NARRATIVE STATEMENT

For Period January 8, 2005 to January 31, 2005

Please provide a brief description of the significant business and legal action by the debtor, its creditors or the court during the reporting period. Comments should include any change in bank accounts, explanation of extraordinary expenses and purposes of any new post-petition financing. Comments should also include debtor's efforts during the month to rehabilitate the business and to develop a plan.

Torch Offshore, Inc. (the "Company") received final approval from the U.S. Bankruptcy Court for the Eastern District of Louisiana (the "Bankruptcy Court") of its debtor-in-possession financing consisting of a \$6.9 million revolving credit facility and a \$2.0 million discretionary letter of credit facility (the "DIP Facility"). Regions Bank and Export Development Canada are providing the DIP Facility. The DIP Financing, combined with the Company's cash from operations will provide funding for the Company's operations during the Chapter 11 process.

Also, as part of the first day motions handed down by the Bankruptcy Court, the Company was given the permission to pay pre-petition wages to all employees up to the \$4,925 limit per employee.

The Company is working on a strategy for its plan of reorganization.
