Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Reporting person is one of four trustees of a voting trust that is the record owner of Special Common Shares and Series A Common Shares of TDS and which reports its holdings on Forms 4 and 5. Prior to the transactions reported herein, 862,693 Special Common Shares and 862,693 Series A Common Shares held in such voting trust were owned by a family limited partnership (FLP), of which reporting person and his spouse collectively hold all general partnership (GP) interests and all limited partnership (LP) interests (directly and through grantor retained annuity trusts). Reporting person reports beneficial ownership of all securities beneficially owned by his

spouse and children, but disclaims beneficial ownership of securities held for the benefit of his spouse and children.

On May 18, 2007, the FLP made a pro rata distribution of voting trust certificates representing all of the 862,693 Special Common Shares held by the FLP to the reporting person and his spouse as holders of the GP and LP interests (directly and through grantor retained annuity trusts). The reporting person previously reported all securities held by such FLP in the voting trust and continues to report the

(2) 862,693 Special Common Shares represented by the voting trust certificates distributed to the reporting person and his spouse (directly and through grantor retained annuity trusts). Accordingly, the distribution of voting trust certificates did not result in any change in the number of securities reported as beneficially owned by the reporting person. Nevertheless, reporting person is voluntarily reporting the distribution and receipt of such voting trust certificates.

(3) Series A Common Shares are convertible, on a share-for-share basis, into either Common Shares or Special Common Shares at any time, without expiration.

(4) By Gift

As a result of the distribution, the reporting person and his spouse (directly and through grantor retained annuity trusts) now hold voting certificates representing 862,693 Special Common Shares held in the voting trust directly rather than through the FLP. The reporting person and his spouse (directly and through grantor retained annuity trusts) continue to beneficially own voting trust certificates representing 862,693 Series A Common Shares held in the voting trust indirectly through the FLP.
