

Ordinary Shares were recently listed on the Irish Stock Exchange in Dublin, Ireland. Birchington is a newly formed company which was formed for the specific purpose of investing in United States small cap companies which Birchington believes to have long term growth potential.

Birchington has entered into a "lock-up" agreement with registrant pursuant to which Birchington has agreed not to sell, transfer, or assign the shares of registrant's Common Stock which it received as a result of this transaction, for a period of one year from the Closing date.

An additional 1,800,000 shares of registrant's Common Stock will be held in escrow for one year following the Closing. This is thirty percent (30%) of the number of shares being purchased by Birchington. In the event that the average of the ten (10) closing bid prices per share during the ten (10) trading days immediately preceding the one year anniversary date of the closing, is less than the per share market price of the registrant's Common Stock as of the date of the Closing (\$1.00), Birchington shall be entitled to purchase out of escrow a percentage of the escrowed shares equal to the percentage of such decline for a price of \$.01 per share. The escrowed remaining shares, if any, will be returned to registrant. The escrow agent is Gottbetter and Partners, a New York law firm.
