

Thereafter, the holders of Common Stock then outstanding shall be entitled to receive an amount per share of Common Stock (in stock or cash as determined under the Certificate of Designation) equal to \$0.185 (as adjusted for stock splits, reverse splits, stock dividends, reclassifications, recapitalizations and/or other similar events). Thereafter, all of the remaining assets of the Company and/or proceeds from a Deemed Liquidation or Liquidation Event, as applicable, will in general be divided pro rata among the holders of the shares of Preferred Stock and the shares of Common Stock, on an as

converted basis (all as more fully specified and calculated under the Certificate of Designation).

*Covenants*

Pursuant to the terms of the Preferred Stock as provided in the Certificate of Designation, so long as any shares of Preferred Stock are outstanding, the Company may not agree, among other things, without the prior written consent or vote of the holders of at least a majority of the then outstanding shares of Preferred Stock, to: (a) amend, alter, repeal or waive any provision of the Certificate of Designation, (b) amend, alter or repeal any provision of the Company's charter documents in a manner that would adversely affect the powers, privileges, preferences or rights of the Preferred Stock, (c) create additional classes or series of capital stock having rights, preferences or privileges senior to or pari passu with the Preferred Stock or (d) increase or decrease the authorized number of shares of Preferred Stock.

Pursuant to the Registration Rights Agreement, the Company will file a registration statement on Form S-3 with the SEC no later than the earlier of (i) ninety (90) days prior to the first anniversary of the closing of the Preferred Stock Offering and (ii) thirty (30) days after the occurrence of an event described in Section 4.2(c) of the Preferred Stock Purchase Agreement (such event, an "Early Filing Trigger"), to register for resale the Conversion Shares that are issuable upon the conversion of the Preferred Shares issued at closing, and any additional shares of Common Stock as may become issuable with respect to such securities as a result of stock splits, stock dividends or similar transactions (the "Registrable Securities"). (*CVP*), pursuant to which the Company issued to CVP a promissory note (the *Note*) in the aggregate principal amount of \$1,090,340.91 for an aggregate purchase price of \$750,000 (the *CVP Note Offering*). and the initial principal balance also includes \$25,000 to cover CVP's transaction expenses. The Company will use the proceeds to fully repay certain prior secured and unsecured indebtedness. The Note bears interest at the rate of 8% per annum and matures on September 21, 2019.

Since the Redemption Start Condition (i.e., the Company raised at least \$12 million in equity after the issuance date of the Note) was satisfied by April 1, 2018 as a result of the consummation of the Preferred Stock Offering and Common Stock Offering, the Company and CVP agreed to amend the Note and that certain Secured Convertible Promissory Note in the original amount of \$2,155,000 issued by Company in favor of CVP on June 29, 2017 (the *June 2017 Note*), that certain Secured Promissory Note in the original amount of \$1,587,500 issued by Company in favor of CVP on December 8, 2017 (the *December 2017 Note*) and that certain Secured Promissory Note in the original amount of \$2,240,909 issued by the Company in favor of CVP on February 26, 2018 (the *February 2018 Note*, and together with the *June 2017 Note* and the *December 2017 Note*, the *Prior Notes*) to limit the aggregate amount that CVP is permitted to redeem on a monthly basis to \$500,000, which amount is the maximum aggregate redemption amount for the *Prior Notes* and the *Note* collectively. Upon the occurrence of a breach of any of the covenants set forth in Section 4 of the Securities Purchase Agreement, the foregoing amendments shall immediately and automatically terminate and shall be deemed void ab initio and of no further force or effect.

The Note was offered and sold pursuant to an exemption from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder.
