ANNUAL MEETING OF STOCKHOLDERS

SPECIAL MEETING OF STOCKHOLDERS

June 14, 2016

PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of The New Ireland Fund, Inc. (the "Fund") in connection with its solicitation of proxies for use at each of the Annual Meeting of Stockholders (the "Annual Meeting") and the Special Meeting of Stockholders (the "Special Meeting" and together with the Annual Meeting, the "Meetings") of the Fund to be held on Tuesday, June 14, 2016 at 9:00 a.m. and 9:30 a.m., New York time, respectively, at the Harvard Club, 27 West 44th Street, New York, NY 10036 and at any adjournments thereof. The purpose of the Annual Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders and the purpose of the Special Meeting and the matters to be acted upon are set forth in the accompanying Notice of Special Meeting of Stockholders.

If each accompanying proxy is executed properly and returned by June 14, 2016 in time to be voted at the Meetings, shares represented by it will be voted at the Meetings in accordance with the instructions on the proxy. If your shares are held through a broker, your shares can be voted on the election of Directors in your broker's discretion. A proxy may be revoked at any time prior to the time it is voted by executing a superseding proxy by telephone, the Internet or mail following the process described on the proxy card, by submitting a written notice to the Secretary of the Fund or by attendance at the relevant Meeting and executing a superseding proxy. Subject to the discussion below regarding abstentions and broker non-votes, all properly executed proxies received at or before the time of the relevant Meeting will be voted as specified in the proxy or, if no specification is made, will be voted FOR the election of Directors and FOR the approval of the proposed investment advisory agreement, as described in this Proxy Statement.

A proxy on shares held by brokers or nominees which (a) is properly executed and returned accompanied by instructions to withhold authority to vote, or (b) as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter, represents a broker “non-vote”. Proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum.

A quorum of the Fund’s stockholders is required to properly conduct the business of the Meetings. Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast at the relevant Meeting. In the event a quorum is not present at a Meeting, the Chairperson of the Meeting will have the power to adjourn the Meeting, without notice other than an announcement at the Meeting, until the requisite amount of stock entitled to vote at such Meeting is present. Once a quorum is established, the stockholders present, either in person or by proxy, at a Meeting may continue to transact business until adjournment, notwithstanding the withdrawal from the Meeting of enough stockholders to leave fewer than would be required to establish a quorum. In the event a quorum is present at a Meeting, but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of such Meeting to permit further solicitation of proxies. A stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy and the persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting will take place not more than 120 days after the original record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting.

The close of business on April 27, 2016 has been fixed as the record date (the “Record Date”) for the determination of stockholders entitled to notice of, and to vote at, the Meetings. As of the Record Date, the Fund had 5,337,618 shares of common stock outstanding and entitled to vote. At the Meetings, each share will be entitled to one vote, and fractional shares, if any, shall have proportionate voting rights. It is expected that the Notice of Annual Meeting, Notice of Special Meeting, Proxy Statement, and forms of proxy will be mailed to stockholders on or about May 2, 2016.

Proxy solicitations will be made primarily by mail, but solicitations may also be made by telephone, Internet or personal contact conducted by representatives of the Fund. AST Fund Solutions, LLC (“AST”) has been engaged to assist in the solicitation of proxies. The anticipated cost of such solicitation services is approximately \$64,000. All costs of solicitation, including (a) printing and mailing of this Proxy Statement and accompanying material, (b) the reimbursement of brokerage firms

and others for their expenses in forwarding solicitation material to the beneficial owners of the Fund's shares and (c) supplementary solicitations to submit proxies, will be borne by Kleinwort Benson Investors International Ltd., the Fund's investment adviser.

The Annual Report of the Fund, including audited financial statements for the fiscal year ended October 31, 2015, is available upon request, without charge, by writing to The New Ireland Fund, Inc., C/O BNY Mellon Investment Servicing (US) Inc., One Boston Place, 201 Washington Street, 34th Floor, Boston, Massachusetts 02109, by accessing the Fund's website at www.newirelandfund.com, by calling toll-free 1-800-468-6475, or by emailing investor.query@newirelandfund.com.

The date of this Proxy Statement is April 28, 2016.

ANNUAL MEETING OF STOCKHOLDERS**PROPOSAL 1: ELECTION OF DIRECTORS**

At the Annual Meeting, two Directors will be elected. Pursuant to the Fund's By-laws, the terms of office of the Directors are staggered. The Board of Directors is divided into three classes, designated: Class I, Class II, and Class III. Class I currently consists of Peter J. Hooper, Class II currently consists of David Dempsey and Michael Pignataro, and Class III currently consists of Margaret Duffy and Sean Hawkshaw. The two Directors in Class II are being considered for election at the Annual Meeting. If elected, each of Messrs. Dempsey and Pignataro will hold office for a term of three years and until their successor is elected and qualified. It is the intention of the persons named in the accompanying proxy to vote, on behalf of the stockholders, for the election of David Dempsey and Michael Pignataro.

The nominees have consented to being named in this Proxy Statement and to serve as Directors if elected. The Board of Directors has no reason to believe that the nominees will become unavailable for election as Directors, but if that should occur before the Annual Meeting, proxies will be voted for such other persons as the Board of Directors may recommend.

The Directors and officers of the Fund are listed below, together with their respective positions, and a brief statement of their principal occupations during the past five years and, in the case of Directors, their positions with certain organizations and publicly-held companies. For the purposes of the table below and this Proxy Statement, except as otherwise defined, the term "Independent Director" means those Directors who are not "interested persons" (as defined in the Investment Company Act of 1940 (the "1940 Act")), of the Fund, and the term "Interested Director" means those Directors who are "interested persons" of the Fund.

Additional Information about the Fund's Board of Directors

Board Responsibilities

The Board of Directors has the overall responsibility for monitoring the operations of the Fund. The Board of Directors has approved contracts under which certain companies provide essential management services to the Fund. The Board of Directors is responsible for supervising the services provided by those companies.

Like most registered investment companies, the day-to-day business of the Fund, including the management of risk, is performed by third-party service providers, such as the Investment Adviser, BNY Mellon and the Fund's transfer agent. The Directors are responsible for overseeing the Fund's service providers and, thus, have oversight responsibility with respect to risk management performed by those service providers. Risk management seeks to identify and address risks – that is, events or circumstances that could have material adverse effects on the business, operations, shareholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify those possible events or circumstances, to lessen the probability of their occurrence, and/or to mitigate the effects of such events or circumstances if they do occur. Each service provider is responsible for one or more discrete aspects of the Fund's business, and, consequently,

for managing the risks associated with that business. The Board of Directors has emphasized to the Fund's service providers the importance of maintaining vigorous risk management.

As part of its oversight, the Board of Directors, acting at its scheduled meetings, or the Chairperson, acting between Board of Directors meetings, regularly interacts with and receives reports from service providers. Additionally, the Investment Adviser provides the Board of Directors with an overview of, among other things, its investment philosophy, brokerage practices and compliance infrastructure. The Board of Directors continues its oversight function as various personnel, including the Fund's Chief Compliance Officer and personnel of other service providers, such as the Fund's independent registered public accounting firm, make periodic reports to the Audit and Valuation Committee of the Board of Directors or to the entire Board of Directors with respect to various aspects of risk management. The Board of Directors and the Audit and Valuation Committee oversee efforts by management and service providers to manage risks to which the Fund may be exposed.

The Fund's Chief Compliance Officer reports regularly to the Board of Directors to review and discuss compliance issues. At least annually, the Fund's Chief Compliance Officer provides the Board of Directors with a written report reviewing the adequacy and effectiveness of the Fund's policies and procedures and those of its service providers. The report addresses the operation of the policies and procedures of the Fund and each service provider since the date of the last report; any material changes to the policies and procedures since the date of the last report; any recommendations for material changes to the policies and procedures; and any material compliance matters since the date of the last report.

The Board of Directors receives reports from the Fund's service providers regarding operational risks and risks related to the valuation and liquidity of portfolio securities. The Investment Adviser's Pricing Committee reports to the Board of Directors concerning any investments for which market quotations are not readily available. Annually, the independent registered public accounting firm reviews with the Audit and Valuation Committee its audit of the Fund's financial statements, focusing on major areas of risk encountered by the Fund and noting any significant deficiencies or material weaknesses in the Fund's internal controls. Additionally, in connection with its oversight function, the Board of Directors oversees Fund management's implementation of disclosure controls and procedures, which are designed to ensure that information required to be disclosed by

the Fund in its periodic reports with the Securities and Exchange Commission (“SEC”) are recorded, processed, summarized, and reported within the required time periods. The Board of Directors also oversees the Fund’s internal controls over financial reporting, which comprise policies and procedures designed to provide reasonable assurance regarding the reliability of the Fund’s financial reporting and the preparation of the Fund’s financial statements.

From their review of these reports and their discussions with each service provider, the Chief Compliance Officer and the independent registered public accounting firm, the Board of Directors and the Audit and Valuation Committee learn about the material risks of the Fund, thereby facilitating a dialogue about how management and service providers identify and mitigate those risks.

The Board of Directors recognizes that not all risks that may affect the Fund can be identified and/or quantified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund’s goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Directors as to risk management matters are typically summaries of the relevant information. Most of the Fund’s investment management and business affairs are carried out by or through the Investment Adviser and other service providers each of which has an independent interest in risk management but whose policies and the methods by which one or more risk management functions are carried out may differ from the Fund’s and each other’s in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the Board of Director’s ability to monitor and manage risk, as a practical matter, is subject to limitations.

Members and Structure of the Board of Directors

There are currently five members of the Board of Directors, four of whom are Independent Directors. Margaret Duffy serves as Chairperson of the Board of Directors. The Fund has determined its leadership structure is appropriate given the specific characteristics and circumstances of the Fund. The Fund made this determination in consideration of, among other things, the fact that the Board of Directors consists of five members, four of which are Independent Directors, including the Chairperson, the fact that the Chairman of the Audit and Valuation Committee is an Independent Director and the amount of assets under management in the Fund. The Board of Directors also believes that its leadership structure facilitates the orderly and efficient flow of information to the Independent Directors from Fund management.

Individual Director Qualifications

The Board of Directors has concluded that the Directors of the Fund should serve on the Board of Directors because of their ability to review and understand information about the Fund provided to them by management, identify and

request other information they may deem relevant to the performance of their duties, question management and other service providers regarding material factors bearing on the management and administration of the Fund, and exercise their business judgment in a manner that serves the best interests of the Fund's stockholders. In addition, the Board of Directors has concluded that each of the Directors should serve as a Director based on his or her own experience, qualifications, attributes and skills as described below.

Independent Directors

The Board of Directors has concluded that Ms. Duffy should serve as a Director because of her experience in financial consulting, her experience and background in the public accounting profession, including serving as an audit partner on multinational companies for an international accounting firm and her experience serving as a director of other companies, and as a Director of the Fund since 2006.

The Board of Directors has concluded that Mr. Dempsey should serve as a Director because of the financial and management experience he gained serving as a managing director of an international investment banking firm since 1991, his knowledge of the financial services and banking industries, and his experience serving as a Director of the Fund since 2007.

The Board of Directors has concluded that Mr. Hooper should serve as a Director because of the business and management experience he has gained as President of the consulting firm he founded in 1994, his knowledge of and experience in the financial services industry, and his experience serving as a Director of the Fund since 1990.

The Board of Directors has concluded that Mr. Pignataro should serve as a Director because of the financial and management experience he gained as a director at an asset management company from 2001 to 2013, his experience as the chief financial officer of a mutual fund complex from 1996 to 2012, his knowledge of the mutual fund operations and the mutual fund industry and his experience serving as a Director of the Fund since 2015.

Interested Director

The Board of Directors concluded that Mr. Hawkshaw should serve as a Director because of his experience as Chief Executive Officer of KBI and his many years of experience in the asset management business. He has served as a Director of the Fund since March 5, 2013. Prior thereto, Mr. Hawkshaw served as a Director of the Fund from July 21, 2011 to June 5, 2012.

In its periodic assessment of the effectiveness of the Board of Directors, the Board of Directors considers the complementary individual skills and experience of the individual Directors primarily in the broader context of the Board of Director's overall composition so that the Board of Directors, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the operation of the Fund. Moreover, references to the qualifications, attributes and skills of individual Directors are pursuant to requirements of the SEC, do not constitute that the Board of Directors, or any Director, possesses any special expertise or experience, and shall not be deemed to impose any greater responsibility, or liability, on any such person or on the Board of Directors by reason thereof.

Committees of the Board of Directors

Audit and Valuation Committee/Audit and Valuation Committee Report

The role of the Audit and Valuation Committee is to assist the Board of Directors in its oversight of the Fund's financial reporting process and to oversee the activities of the Investment Adviser's Pricing Committee and perform the responsibilities assigned to the Audit and Valuation Committee in the Fund's valuation policies and procedures. The Audit and Valuation Committee operates pursuant to a Charter that was most recently approved by the Board of Directors on February 14, 2014. A copy of the Audit and Valuation Committee Charter (the "Charter") was included as Exhibit A to the Fund's proxy statement dated April 30, 2014. As set forth in the Charter, management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm for the Fund is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The Audit and Valuation Committee consists of Messrs. Pignataro, Dempsey and Hooper, all of whom are "independent" Directors of the Fund, as defined in the listing standards of the New York Stock Exchange. The Board of Directors has determined that Mr. Pignataro is qualified to serve as the Fund's Audit committee financial expert. The Audit and Valuation Committee is responsible for the engagement of the independent registered public accounting firm and reviewing with the independent registered public accounting firm the plan and results of the audit

engagement and matters having a material effect on the Fund's financial operations. The Audit and Valuation Committee met two times during the fiscal year ended October 31, 2015.

In performing its oversight function, the Audit and Valuation Committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The Audit and Valuation Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication with Those Charged with Governance*, AU Section 380, as modified or supplemented. The Audit and Valuation Committee has also received the written disclosures from the independent registered public accounting firm required by Public Company Accounting Oversight Board ("PCAOB") Ethics and Independence Rule 3526, *Communications with Audit Committees Concerning Independence*, as may be modified or supplemented, and has discussed with the independent registered public accounting firm its independence.

The members of the Audit and Valuation Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit and Valuation Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit and Valuation Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit and Valuation Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Fund's auditors are in fact "independent".

Based upon the reports and discussion described in this report, and subject to the limitations on the role and responsibilities of the Audit and Valuation Committee referred to above and in the Charter, the Audit and Valuation Committee recommended that the audited financial statements be included in the Fund's Annual Report for the year ended October 31, 2015.

Governance and Nominating Committee

The Fund's Governance and Nominating Committee is currently composed of Ms. Duffy and Messrs. Pignataro and Dempsey. All of the members of the Governance and Nominating Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange applicable to closed-end funds. The primary purposes and responsibilities of the Governance and Nominating Committee are (i) reviewing governance standards of the Board of Directors in light of best practices (with the understanding that the Board of Directors will seek to conform its practices to what it perceives to be best practices); (ii) screening and nominating candidates for election to the Board of Directors in the event that a position is vacated or created; (iii) setting any necessary standards or qualifications for service on the Board of Directors; (iv) reviewing any policy matters affecting the operation of the Board of Directors or Board of Directors committees and making recommendations to the Board of Directors as deemed appropriate by the Governance and Nominating Committee; and (v) establishing and reviewing Director compensation.

The Governance and Nominating Committee met two times during the Fund's fiscal year ended October 31, 2015 and most recently on March 8, 2016 to consider the nomination of David Dempsey and Michael Pignataro.

If a vacancy on the Board of Directors were to exist, the Governance and Nominating Committee would consider recommendations for Independent Director candidates properly submitted by Fund stockholders. Stockholders should submit such recommendations for nomination in a signed writing addressed to the Secretary of the Fund. Any stockholder seeking to nominate a Director candidate (a "Proposed Nominee") must provide timely notice of the nomination and include in the notice certain information regarding the Proposed Nominee, including, among other things: (i) information relating to the Proposed Nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the Proposed Nominee as a director in an election contest (even if an election contest is not involved), and (ii) whether the stockholder believes that the Proposed Nominee is, or is not, an "interested person" of the Fund, as defined in the 1940 Act.

The Board of Directors has adopted a written charter for the Governance and Nominating Committee which was approved on November 7, 2013 and is available at the Fund's website, www.newirelandfund.com. The Governance and Nominating Committee Charter describes the factors considered by the Governance and Nominating Committee in selecting nominees. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board of Directors members, and the extent to which the candidate would be a desirable addition to the Board of Directors and any committees thereof. The Governance and Nominating Committee will treat all equally qualified candidates in the same manner. The Governance and Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

Independent Registered Public Accounting Firm

At a meeting held on December 15, 2015, the Audit and Valuation Committee, which consists entirely of Independent Directors selected Tait, Weller & Baker LLP ("Tait Weller"), 1818 Market Street, Suite 2400, Philadelphia, Pennsylvania to serve as the independent registered public accounting firm for the Fund for the fiscal year ending October 31, 2016. The selection of Tait Weller was subsequently ratified and approved by the entire Board of Directors. Tait Weller was also the independent registered public accounting firm for the Fund for the fiscal year ended October 31, 2015. Tait Weller has advised the Fund that, to the best of its knowledge and belief, as of the Record Date, no Tait Weller professional had any direct or material indirect ownership interest in the Fund inconsistent with independent professional standards pertaining to accountants. It is expected that representatives of Tait Weller will not be present at the Annual Meeting, but will be available by telephone and have the opportunity to make a statement, if the representatives so desire, and to answer any questions that may arise. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking stockholder ratification of the selection of Tait Weller as independent registered public accounting firm.

Set forth in the table below are fees billed to the Fund by Tait Weller for professional services rendered to the Fund for the fiscal years ended October 31, 2014 and October 31, 2015. There were no other fees billed to the Fund.

Fiscal Year Ended	Audit Fees	Audit-Related Fees	Tax Fees*	All Other Fees
10/31/14	\$ 38,000	-	\$ 4,500	-
10/31/15	\$ 38,500	-	\$ 4,500	-

* Fees billed to the Fund in connection with tax consulting services, including the review of the Fund's income tax returns.

The Fund's Audit and Valuation Committee Charter requires that the Audit and Valuation Committee pre-approve all audit and non-audit services to be provided to the Fund by the Fund's independent registered public accounting firm. All of the audit and tax services described above for which Tait Weller billed the Fund fees for the fiscal years ended October 31, 2014 and October 31, 2015 were pre-approved by the Audit and Valuation Committee.

Tait Weller did not bill any non-audit fees for services rendered to the Investment Adviser, or any entity controlling, controlled by, or under the common control with the Investment Adviser that provides ongoing services to the Fund, for the fiscal years ended October 31, 2014 and October 31, 2015.

Stockholder Communications

Stockholders who wish to send communications to the Board of Directors should address them to the Board of Directors of the Fund, BNY Mellon Investment Servicing (US) Inc., One Boston Place, 201 Washington Street, 34th Floor, Boston, MA 02109 or to investor.query@newirelandfund.com. All such communications will be directed to the Board of Director's attention.

The Fund does not have a formal policy regarding attendance of Directors at the Annual Meeting of Stockholders; however, all of the Directors of the Fund attended the June 9, 2015 Annual Meeting of Stockholders.

Required Vote

In the election of a Director of the Fund, a plurality of the votes cast by the Fund stockholders represented at a meeting at which a quorum is present is required to elect a Director candidate. A "plurality" means that the nominees who receive the largest number of votes cast "FOR" are elected as Directors. For this purpose, abstentions, broker

non-votes and votes that are withheld will have no effect on the outcome of the election.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT

YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR.

SPECIAL MEETING OF STOCKHOLDERS

PROPOSAL 1: APPROVAL OF INVESTMENT ADVISORY AGREEMENT

WITH KLEINWORT BENSON INVESTORS INTERNATIONAL LTD.

Kleinwort Benson Investors International Ltd. (“KBI” or the “Investment Adviser”) was appointed as investment adviser to the Fund pursuant to an investment advisory agreement between KBI and the Fund dated July 21, 2011 (the “Previous Advisory Agreement”).

KBI is a majority-owned subsidiary of Kleinwort Benson Investors Dublin Ltd. On January 14, 2016, KBI notified the Fund that Oddo & Cie SCA (“Oddo”) had raised its equity interest in BHF Kleinwort Benson Group SA, the ultimate indirect parent of Kleinwort Benson Investors Dublin Ltd., and intended to acquire 100% of the equity interest in BHF Kleinwort Benson Group SA, which could cause an “assignment” of the Previous Advisory Agreement under the 1940 Act resulting in its automatic termination. At a special meeting the Board of Directors held on January 22, 2016, the Directors, including a majority of the Independent Directors, approved an interim investment advisory agreement between KBI and the Fund (the “Interim Advisory Agreement”) pursuant to Rule 15a-4 under the 1940 Act.

Pursuant to a tender offer and follow-on transaction, Oddo acquired 100% of the equity interest in BHF Kleinwort Benson Group SA, including a “controlling block” of BHF Kleinwort Benson Group SA’s voting securities on February 25, 2016. The acquisition of the controlling block caused an “assignment” of the Previous Advisory Agreement resulting in its automatic termination. Accordingly, the Interim Advisory Agreement took effect, with an effective date of February 25, 2016. The Interim Advisory Agreement has a term of the earlier of 150 days or the effective date of a new investment advisory agreement between KBI and the Fund. KBI is expected to remain autonomous with respect to its investment advisory business under the new ownership by Oddo. Oddo has stated that the opportunity to sell Kleinwort Benson Investors Dublin Ltd., the majority owner of KBI, will be considered with the management in due time.

The Board of Directors subsequently approved and recommended for stockholder approval a new investment advisory agreement between KBI and the Fund (the “New Advisory Agreement”). The New Advisory Agreement will become effective upon approval by stockholders. As discussed below, the New Advisory Agreement is substantially similar to the Previous Advisory Agreement and the Interim Advisory Agreement, except for the effective date and term of each agreement, and certain other immaterial exceptions. The fees for services payable under the New Advisory Agreement are the same as those that were payable under the Previous Advisory Agreement and are payable under the Interim Advisory Agreement.

Comparison of the Previous, Interim and New Advisory Agreements

At the Special Meeting, you will be asked to approve the New Advisory Agreement. A comparison of the proposed New Advisory Agreement and the Interim and Previous Advisory Agreements is included below. A form of the New Advisory Agreement is attached hereto as *Appendix A*. The Previous Advisory Agreement was last approved by the Board of Directors, including a majority of Independent Directors, at an in-person meeting on March 10, 2015, and was initially and last approved by stockholders on July 21, 2011.

The terms of the New Advisory Agreement are substantially similar to those of the Previous Advisory Agreement and Interim Advisory Agreement. The fees payable to KBI by the Fund under the New Advisory Agreement are identical to those payable under the Previous Advisory Agreement and Interim Advisory Agreement. If approved by stockholders, the New Advisory Agreement will expire two years from its effective date, unless specifically reapproved in the manner required by the 1940 Act and the rules thereunder. The following discussion provides a comparison of certain material terms of the Previous Advisory Agreement and Interim Advisory Agreement to the material terms of the New Advisory Agreement.

Investment Advisory Services. The investment advisory services to be provided by KBI to the Funds under the New Advisory Agreement will be the same as those services provided by KBI to the Fund under the Previous Advisory Agreement and Interim Advisory Agreement. The Previous Advisory Agreement, Interim Advisory Agreement and New Advisory Agreement each provide that KBI undertakes and agrees (i) to make investment decisions for the Fund, to prepare and make available to the Fund research and statistical data in connection therewith, and to supervise the acquisition and disposition of securities by the Fund, including the selection of brokers or dealers to carry out the transactions, all in accordance with the Fund's investment objective and policies and in accordance with guidelines and directions from the Fund's Board of Directors; (ii) to assist the Fund as it may reasonably request in the conduct of the Fund's business subject to the direction and control of the Fund's Board of Directors; and (iii) to maintain and furnish or cause to be maintained and furnished for the Fund all records, reports and other information required under the 1940 Act to the extent that such records, reports and other information are not maintained or furnished by the administrators, custodians or other agents of the Fund. The investment advisory services will be provided by the same KBI personnel under the New Advisory Agreement as under the Previous Advisory Agreement and Interim Advisory Agreement. KBI does not anticipate that the ownership by Oddo will have any adverse effect on the performance of its obligations under the New Advisory Agreement.

Fees. The fees payable to KBI under the New Advisory Agreement are identical to the fees payable to KBI under the Previous Advisory Agreement and Interim Advisory Agreement. Specifically, under the Previous Advisory Agreement, Interim Advisory Agreement and New Advisory Agreement, the Fund has agreed to pay KBI a fee, payable monthly, at an annualized rate equal to 0.65% of the value of the average daily net assets of the Fund up to the first \$50 million, 0.60% of the value of the average daily net assets of the Fund over \$50 million and up to and including \$100 million, and 0.50% of the value of the average daily net assets of the Fund in excess of \$100 million. The Fund paid a fee of \$493,605 to KBI for the Fund's most recent fiscal year for services performed under the Previous Advisory Agreement.

Payment of Expenses. Under each of the Previous Advisory Agreement, Interim Advisory Agreement and New Advisory Agreements, KBI undertakes and agrees (i) to furnish at its expense for the use of the Fund such office space and facilities as the Fund may reasonably require for its needs in Dublin, Ireland, and to furnish at its expense clerical services in the United States or Ireland related to research, statistical and investment work; and (ii) to pay the reasonable salaries and expenses of such of the Fund's officers and employees and any fees and expenses of such of the Fund's directors as are directors, officers or employees of KBI or any of its affiliates. Under each of the Previous Advisory Agreement, Interim Advisory Agreement and New Advisory Agreement, the Investment Adviser shall bear all expenses arising out of its duties but shall not be responsible for any other expenses of the Fund other than those specifically allocated to the Investment Adviser as described in the Agreement. The expenses to be borne by the Fund under the New Advisory Agreement are the same as in the Previous Advisory Agreement and Interim Advisory Agreement.

Continuance. The Previous Advisory Agreement was renewed for a one-year period at the March 10, 2015 in-person meeting of the Board of Directors and, if not terminated, could have been continued in effect thereafter if such continuance was specifically approved at least annually in the manner required by the 1940 Act and the rules thereunder. The Interim Advisory Agreement has a term of 150 days, which term may not be renewed. If the stockholders approve the New Advisory Agreement, the New Advisory Agreement will expire two years from its effective date, unless its continuance is approved in the manner required by the 1940 Act and the rules thereunder. The Previous Advisory Agreement and the New Advisory Agreement both contain the same provisions regarding continuance of the agreement, with the exception of the date of effectiveness.

Termination. Each of the Previous Advisory Agreement, Interim Advisory Agreement and New Advisory Agreement provides for termination without penalty, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities of the Fund or by the Investment Adviser upon 60 days' written notice delivered or sent to the other party. As with the Previous Advisory Agreement and Interim Advisory Agreement, the New Advisory Agreement also will terminate automatically in the event of assignment.

Board Considerations in Approving the New Advisory Agreement

The New Advisory Agreement was approved by the Board of Directors, including a majority of the Independent Directors, at an in-person meeting on March 8, 2016 after consideration of all factors determined to be relevant to their deliberations, including those discussed below. The Board of Directors authorized the submission of the New Advisory Agreement for consideration by the Fund's stockholders in this Proxy Statement.

The Approval Process. In considering the approval of the New Advisory Agreement, the Board of Directors reviewed a variety of information provided by the Investment Adviser and BNY Mellon Investment Servicing (US) Inc., the Fund's administrator (the "Administrator"), including comparative performance, fee and expense information, other information regarding the nature, extent and quality of services provided by the Investment Adviser and a report on Oddo's acquisition of BHF Kleinwort Benson Group SA and its potential impact on the services provided to the Fund, if any. The materials provided to the Directors included, among other items: (i) information on the investment performance of the Fund and the performance of a peer group of funds and the Fund's performance benchmark; (ii) information on the Fund's advisory fees and other expenses, including information comparing the Fund's expenses to those of a peer group of funds and information about any applicable expense limitations and fee "breakpoints"; (iii) information about the profitability of the Previous Advisory Agreement to the Investment Adviser; (iv) a report prepared by the Investment Adviser in response to a request submitted by the Independent Directors' independent legal counsel on behalf of such Directors; and (v) a memorandum from the Independent Directors' independent legal counsel on the responsibilities of the Board of Directors in considering for approval the investment advisory arrangement under the 1940 Act and Maryland law. The Directors, including the Independent Directors, also considered other matters such as: (i) the Investment Adviser's financial results and financial condition; (ii) the Fund's investment objective and strategies; (iii) the Investment Adviser's investment personnel and operations; (iv) the procedures employed to determine the value of the Fund's assets; (v) the allocation of the Fund's brokerage, if any, including, if applicable, allocations to brokers affiliated with the Investment Adviser and the use, if any, of "soft" commission dollars to pay Fund expenses and to pay for research and other similar services; (vi) the resources devoted to, and the record of compliance with, the Fund's investment policies and restrictions, policies on personal securities transactions and other compliance policies; and (vii) possible conflicts of interest. Throughout the process, the Board of Directors was afforded the opportunity to ask questions of and request additional materials from the Investment Adviser.

In addition to the materials requested by the Directors in connection with their consideration of the New Advisory Agreement, the Directors received materials in advance of each regular quarterly meeting of the Board of Directors that provided information relating to the services provided by the Investment Adviser.

The Independent Directors were advised by separate independent legal counsel throughout the process. The Independent Directors also discussed the proposed approval in a private session with counsel at which no representatives of the Investment Adviser were present. In reaching their determinations relating to approval of the New Advisory Agreement in respect of the Fund, the Directors considered all factors they believed relevant, including the following:

- 1) the total compensation to be received, directly or indirectly, by the Investment Adviser;
- 2) the expenses to be incurred by the Investment Adviser in performing services under the New Advisory Agreement;
- 3) the Fund's expense ratio;
- 4) the possible reduction in advisory fees to reflect economies of scale;
- 5) competitive prices for comparable services;
- 6) competitive expense ratios; and
- 7) past performance and reliability of the Investment Adviser.

The Directors did not identify any single factor as determinative. Individual Directors may have evaluated information presented differently from one another, giving different weights to different factors.

Matters considered by the Directors, including the Independent Directors, in connection with their approval of the New Advisory Agreement are included in the factors listed below.

Nature, Extent and Quality of Services Provided by the Investment Adviser. The Directors considered the nature, extent and quality of services provided by the Investment Adviser under the Previous Advisory Agreement and to be provided under the New Advisory Agreement and noted that the scope of services continues to expand as a result of regulatory and other market developments. The Directors noted that, for example, the Investment Adviser is responsible for maintaining and monitoring its own compliance program and coordinates certain activities with the Fund's Chief Compliance Officer, and these compliance programs are routinely refined and enhanced in light of new regulatory requirements and current market conditions. The Directors considered the Investment Adviser's investment

experience, the quality of the investment research capabilities of the Investment Adviser and the other resources dedicated to performing services for the Fund. The quality of other services, including the Investment Adviser's assistance in the coordination of the activities of some of the Fund's other service providers, also were considered. The Directors concluded that, overall, they were satisfied with the nature, extent and quality of services provided (and expected to be provided) to the Fund under the Previous Advisory Agreement and New Advisory Agreement.

Costs of Services Provided and Profitability to the Investment Adviser. At the request of the Directors, the Investment Adviser provided information concerning the profitability to the Investment Adviser of the Previous Advisory Agreement. The Directors reviewed with the Investment Adviser assumptions and methods of allocation used by the Investment Adviser in preparing this Fund-specific profitability data. The Directors recognized that it is difficult to make comparisons of profitability from investment advisory contracts. This is because comparative information is not generally publicly available and is affected by numerous factors, including the structure of the particular adviser, the type of clients it advises, its business mix, and numerous assumptions regarding allocations and the adviser's capital structure and cost of capital. In considering profitability information, the Directors considered the effect of fall-out benefits on the Investment Adviser's expenses. The Directors recognized that the Investment Adviser should, in the abstract, be entitled to earn a reasonable level of profits for the services it provides, to the Fund. Based on their review, they concluded they were satisfied that the Investment Adviser's level of profitability, from its relationship with the Fund, was not excessive.

Fall-Out Benefits. The Directors also considered so-called "fall-out benefits" to the Investment Adviser and its affiliates, such as reputational and other benefits from the Investment Adviser's association with the Fund. The Directors considered any possible conflicts of interest associated with these fall-out and other benefits. The Investment Adviser advised the Directors that no portfolio transactions were expected to be allocated pursuant to arrangements whereby the Investment Adviser receives brokerage and research services from brokers that execute the Fund's purchases and sales of securities. As a result, none of the Investment Adviser's research or other expenses was anticipated to be offset by the use of the Fund's commissions.

Investment Results. The Directors considered the investment results of the Fund as compared to the five other single country developed markets closed-end equity funds ("Peer Funds") based on the information provided by Broadridge, an independent third-party provider of investment company data, and by reviewing the performance of the Fund's benchmark. In addition to the information received by the Directors for the meeting, the Directors receive detailed performance information for the Fund at each regular Board meeting during the year.

The comparative information showed that the performance of the Fund compared favorably to the Peer Funds over the one-, three-, five- and 10-year periods ended January 31, 2016. It was also noted that the Fund's diversification requirements limited its investment flexibility compared to other advisory accounts advised by the Investment Adviser. Based upon this review, the Directors concluded that the Fund's relative investment performance over time had been satisfactory.

Advisory Fee. The Investment Adviser reviewed with the Directors the major differences in the scope of services it provides to institutional clients and to the Fund. For example, despite not being required under the New Advisory Agreement, the Investment Adviser provides, among other things, a consultant who serves as an officer of the Fund (which officer provides required certifications, with the attendant costs and exposure to liability). The Investment Adviser also assists in coordinating the provision of services to the Fund by certain nonaffiliated service providers. In looking at fee comparisons, the Directors took these aspects into consideration.

The information provided by Broadridge showed that the Fund's effective combined advisory fee and administration fee rate of approximately 0.796% (based on net assets at October 31, 2015) was well within the range of advisory fees and administration fees paid by the Peer Funds, and was below the median for the group.

The Directors recognized the limitations on the usefulness of these comparisons, given the potential varying nature, extent and quality of the services provided by the advisers of other portfolios. Similar limitations are inherent in comparing services being provided by the Investment Adviser to its other clients.

The Directors took into account that, although the Investment Adviser may realize economies of scale in managing the Fund as its assets increase, there are substantial restraints on the growth of Fund assets. These are: (a) a public offering may only reasonably be made in rights offerings, or when the market price of the Fund's shares exceeds the Fund's net asset value per share; and (b) stockholders either take dividends or distributions in cash or they reinvest them in secondary market purchases of Fund shares, neither of which serves to increase Fund assets.

The Directors also considered the total expense ratio of the Fund in comparison to the fees and expenses of the Peer Funds. It was noted that the Fund's total expense ratio of 1.681% was higher in comparison to the median of the expense ratios of the Peer Funds. The Directors considered the factors that impacted the Fund's expenses.

After considering this information, the Directors concluded that they believed that the Fund's advisory fee was reasonable, with the breakpoint in the advisory fee being set at a relatively low level of assets. They also concluded that the absolute dollar fees paid to the Investment Adviser were appropriate in light of the commitment required to advise the Fund, and that they were satisfied with the nature and quality of the services provided.

In addition, the Directors recognized that many industry observers have noted that the level of services required and risks involved in managing registered investment companies are significantly different from those for pension and institutional accounts and that market fees vary accordingly.

Based on their evaluation of all factors that they deemed to be materials, including those factors described above, and assisted by the advice of independent counsel, the Directors, including the Independent Directors, concluded that the investment advisory arrangements between the Fund and the Investment Adviser were fair and reasonable and that the approval of the New Advisory Agreement would be in the best interest of the Fund and its shareholders. Accordingly, the Board, including the Independent Directors voting separately, approved the New Advisory Agreement.

INVESTMENT ADVISORY AGREEMENT

Agreement, dated and effective as of _____, 2016, between THE NEW IRELAND FUND, INC., a Maryland corporation (herein referred to as the “Fund”) and KLEINWORT BENSON INVESTORS INTERNATIONAL LIMITED, a limited liability company organized under the laws of the Republic of Ireland (herein referred to as the “Investment Adviser”).

WITNESSETH: That in consideration of the mutual covenants herein contained, it is agreed by the parties as follows:

1. The Investment Adviser hereby undertakes and agrees, upon the terms and conditions herein set forth, (i) to make investment decisions for the Fund, to prepare and make available to the Fund research and statistical data in connection therewith, and to supervise the acquisition and disposition of securities by the Fund, including the selection of brokers or dealers to carry out the transactions, all in accordance with the Fund’s investment objective and policies and in accordance with guidelines and directions from the Fund’s Board of Directors; (ii) to assist the Fund as it may reasonably request in the conduct of the Fund’s business subject to the direction and control of the Fund’s Board of Directors; (iii) to maintain and furnish or cause to be maintained and furnished for the Fund all records, reports and other information required under the Investment Company Act of 1940, as amended (the “1940 Act”), to the extent that such records, reports and other information are not maintained or furnished by the administrators, custodians or other agents of the Fund; (iv) to furnish at the Investment Adviser’s expense for the use of the Fund such office space and facilities as the Fund may reasonably require for its needs in Dublin, Ireland, and to furnish at the Investment Adviser’s expense clerical services in the United States or Ireland related to research, statistical and investment work; and (v) to pay the reasonable salaries and expenses of such of the Fund’s officers and employees (including, where applicable, the Fund’s share of payroll taxes) and any fees and expenses of such of the Fund’s directors as are directors, officers or employees of the Investment Adviser or any of its affiliates, provided, however, that the Fund, and not the Investment Adviser or any of its affiliates, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are directors, officers or employees of the Investment Adviser or any of its affiliates to the extent that such expenses relate to attendance at meetings of the Board of Directors of the Fund or any committees thereof. The Investment Adviser shall bear all expenses arising out of its duties hereunder but shall not be responsible for any expenses of the Fund other than those specifically allocated to the Investment Adviser in this paragraph 1. In particular, but without limiting the generality of the foregoing, the Investment Adviser shall not be responsible, except to the extent of the compensation of such of the Fund’s employees as are directors, officers or employees of the Investment Adviser whose services may be involved, for the following expenses of the Fund: organization expenses (but not the overhead or employee costs of the Investment Adviser); legal fees and expenses of counsel (United States and Irish) to the Fund and, if counsel is retained by the directors who are not “interested persons” of the Fund, of such counsel; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund’s custodians, transfer agents and registrars; fees and expenses with respect to administration except as may be

provided otherwise pursuant to administration agreements; expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; fees and expenses involved in registering and maintaining registration of the Fund and of its shares with the Securities and Exchange Commission, and qualifying its shares under state securities laws, including the preparation and printing of the Fund's registration statements and prospectuses for such purposes; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions, stamp duties or other costs of acquiring, disposing or maintaining any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the dividend reinvestment and share purchase plan; costs of stationery; any litigation expenses; and costs of shareholders' and other meetings.

2. In connection with the rendering of the services required under paragraph 1, the Fund may contract with or consult with such banks, other securities firms or other parties in Ireland or elsewhere as it may deem appropriate to obtain, advice regarding economic factors and trends, advice as to currency exchange matters and clerical and accounting services and other assistance.

3. The Fund agrees to pay in U.S. dollars to the Investment Adviser, as full compensation for the services to be rendered and expenses to be borne by the Investment Adviser hereunder, a fee, payable monthly, at an annualized rate equal to 0.65% of the value of the average daily net assets of the Fund up to the first \$50 million, 0.60% of the value of the average daily net assets of the Fund over \$50 million and up to and including \$100 million, and 0.50% of the value of the average daily net assets of the Fund in excess of \$100 million. For purposes of computing the monthly fee, the daily net assets of the Fund for a month shall be determined as of the close of business in New York each day with respect to which such last business day falls within that month, and the aggregate value of all such daily net assets shall be divided by the number of such days in such month. The value of the net assets of the Fund shall be determined pursuant to the applicable provisions of the 1940 Act and the directions of the Fund's Board of Directors. Such fee shall be computed beginning on the effective date of this Agreement (the "Effective Date") until the termination, for whatever reason, of this Agreement. The fee for the period from the end of the last month ending prior to termination of this Agreement to the date of termination and the fee for the period from the Effective Date through the end of the month in which the Effective Date occurs shall be pro rated according to the proportion which such period

bears to the full monthly period. Except as provided below, each payment of a monthly fee to the Investment Adviser shall be made within ten days of the first day of each month following the day as of which such payment is computed. Upon the termination of this Agreement before the end of any month, such fee shall be payable on the date of termination of this Agreement.

4. The Investment Adviser represents and warrants that it is duly registered and authorized as an investment adviser under the U.S. Investment Advisers Act of 1940, as amended, and agrees to maintain effective all requisite registrations, authorizations and licenses, as the case may be, until the termination of this Agreement.

5. Nothing herein shall be construed as prohibiting the Investment Adviser from providing investment management and advisory services to, or entering into investment management and advisory agreements with, other clients, including other registered investment companies and clients which may invest in securities of Irish issuers, or from utilizing (in providing such services) information furnished to the Investment Adviser as contemplated by section 2 of this Agreement; nor, except as explicitly provided herein, shall anything herein be construed as constituting the Investment Adviser an agent of the Fund.

6. The Investment Adviser may rely on information reasonably believed by it to be accurate and reliable. Neither the Investment Adviser nor its officers, directors, employees, agents or controlling persons as defined in the 1940 Act shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith or gross negligence on the part of the Investment Adviser in the performance of its duties or by reason of reckless disregard on the part of the Investment Adviser of its obligations and duties under this Agreement. Any person, even though also employed by the Investment Adviser, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Adviser.

7. This Agreement shall remain in effect for a period of two years from the date on which it is approved by the holders of a majority of the outstanding voting securities of the Fund, and shall continue in effect thereafter, but only so long as such continuance is specifically approved at least annually by the affirmative vote of (i) a majority of the members of the Fund's Board of Directors who are neither parties to this Agreement nor interested persons of the Fund or of the Investment Adviser or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Investment Adviser, cast in person at a meeting called for the purpose of voting on such approval, and (ii) a majority of the Fund's Board of Directors or the holders of a majority of the outstanding voting securities of the Fund.

Notwithstanding the above, this Agreement (a) may nevertheless be terminated at any time without penalty, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities of the Fund or by the Investment Adviser upon 60 days' written notice delivered or sent to the other party, and (b) shall automatically be

terminated in the event of its assignment, provided, however, that a transaction which does not, in accordance with the 1940 Act, result in a change of actual control or management of the Investment Adviser's business shall not be deemed to be an assignment for the purposes of this Agreement. Any such notice shall be deemed given when received by the addressee.

8. This Agreement may not be transferred, assigned, sold or in any manner hypothecated, or pledged by either party hereto other than pursuant to Section 7. It may be amended by mutual agreement, but only after authorization of such amendment by the affirmative vote of (i) the holders of a majority of the outstanding voting securities of the Fund, and (ii) a majority of the members of the Fund's Board of Directors who are not interested persons of the Fund or of the Investment Adviser or of an entity regularly furnishing investment advisory services with respect to the Fund pursuant to any agreement with the Investment Adviser, cast in person at a meeting called for the purpose of voting on such approval.

9. This Agreement shall be construed in accordance with the laws of the State of New York, provided, however, that nothing herein shall be construed as being inconsistent with the 1940 Act. As used herein, the terms "interested person", "assignment", and "vote of a majority of the outstanding voting securities" shall have the meanings set forth in the 1940 Act.

10. Any notice hereunder shall be in writing and shall be delivered in person or by facsimile (followed by mailing such notice, air mail postage prepaid, on the day on which such facsimile is sent to the address set forth below) to the following address or facsimile numbers:

Unless specifically provided elsewhere, notice given as provided above shall be deemed to have been given, if by personal delivery, on the day of such delivery, and, if by facsimile and mail, on the date on which such facsimile and confirmatory letter are sent.

11. Each party hereto irrevocably agrees, that any suit, action or proceeding against the Investment Adviser or the Fund arising out of or relating to this Agreement shall be subject exclusively to the jurisdiction of the United States District Court for the Southern District of New York and the Supreme Court of the State of New York, New York County, and each party hereto irrevocably submits to the jurisdiction of each such court in connection with any such suit, action or proceeding. Each party hereto waives any objection to the laying of venue of any such suit, action or proceeding in either such court and waives any claim that such suit, action or proceeding has been brought in an inconvenient forum. Each party hereto irrevocably consents to service of process in connection with such suit, action or proceeding by mailing a copy thereof registered or certified, mail, postage prepaid, to their respective addresses as set forth in this Agreement.
