Item 1.01. Entry into a Material Definitive Agreement

S&W Seed Company ("S&W" or the "Company") entered into a Credit Agreement (the "Credit Agreement") with Wells Fargo Bank, National Association (the "Lender") and related loan documents dated April 1, 2011.

The Credit Agreement provides the Company with a revolving credit facility of up to \$5,000,000 that can be used for working capital requirements. Amounts outstanding under the revolving credit facility may be repaid and reborrowed through April 1, 2012, at which time all amounts outstanding become due and payable. There is no borrowing base under the terms of the Credit Agreement.

The loans comprising each borrowing bear interest at a rate per annum equal to the daily one month LIBOR rate for the applicable interest period plus two percent. Interest is payable each month in arrears. In the event of a default, as defined in the Credit Agreement, the principal balance will thereafter bear interest at an increased rate per annum equal to four percent above the interest rate that would otherwise have been in effect from time to time under the terms of the credit facility.

Under the Credit Agreement, the Company also will pay the Lender certain fees, including, without limitation, a fee of 0.5% of the unused portion of the credit facility, calculated quarterly.

The loan is secured by all of the Company's existing and after-acquired goods, tools, machinery, furnishings, furniture and other equipment. The Company has also granted the Lender a continuing security interest in all existing and after-acquired "Rights to Payment" and "Inventory," both as defined in the Continuing Security Agreement - Rights to Payment and Inventory.

The Credit Agreement contains customary representations and warranties, and affirmative and negative covenants, including but not limited to, minimum working capital and tangible net worth and quick ratio affirmative covenants and limitations on liens and certain additional indebtedness, guarantees and certain merger, consolidation or transfer of asset transactions, among others. The Credit Agreement includes customary events of default that permit the Lender to accelerate the Company's outstanding obligations, including but not limited to nonpayment of principal, interest, fees or other amounts, violation of covenants, failure to make any payments when due with respect to certain other debt or certain failures to comply with the terms of such other debt, entry of certain judgments, inaccuracy of

representations and warranties, upon the occurrence of bankruptcy and other insolvency events and certain events relating to a dissolution or liquidation of the Company, if there exists or occurs any event or condition that the Lender believes in good faith impairs or is substantially likely to impair the prospect of payment or performance or if there is a change of control aggregating 25% or more.

The Company has not yet drawn down on the newly-available line of credit.

The foregoing summary is qualified in its entirety by reference to the Credit Agreement and ancillary documents, copies of which are filed as Exhibits 10.1 through 10.4 to this Form 8-K and are incorporated herein by this reference.
