Introduction.

This Amendment No. 4 to Schedule 13D (Amendment No. 4) is being filed as an amendment to the initial statement on Schedule 13D relating to the common units representing limited partner interests (the Common Units) of StoneMor Partners L.P., a Delaware limited partnership (the Issuer), as filed with the U.S. Securities and Exchange Commission (the SEC) on June 2, 2014 and amended on June 23, 2014, February 12, 2016 and January 17, 2017 (as amended, the Original Schedule 13D). This Amendment No. 4 amends the Original Schedule 13D, as specifically set forth herein.

All capitalized terms not otherwise defined herein shall have the meanings ascribed to the terms in the Original Schedule 13D. The Original Schedule 13D is hereby amended and supplemented as follows and, except as expressly amended below, the Original Schedule 13D remains in full force and effect.

Item 4. Purpose of Transaction.

Item 4 of the Original Schedule 13D is hereby amended and supplemented as follows:

On July 31, 2018, StoneMor GP Holdings LLC, a Delaware limited liability company (GP Holdings), and Robert B. Hellman, Jr., in his capacity as trustee under the Voting and Investment Trust Agreement for the benefit of American Cemeteries Infrastructure Investors, LLC (ACII), entered into a non-binding Memorandum of Understanding (the MOU) with Axar Capital Management, LP, a Delaware limited partnership (Axar), and pursuant to which each of Axar and ACII indicated on a non-binding basis, among other things, to support a corporate reorganization to transition the Issuer from a Delaware limited partnership into a newly formed Delaware corporation, to be named StoneMor Inc. whose common stock is expected to be listed for trading on the New York Stock Exchange. Pursuant to the MOU, Axar and ACII have indicated on a non-binding basis, provided that (i) the corporate reorganization is to be effected on the terms outlined in the MOU and is approved by the Conflicts Committee of the board of directors of the General Partner (the Conflicts Committee) and (ii) the terms of the settlement of the incentive distribution rights and the economic interest of the General Partner agreed to between the Conflicts Committee and each of ACII and GP Holdings are reasonably acceptable to Axar, to enter into voting agreements to vote their common units of the Issuer in favor of the corporate reorganization. In addition, the MOU contemplates certain post-conversion governance provisions relating to StoneMor Inc., including that the merger agreement for the corporate reorganization will provide for a nine member board of directors, with ACII having the right to designate two directors and Axar having the right to designate one director, so long as each holds specified amounts of common stock, as well as a standstill agreement to be entered into by each of Axar and ACII limiting their respective actions with respect to StoneMor Inc. so long as each has board representation. The MOU also contemplates that, if definitive agreements relating to the corporate reorganization are entered into, each of ACII and Axar will have the right to participate, pro rata, based on its respective ownership percentage of the outstanding equity, in future equity raises, if any, by the Issuer or StoneMor Inc.

The MOU may result in the Reporting Persons being deemed a group with Axar and certain of its affiliates (the Axar Reporting Persons) within the meaning of Section 13(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Axar Reporting Persons separately report their beneficial ownership of the Common Stock on Schedule 13D filed with the SEC, including on August 1, 2018, and reference is hereby made to those filings for the beneficial ownership of each Axar Reporting Person and any changes thereto. Although the Reporting Persons and the Axar Reporting Persons may be deemed to be a group with each other within the meaning of Section 13(d) of the Exchange Act, the Reporting Persons and the Axar Reporting Persons do not believe that they are part of a group with the Axar Reporting Persons and expressly disclaim membership in any group with the Axar Reporting Persons.

Edgar Filing: STONEMOR PARTNERS LP - Form SC 13D/A

The MOU is non-binding, and, as such, ACII and Axar have not made any final or contingent agreements, written or otherwise, in furtherance of any plan or purpose related to or in connection with the Issuer or its securities.

The foregoing description is a summary of the MOU, does not purport to be complete and is qualified in its entirety by reference to the full text thereof. The MOU, which is referenced as Exhibit H to this Schedule 13D, is incorporated herein by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Item 6 of the Original Schedule 13D is hereby amended and supplemented as follows:

The description of the MOU set forth in Item 4 is incorporated by reference herein.

Item 7. Material to be Filed as Exhibits.

Item 7 of the Original Schedule 13D is hereby amended and supplemented as follows:

EXECUTION VERSION

July 31, 2018

RE: Memorandum of Understanding - Principal Terms and Conditions

To Andrew Axelrod:

StoneMor GP Holdings LLC (the **Company**), the sole member of StoneMor GP LLC, the general partner of StoneMor Partners L.P. (the **Partnership**), and Robert B. Hellman, Jr., in his capacity as the trustee under the Voting and Investment Trust Agreement for the benefit of American Cemeteries Infrastructure Investors, LLC (**ACII**), are pleased to present this non-binding memorandum of understanding to outline the principal terms and conditions of a potential agreement (the **Transaction**) with Axar Capital Management LP or one of its affiliates (**Axar**) in connection with the proposed transition of the Partnership's structure from a publicly traded master limited partnership to a newly formed Delaware C-corporation whose common stock would be listed for public trading on the New York Stock Exchange.

1. Term Sheet. The Transaction will be made in accordance with this memorandum of understanding (**MOU**) and the Term Sheet attached hereto as Attachment A, which is by this reference incorporated into and made a part of this MOU. To the extent there is any conflict between the Term Sheet and this MOU, this MOU shall control.
2. Expenses. Each of the parties to this MOU will be responsible for its own legal, consulting and advisory fees and other out-of-pocket expenses related to the due diligence, documentation, and negotiation of the Transaction.
3. Non-binding Nature. Except as to the provisions of paragraphs 2 through 8 (inclusive), which provisions are enforceable against the parties to this MOU in accordance with their terms (the **Binding Paragraphs**), the parties to this MOU agree that (i) this MOU sets forth the parties' current understanding of agreements, which may be set out in a binding fashion in the definitive agreements with respect to the Transaction (the **Definitive Agreements**), which may be executed at a later date, (ii) this MOU does not create and is not intended to create a duty to negotiate in good faith toward Definitive Agreements and (iii) this MOU does not create and is not intended to create a binding and enforceable contract between the parties and may not be relied upon by either party as the basis for a contract by estoppel or otherwise, but rather evidences a non-binding expression of understanding to endeavor, without obligation, to negotiate the Definitive Agreements. Moreover, except with respect to the Binding Paragraphs, or as expressly provided in any Definitive Agreements, no past, present, or future action, course of conduct, or failure to act relating to the transactions contemplated by this MOU or relating to the negotiation of the terms of the Transaction by any

party hereto or any of their respective affiliates will give rise to or serve as the basis for any obligation or other liability on the part of any such party or any of its affiliates. Without limiting the foregoing, the completion of the Transaction is conditioned upon (a) the receipt of necessary approvals and consents by the conflicts committee of the board of directors of the general partner of the Partnership and the requisite holders of limited partner interests of the Partnership and (b) the negotiation, execution and delivery of Definitive Agreements and related documentation.

4. Amendments. This MOU may be amended or modified only by a written agreement executed by all of the parties hereto.

5. No Other Agreements. This MOU and the Axar NDA set out the parties' understanding as of this date, and there are no other written or oral agreements or understandings among the parties.

6. Governing Law; Waiver of Jury Trial. This MOU shall be governed by the laws of the State of Delaware without regard to the conflict of laws principles of such state. EACH PARTY HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING, OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR RELATING TO THIS MOU.

7. Counterparts. This MOU may be executed in any number of counterparts, which, taken together, shall constitute one and the same instrument.

8. Termination. Unless extended by mutual agreement of the parties, this MOU shall terminate on the earliest to occur of (i) the date of execution of the Definitive Agreements; and (ii) the written agreement of each of the parties hereto to terminate negotiations.

If the terms and conditions of this MOU reflect our mutual understanding and intentions, please sign and return the enclosed counterpart of this MOU.

Very truly yours,

Partnership: StoneMor Partners L.P. (**StoneMor** or the **Partnership**)

Unitholders: Axar Capital Management LP or one of its affiliates (**Axar**)

Robert B. Hellman, Jr., in his capacity as trustee under the Voting and Trust Agreement for the benefit of American Cemeteries Infrastructure Investors LLC (**ACII**)

Corporate Reorganization: StoneMor proposes to undertake a series of transactions (the **Corporate Reorganization**) to transition its structure from a publicly traded master limited partnership to StoneMor Inc., a newly formed Delaware corporation (**StoneMor Inc.**). The Corporate Reorganization is to be accomplished through, among other transactions, (i) the contribution by StoneMor GP Holdings LLC (**GP Holdings**) of 100% of the equity interests in StoneMor GP LLC (**StoneMor GP**) to the Partnership, (ii) the cancellation of the incentive distribution rights held by StoneMor GP and related governance control represented by StoneMor GP's general partner interest in the Partnership in exchange for such consideration as may be agreed upon by the conflicts committee (the **Conflicts Committee**) of the board of directors of StoneMor GP (the **Board**), on one hand, and ACII and GP Holdings, on the other hand, (iii) the cancellation of the 1.04% economic interest of StoneMor GP's general partner in the Partnership in exchange for such consideration as may be agreed upon by the Conflicts Committee, on one hand, and ACII and GP Holdings, on the other hand, and (iv) a merger (the **Merger**) between the Partnership and a newly formed, wholly owned subsidiary of StoneMor Inc. pursuant to which each of the units representing limited partner interests in the Partnership (the **Common Units**) will be converted into the right to receive one share of common stock of StoneMor Inc. (the **Common Stock**), with the Partnership surviving such merger, if (x) such Corporate Reorganization is approved by the Conflicts Committee, (y) the agreement effecting the Merger and Corporate Reorganization contemplated thereby (the **Merger Agreement**) is approved by the requisite holders of the Common Units, and (z) all other requisite approvals are obtained. Upon consummation of the Corporate Reorganization, the Common Stock is expected to be listed for trading on the New York Stock Exchange (**NYSE**).

Voting and Support Agreement:

Concurrently with the execution and delivery of the Merger Agreement, provided that the terms of the settlement of the incentive distribution rights and the economic interest of StoneMor GP agreed upon by the Conflicts Committee, on one hand, and ACII and GP Holdings, on the other hand, are reasonably acceptable to Axar, each of ACII and Axar will enter into a voting and support agreement with the Partnership (the **Voting and Support Agreement**) pursuant to which each of ACII and Axar will agree to, and to cause its affiliates to, (i) support and vote all limited partner interests in StoneMor held by it or its affiliates in favor of the Merger Agreement and the Merger and each other proposal forming part of the Corporate Reorganization and submitted to a vote of the holders of Common Units provided that the terms of such Merger Agreement, Merger and other proposals are substantially similar to the terms set forth herein, (ii) not transfer or otherwise dispose of any such limited partner interests until the earlier of the consummation of the Corporate Reorganization and the termination of the Merger Agreement, *provided, however*, that transfers between or among Axar and its affiliates or ACII and its affiliates are not subject to such limitation, and (iii) not bring any litigation or other proceeding challenging or seeking to enjoin the Merger or the Merger Agreement or any other proposal forming a part of the Corporate Reorganization. In addition, Axar (and ACII with respect to clause (a) below) will agree, and will cause its affiliates, except as expressly contemplated by the Voting and Support Agreement, not to (a) acquire additional equity interests in StoneMor, provided that, (i)(A) Axar and its affiliates may acquire equity interests in StoneMor if, following such transaction(s), Axar and its affiliates' aggregate ownership in StoneMor does not exceed 19.99% of the issued and outstanding equity interests of StoneMor and (B) ACII and its affiliates may acquire equity interests in StoneMor if, following such transaction(s), ACII and its affiliates' aggregate ownership in StoneMor does not exceed 19.99% of the issued and outstanding equity interests of StoneMor, and (ii) Axar, ACII and their respective affiliates shall have the right to participate pro rata, based on their respective ownership percentage of the issued and outstanding equity interests of StoneMor, in any equity capital raise of StoneMor or its affiliates, (b) seek representation on the Board, (c) participate in solicitations of proxies with respect to any voting securities of StoneMor, (d) make public announcements regarding business combinations or other extraordinary transactions, in each case involving StoneMor, (e) take any actions to control or influence management of StoneMor or the Board, (f) participate in, create or join any group within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, with respect to any voting securities of StoneMor or (g) publicly propose any of the foregoing.

The terms of the Voting and Support Agreement shall not limit, restrict or impair ACII's, Axar's or any of their respective affiliates' ability, in connection with an action conducted with the approval of the Board (provided that no such approval shall be required with respect to clause (d) below), to directly or indirectly (a) propose, commit on, participate in and/or make a loan or other debt financing to StoneMor or any of its subsidiaries, (b) propose, commit on, participate in and/or provide debt financing to a prospective buyer regarding StoneMor or any of its subsidiaries or assets in a negotiated transaction with StoneMor, finance a third party's effort to make a loan or other debt financing to StoneMor or any of its subsidiaries in a negotiated transaction with StoneMor or any of its subsidiaries, (c) participate in any process conducted pursuant to which StoneMor or any of its subsidiaries proposes to issue any additional equity interests, arrange for any debt financing or in which any of the businesses or assets of StoneMor or any of its subsidiaries are proposed to be sold or otherwise disposed of, in each case in accordance with the parameters of such process, or (d) purchase debt of StoneMor or its subsidiaries in secondary market transactions. Governance:

Immediately following the Corporate Reorganization, the board of directors of StoneMor Inc. (the **StoneMor Inc. Board**) will consist of 9 members, divided into three classes, with each class equal in number, and serving staggered three year terms. The composition of the StoneMor Inc. Board will satisfy the requirements of any applicable securities laws or exchange regulations, including without limitation with respect to independence and financial management expertise. Five of the directors of the StoneMor Inc. Board shall be independent directors. ACII shall consult with Axar concerning the initial composition of the StoneMor Inc. Board, including the selection of independent directors.

Following the Corporate Reorganization, the StoneMor GP shall take (or refrain from taking) actions with respect to StoneMor or any of its affiliates as may be approved or directed by the StoneMor Inc. Board.

The Merger Agreement will provide that the initial StoneMor Inc. Board will include: (a) two identified directors designated by ACII (the **ACII Directors**), with one serving in the class eligible for reelection at the annual meeting to be held in 2020 and one serving in the class eligible for reelection at the annual meeting to be held in 2021; (b) one identified director designated by Axar (the **Axar Director**) serving in the class eligible for reelection at the annual meeting to be held in 2021; and (c) the Chief Executive Officer. The Axar Director may be an employee of Axar.

Concurrently with the execution and delivery of the Merger Agreement, StoneMor Inc., ACII and Axar will enter into a director nomination and voting agreement (the **Nomination and Director Voting Agreement**) providing that so long as ACII and its affiliates own at least 50% of the Common Stock they owned immediately following the consummation of the Merger, ACII shall be entitled to nominate an individual to fill any ACII Director seat eligible for reelection for up to a maximum of two ACII Directors serving on the StoneMor Inc. Board immediately following such election; *provided* that, if ACII and its affiliates own at least 33% but less than 50% of the Common Stock they owned immediately following the consummation of the Merger, ACII shall designate one ACII Director not to stand for reelection at the applicable annual meeting and ACII shall only be entitled to nominate an individual to fill an ACII Director seat eligible for reelection up to a maximum of one ACII Director serving on the StoneMor Inc. Board immediately following such election; *provided, further*, that if ACII and its affiliates own less than 33% of the Common Stock they owned immediately following

the consummation of the Merger, ACII's nomination rights shall immediately terminate. The Nomination and Director Voting Agreement shall also provide that so long as Axar and its affiliates own at least 33% of the Common Stock they owned immediately following the consummation of the Merger, Axar shall be entitled to nominate an individual to fill any Axar Director seat eligible for reelection up to a maximum of one Axar Director serving on the StoneMor Inc. Board immediately following such election, *provided* that, if Axar and its affiliates own less than 33% of the Common Stock they owned immediately following the consummation of the Merger, Axar's nomination rights shall immediately terminate.

Each such nominee shall be suitable as determined by the StoneMor Inc. Board or the appropriate committee thereof in accordance with the customary standards of suitability for directors of NYSE listed companies.

StoneMor Inc. will agree to use its commercially reasonable efforts to cause the stockholders of StoneMor Inc. to elect the nominees designated by ACII or Axar, as applicable, to the StoneMor Inc. Board. So long as Axar is subject to the standstill agreement referred to below, Axar will agree to support and vote in favor of ACII's StoneMor Inc. Board nominees and not to grant any proxy or enter into any voting arrangement with respect to any StoneMor Inc. securities to the extent in conflict with the provisions of the Nomination and Director Voting Agreement. So long as ACII is subject to the standstill agreement referred to below, ACII will agree to support and vote in favor of Axar's StoneMor Inc. Board nominees and not to grant any proxy or enter into any voting arrangement with respect to any StoneMor Inc. securities to the extent in conflict with the provisions of the Nomination and Director Voting Agreement.

Each of Axar and ACII will also agree to a customary standstill during the period beginning on the consummation of the Corporate Reorganization and ending on the three year anniversary thereof (or such earlier date that: (i) ACII or Axar, as applicable, no longer has the right to nominate any directors to the StoneMor Inc. Board or no longer has any of its designees on the StoneMor Inc. Board (it being understood that the standstill shall terminate 30 days following the delivery by all ACII or Axar designees on the StoneMor Inc. Board of notices of immediate effective resignation from the StoneMor Inc. Board); and (ii) StoneMor Inc., or any of its affiliates or agents, materially breaches or takes any action challenging the validity or enforceability of the Nomination and Director Voting Agreement).

Each of ACII and Axar shall also agree, during the standstill period, not to, and to cause its affiliates not to (except as expressly contemplated by the Nomination and Director Voting Agreement), (a) acquire additional equity interests in StoneMor Inc., provided that, (i)

The terms of the standstill agreement shall not limit, restrict or impair ACII's, Axar's or any of their respective affiliates' ability, in connection with an action conducted with the approval of the StoneMor Inc. Board (provided that no such approval shall be required with respect to clauses (d) or (e) below), to directly or indirectly (a) propose, commit on, participate in and/or make a loan or other debt financing to StoneMor Inc. or any of its subsidiaries, (b) propose, commit on, participate in and/or provide debt financing to a prospective buyer regarding StoneMor Inc. or any of its subsidiaries or assets in a negotiated transaction with StoneMor Inc., finance a third party's effort to make a loan or other debt financing to StoneMor Inc. or any of its subsidiaries in a negotiated transaction with StoneMor Inc. or any of its subsidiaries, (c) participate in any process conducted pursuant to which StoneMor Inc. or any of its subsidiaries proposes to issue any additional equity interests, arrange for any debt financing or in which any of the businesses or assets of StoneMor Inc. or any of its subsidiaries are proposed to be sold or otherwise disposed of, in each case in accordance with the parameters of such process, (d) submit a proposal to the StoneMor Inc.
